President del Valle provided the following remarks:

While we are on Zoom for this month's meeting, out of an abundance of caution for staff and board members, we are hoping that the coming months will lower the positivity rate and we can resume in-person meetings permanently. I, personally, am in the board office along with most of our staff and some other members, but just not meeting in the same room. I encourage all of you to wear your mask, observe social distancing, and follow all of the CDC guidelines so we can not only get back to in person meetings, but more importantly, move to in person instruction. One change I'm happy to announce for this meeting is that we've increased public participation to 30 public participants to increase community voice. We will continue to work on raising that number back up to 60 as we can. On another topic, I want to remind people how important it is to fill out the census. It's not too late if you haven't done the census to complete the census. The census is the basis by which resources, Federal resources get distributed to different communities, and Chicago desperately needs those resources. It's critical that all voices are counted. You can go to 2020census.gov, that's 2020census.gov and fill out the form today.

President del Valle provided the order of the meeting.

President del Valle thereupon opened the floor to Honoring Excellence segment of the Board Meeting. Ms. LaTanya McDade, Chief Education Officer and Luis Narvaez, EL Post Secondary Manager, recognized the DREAM Fund Scholarship Recipients.

President del Valle thereupon opened the floor to CEO Remarks segment of the Board Meeting. Dr. Janice Jackson, Chief Executive Officer, urged families to complete the Child Supervision Site Survey emailed and posted on the district's social media channels; and provided an overview on four topics that are being discussed in detail during the presentations: 1) changes to the School Resource Officer program, 2) public feedback was essential to much of the decision making to the investments outlined in the FY2021 Budget, 3) FY2021 Capital Plan was shaped by a first-of-its-kind Equity Index, and 4) Reopening of schools with remote learning.

President del Valle thereupon opened the floor to Committee Updates segment of the Board Meeting. No committee updates were provided.

President del Valle thereupon opened the floor to the Public Participation segment of the Board Meeting.

President del Valle thereupon opened the floor to the Discussion of Public Participation.

WHEREAS, on March 13, 2020, Illinois Governor J.B. Pritzker issued Executive Order 2020-05 ordering the closure of public and private pre-K-12 schools for educational purposes from March 17, 2020, through March 30, 2020;

Further, on April 30, 2020, Executive Order 2020-33 reissued Executive Order 2020-05 with an extension through May 29, 2020; and on May 29, 2020 Executive Order 2020-38 reissues most executive orders, extending a majority of the provisions through June 26, 2020; and on June 26, 2020, Executive Order 2020-44 reissues most executive orders, extending a majority of the provisions through July 24, 2020; and on July 24, 2020, Executive Order 2020-48 reissues most executive orders, extending a majority of the provisions through August 23, 2020.

WHEREAS, this is an evolving situation of public health concern and the top priority of the Board of Education of the City of Chicago ("Board") is the health and safety of CPS students and staff and their families and community;

WHEREAS, the Board is following and will continue to follow the guidance of local, state, and federal health officials, including the U.S. Centers for Disease Control and Prevention ("CDC"), the Illinois Department of Public Health ("IDPH") and the Chicago Department of Public Health ("CDPH") to protect the health of the community, respond to the outbreak and minimize transmission;

WHEREAS, the Illinois State Board of Education ("ISBE") requires in the Accelerated Placement Act (SB1223), an unfunded mandate, that all districts have an Accelerated Placement policy that must use an assessment process that includes multiple, reliable indicators;

WHEREAS, the Board believes that with the Accelerated Placement Policy already requiring two other reliable indicators unaffected by the transition to remote learning (NWEA scores and GPA) to be considered for Single-Subject and Whole-Grade Acceleration, the attainment and administration of an additional valid and reliable assessment to replace the IAR prerequisite would be costly and time inefficient;

NOW, THEREFORE, the Board hereby directs as follows:

1. All students applying for Whole-Grade and Single-Subject Acceleration in the 2020-2021 application cycle will have the Illinois Assessment of Readiness test score requirement waived.
2. This Resolution is effective immediately upon adoption.

20-0826-EX2**AMEND BOARD REPORT 14-0226-EX16**
APPROVE HOLIDAY WAIVER**THE CHIEF EXECUTIVE OFFICER RECOMMENDS THE FOLLOWING:**

That the Chicago Board of Education (the "Board") authorizes a holiday waiver and allows for classes, parent-teacher conferences, or conduct a teacher in-service or a teacher institute on school holidays.

This February 2014 amendment is necessary to authorize the use of a school calendar that may include the birthday of President Abraham Lincoln (February 12) for classes, parent-teacher conferences, or teacher in-services or a teacher institute.

This August 2020 amendment is necessary to authorize the use of a school calendar that may include the Veterans Day (November 11) for classes, parent-teacher conferences, or teacher in-services or a teacher institute.

PUBLIC HEARING AND NOTICES: A Public Hearing on the holiday waiver was held on March 28, 2012, before the Board, in accordance with Section 24-2(b) of the Illinois School Code. Notice setting forth the time, date, and place of the hearing was provided via parent portal, website publication, and newspaper notice.

A Public Hearing on the proposed use of President Abraham Lincoln's birthday as a day of student attendance day, parent-teacher conferences, or teacher in-services or teacher institute is being held on February 26, 2014, before the Board, in accordance with Section 24-2(b) of the Illinois School Code. Notice setting forth the time, date, and place of hearing was provided via parent portal and teachers, website publication and newspaper notice.

A Public Hearing on the proposed use of Veterans Day as a day of student attendance day, parent-teacher conferences, or teacher in-services or teacher institute is being held on August 26, 2020 before the Board, in accordance with Section 24-2(b) of the Illinois School Code. Notice setting forth the time, date, and place of hearing was provided via website publications and newspaper notice.

DESCRIPTION OF HOLIDAY WAIVER:

On August 22, 2007, the Board approved (Broad Report 07-0822-ED2) submitting an application for modifying the Illinois School Code to allow for classes, parent-teacher conferences, or teacher in-services or teacher institutes on Abraham Lincoln's Birthday, Casimir Pulaski Day and Columbus Day. The Illinois State Board of Education (ISBE) approved this application for five years expiring at the end of the 2011-2012 school year.

Since the ISBE approval, P.A. 96-640 was enacted on August 24, 2009, and provides that a school board is authorized to hold school or schedule teachers' institutes, parent-teacher conferences, or staff development activities (including school improvement and inservice training) on the following school holidays: the birthday of Dr. Martin Luther King, Jr. (third Monday in January); the birthday of President Abraham Lincoln (February 12); the birthday of Casimir Pulaski (first Monday in March); Columbus Day (second Monday in October); and Veterans' Day (November 11).

A school board is authorized to take these actions provided that (1) the person/persons honored by the holiday are recognized through instructional activities conducted on that day or, if the day is not used for student attendance, on the first school day preceding or following that day; and (2) the entity choosing to exercise this authority first holds a public hearing about the proposal. A school board shall provide notice preceding the public hearing to both educators and parents, setting forth the time, date, and place of the hearing; describing the proposal; and indicating that testimony from educators and parents will be taken about the proposal during the public hearing.

The CEO seeks the flexibility of using Columbus Day and Casimir Pulaski Day to develop school calendars that allow for a longer school year with more instructional school days for Chicago public school students. If these school holidays are used, schools will provide instructional activities on the person or persons honored by the holiday.

The CEO seeks additional flexibility in planning the school calendar by adding President Abraham Lincoln's birthday to the list of holidays that the district may use for classes, parent-teacher conferences, or teacher in-services or teacher institute.

The CEO seeks additional flexibility in planning the school calendar by adding Veterans Day to the list of holidays that the district may use for classes, parent-teacher conferences, or teacher in-services or teacher institute. If Veterans Day is used as a day of student attendance, schools will have a moment of silence and provide instructional activities on veterans.

AUTHORIZATION: Authorize the Chief Executive Officer to establish a school calendar that may use Columbus Day, Casimir Pulaski Day, and President Abraham Lincoln's birthday, and Veterans Day for classes, teacher institutes, parent-teacher conferences, or staff development activities.

LSC REVIEW: Not applicable.

FINANCIAL: The board is in the process of determining exact financial impact.

APPROVE THE 2020-2022 CONTINUOUS IMPROVEMENT WORK PLANS FOR SCHOOLS IN INTENSIVE SUPPORT AND THOSE IDENTIFIED AS COMPREHENSIVE AND TARGETED BY THE STATE

THE CHIEF EXECUTIVE OFFICER RECOMMENDS THE FOLLOWING:

Approve the 2020-2022 Continuous Improvement Work Plans (CIWPs) for Fiscal Year 2021 for schools in Intensive Support and Identified by the Illinois State Board of Education (ISBE) as Comprehensive and Targeted Schools.

DESCRIPTION: The Chief Executive Officer is requesting approval of the creation of the 2020-2022 CIWPs for correcting academic deficiencies for the schools noted on the attached Exhibit A. These schools are either in Intensive Support under the Chicago Board of Education's School Quality Rating Policy, equivalent to Probation as defined by 5/34-8.3 of the Illinois School Code, or identified as a Comprehensive and Targeted school by ISBE. A school that is in the lowest-performing 5 percent of eligible Title I schools in Illinois and those high schools that have a graduation rate of 67 percent or less are identified as Comprehensive and in need of "comprehensive" support. The lowest-performing 5 percent of schools is based on the "all student group" index score generated according to the state's accountability rules for each school. A school in which one or more student demographic groups are performing at or below the level of the "all students" group in the lowest 5 percent of all schools are identified as Targeted and in need of "targeted" support.

The CIWPs were developed pursuant to Section 5/34-2.4 of the Illinois School Code. Board approval of school improvement plans is required for schools placed on probation pursuant to Section 5/34-8.3. These plans include specific steps that the Local School Councils and school staff must take to correct deficiencies and specific objective criteria by which the schools' subsequent progress shall be judged.

Individual CIWPs and budgets were developed collaboratively at each school with the assistance of the Network Chiefs of Schools, the Office of Innovation and Incubation, the Academy of Urban School Leadership (AUSL), the Office of Management and Budget, Local School Councils, Title I Parent Advisory Councils, parent and community representatives and school personnel, as applicable. Each school's CIWP includes specific priorities and strategies identified for correcting educational and operational deficiencies that resulted in the school being placed on probation. As applicable, a School-Parent Compact and Parent and Family Engagement Plan were appended to the CIWPs.

Once submitted to the Network Chief of Schools Offices, Office of Innovation and Incubation, or AUSL, CIWPs were reviewed to ensure that: areas in need of improvement were addressed, the stated targets and activities were consistent with trend analyses and analysis of current conditions and that plans were supported by schools' discretionary school improvement (state and federal) funds.

Monitoring of and support for these CIWPs will be the responsibility of the Network Chief of Schools Offices, Office of Innovation and Incubation, Office of Strategic School Support Services, or AUSL, as applicable, with the assistance of the Department of School Quality Measurement and Research and the Office of Network Support. The Network Chief of Schools, Chief of Strategic School Support Services, or the Chief Executive Officer of AUSL are authorized to modify an Intensive Support school's CIWP as necessary to correct deficiencies throughout the school year.

Copies of CIWPs will be available at each school and at each Network Office.

FINANCIAL: Within budgetary appropriations.

AMEND BOARD REPORT 20-0226-ED1
ADOPT ACADEMIC CALENDAR FOR 2020-21 SCHOOL YEAR

THE CHIEF EXECUTIVE OFFICER RECOMMENDS:

Adopt the academic school year calendar for elementary and high schools for the year 2020-2021.

This August 2020 amendment is to amend the school calendar to add a holiday for November 3, 2020, as an Election Day State holiday per the new state law (10 ILCS 5/2B-10) and remove it as a day of student attendance. The district will also amend the school calendar to remove Veterans Day on November 11, 2020, as a holiday and add it as a day of student attendance. The district will encourage honoring veterans on both November 3, 2020, with a holiday and will honor veterans on November 11, 2020, with a moment of silence and lessons on veterans.

These are the specific changes:

<u>Date</u>	<u>Original Classification</u>	<u>New Classification</u>
<u>November 3, 2020</u>	<u>Student Attendance</u>	<u>Holiday</u>
<u>November 11, 2020</u>	<u>Holiday</u>	<u>Student Attendance</u>

DESCRIPTION: The calendar indicates holidays, teacher institute days, school improvement days, professional development days, and days when schools are closed for extended periods of time.

The effect of this action would be to establish a school year.

The 2020-2021 calendar includes 178 student attendance days, 4 Teacher Institute days, 4 School Improvement days, 2 Parent-Teacher Conference Days (Report Card Pickup Days), and 2 Professional Development days.

WHEREAS, pursuant to Section 34-43 of The Illinois School Code (the "Code"), the Board of Education of the City of Chicago (the "Board") is required to adopt an annual school budget for each fiscal year of the Board within the first 60 days of the fiscal year of the Board to which such budget relates; and

WHEREAS, the Board is directed by the provisions of Section 34-43 of the Code to balance its budget in each year within standards established by the Board; and

WHEREAS, Section 34-43 of the Code authorizes the Board's budget for any fiscal year to (i) provide for the accumulation of funds for educational purposes as the Board may direct for capital improvements or in order to achieve a balanced budget in a future year within the four-year period of the Board's financial plan to begin in that budget year; and (ii) to provide for a reserve in the educational fund to ensure uninterrupted services in the event of unfavorable budget variances; and

WHEREAS, Section 34-45 of the Code directs that the budget shall include the organization units, purposes, and objects for which appropriations are made; the amount appropriated for each organization unit, purpose or object; and the fund from or to which each amount appropriated is to be paid or charged; and

WHEREAS, the Board is empowered and directed by the General Assembly pursuant to the provisions of Section 34-3.3 of the Code to, among other things: (i) increase the quality of educational services in the Chicago Public Schools; (ii) reduce the cost of non-educational services and implement cost-saving measures including the privatization of services where deemed appropriate; and (iii) streamline and strengthen the management of the system, including a responsible school-based budgeting process, in order to focus resources on student achievement; and

WHEREAS, the District has provided most schools with budget allocations using a Student Based Budgeting model which calculates allocations for core instruction funding based on a per-pupil formula and further provides a principal with discretion on the use of per-pupil funds; and

WHEREAS, the Board's Debt Management Policy, Section III.I. (Board Report 13-0724-PO1), authorizes the Board to use its operating funds to establish a reserve balance accounted for within the Debt Service funds to be used for any governmental purpose approved by the Board and delegates authority to the Chief Financial Officer of the Board to authorize any transfer to or from Debt Service funds; and

WHEREAS, the President and Members of the Board desire to declare their intent that the Board reimburse itself for the payment of all or a portion of capital expenditures as outlined in the FY21 Capital Plan resolution approved by the Board, with the proceeds of tax-exempt Bonds when such proceeds are available, which declaration of intent is intended to comply with Section 1.150-2 of the U.S. Treasury Regulations; the proposed Capital Plan is on the website <https://www.cps.edu/about/finance/capital-plan/capital-plan-fy2021/>; and

WHEREAS, the Board currently expects that the proceeds of the Bonds will be applied to so reimburse itself not later than 18 months after the later of (a) the date the original expenditure is paid, or (b) the date the Project is placed in service or abandoned, but in no event more than three years after the original expenditure is paid; and

WHEREAS, it is now appropriate for the Board to adopt its annual school budget for its Fiscal Year 2021 and related standards and policies;

NOW, THEREFORE, BE IT HEREBY RESOLVED BY THE BOARD OF EDUCATION OF THE CITY OF CHICAGO as follows:

Section 1. Findings. It is found, declared and determined as follows.

(a) Pursuant to section 34-43 of the Code, the Board has previously established standards by which its budgets shall be balanced in each fiscal year, consistent with the requirements of the Code. These standards provide that each budget of the Board shall cover a fiscal year of the Board and shall be developed and adopted in accordance with the requirements of the Code, including, but not limited to, Sections 34-42 through 34-51 thereof. These standards also provide that each budget shall be prepared in accordance with generally accepted accounting principles and shall be balanced such that, for each fund, the estimated sum of all revenues for the fiscal year from all sources and the amount of Fund Balance Available for appropriation in the fiscal year is greater than or equal to the estimated sum of all appropriations required to defray the amount of all expenditures and charges to be made or incurred during the fiscal year and the amount of all unpaid liabilities at the beginning of the fiscal year. The standards further provide that in determining the amount of the Fund Balance Available for appropriation in the Educational Fund, there shall be deducted (i) the amount, if any, which the Board directs to be accumulated to achieve a balanced budget in a future year within the four-year period of the financial plan to begin in the budget year or for capital improvements, and (ii) any reserve to ensure uninterrupted services in the event of unfavorable budget variances.

(b) The annual school budget for Fiscal Year 2021 was prepared in tentative form by the Board and was available for public inspection for at least fifteen days prior to adoption (to wit, since August 10, 2020) by having at least five copies of the tentative budget on file in the Office of the Board and was posted August 10, 2020, on the district's web site at www.cps.edu/budget.

(c) On August 18, 2020 and August 19, 2020, two public hearings were held remotely concerning the adoption of the annual school budget for Fiscal Year 2021, notice of such hearings having been given by publication on August 11, 2020, in a newspaper of general circulation in the City of Chicago.

Section 2. Budget Approval. The Annual School Budget for Fiscal Year 2021, incorporating Exhibit A of this Resolution and the web site at <https://www.cps.edu/about/finance/budget/budget-2021/>, subject to the adoption of the Capital Improvement Plan Resolution.

Section 3. Transfers Between Appropriations. The Office of Budget and Grants Management may approve transfers within any Board fund and within an object group and purpose in accordance with this Section. Except for matters approved by the Board as being within the discretion of the Office of Budget and Grants Management, transfers within a fund and between object groups and purposes must be recommended by the Office of Budget and Grants Management and approved by the Board by a vote of two-thirds of the members, provided that such transfers shall not exceed 10% of the fund during the first half of the fiscal year, and no appropriation shall be reduced below an amount sufficient to cover all obligations that will be incurred against the appropriation. The Chief Executive Officer shall define object groups and purposes that are subject to these requirements.

The Chief Financial Officer is hereby authorized to transfer and use Debt Service funds not otherwise restricted under bond documents for the purpose of operating and capital expenditures to support cash flow during the fiscal year. Transfers from the Debt Service funds for this purpose will be repaid from the next receipts of property tax revenues.

Section 4. Capital Budgeting Process. The Chief Executive Officer proposed a one-year Capital Improvement Plan (the "CIP") consistent with the annual budget and the requirements of Section 34-215 of the Code on August 26, 2020, for the Board's approval. Three public hearings were held to receive public comment on the proposed CIP. Such meetings were held remotely on August 19, 2020, August 20, 2020 and August 21, 2020.

The Board reasonably expects to reimburse itself for the payment of capital expenditures incurred and paid by the Board from its own funds with the proceeds of the tax-exempt Bonds upon the issuance thereof. These capital expenditures are outlined in the FY21 Capital Plan resolution approved by the Board. The proposed Capital Plan is on the website: <https://www.cps.edu/about/finance/capital-plan/capital-plan-fy2021/>.

Section 5. Grants. The Office of Budget and Grants Management shall be responsible for the structure and accountability of the school district's grants management process. The Office of Budget and Grants Management is designated as the managing fiscal agent for the Board for all grant money received from funding agencies.

The principal of a local school or unit head, serving as an agent of the Board, is responsible for the implementation and management of all school-based or unit-based grants from governmental and non-governmental agencies. The principal or unit head is responsible for implementing the program in a timely fashion, as approved by the funding agency, and for expending funds in accordance with the terms, budget, and liquidation requirements of the approved proposal.

Section 6. Budget Allocations. Any Policy that refers to the use of a quota formula to determine school budget allocations or other related requirement is hereby deemed to constitute reference to the Student Based Budgeting model referenced in this Resolution.

Section 7. Personnel Policies. The appropriations herein made for personnel services shall be regarded as maximum amounts to be expended from such appropriations. Such expenditures shall be limited to personnel only as needed, or as may be required by law, not to exceed the maximum that may be employed for any position by title. Notwithstanding any item in the budget, one person may be employed or more than one person may be employed, upon recommendation of the Budget Officer and the Chief Executive Officer, whether such title is printed in the singular or plural. The salary or wage rate fixed shall be regarded as the maximum salary or wage rate for the respective positions, provided that salaries or wage rates are subject to change by the Board during the fiscal year in accordance with collective bargaining agreements approved by the Board.

Initial appointments to any position, transfers among positions and resignations of Board personnel shall be made in accordance with, and subject to, current Board Policies and Rules, as may be amended, from time to time.

Section 8. Settlement Agreements and Judgments. No expenditure may be made from any fund or line item account herein for the purpose of executing settlement agreements, entering into consent orders or paying judgments except upon the approval of the Board; provided, however, that this section shall not apply to judgments, settlement agreements or consent orders involving an amount up to \$50,000 or to labor arbitrations. In those cases, the General Counsel is authorized to approve such documents and expend such funds without approval of the Board.

Section 9. Fiscal Stability. Pursuant to the Fund Balance and Budget Management Policy (Board Report 08-0827-PO8, as may be amended), in the event that the stabilization fund decreases below 5% of the operating and debt service budget, the Chief Financial Officer will prepare and present to the Board a plan to replenish the reserve. The Board must approve and adopt a plan to restore these balances to the target levels within a 12-month period. If the restoration of the reserve cannot occur within a 12-month period, the Chief Finance Officer or Budget Officer can request that the Board approve an extension of this deadline.

Section 10. Severability. To the extent that any prior resolution or policy of the Board (excluding Board Rules) is in conflict with the provisions of this Resolution, the provisions of this Resolution shall be controlling. If any section, paragraph, clause or provision of this Resolution shall be held invalid, the invalidity of such section, paragraph, clause, or provision shall not affect any of the other provisions of this Resolution.

Section 11. Effectiveness. This Resolution is effective immediately upon its adoption.

DESCRIPTION: CPD will provide sworn, full-duty police officers at each of the designated schools for full shifts to perform the duties of a school resource officer (SRO) set forth in the job description attached hereto as Attachment 1 to ensure the safety of CPS students, school personnel and others on school property. While including traditional safety and police assistance for the school community, the SRO job description includes and emphasizes the duties that provide for a safe school environment and promote productive and positive community/police relationships and interactions. SROs shall be uniformed and carry standard equipment.

Eligibility and Selection Process. SRO candidates will be placed at a school through an eligibility and selection process. CPD will recommend a candidate(s) for placement at a school. The principal may interview the candidates. The principal has the right to reject the candidate and ask for other candidates. CPD will create an eligibility list of SRO candidates for possible placement at a school based on predefined eligibility criteria, including an excellent disciplinary history and interview by CPD Chief of Bureau Operations.

Training. SROs are required to undergo training through the National Association of School Resource Officers (NASRO) courses or replacement training approved by the federal monitor. SRO's will also undergo CPS training on: restorative practices; CPS Student Code of Conduct; youth development; disability and special education issues; youth crisis intervention; implicit racial bias; interaction with specific student groups such as limited English proficiency, LGBTQIA, homeless students and sensitivity around immigrant student situations, as well as annual refresher training.

Program Monitoring. CPS Office of School Safety and Security will perform compliance monitoring of the SRO program throughout the school year by meeting with CPD every two weeks and meeting with the federal monitor every month to review key performance indicators.

Scope of SRO Services. SROs will maintain a visible presence in and around the designated schools and have positive student interactions.

SROs shall respond immediately to calls involving emergency situations. SROs will call in to dispatch all emergency situations to protect all CPS students, school personnel or others who are present on school property and, in non-criminal acts, reference the CPS Student Code of Conduct to determine, in consultation with school administrators, including for matters within its purview, the CPS Office of Student Protections and Title IX, if the situation can be handled through Board student disciplinary processes.

SROs shall have no involvement in school disciplinary actions or processes and shall ensure that no other CPD officers are requested to intervene in school disciplinary actions.

SROs will coordinate with school administration and the CPS Office of School Safety and Security personnel in problem solving exercises and emergency drills. SROs will participate in any training of CPS emergency drills, including active shooter response. SROs' actions shall always minimize any disruption to the school's normal operations.

SROs shall work with school administrators to make reasonable attempts to reach students' parents or guardians prior to any action by a CPD officer involving a student on school grounds. Nothing herein limits the authority of any SRO to perform his/her duties, as provided by ordinance and statute.

SROs shall notify their immediate supervisor and/or Commander of inappropriate situations where they are asked by school administrators, teachers and other staff to intervene in student situations that involve mere school disciplinary actions.

SROs and school administrators shall develop plans and strategies to prevent and/or minimize dangerous situations. SROs shall share information with the school administrators about persons and conditions that pertain to campus safety concerns.

SROs shall be a resource for students which will enable them to be associated with a law enforcement figure and role model in the students' environment.

SROs can participate in meetings with school administration upon notification and approval of the SRO's immediate supervisor or Commander.

SROs must have knowledge of the CPS Student Code of Conduct and CPS disciplinary procedures.

SROs will follow the Reciprocal Reporting Systems Agreement between Chicago Public Schools and the Chicago Police Department, as said agreement may be amended from time to time, regarding any arrests made pursuant to this Agreement.

SROs shall maintain daily reports on all crimes and arrests committed by any persons at CPS schools, whether a student, staff or otherwise.

SROs shall not transport students in CPD vehicles except when the students are under lawful arrest or when some other emergency circumstances exist. SROs shall not transport students in their personal vehicles.

SROs must at all times operate in compliance with laws ordinances and CPS policies, including the Family Educational Rights and Privacy Act (FERPA), the Illinois School Student Records Act (ISSRA) and those relating to non-discrimination. 20-0826-RS10

**RESOLUTION TO REQUIRE THAT THE CEO AND DISTRICT LEADERS IN CONSULTATION
WITH SCHOOL COMMUNITIES IDENTIFY AND RECOMMEND AN ALTERNATIVE PLAN
TO ENSURE SAFE AND SUPPORTIVE SCHOOL ENVIRONMENTS**

WHEREAS, a fundamental purpose of schools is the creation of physical and psychological safety for students to advance their learning and growth, and a key component to creating this safety is positive relationships among students, their families, and adults in school communities.

WHEREAS, the Board of Education of the City of Chicago ("Board") is a party to an intergovernmental agreement with the City of Chicago by which the Chicago Police Department ("CPD") currently stations police officers in certain Chicago Public Schools (CPS) schools as School Resource Officers ("SROs") to assist school administrators in establishing and maintaining a safe learning environment in CPS Schools.

WHEREAS, it is the sense of the Board of Education that there are alternatives to the SRO Program in CPS that will more effectively build positive community relationships, ensure a safe learning environment for students and address students' social and emotional needs.

WHEREAS, the Board has not yet been presented with a vision for the future of safety in schools that includes the further reduction or elimination of the SRO program and their replacement with such alternatives.

WHEREAS, the Board believes that it is necessary for the Chief Executive Officer to identify, develop, and implement such alternative programs as expeditiously as practicable.

NOW, THEREFORE, BE IT RESOLVED:

No later than March 24, 2021, the CEO shall provide to the Board a comprehensive plan for schools currently using SROs to phase out their use. The Plan shall include:

1. An inclusive, thoughtful, and expeditious process to develop and implement alternative systems of safety for CPS students in every school that prioritizes their physical and social-emotional well-being, learning, and transformation.

2. Benchmarks for the development of school safety plans without SROs made after rigorous engagement with principals, Local School Councils (LSCs), and school communities, including students, parents, faculty, and staff, including staff involved in school safety.
3. Ongoing evaluation of student safety (including both objective data on disciplinary and police involvement and students' experience in schools).
4. A process to implement safety plans without SROs at each school by August 2021.
5. A budgetary plan with additional funding for schools that phase out SROs to implement alternative school safety plans selected from a flexible, coherent menu of supports.
6. A proposed Board policy that guides schools on appropriate school-police engagement and the development of positive community-police relationships after the SRO program.

The Secretary called the roll and the vote was as follows:

Yeas: Mr. Revuluri, Mr. Truss, Mr. Sotelo, and President del Valle – 4
