## **Emergency Guidelines Governing the Conduct of Remote Public Board Meetings and Provisions for Remote Public Participation**

The following Emergency Guidelines are issued by the President of the Board of Education of the City of Chicago ("Board President" and "Board") in accordance with Board Rule 2-4.1 and State of Illinois Executive Orders 2020-7, 2020-44 and 2020-48 issued by the Governor of the State of Illinois on March 16, 2020, June 26, 2020 and July 24, 2020, in which certain sections of the Open Meetings Act were suspended. These Emergency Guidelines are also issued in accordance with (5 ILCS 120/7(e) as amended by PA 101-640, eff. June 12, 2020), which codified much of Executive Order 2020-7.

These Emergency Guidelines are effective March 20, 2020, and shall remain in effect during the period in which the Illinois Governor's March 9, 2020, Disaster Proclamation and/or Executive Orders 2020-7, 2020-44 and 2020-48 remain in effect.

The Board President may rescind, suspend or amend these Emergency Guidelines as circumstances dictate.

During the period they are in effect, these Emergency Guidelines supersede the Public Participation Guidelines issued August 28, 2013 (rev. September 13, 2018).

The purposes of these Emergency Guidelines are to:

1. permit the Board to conduct essential business while taking appropriate measures consistent with the guidance from the President of the United States, the United States Centers for Disease Control, the Illinois Department of Public Health and the Chicago Department of Public Health to mitigate the contagion and spread of the COVID-19 virus; and,
2. promote expeditious public meetings that will allow Board members, the Chief Executive Officer, Chief Education Officer and other Officers of the school district to maximize time spent directly addressing the needs of the students and families during the public health emergency.

These Emergency Guidelines address the manner in which the Board will conduct its public meetings to keep participants below 10 people as recommended by the United States Center for Disease Control and below 50 people as directed by State of Illinois Executive Orders 2020-7, 2020-44 and 2020-48 and to comply with recommended social distancing and social isolation practices to mitigate contagion and protect and promote the health and well-being of the general public, Board employees, students, staff and members of the Board of Education.

**RESOLUTION REGARDING WAIVING THE ILLINOIS ASSESSMENT OF READINESS  
REQUIREMENT IN THE ACCELERATED PLACEMENT POLICY IN RESPONSE TO THE  
CORONAVIRUS DISEASE 2019 (COVID-19)**

WHEREAS, there is an outbreak of respiratory illness caused by a novel Coronavirus Disease 2019 (COVID-19) and infections are being reported internationally, including the United States and the City of Chicago;

WHEREAS, on January 31, 2020, the Health and Human Services Secretary, Alex M. Azar II, declared a public health emergency ("PHE") for the United States;

WHEREAS, on March 13, 2020, President Trump declared a nationwide emergency under the Stafford Act (42 U.S.C 5121-5207) in response to the ongoing COVID-19 pandemic;

WHEREAS, on March 9, 2020, on April 1, 2020, and again on April 30, 2020, Illinois Governor J.B. Pritzker issued a disaster proclamation (state of emergency) for the State of Illinois in response to the COVID-19 outbreak;

WHEREAS, on March 13, 2020, Illinois Governor J.B. Pritzker issued Executive Order 2020-05 ordering the closure of public and private pre-K-12 schools for educational purposes from March 17, 2020, through March 30, 2020;

WHEREAS, on April 1, 2020, Executive Order 2020-18 extended Executive Order 2020-05 in its entirety for the duration of the Gubernatorial Disaster Proclamations. Further, on April 30, 2020, Executive Order 2020-33 reissued Executive Order 2020-05 with an extension through May 29, 2020; and on May 29, 2020 Executive Order 2020-38 reissues most executive orders, extending a majority of the provisions through June 26, 2020; and on June 26, 2020, Executive Order 2020-44 reissues most executive orders, extending a majority of the provisions through July 24, 2020; and on July 24, 2020, Executive Order 2020-48 reissues most executive orders, extending a majority of the provisions through August 23, 2020.

WHEREAS, this is an evolving situation of public health concern and the top priority of the Board of Education of the City of Chicago ("Board") is the health and safety of CPS students and staff and their families and community;

WHEREAS, the Board is following and will continue to follow the guidance of local, state, and federal health officials, including the U.S. Centers for Disease Control and Prevention ("CDC"), the Illinois Department of Public Health ("IDPH") and the Chicago Department of Public Health ("CDPH") to protect the health of the community, respond to the outbreak and minimize transmission;

WHEREAS, in-person instruction was suspended since March 17, 2020 and through the rest of the 2019-2020 school year;

WHEREAS, on March 19, 2020, CPS canceled end-of-year assessments including the Illinois Assessment of Readiness ("IAR"), taken once a year in the spring, which is required as a prerequisite for consideration for Single-Subject and Whole-Grade Acceleration as outlined in Board Policy 301.12;

WHEREAS, the Illinois State Board of Education ("ISBE") requires in the Accelerated Placement Act (SB1223), an unfunded mandate, that all districts have an Accelerated Placement policy that must use an assessment process that includes multiple, reliable indicators;

WHEREAS, the Board believes that with the Accelerated Placement Policy already requiring two other reliable indicators unaffected by the transition to remote learning (NWEA scores and GPA) to be considered for Single-Subject and Whole-Grade Acceleration, the attainment and administration of an additional valid and reliable assessment to replace the IAR prerequisite would be costly and time inefficient;

NOW, THEREFORE, the Board hereby directs as follows:

1. All students applying for Whole-Grade and Single-Subject Acceleration in the 2020-2021 application cycle will have the Illinois Assessment of Readiness test score requirement waived.
2. This Resolution is effective immediately upon adoption.

**RESOLUTION ADOPTING THE ANNUAL SCHOOL BUDGET FOR FISCAL YEAR 2021**

**WHEREAS**, pursuant to Section 34-43 of The Illinois School Code (the "Code"), the Board of Education of the City of Chicago (the "Board") is required to adopt an annual school budget for each fiscal year of the Board within the first 60 days of the fiscal year of the Board to which such budget relates; and

**WHEREAS**, the Board is directed by the provisions of Section 34-43 of the Code to balance its budget in each year within standards established by the Board; and

**WHEREAS**, Section 34-43 of the Code authorizes the Board's budget for any fiscal year to (i) provide for the accumulation of funds for educational purposes as the Board may direct for capital improvements or in order to achieve a balanced budget in a future year within the four-year period of the Board's financial plan to begin in that budget year; and (ii) to provide for a reserve in the educational fund to ensure uninterrupted services in the event of unfavorable budget variances; and

**WHEREAS**, Section 34-45 of the Code directs that the budget shall include the organization units, purposes, and objects for which appropriations are made; the amount appropriated for each organization unit, purpose or object; and the fund from or to which each amount appropriated is to be paid or charged; and

**WHEREAS**, the Board is empowered and directed by the General Assembly pursuant to the provisions of Section 34-3.3 of the Code to, among other things: (i) increase the quality of educational services in the Chicago Public Schools; (ii) reduce the cost of non-educational services and implement cost-saving measures including the privatization of services where deemed appropriate; and (iii) streamline and strengthen the management of the system, including a responsible school-based budgeting process, in order to focus resources on student achievement; and

**WHEREAS**, the District has provided most schools with budget allocations using a Student Based Budgeting model which calculates allocations for core instruction funding based on a per-pupil formula and further provides a principal with discretion on the use of per-pupil funds; and

**WHEREAS**, the Board's Debt Management Policy, Section III.I. (Board Report 13-0724-PO1), authorizes the Board to use its operating funds to establish a reserve balance accounted for within the Debt Service funds to be used for any governmental purpose approved by the Board and delegates authority to the Chief Financial Officer of the Board to authorize any transfer to or from Debt Service funds; and

**WHEREAS**, the President and Members of the Board desire to declare their intent that the Board reimburse itself for the payment of all or a portion of capital expenditures as outlined in the FY21 Capital Plan resolution approved by the Board, with the proceeds of tax-exempt Bonds when such proceeds are available, which declaration of intent is intended to comply with Section 1.150-2 of the U.S. Treasury Regulations; the proposed Capital Plan is on the website <https://www.cps.edu/about/finance/capital-plan/capital-plan-fy2021/>; and

**WHEREAS**, the Board currently expects that the proceeds of the Bonds will be applied to so reimburse itself not later than 18 months after the later of (a) the date the original expenditure is paid, or (b) the date the Project is placed in service or abandoned, but in no event more than three years after the original expenditure is paid; and

**WHEREAS**, it is now appropriate for the Board to adopt its annual school budget for its Fiscal Year 2021 and related standards and policies;

**NOW, THEREFORE, BE IT HEREBY RESOLVED BY THE BOARD OF EDUCATION OF THE CITY OF CHICAGO as follows:**

**Section 1. Findings.** It is found, declared and determined as follows.

(a) Pursuant to section 34-43 of the Code, the Board has previously established standards by which its budgets shall be balanced in each fiscal year, consistent with the requirements of the Code. These standards provide that each budget of the Board shall cover a fiscal year of the Board and shall be developed and adopted in accordance with the requirements of the Code, including, but not limited to, Sections 34-42 through 34-51 thereof. These standards also provide that each budget shall be prepared in accordance with generally accepted accounting principles and shall be balanced such that, for each fund, the estimated sum of all revenues for the fiscal year from all sources and the amount of Fund Balance Available for appropriation in the fiscal year is greater than or equal to the estimated sum of all appropriations required to defray the amount of all expenditures and charges to be made or incurred during the fiscal year and the amount of all unpaid liabilities at the beginning of the fiscal year. The standards further provide that in determining the amount of the Fund Balance Available for appropriation in the Educational Fund, there shall be deducted (i) the amount, if any, which the Board directs to be accumulated to achieve a balanced budget in a future year within the four-year period of the financial plan to begin in the budget year or for capital improvements, and (ii) any reserve to ensure uninterrupted services in the event of unfavorable budget variances.

(b) The annual school budget for Fiscal Year 2021 was prepared in tentative form by the Board and was available for public inspection for at least fifteen days prior to adoption (to wit, since August 10, 2020) by having at least five copies of the tentative budget on file in the Office of the Board and was posted August 10, 2020, on the district's web site at [www.cps.edu/budget](http://www.cps.edu/budget).

(c) On August 18, 2020 and August 19, 2020, two public hearings were held remotely concerning the adoption of the annual school budget for Fiscal Year 2021, notice of such hearings having been given by publication on August 11, 2020, in a newspaper of general circulation in the City of Chicago.

**Section 2. Budget Approval.** The Annual School Budget for Fiscal Year 2021, incorporating Exhibit A of this Resolution and the web site at <https://www.cps.edu/about/finance/budget/budget-2021/>, subject to the adoption of the Capital Improvement Plan Resolution.

**Section 3. Transfers Between Appropriations.** The Office of Budget and Grants Management may approve transfers within any Board fund and within an object group and purpose in accordance with this Section. Except for matters approved by the Board as being within the discretion of the Office of Budget and Grants Management, transfers within a fund and between object groups and purposes must be recommended by the Office of Budget and Grants Management and approved by the Board by a vote of two-thirds of the members, provided that such transfers shall not exceed 10% of the fund during the first half of the fiscal year, and no appropriation shall be reduced below an amount sufficient to cover all obligations that will be incurred against the appropriation. The Chief Executive Officer shall define object groups and purposes that are subject to these requirements.

The Chief Financial Officer is hereby authorized to transfer and use Debt Service funds not otherwise restricted under bond documents for the purpose of operating and capital expenditures to support cash

flow during the fiscal year. Transfers from the Debt Service funds for this purpose will be repaid from the next receipts of property tax revenues.

**Section 4. Capital Budgeting Process.** The Chief Executive Officer proposed a one-year Capital Improvement Plan (the "CIP") consistent with the annual budget and the requirements of Section 34-215 of the Code on August 26, 2020, for the Board's approval. Three public hearings were held to receive public comment on the proposed CIP. Such meetings were held remotely on August 19, 2020, August 20, 2020 and August, 21, 2020.

The Board reasonably expects to reimburse itself for the payment of capital expenditures incurred and paid by the Board from its own funds with the proceeds of the tax-exempt Bonds upon the issuance thereof. These capital expenditures are outlined in the FY21 Capital Plan resolution approved by the Board. The proposed Capital Plan is on the website: <https://www.cps.edu/about/finance/capital-plan/capital-plan-fy2021/>.

**Section 5. Grants.** The Office of Budget and Grants Management shall be responsible for the structure and accountability of the school district's grants management process. The Office of Budget and Grants Management is designated as the managing fiscal agent for the Board for all grant money received from funding agencies.

The principal of a local school or unit head, serving as an agent of the Board, is responsible for the implementation and management of all school-based or unit-based grants from governmental and non-governmental agencies. The principal or unit head is responsible for implementing the program in a timely fashion, as approved by the funding agency, and for expending funds in accordance with the terms, budget, and liquidation requirements of the approved proposal.

**Section 6. Budget Allocations.** Any Policy that refers to the use of a quota formula to determine school budget allocations or other related requirement is hereby deemed to constitute reference to the Student Based Budgeting model referenced in this Resolution.

**Section 7. Personnel Policies.** The appropriations herein made for personnel services shall be regarded as maximum amounts to be expended from such appropriations. Such expenditures shall be limited to personnel only as needed, or as may be required by law, not to exceed the maximum that may be employed for any position by title. Notwithstanding any item in the budget, one person may be employed or more than one person may be employed, upon recommendation of the Budget Officer and the Chief Executive Officer, whether such title is printed in the singular or plural. The salary or wage rate fixed shall be regarded as the maximum salary or wage rate for the respective positions, provided that salaries or wage rates are subject to change by the Board during the fiscal year in accordance with collective bargaining agreements approved by the Board.

Initial appointments to any position, transfers among positions and resignations of Board personnel shall be made in accordance with, and subject to, current Board Policies and Rules, as may be amended, from time to time.

**Section 8. Settlement Agreements and Judgments.** No expenditure may be made from any fund or line item account herein for the purpose of executing settlement agreements, entering into consent orders or paying judgments except upon the approval of the Board; provided, however, that this section shall not apply to judgments, settlement agreements or consent orders involving an amount up to \$50,000 or to labor arbitrations. In those cases, the General Counsel is authorized to approve such documents and expend such funds without approval of the Board.

**Section 9. Fiscal Stability.** Pursuant to the Fund Balance and Budget Management Policy (Board Report 08-0827-PO8, as may be amended), in the event that the stabilization fund decreases below 5% of the operating and debt service budget, the Chief Financial Officer will prepare and present to the Board a plan to replenish the reserve. The Board must approve and adopt a plan to restore these balances to the target levels within a 12-month period. If the restoration of the reserve cannot occur within a 12-month period, the Chief Finance Officer or Budget Officer can request that the Board approve an extension of this deadline.

**Section 10. Severability.** To the extent that any prior resolution or policy of the Board (excluding Board Rules) is in conflict with the provisions of this Resolution, the provisions of this Resolution shall be controlling. If any section, paragraph, clause or provision of this Resolution shall be held invalid, the invalidity of such section, paragraph, clause, or provision shall not affect any of the other provisions of this Resolution.

**Section 11. Effectiveness.** This Resolution is effective immediately upon its adoption.

WHEREAS, pursuant to the provisions of Article 34 of the School Code, 105 Illinois Compiled Statutes 5, as amended (the "**School Code**"), the City of Chicago, Illinois, constitutes one school district (the "**School District**"), which is a body politic and corporate by the name of Board of Education of the City of Chicago, which School District is governed by the Chicago Board of Education (the "**Board**") and the provisions of Article 34 of the School Code; and

WHEREAS, the 2020 Tax Levy of the Board for educational purposes (the "**2020 Tax Levy**") will be not less than \$2,599,320,009 (which includes amounts levied for tax revenues payable to the School District in connection with the establishment or existence of a transit facility improvement area pursuant to the Tax Increment Allocation Redevelopment Act, 65 Illinois Compiled Statutes 5/11-74.4, as amended (the "**TIF Act**")), and such levy is anticipated to be filed in the manner provided by law with the County Clerk of the County of Cook, Illinois, and the County Clerk of the County of DuPage, Illinois; and

WHEREAS, pursuant to Section 34-23 of the School Code, the Board is authorized to issue tax anticipation warrants against and in anticipation of taxes levied for the payment of expenditures for educational purposes in an amount not to exceed 85% of the 2020 Tax Levy; and

WHEREAS, pursuant to Section 34-23.5 of the School Code and in lieu of issuing the tax anticipation warrants authorized by Section 34-23 of the School Code, the Board is authorized to issue notes, bonds, or other obligations (and in connection with that issuance, establish lines of credit with one or more banks) in anticipation of the receipt of the taxes levied for educational purposes; and

WHEREAS, no such warrants, notes, bonds, or other obligations have been issued in anticipation of the receipt of the 2020 Tax Levy for such purposes; and

WHEREAS, the Board wishes to authorize at this time the issuance of Tax Anticipation Obligations (as defined herein) pursuant to the terms of this Resolution in a maximum principal amount of

not to exceed \$1,250,000,000 outstanding at any time from the date hereof to March 16, 2021 and from March 17, 2021 to December 31, 2021, provided, the aggregate principal amount of all warrants, notes, or other obligations (including the Tax Anticipation Obligations issued pursuant to this Resolution) issued in anticipation of the collection of the 2020 Tax Levy will not exceed 85% of the 2020 Tax Levy; and

WHEREAS, the Board has not established a working cash fund pursuant to Sections 34-30 through 34-36 of the School Code.

NOW, THEREFORE, Be It and It is Hereby Resolved by the Chicago Board of Education of the City of Chicago as follows:

1. *Incorporation of Preambles.* The Board hereby finds that all of the recitals contained in the preambles to this Resolution are full, true and correct and does incorporate them into this Resolution by this reference.

2. *Definitions.* For all purposes of this Resolution and in addition to the defined terms in the preambles to this Resolution, except as otherwise expressly provided or unless the context otherwise requires and in addition to the terms defined in the preambles hereto, the terms defined in this Section shall have the meanings set forth below, and shall include the plural as well as the singular.

"Designated Officials" shall mean the President of the Board, the Vice President of the Board, the Secretary of the Board, the Treasurer of the Board and the Chief Financial Officer.

"Lending Agreement" means one or more agreements by and between the Board and one or more banks pursuant to which the banks will agree to establish one or more Lines of Credit or Loans in connection with the issuance of Notes.

"Line of Credit" shall mean any line of credit authorized under this Resolution and established with a bank for the benefit of the Board in connection with the issuance of Notes.

"Loan" shall mean any borrowing or re-borrowing authorized under this Resolution and obtained from a bank for the benefit of the Board in connection with the issuance of Notes.

"Note Purchase Agreement" means one or more agreements between the Board and one or more financial institutions or investors pursuant to which such financial institutions or investors will agree to purchase any Notes.

"Notes" shall mean the tax anticipation notes of the Board authorized to be issued under this Resolution in one or more series.

"Notice of Public Sale" shall mean the notice prepared in connection with the public sale of Tax Anticipation Obligations stating the character and amount of such Tax Anticipation Obligations, the maximum rate of interest thereon, the terms and conditions upon which bids will be received and the sale made of such Tax Anticipation Obligations, and such other information as shall be determined by the Chief Financial Officer or the Treasurer of the Board.

"Tax Anticipation Obligations" means the Warrants or the Notes, if Notes are issued in lieu of the Warrants.

"Tax Escrow Agreement" means the agreement by and among the Board, the trustee under each Trust Indenture and a bank, trust company or national banking association having trust powers and appointed by one of the Designated Officials to act as escrow agent under the Tax Escrow Agreement.

"Tax Increment Revenue" means the portion, if any, of taxes levied upon each taxable lot, block, tract or parcel of real property which is attributable to the increase in the current equalized assessed valuation of each taxable lot, block, tract or parcel of real property in any transit facility improvement area established by the City of Chicago, over and above the initial equalized assessed value of such property existing at the time tax increment financing was adopted, minus the total current homestead exemptions

pertaining to each piece of property provided by Article 15 of the Property Tax Code, 35 Illinois Compiled Statutes 200, as amended, in the transit facility improvement area.

"Tax Receipts" means the tax revenue collected from the 2020 Tax Levy; provided, however, such "tax revenue collected" shall not include any Tax Increment Revenue paid or payable to the School District pursuant to Section 8 of the TIF Act.

As used in this Resolution, the term "Trust Indenture" includes any "Master Trust Indenture" and any "Supplemental Trust Indenture."

"Warrants" shall mean the tax anticipation warrants of the Board issued pursuant to Section 34-23 of the School Code and authorized to be issued under this Resolution.

3. *Findings.* It is found and determined that (A) the borrowing and re-borrowing from time to time of moneys in anticipation of the collection of the Tax Receipts is necessary so that sufficient moneys will be in the treasury of the School District at all times to meet the ordinary and necessary expenses of the School District for educational purposes; (B) authorizing the issuance of Warrants, the establishment of Lines of Credit or Loans and the issuance of the Notes will provide the needed access to funds to meet such ordinary and necessary expenses; and (C) no person holding an office of the Board, either by election or appointment, is in any manner interested, either directly or indirectly, in such person's own name or the name of any other person, association, trust or corporation, in the transactions contemplated by the Warrants or by the Notes and the Lines of Credit or Loans.

4. *Determination to Authorize Tax Anticipation Warrants.* The Board is hereby authorized to issue one or more series of Warrants in anticipation of the collection of the 2020 Tax Levy in a maximum principal amount of not to exceed \$1,250,000,000 outstanding at any time from the date hereof to March

16, 2021 and from March 17, 2021 to December 31, 2021, provided the aggregate principal amount of any such Warrants issued will not exceed 85% of the 2020 Tax Levy. The Warrants are to be issued in accordance with the provisions of Section 34-23 of the School Code and the Local Government Debt Reform Act, 30 Illinois Compiled Statutes 350, as amended (the "**Local Government Debt Reform Act**"). The Board is hereby authorized, as shall be determined from time to time by the Chief Financial Officer or the Treasurer of the Board as hereafter provided, to enter into Note Purchase Agreements with one or more financial institutions or investors pursuant to which such financial institutions or investors will purchase Warrants issued pursuant to this Section 4.

5. *Determination to Authorize Lines of Credit, Loans, Note Purchase Agreements and Tax Anticipation Notes.* Pursuant to Section 34-23.5 of the School Code and in lieu of the issuance of the Warrants authorized by Section 4 hereof, the Board is hereby authorized, as shall be determined from time to time by the Chief Financial Officer or the Treasurer of the Board as hereafter provided, to (i) enter into Lending Agreements with one or more banks for the provision of Lines of Credit or Loans for the Board and to evidence borrowings and re-borrowings under such Lines of Credit or Loans by the issuance of one or more series of Notes, and (ii) enter into Note Purchase Agreements with one or more financial institutions or investors pursuant to which such financial institutions or investors will purchase one or more series of Notes. The Board is hereby authorized to issue such Notes in anticipation of the collection of the 2020 Tax Levy in a maximum principal amount of not to exceed \$1,250,000,000 outstanding at any time from the date hereof to March 16, 2021 and from March 17, 2021 to December 31, 2021, provided the aggregate principal amount of any such Notes issued will not exceed 85% of the 2020 Tax Levy. Such Notes are to be issued in accordance with the provisions of Section 34-23.5 of the School Code and the Local Government Debt Reform Act.

6. *Authorization and Terms.* The Tax Anticipation Obligations are hereby authorized to be issued and, if Notes are issued in lieu of the issuance of Warrants, the Lines of Credit or Loans are hereby authorized to be established or obtained and the Note Purchase Agreements and Lending Agreements are authorized to be executed as provided herein, in either case to provide funds to defray

the necessary expenses and liabilities of the School District incurred for educational purposes prior to the receipt of taxes levied for such purposes pursuant to the 2020 Tax Levy. The Tax Anticipation Obligations shall be drawn against and in anticipation of the collection of the 2020 Tax Levy. The Tax Anticipation Obligations shall be limited obligations of the Board payable solely from the Tax Receipts when collected.

The Tax Receipts are hereby irrevocably pledged and assigned as security for the payment of the Tax Anticipation Obligations and such Tax Receipts, when collected, shall be set apart and held for the payment of the Tax Anticipation Obligations with such priority of payment as shall be determined by the Chief Financial Officer or the Treasurer of the Board.

All moneys borrowed and re-borrowed pursuant to this Resolution shall be repaid exclusively from the Tax Receipts derived from the 2020 Tax Levy, and such payment shall be made, from time to time, as determined by any of the Designated Officials, with the final payment to be made within 60 days after the Tax Receipts have been distributed to or received by the escrow agent pursuant to the Tax Escrow Agreement. Any of the Designated Officials are hereby authorized to determine, at their discretion, to retire the borrowing by the making of partial payments or payment in full. The application of the Tax Receipts to the payment of the Tax Anticipation Obligations authorized hereunder shall be subject to the applicable provisions of the Lending Agreement, if any, the Note Purchase Agreement, if any, the Trust Indenture and the Tax Escrow Agreement, as any of such agreements or indentures may be supplemented or amended as hereinafter authorized.

The Tax Anticipation Obligations shall bear interest at a rate or rates, fixed or variable, as determined by any of the Designated Officials, not to exceed the maximum rate permitted under Section 2 of the Bond Authorization Act, 30 Illinois Compiled Statutes 305, from the date of their issuance until paid.

7. *Execution.* The Tax Anticipation Obligations shall be executed on behalf of the Board with the manual or duly authorized facsimile or electronic signatures of the President of the Board and the Secretary of the Board, all as such officers shall determine. In case any officer whose signature shall appear on the Tax Anticipation Obligations shall cease to be such officer before the delivery of such Tax

Anticipation Obligations, such signature shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office until delivery.

8. *Tax Escrow Direction.* Each of the Designated Officials is hereby authorized, pursuant to authority contained in (A) Section 14 of the Local Government Debt Reform Act in the case of Warrants and (B) Section 20-90 of the Property Tax Code, 35 Illinois Compiled Statutes 200, in the case of Notes; to execute a written direction to the County Collectors of The Counties of Cook and DuPage, Illinois (the "**County Collectors**"), and to deposit the collections of Tax Receipts under the 2020 Tax Levy as and when extended for collection directly with such escrow agent designated pursuant to this Resolution in order to secure the payment of the principal of and interest on the Tax Anticipation Obligations. The Designated Officials are authorized to cause a certified copy of this Resolution to be filed with each of the County Collectors.

9. *Approval of Documents.* Each of the Designated Officials is authorized to enter into and to execute, and the Secretary of the Board is authorized to attest, a Master Trust Indenture for the Tax Anticipation Obligations and one or more Supplemental Trust Indentures for a series of Tax Anticipation Obligations, on behalf of the Board, in substantially the same forms as approved in connection with the Board's prior issuance of Tax Anticipation Obligations in 2016, 2017, 2018, 2019 and 2020, but with such revisions, insertions, completions and modifications thereof as shall be approved by the Designated Official executing the same, and that are not inconsistent with the terms and provisions of this Resolution, such execution to constitute conclusive evidence of such Designated Official's approval and this Board's approval of such revisions, insertions, completions and modifications thereof.

Each of the Designated Officials is authorized to enter into a Tax Escrow Agreement, on behalf of the Board, in substantially the same form as approved in connection with the Board's prior issuance of Tax Anticipation Obligations in 2016, 2017, 2018, 2019 and 2020, but with such revisions, insertions, completions and modifications thereof as shall be approved by the Designated Official executing the same, and that are not inconsistent with the terms and provisions of this Resolution, such execution to

constitute conclusive evidence of such Designated Official's approval and this Board's approval of such revisions, insertions, completions and modifications thereof.

Any series of the Notes issued (i) to evidence borrowings and re-borrowings under a Lending Agreement and Line of Credit or Loan shall be issued pursuant to Trust Indentures in substantially the forms described above, (ii) to be sold pursuant to a Note Purchase Agreement shall be issued pursuant to Trust Indentures in substantially the forms described above, or (iii) to be sold pursuant to a Notice of Public Sale shall be issued pursuant to Trust Indentures in substantially the forms described above.

Each of the Designated Officials is authorized to enter into such supplements and amendments to, or amendments and restatements of, the documents authorized and approved under this Section 9 as such Designated Official shall deem necessary to facilitate the issuance of the Notes upon terms that are not inconsistent with the terms and provisions of this Resolution.

If determined to be necessary by a Designated Official in connection with the initial sale, or subsequent reoffering of any Tax Anticipation Obligations, the preparation, use and distribution of a Preliminary Official Statement, Official Statement, Private Placement Memorandum or Limited Offering Memorandum relating to each issue of Tax Anticipation Obligations (the "**Disclosure Document**") in substantially the respective forms delivered in connection with previous issues, is hereby authorized and

approved. The Designated Officials are each hereby authorized to execute and deliver such Disclosure Document on behalf of the Board. The Disclosure Document herein authorized may contain a description of the terms and provisions of, and security for, such Tax Anticipation Obligations, the use of proceeds of such Tax Anticipation Obligations, financial information relating to the Board, and such other information as any Designated Officer determines to be advisable under the circumstances.

If determined to be necessary by a Designated Official in connection with the initial sale, or subsequent reoffering of any Tax Anticipation Obligations, to prepare, use and distribute a Notice of Public Sale relating to any issue of Tax Anticipation Obligations, the Designated Officials are each hereby authorized and directed to publish or otherwise distribute such Notice of Public Sale to potential bidders and to request and receive bids in response to such Notice of Public Sale, to award such Tax Anticipation Obligations to the bidder or bidders that provide the lowest net interest cost to the Board in connection with such Notice of Public Sale and to deliver such Tax Anticipation Obligations to such bidder or bidders upon payment by said bidder or bidders of the purchase price for such Tax Anticipation Obligations, together with the interest, if any, accruing from the date of such Tax Anticipation Obligations to the date of delivery.

10. *Application of Proceeds and Other Moneys.* Proceeds of sale of the Tax Anticipation Obligations are expected to be appropriated for the educational expenses of the Board and for the payment of costs of issuance of the Notes and related fees.

11. *Further Acts.* Each of the Designated Officials, officials or officers of the Board are hereby authorized to execute and deliver the documents approved by this Resolution, and such other documents and agreements and perform such other acts as may be necessary or desirable in connection with the Tax Anticipation Obligations, the Lending Agreements, the Trust Indentures, the Tax Escrow Agreement, any Disclosure Document, any Notice of Public Sale and the Note Purchase Agreements, including, but not limited to, provisions relating to increased costs and indemnification, and the exercise following the delivery date of the Tax Anticipation Obligations of any power or authority delegated to such official under

**RESOLUTION TO REQUIRE THAT THE CEO AND DISTRICT LEADERS IN CONSULTATION  
WITH SCHOOL COMMUNITIES IDENTIFY AND RECOMMEND AN ALTERNATIVE PLAN  
TO ENSURE SAFE AND SUPPORTIVE SCHOOL ENVIRONMENTS**

**WHEREAS**, a fundamental purpose of schools is the creation of physical and psychological safety for students to advance their learning and growth, and a key component to creating this safety is positive relationships among students, their families, and adults in school communities.

**WHEREAS**, the Board of Education of the City of Chicago ("Board") is a party to an intergovernmental agreement with the City of Chicago by which the Chicago Police Department ("CPD") currently stations police officers in certain Chicago Public Schools (CPS) schools as School Resource Officers ("SROs") to assist school administrators in establishing and maintaining a safe learning environment in CPS Schools.

**WHEREAS**, it is the sense of the Board of Education that there are alternatives to the SRO Program in CPS that will more effectively build positive community relationships, ensure a safe learning environment for students and address students' social and emotional needs.

**WHEREAS**, the Board has not yet been presented with a vision for the future of safety in schools that includes the further reduction or elimination of the SRO program and their replacement with such alternatives.

**WHEREAS**, the Board believes that it is necessary for the Chief Executive Officer to identify, develop, and implement such alternative programs as expeditiously as practicable.

**NOW, THEREFORE, BE IT RESOLVED:**

No later than March 24, 2021, the CEO shall provide to the Board a comprehensive plan for schools currently using SROs to phase out their use. The Plan shall include:

1. An inclusive, thoughtful, and expeditious process to develop and implement alternative systems of safety for CPS students in every school that prioritizes their physical and social-emotional well-being, learning, and transformation.
2. Benchmarks for the development of school safety plans without SROs made after rigorous engagement with principals, Local School Councils (LSCs), and school communities, including students, parents, faculty, and staff, including staff involved in school safety.
3. Ongoing evaluation of student safety (including both objective data on disciplinary and police involvement and students' experience in schools).
4. A process to implement safety plans without SROs at each school by August 2021.
5. A budgetary plan with additional funding for schools that phase out SROs to implement alternative school safety plans selected from a flexible, coherent menu of supports.
6. A proposed Board policy that guides schools on appropriate school-police engagement and the development of positive community-police relationships after the SRO program.

**AMEND BOARD REPORT 14-0226-EX16**  
**APPROVE HOLIDAY WAIVER**

**THE CHIEF EXECUTIVE OFFICER RECOMMENDS THE FOLLOWING:**

That the Chicago Board of Education (the "Board") authorizes a holiday waiver and allows for classes, parent-teacher conferences, or conduct a teacher in-service or a teacher institute on school holidays.

This February 2014 amendment is necessary to authorize the use of a school calendar that may include the birthday of President Abraham Lincoln (February 12) for classes, parent-teacher conferences, or teacher in-services or a teacher institute.

This August 2020 amendment is necessary to authorize the use of a school calendar that may include the Veterans Day (November 11) for classes, parent-teacher conferences, or teacher in-services or a teacher institute.

**PUBLIC HEARING AND NOTICES:** A Public Hearing on the holiday waiver was held on March 28, 2012, before the Board, in accordance with Section 24-2(b) of the Illinois School Code. Notice setting forth the time, date, and place of the hearing was provided via parent portal, website publication, and newspaper notice.

A Public Hearing on the proposed use of President Abraham Lincoln's birthday as a day of student attendance day, parent-teacher conferences, or teacher in-services or teacher institute is being held on February 26, 2014, before the Board, in accordance with Section 24-2(b) of the Illinois School Code. Notice setting forth the time, date, and place of hearing was provided via parent portal and teachers, website publication and newspaper notice.

A Public Hearing on the proposed use of Veterans Day as a day of student attendance day, parent-teacher conferences, or teacher in-services or teacher institute is being held on August 26, 2020 before the Board, in accordance with Section 24-2(b) of the Illinois School Code. Notice setting forth the time, date, and place of hearing was provided via website publications and newspaper notice.

**DESCRIPTION OF HOLIDAY WAIVER:**

On August 22, 2007, the Board approved (Broad Report 07-0822-ED2) submitting an application for modifying the Illinois School Code to allow for classes, parent-teacher conferences, or teacher in-services or teacher institutes on Abraham Lincoln's Birthday, Casimir Pulaski Day and Columbus Day. The Illinois State Board of Education (ISBE) approved this application for five years expiring at the end of the 2011-2012 school year.

Since the ISBE approval, P.A. 96-640 was enacted on August 24, 2009, and provides that a school board is authorized to hold school or schedule teachers' institutes, parent-teacher conferences, or staff development activities (including school improvement and inservice training) on the following school holidays: the birthday of Dr. Martin Luther King, Jr. (third Monday in January); the birthday of President Abraham Lincoln (February 12); the birthday of Casimir Pulaski (first Monday in March); Columbus Day (second Monday in October); and Veterans' Day (November 11).

A school board is authorized to take these actions provided that (1) the person/persons honored by the holiday are recognized through instructional activities conducted on that day or, if the day is not used for student attendance, on the first school day preceding or following that day; and (2) the entity choosing to exercise this authority first holds a public hearing about the proposal. A school board shall provide notice preceding the public hearing to both educators and parents, setting forth the time, date, and place of the

hearing; describing the proposal; and indicating that testimony from educators and parents will be taken about the proposal during the public hearing.

The CEO seeks the flexibility of using Columbus Day and Casimir Pulaski Day to develop school calendars that allow for a longer school year with more instructional school days for Chicago public school students. If these school holidays are used, schools will provide instructional activities on the person or persons honored by the holiday.

The CEO seeks additional flexibility in planning the school calendar by adding President Abraham Lincoln's birthday to the list of holidays that the district may use for classes, parent-teacher conferences, or teacher in-services or teacher institute.

The CEO seeks additional flexibility in planning the school calendar by adding Veterans Day to the list of holidays that the district may use for classes, parent-teacher conferences, or teacher in-services or teacher institute. If Veterans Day is used as a day of student attendance, schools will have a moment of silence and provide instructional activities on veterans.

**AUTHORIZATION:** Authorize the Chief Executive Officer to establish a school calendar that may use Columbus Day, Casimir Pulaski Day, ~~and~~ President Abraham Lincoln's birthday, and Veterans Day for classes, teacher institutes, parent-teacher conferences, or staff development activities.

**APPROVE THE 2020-2022 CONTINUOUS IMPROVEMENT WORK PLANS FOR SCHOOLS IN  
INTENSIVE SUPPORT AND THOSE IDENTIFIED AS COMPREHENSIVE AND TARGETED BY THE  
STATE**

**THE CHIEF EXECUTIVE OFFICER RECOMMENDS THE FOLLOWING:**

Approve the 2020-2022 Continuous Improvement Work Plans (CIWPs) for Fiscal Year 2021 for schools in Intensive Support and identified by the Illinois State Board of Education (ISBE) as Comprehensive and Targeted Schools.

**DESCRIPTION:** The Chief Executive Officer is requesting approval of the creation of the 2020-2022 CIWPs for correcting academic deficiencies for the schools noted on the attached Exhibit A. These schools are either in Intensive Support under the Chicago Board of Education's School Quality Rating Policy, equivalent to Probation as defined by 5/34-8.3 of the Illinois School Code, or identified as a Comprehensive and Targeted school by ISBE. A school that is in the lowest-performing 5 percent of eligible Title I schools in Illinois and those high schools that have a graduation rate of 67 percent or less are identified as Comprehensive and in need of "comprehensive" support. The lowest-performing 5 percent of schools is based on the "all student group" index score generated according to the state's accountability rules for each school. A school in which one or more student demographic groups are performing at or below the level of the "all students" group in the lowest 5 percent of all schools are identified as Targeted and in need of "targeted" support.

The CIWPs were developed pursuant to Section 5/34-2.4 of the Illinois School Code, Board approval of school improvement plans is required for schools placed on probation pursuant to Section 5/34-8.3. These plans include specific steps that the Local School Councils and school staff must take to correct deficiencies and specific objective criteria by which the schools' subsequent progress shall be judged.

Individual CIWPs and budgets were developed collaboratively at each school with the assistance of the Network Chiefs of Schools, the Office of Innovation and Incubation, the Academy of Urban School Leadership (AUSL), the Office of Management and Budget, Local School Councils, Title I Parent Advisory Councils, parent and community representatives and school personnel, as applicable. Each school's CIWP includes specific priorities and strategies identified for correcting educational and operational deficiencies that resulted in the school being placed on probation. As applicable, a School-Parent Compact and Parent and Family Engagement Plan were appended to the CIWPs.

Once submitted to the Network Chief of Schools Offices, Office of Innovation and Incubation, or AUSL, CIWPs were reviewed to ensure that: areas in need of improvement were addressed, the stated targets and activities were consistent with trend analyses and analysis of current conditions and that plans were supported by schools' discretionary school improvement (state and federal) funds.

Monitoring of and support for these CIWPs will be the responsibility of the Network Chief of Schools Offices, Office of Innovation and Incubation, Office of Strategic School Support Services, or AUSL, as applicable, with the assistance of the Department of School Quality Measurement and Research and the Office of Network Support. The Network Chief of Schools, Chief of Strategic School Support Services, or the Chief Executive Officer of AUSL are authorized to modify an Intensive Support school's CIWP as necessary to correct deficiencies throughout the school year.

Copies of CIWPs will be available at each school and at each Network Office.

**DESCRIPTION:** CPD will provide sworn, full-duty police officers at each of the designated schools for full shifts to perform the duties of a school resource officer (SRO) set forth in the job description attached hereto as Attachment 1 to ensure the safety of CPS students, school personnel and others on school property. While including traditional safety and police assistance for the school community, the SRO job description includes and emphasizes the duties that provide for a safe school environment and promote productive and positive community/police relationships and interactions. SROs shall be uniformed and carry standard equipment.

Eligibility and Selection Process. SRO candidates will be placed at a school through an eligibility and selection process. CPD will recommend a candidate(s) for placement at a school. The principal may interview the candidates. The principal has the right to reject the candidate and ask for other candidates. CPD will create an eligibility list of SRO candidates for possible placement at a school based on predefined eligibility criteria, including an excellent disciplinary history and interview by CPD Chief of Bureau Operations.

Training. SROs are required to undergo training through the National Association of School Resource Officers (NASRO) courses or replacement training approved by the federal monitor. SRO's will also undergo CPS training on: restorative practices; CPS Student Code of Conduct; youth development; disability and special education issues; youth crisis intervention; implicit racial bias; interaction with specific student groups such as limited English proficiency, LGBTQIA, homeless students and sensitivity around immigrant student situations, as well as annual refresher training.

Program Monitoring. CPS Office of School Safety and Security will perform compliance monitoring of the SRO program throughout the school year by meeting with CPD every two weeks and meeting with the federal monitor every month to review key performance indicators.

Scope of SRO Services. SROs will maintain a visible presence in and around the designated schools and have positive student interactions.

SROs shall respond immediately to calls involving emergency situations. SROs will call in to dispatch all emergency situations to protect all CPS students, school personnel or others who are present on school property and, in non-criminal acts, reference the CPS Student Code of Conduct to determine, in consultation with school administrators, including for matters within its purview, the CPS Office of Student Protections and Title IX, if the situation can be handled through Board student disciplinary processes.

SROs shall have no involvement in school disciplinary actions or processes and shall ensure that no other CPD officers are requested to intervene in school disciplinary actions.

SROs will coordinate with school administration and the CPS Office of School Safety and Security personnel in problem solving exercises and emergency drills. SROs will participate in any training of CPS emergency drills, including active shooter response. SROs' actions shall always minimize any disruption to the school's normal operations.

SROs shall work with school administrators to make reasonable attempts to reach students' parents or guardians prior to any action by a CPD officer involving a student on school grounds. Nothing herein limits the authority of any SRO to perform his/her duties, as provided by ordinance and statute.

SROs shall notify their immediate supervisor and/or Commander of inappropriate situations where they are asked by school administrators, teachers and other staff to intervene in student situations that involve mere school disciplinary actions.

SROs and school administrators shall develop plans and strategies to prevent and/or minimize dangerous situations. SROs shall share information with the school administrators about persons and conditions that pertain to campus safety concerns.

SROs shall be a resource for students which will enable them to be associated with a law enforcement figure and role model in the students' environment.

SROs can participate in meetings with school administration upon notification and approval of the SRO's immediate supervisor or Commander.

SROs must have knowledge of the CPS Student Code of Conduct and CPS disciplinary procedures.

SROs will follow the Reciprocal Reporting Systems Agreement between Chicago Public Schools and the Chicago Police Department, as said agreement may be amended from time to time, regarding any arrests made pursuant to this Agreement.

SROs shall maintain daily reports on all crimes and arrests committed by any persons at CPS schools, whether a student, staff or otherwise.

SROs shall not transport students in CPD vehicles except when the students are under lawful arrest or when some other emergency circumstances exist. SROs shall not transport students in their personal vehicles.

SROs must at all times operate in compliance with laws ordinances and CPS policies, including the Family Educational Rights and Privacy Act (FERPA), the Illinois School Student Records Act (ISSRA) and those relating to non-discrimination. CPD computer terminals will not be installed at schools and SROs will be prohibited from entering information into the Criminal Enterprise Information System (CEIS).

This renewal is focused on Ed Tech Products as defined in the RFQ. Ed Tech Products that would be used as core curricular materials are not covered by this agreement. The Ed Tech Products qualified as part of this RFQ may be delivered in a variety of delivery media including but not limited to secured websites, open access websites, CD-ROM, etc.

The Board issued a PNI for Multi-Tier System of Supports (MTSS) services to the pre-qualified pool. The MTSS vendors will provide products and programs, which will personalize and differentiate instruction for every student based on their academic needs and individual learning style to promote accelerated student achievement. The MTSS vendors will provide multiple research and evidence-based intervention, enrichment, and/or supplemental products and programs for students in reading and/or math, in order to substantially increase the success of students in grades K-12, regardless of their performance level. These products and programs will allow students to work at their own level and pace when appropriate. MTSS vendors will be expected to provide/share data both at the local (school/network) and district level in order to determine both efficacy and fidelity. MTSS vendors and the Board will develop benchmarks to monitor implementation and progress.

**OUTCOMES:**

Vendors' services will result in the continued use of a pre-qualified pool of vendors to provide Educational Technology (Ed Tech) products for purchase by schools. Products provided by these pre-qualified vendors are vetted for basic technology, security, and legal standards.

**COMPENSATION:**

Vendors shall be paid during this option period as specified in their agreement; estimated annual aggregate amount of payments to all pre-qualified vendors for the one (1) year term shall not exceed below:

\$5,198,918. FY21

The costs associated herewith shall be reported to the Board on a quarterly basis pursuant to Board Rule 7-10.

**USE OF POOL:**

All schools are authorized to receive products and programs from the pre-qualified pool as follows: Schools and departments shall select a pre-qualified vendor and evidence such selection by a purchase order for the Ed Tech Products and Programs provided by the vendor and approved through the RFQ

process. A directory is being developed that will be available to all CPS schools and departments specifying those pre-qualified vendors and the Products and Programs each has been approved to provide to the Board and how to contact those vendors. The directory will identify the categories of learning experiences that the Products and Programs are intended to enhance as well as other general information about the Product and Program. For the purchases of Products and Programs that have been evaluated for basic technical requirements, purchases are limited to \$25,000 spend limits. For purchases of Products and Programs that have been selected through the process for Plans for New Initiatives ("PNI"), requests for additional information will be provided to pre-qualified vendors who have Products and Programs that meet the general requirements of the PNI. If vendors wish to have one or more of their approved Products and Programs considered for inclusion in the initiative, vendors may submit a response to the PNI request to be evaluated for quality and alignment of the proposal to the scope of the project. Purchases of PNI approved Products and Programs will be highlighted as vetted for quality in the Ed Tech Catalog and will not be limited to \$25,000 spend limits.

**AUTHORIZATION:**

Authorize the General Counsel to include other relevant terms and conditions in the written agreements. Authorize the President and Secretary to execute the written agreements. Authorize the Chief of Teaching and Learning to execute all ancillary documents required to administer or effectuate the agreements.

**AFFIRMATIVE ACTION:**
