**REMOVE AND REPLACE THE PRINCIPAL OF
EDWARD JENNER ELEMENTARY ACADEMY OF THE ARTS
AND TERMINATE THE PRINCIPAL'S CONTRACT**

THE CHIEF EXECUTIVE OFFICER RECOMMENDS:

That the principal of Edward Jenner Elementary Academy of the Arts ("Jenner"), Berlinder Fry, be removed and replaced pursuant to Section 34-8.3(d) of the Illinois School Code and that her contract be terminated pursuant to Section V of the Board's Uniform Principal's Performance Contract.

DESCRIPTION:

I. Legal Framework

The Illinois School Code grants the Chief Executive Officer of the Chicago Public Schools ("CEO") the authority to place schools on probation to correct deficiencies in their academic performance (105 ILCS 5/34-8.3). The Illinois School Code further grants the Board of Education of the City of Chicago ("Board") the authority to establish guidelines to determine the factors for placing an attendance center on probation. 105 ILCS 5/34-8.3(b).

Pursuant to that authority, the Board has adopted policies under which Jenner was placed on probation eight years ago. The Board adopted the "School Performance, Remediation and Probation Policy for the 2013-2014 School Year," (Board Report 13-0424-PO2) ("Performance Policy") and Jenner remained on Probation last year in accordance with the terms of that policy.

The Illinois School Code provides that when a school on probation fails to make adequate progress to correct deficiencies within one year, the CEO, with the approval of the Board and after an opportunity for a hearing, may remove and replace the school's principal. 105 ILCS 5/34-8.3(d)(2). Pursuant to Section V of the Board's Uniform Principal's Performance Contract, a principal's contract may be terminated before the expiration of its four-year term based upon the principal's removal pursuant to Section 34-8.3(d).

II. Hearing on Principal Removal

Pursuant to the CEO's "Guidelines for the Removal and Replacement of Principals of Schools on Probation for the 2013-2014 School Year" and the "Procedures Governing Principal Removal Hearings," Berlinder Fry, the Jenner Local School Council (LSC) members, and the assistant principals of Jenner were duly notified that the CEO was contemplating the removal of Berlinder Fry as principal pursuant to Section 34-8.3(d) to further the school's educational improvement. Frederick Bates, Esq., an independent hearing officer, presided over the Jenner principal removal hearing on November 12, 2014, in an efficient and impartial manner.

The Law Department, representing the CEO, presented the statements of the Chief of Schools for Network 6, Herald Chip Johnson, and the Director of Performance Data and Policy for the Chicago Public Schools, Ryan Crosby, as well as documentation to support a recommendation to remove Berlinger Fry as Jenner's principal to the hearing officer. The hearing was uncontested.

The hearing officer has submitted a written report to the CEO summarizing all relevant evidence offered during the hearing, making findings of fact, and advised the CEO that sufficient evidence exists to support the removal of Berlinger Fry as the principal of Jenner.

III. Chief Executive Officer's Recommendation

The CEO has reviewed the Hearing Officer's report and hereby recommends that Berlinger Fry be removed and replaced as the principal of Jenner effective on December 17, 2014. The CEO further recommends that Fry's Uniform Principal's Performance Contract, with a term beginning July 1, 2011, and ending on June 30, 2015, be terminated on December 17, 2014. These recommendations are based upon the following factors:

- A. Jenner has a history of poor performance. Jenner has been on probation for the past eight (8) consecutive school years. Berlinger Fry has been the principal of Jenner since July 1, 2011.
- B. For six years Jenner has been a Level 3 school. In the 2007-2008 school year, Jenner received 35.7% of available points pursuant to the Board's Performance Policy. In the 2008-2009 school year, it received 26.2% of available points. In the 2009-2010 school year it received 21.4% of available points. In the 2010-2011 school year, it received 45.2% of available points. In the 2011-2012 school year, it received 38.1% of available points. In the 2012-2013 school year, it received 21.4% of available points.
- C. For uniform measurement purposes, the results of the Illinois Standards Achievement Test ("ISAT") for the 2012-2013 school year are helpful in assessing Jenner's performance. Jenner's 2012-2013 ISAT Meets or Exceeds Composite score, which is the combined result of the ISAT reading, mathematics, and science assessments, was 16.6%, compared to a network average of 70.2% and a District average of 55.1%. In reading, the percent of Jenner students meeting or exceeding state standards was 13.3%, compared to a network average of 67.2% and a District average of 50.9%. In mathematics Jenner's performance was 12%, compared to a network average of 67.9% and a District average of 52.4%. In science Jenner's performance was 43.1%, compared to a network average of 86% and a District average of 75.8%.
- D. This widening gap is also shown when comparing the percentage of students exceeding state standards. In 2012-2013 Jenner's ISAT Composite Exceeds score was 1%, compared to a network average of 23.1%, and a District average of 11.6%. Jenner's Composite Exceeds score was 10.6 percentage points below the network average in 2005-2006 and 22.1 percentage points below the network average in 2012-2013. Jenner's Composite Exceeds score was 4 percentage points below the District average in 2005-2006 and 10.6 percentage points below the District average in 2012-2013.
- E. Jenner's reading value-added score was -0.9 in 2009-2010, 0.2 in 2010-2011, 0.4 in 2011-2012 and -0.5 in 2012-2013. Its mathematics value-added score was -0.3 in 2009-2010, 2.0 in 2010-2011, -0.4 in 2011-2012, and -1.6 in 2012-2013. This means that, on average, students at Jenner grew at a below-average pace in two of the last four years in reading and three of the last four years in math. As a point of reference, Jenner's reading value-added score of -0.5 in 2012-2013 was in the 27th percentile and its math value-added score of -1.6 was in the 6th percentile.
- F. Jenner is on probation in accordance with state law and the Board's Performance Policy. The school has low performance, this performance is consistently low across subject areas, and the school is not making sufficient progress in catching up to the rest of the District.

If the Board adopts the CEO's recommendation to remove the Jenner principal, the following actions will occur:

1. The CEO will appoint an interim principal for Jenner. The interim principal will serve at the pleasure of the CEO;
2. The LSC shall have no authority to select a new four-year contract principal until Jenner makes sufficient academic progress to be removed from probation; and
3. The Uniform Principal's Performance Contract of Berlinger Fry will be terminated effective December 17, 2014.

LSC REVIEW: LSC approval is not applicable to this report.

FINANCIAL: The interim principal position will be filled at a cost within current budget appropriations.

PERSONNEL IMPLICATIONS: An Interim Principal will be selected, who will serve at the pleasure of the CEO. Until the school comes off probation, the Local School Council of Jenner will have no authority to select a new four-year contract principal, as required by Board Policy.

**REMOVE AND REPLACE THE PRINCIPAL OF
THURGOOD MARSHALL MIDDLE SCHOOL
AND TERMINATE THE PRINCIPAL'S CONTRACT**

THE CHIEF EXECUTIVE OFFICER RECOMMENDS:

Pursuant to that authority, the Board has adopted policies under which Marshall Middle was placed on probation eight years ago. Pursuant to Section V of the Board's Uniform Principal's Performance Contract, a principal's contract may be terminated before the expiration of its four-year term based upon the principal's removal pursuant to Section 34-8.3(d).

II. Hearing on Principal Removal

Pursuant to the CEO's "Guidelines for the Removal and Replacement of Principals of Schools on Probation for the 2013-2014 School Year" and the "Procedures Governing Principal Removal Hearings," Paul Flaherty, and the Marshall Middle Local School Council (LSC) members were duly notified that the CEO was contemplating the removal of Paul Flaherty as principal pursuant to Section 34-8.3(d) to further the school's educational improvement. Frederick Bates, Esq., an independent hearing officer, presided over the Marshall Middle principal removal hearing on December 3, 2014, in an efficient and impartial manner.

The Law Department, representing the CEO, presented the statements of the Chief of Schools for Network 1, Anna Alvarado, and the Director of Performance Data and Policy for the Chicago Public Schools, Ryan Crosby, as well as documentation to support a recommendation to remove Paul Flaherty as Marshall Middle's principal to the hearing officer. The hearing was uncontested.

The hearing officer has submitted a written report to the CEO summarizing all relevant evidence offered during the hearing, making findings of fact, and advised the CEO that sufficient evidence exists to support the removal of Paul Flaherty as the principal of Marshall Middle.

III. Chief Executive Officer's Recommendation

The CEO has reviewed the Hearing Officer's report and hereby recommends that Paul Flaherty be removed and replaced as the principal of Marshall Middle effective on December 17, 2014. The CEO further recommends that Paul Flaherty's Uniform Principal's Performance Contract, with a term beginning July 1, 2013, and ending on June 30, 2017, be terminated on December 17, 2014. These recommendations are based upon the following factors:

- A. Marshall Middle has a history of poor performance. Marshall Middle has been on probation for the past six (6) consecutive school years. Paul Flaherty has been the principal of Marshall Middle for the past five (5) years.
- B. In five of the six years Marshall Middle has been a Level 3 school. In the 2007-2008 school year, Marshall Middle received 50% of available points pursuant to the Board's Performance Policy. In the 2008-2009 school year, it received 38.1% of available points. In the 2009-2010 school year it received 42.9% of available points. In the 2010-2011 school year, it received 33.3% of available points. In the 2011-2012 school year, it received 23.8% of available points. In the 2012-2013 school year, it received 19% of available points.

- C. For uniform measurement purposes, the results of the Illinois Standards Achievement Test ("ISAT") for the 2012-2013 school year are helpful in assessing Marshall Middle's performance. Marshall Middle's 2012-2013 ISAT Meets or Exceeds Composite score, which is the combined result of the ISAT reading, mathematics, and science assessments, was 44.2%, compared to a network average of 70.8% and a District average of 55.1%. In reading, the percent of Marshall Middle students meeting or exceeding state standards was 41%, compared to a network average of 67.2% and a District average of 50.9%. In mathematics Marshall Middle's performance was 40.6%, compared to a network average of 68.8% and a District average of 52.4%. In science Marshall Middle's performance was 57.7%, compared to a network average of 86.8% and a District average of 75.8%.
- D. This widening gap is also shown when comparing the percentage of students exceeding state standards. In 2012-2013 Marshall Middle's ISAT Composite Exceeds score was 3.1%, compared to a network average of 19.7%, and a District average of 11.6%. Marshall Middle's Composite Exceeds score was 7.8 percentage points below the network average in 2005-2006 and 16.6 percentage points below the network average in 2012-2013. Marshall Middle's Composite Exceeds score was 1.4 percentage points below the District average in 2005-2006 and 8.5 percentage points below the District average in 2012-2013.
- E. Marshall Middle's reading value-added score was -1.1 in 2009-2010, -2.2 in 2010-2011, 0.6 in 2011-2012 and -1.6 in 2012-2013. Its mathematics value-added score was -1.1 in 2009-2010, -1.7 in 2010-2011, -1.6 in 2011-2012, and -2.0 in 2012-2013. This means that, on average, students at Marshall Middle grew at a below-average pace in three of the last four years in reading and four of the last four years in math. As a point of reference, Marshall Middle's reading value-added score of -1.1 in 2012-2013 was in the 4th percentile and its math value-added score of -2.0 was in the 3rd percentile.
- F. Marshall Middle is on probation in accordance with state law and the Board's Performance Policy. The school has low performance, this performance is consistently low across subject areas, and the school is not making sufficient progress in catching up to the rest of the District.

If the Board adopts the CEO's recommendation to remove the Marshall Middle principal, the following actions will occur:

1. The CEO will appoint an interim principal for Marshall Middle. The interim principal will serve at the pleasure of the CEO;
2. The LSC shall have no authority to select a new four-year contract principal until Marshall Middle makes sufficient academic progress to be removed from probation; and
3. The Uniform Principal's Performance Contract of Paul Flaherty will be terminated effective December 17, 2014.

LSC REVIEW: LSC approval is not applicable to this report.

FINANCIAL: The interim principal position will be filled at a cost within current budget appropriations.

PERSONNEL IMPLICATIONS: An Interim Principal will be selected, who will serve at the pleasure of the CEO. Until the school comes off probation, the Local School Council of Marshall Middle will have no authority to select a new four-year contract principal, as required by Board Policy.

President Vitale indicated that if there were no objections, Board Reports 14-1217-EX7 and 14-1217-EX8 would be adopted by the last favorable roll call vote, all members present voting therefore.

President Vitale thereupon declared Board Reports 14-1217-EX7 and 14-1217-EX8 adopted.

WHEREAS, the Honorable Rahm Emanuel, Mayor of the City of Chicago, appointed Nicholas Schuler to serve as the Board's Inspector General effective December 8, 2014 for a term ending June 30, 2018;

WHEREAS, Section 34-13.1 of the Illinois School Code provides that the Board's Inspector General shall be under the Board's jurisdiction;

WHEREAS, the Board hereby acknowledges the appointment of Nicholas Schuler as the Board's Inspector General;

WHEREAS, Section 34-13.1 of the Illinois School Code provides that the Inspector General shall have "authority to conduct investigations into allegations of or incidents of waste, fraud, and financial mismanagement in public education within the jurisdiction of the Board by a local school council member or an employee, contractor, or member of the Board or involving school projects managed or handled by the Public Building Commission";

WHEREAS, Section 34-13.1 of the Illinois School Code provides that, in addition to the Inspector General's express authority to conduct the specific investigations outlined in the statute, the Inspector General shall perform other duties requested by and at the direction of the Board;

WHEREAS, the Board has enumerated in Board Rule 3-8 other duties that the Inspector General shall perform including, but not limited to, investigations into employee misconduct, including allegations of criminal activity by employees;

WHEREAS, Section 34-13.1 of the Illinois School Code provides that the Inspector General shall be independent of the operations of the Board;

WHEREAS, Section 34-13.1 of the Illinois School Code provides that the Inspector General "shall have access to all information and personnel necessary to perform the duties of the office" but does not provide for the retention of legal counsel to provide advice to the Inspector General;

WHEREAS, Section 34-13.1 of the Illinois School Code provides that the Inspector General "shall have the power to subpoena witnesses and compel the production of books and papers pertinent to an investigation authorized by this Code" but does not outline the mechanism for enforcement of a subpoena issued by the Inspector General;

WHEREAS, Section 34-11 of the Illinois School Code provides that the Board "by a majority vote of its full membership shall appoint a general counsel (the "General Counsel") who shall have charge and control, subject to the approval of the Board, of the law department and of all litigation, legal questions and such other legal matters as may be referred to the department" by the Board; and

WHEREAS, Board Rule 3-8 specifies that the Board may acknowledge by Board Resolution the Mayor's appointment of an individual to serve as Inspector General and specify in such Resolution any additional duties and requirements in effect during the tenure of such appointment.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF EDUCATION OF THE CITY OF CHICAGO THAT:

1. In performing the duties outlined in the Illinois School Code, this Resolution, and Board Rules, the Inspector General shall report directly to the Board and shall provide reports to the Chief Executive Officer of the Chicago Public Schools (the "CEO"), except in the following circumstances:
 - (a) If the Inspector General believes, in connection with a specific investigation, that the duties of the Inspector General as outlined in the Illinois School Code, this Resolution, and Board Rules are in conflict with the requirement that the Inspector General shall provide reports to the CEO, the Inspector General shall report this matter to the Board immediately upon identifying the potential conflict. Based upon the Inspector General's initial report of such a matter, the Board will then provide additional direction regarding subsequent reporting in connection with the matter.
 - (b) If the Inspector General believes, in connection with a specific investigation, that the duties of the Inspector General as outlined in the Illinois School Code, this Resolution, and Board Rules are in conflict with the requirement that the Inspector General shall report to the Board, the Inspector General shall report this matter to outside legal counsel immediately upon identifying the potential conflict and shall request that outside legal counsel prepare a legal opinion regarding the existence of a conflict that precludes the Inspector General from reporting the matter to the Board. To the extent that the legal opinion indicates that there is such a conflict, the Inspector General's outside counsel shall also advise the Inspector General regarding the legal requirements of reporting the matter at issue. If the legal opinion does not indicate the existence of such a conflict, the Inspector General shall report the matter to the Board as outlined above.
2. The Board also requests that the General Counsel provide legal counsel to the Inspector General as required to assist the Inspector General in performing the duties outlined in the Illinois School Code, this Resolution, and Board Rules, except in the following circumstances:
 - (a) If the Inspector General believes, in connection with a specific investigation, that the duties of the Inspector General as outlined in the Illinois School Code, this Resolution, and Board Rules are in conflict with the requirement that the General Counsel shall provide legal counsel to the Inspector General as outlined herein, the Inspector General shall report this matter to the Board immediately upon identifying the potential conflict. Based upon the Inspector General's initial report of such a matter, the Board will then provide additional direction regarding subsequent retention of legal counsel regarding reporting of the matter.

- (b) If the Inspector General believes, in connection with a specific investigation, that the duties of the Inspector General as outlined in the Illinois School Code, this Resolution, and Board Rules are in conflict with (1) the requirement that the General Counsel shall provide legal counsel to the Inspector General and (2) with reporting the matter to the Board as outlined in the preceding paragraph, the Inspector General shall report this matter to outside legal counsel immediately upon identifying the potential conflict and shall request that outside legal counsel prepare a legal opinion regarding the existence of a conflict that precludes the Inspector General from reporting the matter to the Board. To the extent that the legal opinion indicates that there is such a conflict, the Inspector General's outside counsel shall also advise the Inspector General regarding the legal requirements of reporting the matter at issue. If the legal opinion does not indicate the existence of such a conflict, the Inspector General shall report the matter to the Board as outlined above.
- 3. The Board further requests that the General Counsel represent the Inspector General in all instances in which the enforcement of a subpoena issued by the Inspector General is necessary.
- 4. The Board shall retain an attorney to provide legal counsel in those circumstances where this Resolution authorizes the Inspector General to seek the advice of outside legal counsel rather than the General Counsel.
- 5. This Resolution shall take effect upon adoption and shall remain in effect until amended or rescinded by further Board action for the tenure of the Inspector General's appointment including any renewals thereof.

DESCRIPTION: The Charter Schools Law (105 ILCS 5/27A-1 et seq., as amended) provides that up to 70 charter schools may be operated in the City of Chicago. Proposals to operate charter schools are submitted to the Board for evaluation pursuant to the standards set forth in 105 ILCS 5/27A-8, and the Board convenes a public meeting to obtain information to assist in its decision to grant or deny each proposal and report its action to the Illinois State Board of Education. The school is slated to open in the fall of 2015 serving a maximum of 180 students in grades K-1. The school will add one grade per year in subsequent years with an at capacity enrollment of 810 students in grades K-8. The school will be located across two adjoining nearby facilities in the Austin neighborhood. Grades K-65 will be located at ~~400 N. Leamington~~ 416 N. Laramie Avenue and Grades 7 and 6-8 will be located at 415 N. Laramie Avenue. A community meeting and a public hearing on charter school submissions submitted in 2013, as required by statute, were held on December 16, 2013 and January 7, 2014.

In July and September 2014, Chicago Education Partnership submitted to the Office of Innovation and Incubation the following revisions to its original charter school proposal: (a) change in the name of the Chicago Education Partnership Charter School to Moving Everest Charter School, (b) change in the address of one of the school facilities from 400 N. A public hearing on the proposed new school was held on Tuesday, October 7, 2014. The hearing was recorded and a summary report is available for review.

As requested, Chicago Education Partnership submitted an updated charter school proposal in November 2014. Another public hearing on the proposed new school was held on Monday, November 17, 2014. A summary report is available for review.

TERM: If approved, the term of the Chicago Education Partnership charter and agreement shall commence July 1, 2015 and end June 30, 2020.

CONTINGENT APPROVAL: Final approval of this proposal is contingent upon Chicago Education Partnership, Inc. submitting responses regarding its academic capacity, including, but not limited to information regarding: the identification of a principal with a proven track record of driving student academic achievement with similar student populations in a school setting, a curriculum map with learning standards for each grade and subject in the five-year contract, and systems, traditions, and structures to achieve the proposed school culture by July 1, 2014. The specifics regarding these contingencies and the requested submission will be communicated by the Chief Executive Officer or her designee to Chicago Education Partnership, Inc. in a formal Letter of Conditions. The Board hereby directs the Chief Executive Officer or her designee to monitor the deadlines set forth in the Letter of Conditions, oversee the evaluation of the submission by Chicago Education Partnership, Inc., and provide

a written report regarding compliance with the Letter of Conditions to the Board by October 1, 2014. Thereafter, this will be re-presented to the Board for a determination regarding whether the contingencies have been satisfied. Failure to meet this contingency according to the terms set forth in the Letter of Conditions may, at the option of the Board, result in the rescission of the authority granted herein.

In July 2014, Chicago Education Partnership submitted requested materials in response to the contingencies for final approval of this proposal. Supplemental materials were submitted in August and September 2014 by Chicago Education Partnership as well. The Board reviewed these materials and determined that Chicago Education Partnership met the contingencies stated in the Letter of Conditions. As noted above, a public hearing on the proposed new school was held on Tuesday, October 7, 2014. As requested, Chicago Education Partnership submitted an updated charter school proposal in November 2014. Another public hearing on the proposed new school was held on Monday, November 17, 2014.

Starting in January 2015, Chicago Education Partnership, Inc. will need to fulfill a set of requirements to ensure that it implements the model articulated in its final school proposal with fidelity. The specifics regarding these requirements will be communicated by the Chief Executive Officer or her designee to Chicago Education Partnership, Inc. in a formal Letter of Requirements. The Board hereby directs the Chief Executive Officer or her designee to monitor the deadlines set forth in the Letter of Requirements, and oversee the evaluation of adherence by Chicago Education Partnership, Inc.

AUTHORIZATION: Authorize the General Counsel to include relevant terms and conditions, including any indemnities to be provided to the charter school, in the written Charter School Agreement. Authorize the President and Secretary to execute the written Charter School Agreement. Authorize the Senior Director of the Office of New Schools Innovation and Incubation to issue a letter notifying the Illinois State Board of Education of the action(s) approved hereunder and to submit the approved proposal and signed Charter School Agreement to the Illinois State Board of Education for certification. Authorize the Chief Innovation and Incubation Officer to execute any documents related to the disbursement of the one-time incubation and startup funds for Moving Everest Charter School.

LSC REVIEW: Approval of Local School Council is not applicable to this report.

AFFIRMATIVE ACTION: Not applicable.

INCUBATION: Upon final approval of this charter school proposal and the submission of an Incubation Budget Plan by Chicago Education Partnership, the Board will disburse an amount not to exceed \$152,000 in incubation funding for the Moving Everest Charter School. The use of the funding will be outlined by the Office of Innovation and Incubation.

The use of the funding will be outlined by the Office of Innovation and Incubation.

FINANCIAL: The financial implications will be addressed during the development of the 2015-2016 fiscal year budget. Since the School Code of Illinois prohibits the incurring of any liability unless an appropriation has been previously made, expenditures beyond FY15 are deemed to be contingent liabilities only, subject to appropriation in subsequent fiscal year budgets.

GENERAL CONDITIONS:

Inspector General - Each Party to the agreement shall acknowledge that, in accordance with 105 ILCS 5/34-13.1, the Inspector General of the Board of Education has the authority to conduct certain investigations and that the Inspector General shall have access to all information and personnel necessary to conduct those investigations.

**AMEND BOARD REPORT 13-1120-ED1
APPROVE TUITION PAYMENTS TO CONCORDIA UNIVERSITY FOR COURSEWORK LEADING TO
ESL AND/OR BILINGUAL ENDORSEMENTS**

THE CHIEF EXECUTIVE OFFICER REPORTS THE FOLLOWING DECISION:

Approve tuition payments to Concordia University for ESL and bilingual coursework at a cost not to exceed ~~\$354,000~~ \$554,000 in ~~eighteen (18)~~ thirty (30) months for all participating universities. Concordia University is one of three universities participating in this program that were selected based on

the quality of the coursework described in their proposals and the cost effectiveness of the partnerships. Each university is giving a discount with the remainder split between the Board of Education and the university provider. The other participating universities, National-Louis University and Northeastern Illinois University, are authorized under separate Board Reports. No written agreement is required for tuition payments. Information pertinent to this program is stated below.

This December 2014 amendment is necessary to offer three new cohorts with university partners beginning January 2015 and ending June 2016.

PAYMENT PERIOD: Tuition payments are authorized for university courses scheduled from January 1, 2014 through June 30, ~~2016~~ 2016.

PROGRAM DESCRIPTION: Payments cover a fraction of tuition for authorized CPS teachers enrolled in courses at participating universities under the ESL/Bilingual Endorsement Initiative. The ESL/Bilingual Endorsement Initiative provides an opportunity for CPS teachers to pursue an ESL or bilingual endorsement so that an increased number of English Language Learners (ELs) in CPS are taught by competent and expert educators who are able to meet the unique needs of these students. Providing an opportunity to earn an ESL or bilingual endorsement is critical to ensuring that all CPS students receive appropriate support and have access to high quality, rigorous education. Equally important, this program is essential for the district to be in compliance with Illinois state and federal laws, rules and regulations. It is ~~DoLCE's~~ OLCE's vision that every EL in CPS is taught by an appropriately certified, endorsed, expert teacher. Offering cohorts of teachers the opportunity to engage in the coursework together, to collaborate, and to learn with and from each other is an important step towards actualizing the vision. Concordia University is one of the universities that provide the ESL and bilingual coursework.

PARTICIPANTS: Participants in the ESL/Bilingual Endorsement Initiative coursework will include CPS teachers who possess an IL teaching certificate, have demonstrated leadership skills, and desire to obtain an ESL or Bilingual Endorsement to support ELs in CPS. Participants will be selected through a competitive process; they will commit to an eighteen (18) month sequence of courses to teaching at CPS for at least two years after obtaining their ESL or bilingual endorsement, and to maintaining at least 90% attendance and a grade of B or higher in every course.

In addition, the ESL/Bilingual Endorsement Initiative is aligned to our district goals of ensuring that every child has access to high quality teaching and learning in alignment with the Common Core State Standards. All teachers who enroll in these courses will benefit by having opportunities to become expert in using instructional strategies and providing support to ELs, thus ensuring that they gain access to rigorous content and meet the ambitious new standards.

OUTCOMES: The ESL/Bilingual Endorsement Initiative Coursework program will result in an increased number of educated and properly endorsed teachers of ELs in our district. This creates increased opportunities for students to learn more rigorous content and not only expand the ELS' opportunities to learn English, but will also support the development of bilingualism and biliteracy.

COMPENSATION: Tuition payments to all three (3) universities during the payment period shall not exceed ~~\$354,000~~ \$554,000 total through June 30, ~~2016~~ 2016.

AUTHORIZATION: The Chief Officer of the Office of Language and Cultural Education is authorized to direct payments to be made to the universities as necessary.

AFFIRMATIVE ACTION: Pursuant to Section 5.2.3 of the Remedial Program for Minority and Women Owned Business Enterprise Participation in Goods and Services Contracts, tuition payments to other education institutions are exempt from MBE/WBE review.

PAYMENT PERIOD: Tuition payments are authorized for university courses scheduled from January 1, 2014 through June 30, ~~2015~~ 2016.

PROGRAM DESCRIPTION: Payments cover a fraction of tuition for authorized CPS teachers enrolled in courses at participating universities under the ESL/Bilingual Endorsement Initiative. The ESL/Bilingual Endorsement Initiative provides an opportunity for CPS teachers to pursue an ESL or bilingual endorsement so that an increased number of English Language Learners (ELs) in CPS are taught by competent and expert educators who are able to meet the unique needs of these students. Providing an opportunity to earn an ESL or bilingual endorsement is critical to ensuring that all CPS students receive appropriate support and have access to high quality, rigorous education. Equally important, this program is essential for the district to be in compliance with Illinois state and federal laws, rules and regulations. It is ~~DeLCE's~~ OLCE's vision that every EL in CPS is taught by an appropriately certified, endorsed, expert teacher. Offering cohorts of teachers the opportunity to engage in the coursework together, to collaborate, and to learn with and from each other is an important step towards actualizing the vision. National-Louis University is one of the universities that provide the ESL and Bilingual coursework.

PARTICIPANTS: Participants in the ESL/Bilingual Endorsement Initiative coursework will include CPS teachers who possess an IL teaching certificate, have demonstrated leadership skills, and desire to obtain an ESL or Bilingual Endorsement to support ELs in CPS. Participants will be selected through a competitive process; they will commit to an eighteen (18) month sequence of courses to teaching at CPS for at least two years after obtaining their ESL or bilingual endorsement, and to maintaining at least 90% attendance and a grade of B or higher in every course.

In addition, the ESL/Bilingual Endorsement Initiative is aligned to our district goals of ensuring that every child has access to high quality teaching and learning in alignment with the Common Core State Standards. All teachers who enroll in these courses will benefit by having opportunities to become expert in using instructional strategies and providing support to ELs, thus ensuring that they gain access to rigorous content and meet the ambitious new standards.

OUTCOMES: The ESL/Bilingual Endorsement Initiative Coursework program will result in an increased number of educated and properly endorsed teachers of ELs in our district. This creates increased opportunities for students to learn more rigorous content and not only expand the ELS' opportunities to learn English, but will also support the development of bilingualism and biliteracy.

COMPENSATION: Tuition payments to all three (3) universities during the payment period shall not exceed ~~\$364,000~~ \$554,000 total through June 30, ~~2015~~ 2016.

AUTHORIZATION: The Chief Officer of the Office of Language and Cultural Education is authorized to direct payments to be made to the universities as necessary.

AFFIRMATIVE ACTION: Pursuant to Section 5.2.3 of the Remedial Program for Minority and Women Owned Business Enterprise Participation in Goods and Services Contracts, tuition payments to other education institutions are exempt from MBE/WBE review.

LSC REVIEW: Local School Council approval is not applicable to this report.

GENERAL CONDITIONS:

Inspector General-Each party to the agreement shall acknowledge that, in accordance with 105 ILCS 5/34-13.1, the Inspector General of the Board of Education has the authority to conduct certain investigations and that the Inspector General shall have access to all information and personnel necessary to conduct those investigations.
