### **ADOPT NEW POLICY IDENTIFYING SCHOOLS IN GOOD STANDING, REMEDIATION AND PROBATION IN COMPLIANCE WITH STATE LAW**

#### **THE CHIEF EXECUTIVE OFFICER RECOMMENDS:**

That the Board rescind 22-0727-RS1, 23-0426-PO3, 23-0726-PO2, and adopt this new consolidated Policy Identifying Schools in Good Standing, Remediation and Probation in Compliance with State Law. This policy was posted for public comment from September 29, 2023 until November 10, 2023.

105 ILCS 5/34-8.3 requires the CEO to monitor the performance of schools within the district and to identify schools on remediation or probation. This policy sets forth the process through which district-managed schools at Chicago Public Schools (“CPS” or “District”) are identified as such for the purpose of ensuring the Board is in compliance with State law. In 22-0727-RS1, the Board resolved to identify elementary and high schools in Good Standing, Remediation, and Probation for the 2023-2024 school year based on 2022-2023 performance. In 23-0426-PO3, the Board resolved to apply a similar framework to District elementary and high schools.

In 23-0726-PO2, the Board articulated the policy by which accountability statuses would be defined for Specialty High Schools and Detention Center Schools.

In 23-0125-PO2, the Board articulated the policy by which Options schools performance would be evaluated both for contracting purposes (for charter and contract Options schools) and to establish accountability statuses (for District-managed Options schools).

#### **POLICY TEXT:**

##### **I. Accountability Status Determination (Elementary and Traditional High School)**

The Illinois State Board of Education (ISBE) releases annual school summative designations for every school in Illinois in accordance with the federal Every Student Succeeds Act (ESSA). For all years until 2023, ISBE’s ESSA plan designated each school as either Exemplary, Commendable, Targeted, or Comprehensive. Schools designated by the state as Targeted or Comprehensive shall, per federal law, receive supplemental state and federal funds to access additional support to improve in the areas that placed them under these designations. In addition, the CEO or Board has the authority to address performance as outlined in State Law.

In May 2023, the U.S. Department of Education approved ISBE’s revised ESSA plan, necessitating a corresponding revision of District policy. Namely, ISBE added a fifth designation (i.e., Intensive) that will apply to schools who have not improved their performance after a four-year improvement cycle.

Beginning in Fall 2023, the District will report for compliance using state Annual Summative Designations for each CPS school eligible for a designation under State law.

- A. Schools newly established by the Board will remain in Good Standing status until they serve a majority of grade levels and thereafter will receive an updated designation based on state designations once such data becomes available.

- B. All schools designated as “Intensive” by ISBE shall receive a Probation status, which indicates the need for Intensive Support for the duration of the status.
- C. All schools designated as “Comprehensive” for two consecutive years by ISBE shall receive a Probation status, which indicates the need for Intensive Support for the duration of the status.
- D. Schools with a current Probation status that are designated as “Targeted” or “Comprehensive” by ISBE shall retain Probation status, which indicates the need for Intensive Support for the duration of the status.
- E. All schools with no current Probation status and designated as “Targeted” by ISBE shall receive a Remediation status, which indicates the need for Targeted Support for the duration of the status. Remediation status shall also apply to schools with no current Probation status and only one year of “Comprehensive” designation from ISBE.
- F. All schools designated as “Exemplary” or “Commendable” by ISBE shall receive a designation of Good Standing.

The state summative designations are only designed to accurately reflect student performance in traditional elementary and high schools and are not appropriate for Options Schools, Specialty High Schools (i.e., Southside Occupational Academy, Vaughn Occupational, Northside Learning Center, and Graham Training Center), or Detention Center Schools. The criteria for defining accountability statuses for these schools are outlined in the sections below.

## II. Accountability Status Determination (District-Managed Options Schools)

Beginning with the 2024-2025 school year (using data from the 2023-2024 school year), the District will assign school accountability statuses to District-managed Options schools in accordance with Illinois state law using the points system described in Sections II.A and II.B below. The three categories that will be used for district-managed options schools are Good Standing, Remediation, and Probation. Using the weighted total scores, schools will be assigned to these categories as follows:

Summative Score	Accountability Status
≥3.0	Good Standing
2.0-2.9	Remediation/Provisional Support
< 2.0	Probation/Intensive Support

### A. Section II Definitions: Weighting and Weighted Points

Points	For each indicator in the model, schools can earn between 1 and 5 points for reaching progressive benchmarks of performance.
Weighting	Each indicator has a specific weight in the model. Weights may be different based on the number and type of indicators that are available to a particular school, but the sum of the weights for the school will always be 100%.

Weighted Score	The points received for each indicator are multiplied by their weight and then added together. The resulting weighted score will be between 1 and 5. Indicators with larger weights will play a bigger role in determining the school's overall weighted score.
----------------	---

#### Average Student Growth Percentile on STAR Assessment

Definition	Average fall-to-spring, fall-to-winter, or winter-to-spring growth percentile of students on the STAR reading and math assessments.
How it is calculated	For each school, an average student growth percentile will be calculated from available individual growth percentiles from fall-to-spring, fall-to-winter, or winter-to-spring windows.
Included Students	Yearly, students are counted once per subject. For example, if a student has fall-to-spring growth, the student's fall-to-winter and winter-to-spring percentiles are not used.

#### Percent of Students Making Growth Targets on STAR Reading and Math

Definition	Percentage of students with a growth percentile of 40 or higher on the STAR reading and math assessments.
How it is calculated	<b>Numerator:</b> Number of students with a growth percentile of 40 or higher on the STAR assessment. <b>Denominator:</b> Number of students with valid pretest and posttest scores on the STAR assessment.
Included Students	Yearly, students are counted once per subject. For example, if a student has fall-to-spring growth, the student's fall-to-winter and winter-to-spring percentiles are not used.
Notes	This indicator is calculated separately for reading and math.

#### 1-Year Graduation Rate

Definition	Percent of graduation-eligible students who graduate by the end of the school year.
How it is calculated	<b>Numerator:</b> Number of students who graduate at any point during the school year <b>Denominator:</b> Number of students who, at the beginning of the school year or at the time of enrollment, have sufficient credits such that they could graduate by the end of the school year if they took a full course load.
Student Population	<b>Included:</b> graduation-eligible students; students who graduated, including summer graduates. <b>Excluded:</b> Verified transfers are excluded from the calculation.
Notes	The definition of "full course load" will be individualized per the program model. Transcripts must be updated in SIM by a date to be communicated by the Office of Accountability for students to be considered as graduates.

#### Credit Attainment Rate

Definition	The average percentage of students' expected credits that they successfully earn.
How it is	<b>Metric:</b> The average pass rate for included students.

calculated	<b>Pass Rate Numerator:</b> The total credits earned by each student <b>Pass Rate Denominator:</b> The total expected credit attainment for each student
Included Students	This metric is limited to students in grades 9-12.  Students with no expected credits are excluded.
Notes	Each student's total expected credits are based on their enrollment date and duration, as detailed in the <a href="#">Options Credit Attainment Rate Metric Guide</a> (See 'Traditionally Scheduled Schools').  Final grades must be entered within 30 days after the last CPS student attendance day to be included in the calculation. Grade changes submitted past this deadline will not be included in the credit attainment rate. Missing grades or grades entered as slashes will be defaulted to course failures (Fs).  Credits earned during the summer are not included in the calculation of this metric.

### Stabilization Rate

Definition	Percent of stable students who are enrolled at the end of the school year, completed the program, or successfully transitioned to another CPS school.
How it is calculated	<b>Numerator:</b> Number of stable students who enrolled at any time during the year and are enrolled at the end of the year, complete the program, exit the system due to age requirements, or successfully transition to another CPS school. <b>Denominator:</b> Number of stable students enrolled at any time during the year, excluding students with a non-dropout leave code or a verified out-of-district transfer.
Included Students	Stable refers to students who have accumulated at least 45 membership days. Unverified out-of-district transfers whose transfer took place in the last 150 calendar days of the school year are not counted as dropouts in this rate.

Definition	Percentage of the total number of days in which students during the school year were marked present at a school, divided by the total number of days that those students were expected to be in attendance.
How it is calculated	<b>Numerator:</b> The sum of days in which students were marked present. <b>Denominator:</b> The sum of days that students were "in membership" at the school. Students are considered to be in membership if the student is enrolled in the school and school is in session that day.
Included Students	For Option Schools, only one attendance rate will be calculated that will include all students. Students are attributed to each school in which they were enrolled, but only for the days in which they were enrolled in that school.
Notes	This metric uses unadjusted attendance rate, consistent with publicly reported district attendance data.

### Average Daily Attendance Rate Growth in Attendance Rate

Definition	Percent of stable students who show an improvement of at least three percentage points in their individual daily attendance rates at an option school compared to their daily attendance rate in the previous school year.
How it is calculated	<p><b>Numerator:</b> Number of stable students whose current year attendance rate at their school of enrollment is at least three percentage points greater than their average year-end attendance rate during the previous school year, or who have maintained a 90% attendance rate in the current year.</p> <p><b>Denominator:</b> Number of stable students with documented current year attendance.</p>
Included Students	Stable refers to students who have accumulated at least 45 membership days.
Notes	<p>Students without documented attendance from the previous school year who have at least 45 days of membership are assumed to have a 0% prior-year attendance rate.</p> <p>Students with at least 45 days of membership are included in the calculation of the rate even if they subsequently transfer out. The rate calculated for the students will only include membership days accumulated at the option school, though a student may be counted in the rate for more than one option school if they have 45 membership days or more at each. The 45 days required for inclusion do not have to be consecutive.</p> <p>Attendance days in the prior year that are accumulated at correctional facility schools (i.e., Jefferson or York) are not included in the prior year attendance rate for this comparison.</p> <p>For Simpson HS, this comparison is only made if the student was at Simpson in both the prior year and current year.</p> <p>This metric uses unadjusted attendance rate, consistent with publicly reported district attendance data.</p>

## Percentage of Graduates Earning Early College & Career Credentials

Definition	Percent of graduates in the school year who have earned at least one credit from an approved early college course, a 3+ on an AP exam, a 4+ on an IB exam, an approved career credential, or the State Seal of Biliteracy.
How it is calculated	<b>Numerator:</b> Number of students graduating from the school to which they are annualized during their graduation year with one of the credentials listed above <b>Denominator:</b> Number of students who graduated in the school year and whose enrollment was annualized to the school during the school year.
Included Students	Includes all graduates in the most recent year, regardless of their freshman cohort. In the case where a graduate is reactivated and re-graduated, that student is NOT counted in their second graduating class; they are only accounted for in their first graduating class.  Students earning multiple credentials are only counted once in the measure.
Notes	Early college courses and career certifications will need to be pre-approved to count in the indicator. Schools will have the opportunity to view pre-approved courses and certification or apply for approval for additional offerings. All the early college and career credentials a student earns during their high school career count, regardless of which school they attended when they earned it.  Final grades must be entered within 30 days after the last CPS student attendance day to be included in the calculation. Grade changes submitted past this deadline will not be included. Missing grades or grades entered as slashes will be defaulted to course failures (Fs).  JROTC qualifies as a career credential. In order to count positively in a school's metric, a JROTC cadet must complete both semesters of JROTC III and JROTC IV with an average JROTC GPA of 2.0 in these four courses. Any F's that are not retaken will disqualify the student from earning the JROTC career credential.

#### Percentage of Students Completing a Concrete Post Secondary Plan Via Learn.Plan.Succeed

Definition	Percentage of students who have submitted evidence of a concrete postsecondary plan during their senior year.
How it is calculated	<b>Numerator:</b> Number of annualized seniors who provided evidence of a concrete postsecondary plan by the date of current year summer school graduation. <b>Denominator:</b> The number of students who met the following conditions: <ul style="list-style-type: none"> <li>• Annualized to a CPS school</li> <li>• Minimum 45 membership days</li> <li>• Annualized to 12th grade <b>OR</b> Has a leave code of 55 by the end of the most recent summer school session</li> </ul>
Included Students	All seniors annualized to district-managed schools, including early graduates, with the following exceptions: <ul style="list-style-type: none"> <li>• Students that are approved for an LPS waiver are excluded from the metric.</li> <li>• Students with verified out-of-district transfer or non-dropout leave codes are excluded from the metric.</li> <li>• Students who had unverified transfers or dropout leave codes, regardless of the number of membership days, are excluded from the metric.</li> </ul>

	<ul style="list-style-type: none"> <li>Retained for transition students will only be included for the year in which they met graduation requirements.</li> </ul>
Notes	<p>The following are examples of concrete plans:</p> <ul style="list-style-type: none"> <li>2- or 4-year College - Financial Aid Notice or Acceptance Letter</li> <li>Military - Enlistment Contract or Confirmation of Application to Military Branch</li> <li>Apprenticeship Program - Acceptance Letter or Confirmation from Apprenticeship Program Indicating Receipt of Complete Application</li> <li>Job Training Program - Acceptance Letter or Confirmation from Job Training Program Indicating Receipt of Complete Application</li> <li>Work - Offer Letter OR Employer Letter Stating Continuation of Employment OR Confirmation from an Employer Indicating Receipt of Employment Application</li> <li>Service Learning or Gap Year Program - Acceptance Letter or Confirmation Indicating Receipt of Complete Application</li> </ul>

### My Voice, My School 5 Essentials Survey

Definition	Overall rating of the school on the 5 Essentials survey administered in the spring to students and teachers.
How it is calculated	Ratings are calculated by the Consortium on Chicago School Research at the University of Chicago (CCSR). The overall rating of the school is determined using data from all 5 Essentials, or from whatever combination of essentials for which the school has sufficient data. For more information on the 5 Essentials survey, visit <a href="http://ccsr.uchicago.edu/surveys">http://ccsr.uchicago.edu/surveys</a> .
Included Students	Students in grades 6-12 and all teachers are given the opportunity to complete the survey.
Notes	A school must have a 50% response rate to receive a rating. If the school has a 50% response rate among teachers but not students, the school will only have sufficient data for three of the five Essentials. If the school has a 50% response rate among students but not teachers, the school will only have sufficient data for two of the five Essentials and will only be eligible for a rating of "Partially Organized," "Moderately Organized," or "Organized."

### II.B. Options School Accountability Indicators, Standards, and Scoring

The indicators and standards and related points that determine an options school's summative rating are as follows:

### III. Accountability Status Determination (Specialty High Schools and Detention Center Schools)

Beginning with the 2024-2025 school year (using data from the 2023-2024 school year), the District will assign school accountability statuses to District-managed Specialty High Schools and Detention Center Schools in accordance with Illinois state law using the points system described in Sections III.A and III.B below. The three categories that will be used for district-managed Specialty High Schools and Detention Center Schools are Good Standing, Remediation, and Probation. Using the weighted total scores, schools will be assigned to these categories as follows:

Summative Score	Accountability Status
-----------------	-----------------------

≥3.0	Good Standing
2.0-2.9	Remediation/Targeted Support
< 2.0	Probation/Comprehensive Support

### III.A. Definitions:

Accountability Status	Status of the school established by this policy. A school may receive an Accountability Status of “Probation” (denoting the need for Comprehensive Support), “Remediation” (denoting the need for Targeted Support), or “Good Standing”.
Average Daily Attendance Rate	Shall mean the total number of actual student attendance days divided by the number of total student membership days.
Career Credential	Shall mean a credential received for the successful completion of a specific course sequence approved by CPS that qualifies a student/graduate for employment in a specific career. The courses eligible for Career Credential credit under this policy are subject to approval by CPS.
Career Credentialed Status	A designation denoting when a student has engaged in and completed a sufficient number of activities supporting a successful transition to the workplace to be considered ready to engage in a career outside of school.
Credit Attainment Rate	The average percentage of students’ expected credits that they successfully earn. Each student’s total expected credits are based on their enrollment date and duration, as detailed in the <a href="#">Options Credit Attainment Rate Metric Guide</a> (See ‘Traditionally Scheduled Schools’).
Data Quality Index (“DQI”)	The percentage of data quality indicators that measure whether a school has recorded correct, complete, and compliant data in CPS data systems. The DQI score considered under this policy includes the “Attendance”, “Registration and Enrollment”, “Student Contact Information”, and “Student Health” sections of the DQI reported on the CPS Dashboard.
Detention Center School	CPS detention center schools serve students who have been detained in the justice system. These schools include: <ul style="list-style-type: none"> <li>• Jefferson High School <ul style="list-style-type: none"> <li>○ Housed inside of the Juvenile Temporary Detention Center</li> </ul> </li> <li>• York High School <ul style="list-style-type: none"> <li>○ Housed inside the Cook County Department of Corrections</li> </ul> </li> </ul>
Freshman On-Track Rate	The percentage of first-time freshman students who earn five credits in their freshman year and fail no more than one semester core course (English, Mathematics, Science, and Social Science).
Good Standing	An accountability designation assigned to schools where the CEO determines, based on the criteria set out in this policy, that student performance and improvement meets or exceeds district standards.
IEP and Annual Review Compliance	Measures the extent to which student Individual Education Plans (IEPs) are in compliance with state and federal law.

My Voice, My school 5 Essentials Survey	Annual school climate and culture survey administered by the Consortium on Chicago School Research at the University of Chicago to teachers and students, the results of which are aggregated and determine the school's overall foundation rating.
One-Year Dropout Rate	The percentage of students in grades 9 through 12 enrolled in the school at any time between July 1 and June 30 of the school year who drop out at any time during the year. The calculation used in this Accountability Policy will exclude students who had previously dropped out of school during the past two years.
One-Year Graduation Rate	Percentage of students with sufficient credits to be able to graduate within one year who graduate by the end of the school year.
Points	For each indicator in the model, schools can earn between 1 and 5 points for reaching progressive benchmarks of performance.
Probation	An accountability designation assigned to non-performing schools where the CEO determines, utilizing the criteria set out in this policy, that a school requires remedial measures beyond what is otherwise available under Remediation to address the school's performance defined by this policy. This Accountability Rating indicates the need for comprehensive support and in implementing this policy the CEO or designee may also refer to this accountability designation as "Comprehensive Support".
Remediation	An accountability designation assigned to non-performing schools where the CEO determines, utilizing the criteria set out in this policy, that a school requires remedial measures as described in this policy, including increased support, to address performance deficiencies. This accountability rating indicates the need for targeted support and in implementing this policy the CEO or designee may also refer to this accountability designation as "Targeted Support".
Specialty High School	CPS specialty high schools and transition learning centers provide specialized education for high school students with mild to moderate cognitive disabilities. Programs capitalize on student interest and strength while preparing them to become members of the community. <ul style="list-style-type: none"> <li>• Southside Occupational School (Grade 12 until age 22)</li> <li>• Ray Graham Training Center (Grade 12 until age 22)</li> <li>• Vaughn High School (Grade 9 until age 22)</li> <li>• Northside Learning Center (Grade 9 until age 22)</li> </ul>

Student portfolios are intended to support successful transition into subsequent school placements. See the Student Portfolio metric guide for portfolio completion criteria.
Summary of Performance Compliance	The percentage of graduates with a valid summary of performance document, per guidelines from the Office of Diverse Learners Support Services.
Transition Plan Compliance	The percentage of students with a transition plan that meets state requirements.
Weighting	Each indicator has a specific weight in the model. Weights may be different based on the number and type of indicators that are available to a particular school, but the sum of the weights for the school will always be 100%.

Weighted Score	The points received for each indicator are multiplied by their weight and then added together. The resulting weighted score will be between 1 and 5. Indicators with larger weights will play a bigger role in determining the school's overall weighted score.

<b>Policy/Board Rule Being Amended/Created</b>	<b>Policy Manager(s)</b>
<b>79-154-3 Guidelines for Establishing Elementary and High School Student Fees</b>	Khayla Breland

1. Why is this policy/Board rule being amended, created, or rescinded now? (e.g., state legislation, compliance change, policy was out of date, biennial policy review, CEO/CEdO recommendation, etc.)

As part of the new biennial review rule, we are looking into policies that are in need of adjusting. With this policy being out of date since 1979, this policy has been identified as a priority to align with up to date language.

2. Please provide a high level summary of what policy/Board rule changes are being made, or created, and why.

This amendment cleans up language throughout the policy to ensure that wording and fee protections are up to date with current CPS and State standards and protections. It also adds language that ensures students grades, transcripts, and or diplomas are not withheld due to unpaid fees.

3. Please provide any notable feedback from internal or external stakeholders, and how you addressed it or planned to address it in your policy/Board rule draft.

The Policy Unit met with the Principal Advisory Council (PAC) and Independent School Principals (ISP) for engagement of this policy.

4. Please provide any additional notes/considerations in the box below.

**AMEND BOARD REPORT 79-154-3**  
**GUIDELINES FOR ESTABLISHING ELEMENTARY AND HIGH SCHOOL STUDENT FEES**

**THE CHIEF EXECUTIVE OFFICER RECOMMENDS THE FOLLOWING:**

That the Chicago Board of Education adopt the amended Guidelines for Establishing Elementary and High School Student Fees.

**POLICY TEXT:**

**I. Fee Schedule and Notice to Parents**

At the beginning of the school year, each school shall issue a fee schedule containing that of the fees which will be charged by the school during the school year and a brief description of what each fee covers. Only the fees listed in the schedule are to be imposed. This schedule is to be issued to all parents through the students and must be printed in the primary language of the student. Any fees arising after the main fee schedule have been issued are to be approved by the principal and set forth in a supplemental fee schedule issued to the students affected thereby.

If the school charges a "general fee" or "activity fee," the fee schedule should itemize what the school covers.

No fee may be charged for charitable contributions or ID cards. A fee may be charged for replacement ID cards and replacement textbooks.

Before a fee schedule may be issued, the principal or designee is to consult with the local school council ~~and/or PTA~~ regarding the types and amounts of fees to be charged. Copies of the draft fee schedule and a copy of these guidelines should be provided to the local school council ~~and/or PTA~~ at the time they evaluate the proposed schedule. In high schools, principals are to also consult with student representatives in compiling the schedule. The roles of the local school council, ~~PTA~~ and student representatives are advisory in nature.

Each fee schedule shall contain a notice to parents (either on the fee schedule itself or attached to the fee schedule) which shall contain the following information:

1. A statement that the fee schedule was developed in conjunction with the local school council ~~and/or PTA~~, and, if a high school, student representatives.
2. A statement that whenever possible students whose parents cannot afford to pay a fee or fees will not be denied educational activities or services and that if the parent is unable to pay a fee, he or she should contact the principal or designee.

Translations of the notice into other languages may be obtained from the ~~Bureau of Multilingual Education~~ Office of Language and Cultural Education.

**II. No Sanctions are to be Imposed for Inability to Pay Fee(s)**

1. Students are not to be punished for inability to pay a fee, and academic, disciplinary or other sanctions or threats are prohibited.
2. The school should make every effort to assure that students unable to pay fees have the materials necessary to participate in their classes, and parents should be directed to agencies such as the ~~Illinois Department of Public Aid and the School Children's Aid Society~~ Illinois Department of Human Services which may assist them in obtaining the necessary materials
3. For students who are unable to pay fees, substitution of certain equivalent items may be allowed wherever feasible, which are to be specified by the principal. For example:
  - a. Gym clothing. (Substitutes must be suitable and properly laundered)
  - b. ~~Shop clothing.~~ Career Technical Education (Equivalent substitutes or clothing from home may be used except where the required shop clothing is specifically designed for safety and cannot be substituted.)
4. No public high school of a school district shall withhold a student's grades, transcripts, or diploma because of an unpaid balance on the student's school account.

### **III. Instructions to school staff**

All school staff are to be made aware of these guidelines and the school's fee schedule. These are to be reviewed at least annually with all staff. Teachers are to be instructed that only the fees listed in the prepared schedule or supplemental schedule are to be charged and collected.

### **IV. Reporting**

All principals are to annually (by December 1 of each year) submit to their district superintendent a copy of the notice to parents and fee schedule(s) issued.

### **V. Graduation Fees**

Fees for graduation should be established well in advance of graduation day and should cover only those items required for participation in the actual exercise, i.e., cap, gown and auditorium expenses. All other activities connected with graduation shall be priced separately and made optional to the student.

<b>POLICY ON PARENT AND STUDENT RIGHTS OF ACCESS TO AND CONFIDENTIALITY OF STUDENT RECORDS</b>	Brendan Perry

1. Why is this policy/Board rule being amended, created, or rescinded now? (e.g., state legislation, compliance change, policy was out of date, biennial policy review, CEO/CEdO recommendation, etc.)

This policy is being amended to update practices, names, and deadlines to more accurately reflect the School Code as part of the biennial policy review.

2. Please provide a high level summary of what policy/Board rule changes are being made, or created, and why.

We are changing language to be more compliant with the Illinois School Student Records Act ("ISSRA"), and adding definitions that are more inclusive of CPS families.

3. Please provide any notable feedback from internal or external stakeholders, and how you addressed it or planned to address it in your policy/Board rule draft.

The most notable feedback that we received from internal stakeholders is that we have included steps and language that are not articulated in ISSRA. By removing this language, we are creating clarity for families who look to this policy to understand their rights and responsibilities.

4. Please provide any additional notes/considerations in the box below.

## V. **TRAINING AND CURRICULUM RESOURCES**

The Chicago Board of Education is committed to addressing barriers to learning by supporting activities designed to promote health, prevent disease, improve the quality of life for students, and increase health equity across the District. Several CPS offices including the Office of Social and Emotional Learning, the Office of Student Health and Wellness, and the Office of Teaching and Learning coordinate a variety of support services, curricular resources, and school health programs to meet students' social, emotional and physical health needs.

Students in CPS receive foundational learning beginning in Pre-K through the Personal Health and Safety Curriculum provided by the Office of Student Health and Wellness and through the Skills-Based Health Education curriculum provided through the Office of Teaching and Learning. Students receive teen dating violence prevention and healthy relationships education through the CPS Sexual Health Education Curriculum in grades 7 through 12. Additionally, the CPS Skills-Based Health Education Curriculum supports students in developing the knowledge and skills necessary to reduce interpersonal violence through lessons on communication and negotiation to reduce violence and healthy relationships beginning in middle school.

Teen dating violence is unacceptable and prohibited. Each student has a right to a safe learning environment. Teen dating violence is covered in training materials for various audiences, including students. District-wide student education training about teen dating violence in age-appropriate curriculum for grades 7-12 are held on an annual and ongoing basis. Procedures for responding to reports of dating violence, including teen dating violence, are outlined further in the Comprehensive Non-Discrimination, Harassment, Sexual Harassment, Sexual Misconduct and Retaliation Policy and Office of Student Protections and Title IX (OSP) Procedural Manual. Employees of OSP are responsible for receiving reports of dating violence, including teen dating violence. OSP can be reached at Phone: 773- 535-4400 Email: [osp@cps.edu](mailto:osp@cps.edu).

School administrators are strongly encouraged to develop working relationships with their local domestic violence agency, shelter, or rape crisis center. These providers offer support services to students who have experienced dating or domestic violence and can partner with schools to provide violence prevention programs.

Chicago, IL 60611

**OVERSIGHT:** Office of Innovation and Incubation

**PRIOR AGREEMENTS:** The original Charter School Agreement (authorized by Board Report 09-1123-EX19) was for a term commencing July 1, 2010 and ending June 30, 2015, and authorized the operation of a charter school serving no more than 500 students in grades 9 through 12. The charter and Charter School Agreement were subsequently renewed for a term commencing July 1, 2015 and ending June 30, 2020 (authorized by Board Report 15-0527-EX8). The charter and Charter School Agreement were further renewed for a term commencing July 1, 2020 and ending June 30, 2023 (authorized by Board Report 20-0122-EX11).

**CURRENT CHARTER AGREEMENT BY COURT ORDER:** UPA's current charter exists by order of the Circuit Court of Cook County. The Board of Education authorized a Charter for Urban Prep Academies for Young Men - Bronzeville Campus in Board Report 20-0122-EX11 for three years, expiring June 30, 2023. The Board of Education non-renewed the Charter for Urban Prep Academies for Young Men - Bronzeville Campus ("Urban Prep - Bronzeville") in Board Report 22-1026-EX2, the basis of which is set forth at length in Attachment A to that Board Report. UPA appealed the Board of Education's decisions to the Illinois State Board of Education ("ISBE") in accordance with charter law. ISBE appointed an Independent Hearing Officer ("IHO") to review the Board of Education's non-renewal decision with input from both UPA and CPS as well as members of the community in a public hearing. In consideration of the charter agreement and the evidence presented, the IHO recommended denial of UPA's appeal on the basis that UPA was not in

compliance with the School Code or the charter agreement, and further that it was in the best interests of the students to uphold the non-renewal decision. On April 19, 2023, ISBE voted to deny the appeal based on Urban Prep's noncompliance with the School Code and the charter agreement.

UPA then separately sought administrative review of ISBE's decision denying UPA's appeal as well as an action for Declaratory Judgment in the Circuit Court of Cook County, Chancery Division. On July 22, 2023, the Circuit Court of Cook County entered an injunction on UPA's non-renewal, holding that pursuant to 105 ILCS 5/34-18.69, the moratorium on school closures, consolidations, and phase-outs through January of 2025 would apply to the non-renewal of UPA. The court further held that Urban Prep - Bronzeville is allowed to operate under its 2022-2023 charter until the parties agree on a renewal contract, and required that CPS renew the charter for Urban Prep - Bronzeville for at least the 2023-2024 school year by the end of the first semester of the 2023-2024 school year.

**RENEWAL TERM:** In accordance with the Circuit Court of Cook County's Order, the term of Urban Prep - Bronzeville charter and agreement is being extended for a one (1) year term commencing July 1, 2023 and ending June 30, 2024.

**ADDITIONAL TERMS AND CONDITIONS:** The following conditions shall be incorporated into the Charter Agreement between the Board of Education of the City of Chicago and Urban Prep - Bronzeville. Additional Performance Benchmarks may be established by Innovation & Incubation and communicated to Urban Prep Academies in a separate letter.

If, however, the Board of Education's Chief Executive Officer or designee determines that the recommended remedial actions are impractical, imprudent, or impossible, Urban Prep Academies and the Board's Chief Executive Officer shall consult with the investigating authority to implement alternative remedial actions. If the investigating authority makes no remedial recommendations or files criminal charges or an administrative action, Urban Prep Academies' Board of Directors shall immediately consult with the Board of Education's Chief Executive Officer or designee and agree on the appropriate actions to take with respect to the subject(s) of the investigation.
- Urban Prep Academies Board of Directors shall submit to the Board a viable three-year financial plan for fiscal years 2024, 2025 and 2026 which demonstrates its financial sustainability over the three-year period.

At that time, the Board will provide the public with transparent visibility into Urban Prep Academies' current financial statements including forecasted projections that outlay the proposed timeline for repayment.

The charter and Charter School Agreement were then renewed for a term commencing July 1, 2022 and ending June 30, 2023 (authorized by Board Report 22-0223-EX3).

**CURRENT CHARTER AGREEMENT BY COURT ORDER:** UPA's current charter exists by order of the Circuit Court of Cook County. The Board of Education authorized a Charter for Urban Prep Academies for Young Men - Englewood Campus in Board Report 22-0223-EX3 for one year, expiring June 30, 2023. The Board of Education non-renewed the Charter for Urban Prep Academies for Young Men - Englewood Campus ("Urban Prep - Englewood") in Board Report 22-1026-EX3, the basis of which is set forth at length

in Attachment A to that Board Report. UPA appealed the Board of Education's decisions to the Illinois State Board of Education ("ISBE") in accordance with charter law. **RENEWAL TERM:** In accordance with the Circuit Court of Cook County's Order, the term of Urban Prep - Englewood's charter and agreement is being extended for a one (1) year term commencing July 1, 2023 and ending June 30, 2024.

### AMEND CHAPTER 7 BOARD RULES

#### THE CHIEF EXECUTIVE OFFICER RECOMMENDS:

That the Board Amend Chapter 7 Board rules in response to Public Act 103-0008. These Board Rules were posted for public comment from September 29, 2023 until October 30, 2023.

#### Sec. 7-1. Purchasing and Contracting for Supplies, Materials, Work and Services

(a) *Generally.* This Chapter sets forth the rules and procedures for purchasing of supplies, materials and work for the Board of Education of the City of Chicago (the "Board"), including all departments, offices and schools. It is derived from the requirements of the Illinois School Code and other applicable statutes and regulations. It sets forth required competitive and non-competitive purchasing procedures and the required forms of contract with vendors, contractors and suppliers.

(b) *Purchasing Limitations.* No purchases, including purchases made using school internal accounts, shall be made except as provided in these Rules. Only officers or employees expressly authorized by these Rules shall make purchases on behalf of the Board or enter into any contract of purchase, verbal or written, including a purchase order, for any apparatus, equipment, supplies, service, repairs, goods, wares or merchandise of any kind or description, or accept any of them on approval or otherwise. During a fiscal year, no officer or employee of the Board shall expend or contract to be expended any money, or incur any liability, or enter into any contract without an appropriation therefor, or in excess of: (a) the amount appropriated in the budget; (b) the amount authorized in a Board Report; (c) the amount authorized by an Officer pursuant to the exercise of their delegated authority; or (d) the compensation amount stated in the contract.

Except as otherwise provided in these Rules, all purchases for any dollar amount require a Purchase Order obtained consistent with these Rules and applicable law. The Purchase Order must be issued prior to order or receipt of goods or services. Any contract, verbal or written, made in violation of this section is void as to the Board.

#### (c) *Ineligible Vendors, Contractors or Suppliers.*

- (i) No person or business entity shall be awarded a contract if that person or business entity:
  - (1) has been convicted of bribery or attempting to bribe a public officer or employee of the Board, the State of Illinois or any other public entity, in that officer or employee's official capacity;
  - (2) has been convicted of agreement or collusion among bidders or prospective bidders in restraint of freedom of competition by agreement to bid a fixed price or otherwise;
  - (3) has made an admission of guilt of such conduct described above which is a matter of record but has not been prosecuted for such conduct;
  - (4) has engaged in Bid Stringing (as defined in 720 ILCS 5/33E-2(i-5)), which also includes any knowing attempt to divide or plan procurements to avoid the use of competitive procedures;
  - (5) has engaged in Bid Rigging (as defined in 720 ILCS 5/33E-3);
  - (6) has engaged in Bid Rotating (as defined in 720 ILCS 5/33E-4); or
  - (7) has been debarred by consent or involuntarily by the Board or by another public agency.
- (ii) For purposes of this section, where an official, agent or employee of a business entity has committed such conduct described above on behalf of such an entity and pursuant to the direction or authorization of a responsible official thereof, the business entity shall be chargeable

with the conduct. Bid Stringing, Bid Rigging and Bid Rotating are prohibited.

- (iii) Ineligibility under Section 7-1(c)(i)(1) through (6) shall continue for three years following such conviction, admission of guilt or determination that the person has engaged in bid stringing, rigging or rotating.

(d) *Purchasing Guidelines.* The Chief Procurement Officer ("CPO") is authorized to establish procurement guidelines to ensure the effective implementation of the procurement rules contained in this Chapter VII and to address special procurement required by federal or other grants. The Guidelines shall be published on the Board's public facing web-site.

(e) *Goods and Services Not Adaptable to Competitive Procurement Methods.* The CPO shall pre-approve certain categories of goods and services which have been deemed not to be adaptable to competitive procurement procedures, including but not limited to public utility costs, airfare, conference or seminar attendance, advertising, and/or marketing services. Such purchases shall be authorized under this rule without a requisite procurement process.

Each bidder shall receive at least three (3) days' notice of the time and place of the bid opening. If the stated bid opening day falls upon a holiday as established by the Rules of the Board, the time for receipt and opening of bids shall automatically be continued to the next business day at the same hour.

(c) *Other Education-related Procurement Processes Mandated by Statute or Regulation.* Other education-related expenditures subject to statutory or regulatory procurement procedures outside the scope of these Rules shall be made in accordance with those procedures, including, but not limited to engagement of Illinois State Board of Education certified special education providers who are providing specialized services as mandated by the Individuals with Disabilities in Education Act.

(d) *Textbooks and Instructional Materials with Favored Pricing.* Purchases of textbooks and instructional materials are subject to the favored pricing obligations set out in 105 ILCS 5/28-1, et seq., and therefore the procurement rules set out in Section 7-2 or 7-3 shall not apply to such purchases. Suppliers of textbooks and instructional materials shall file a sworn statement annually with the CPO attesting that prices charged to the Board for textbooks and instructional materials are the lowest net prices for such materials as charged elsewhere in Illinois and in the United States. Suppliers charging higher prices in violation of their sworn statements are subject to penalties which include, but are not limited to, rebates for pricing overages. The Chief Education Officer may establish lists of recommended textbooks and instructional materials and provide guidelines for the selection and purchase of textbooks and instructional materials.

(e) *Purchases of Non-Biddable and Biddable Items through the Illinois School Purchasing Network or Government Purchasing Cooperative Contracts.* The CPO is authorized to approve the purchase of Non-biddable Items and Biddable Items through contracts (a) authorized under the Illinois School Purchasing Network in accordance with Article 28A of the Illinois School Code, or (b) procured from another governmental agency and offered by or through a government purchasing cooperative in which the contracts were entered into in accordance with the purchasing laws and regulations of the procuring government entity. Any expenditure over \$500,000 per year further requires Board approval. For all such purchases, the CPO and the General Counsel shall also identify the method of purchase and contract requirements pertinent to the transaction. The contract between the Board and the Illinois School Purchasing Network, the government purchasing cooperative or their authorized vendor is subject to the review and approval of the General Counsel.

#### **7-5. Emergency Expenditures.**

(a) An emergency shall be determined when, in the judgment of the CPO:

(i) it is necessary to make repairs and alterations, and purchase equipment, services or supplies (collectively, "Emergency Expenditures");

(ii) The Emergency Expenditures are necessary as a result of circumstances which call for immediate action (the "Conditions Precedent"); and,

(iii) the Conditions Precedent are a result of fire, accident, threat to the health, safety, security of individuals or other conditions, and such action is necessary to prevent material loss or damage to property, bodily injury or loss of life of the occupants of the Board's buildings and third parties who may be present in its buildings or on its premises, to prevent interference with school sessions or to protect the health, safety, security or well-being of students, staff or third parties ("Emergency Condition(s)").

(b) In order to obtain approval of an Emergency Expenditure, the following steps must be taken:

- (v) have the Emergency Request Form signed by the CPO.

(c) If an Emergency Condition occurs after business hours, on a weekend, on a holiday or at any other time when the appropriate chief officer and the CPO cannot be contacted, each other appropriate Chief Officer of the Board, or their respective designee, has the authority to take the necessary action at their own discretion. The foregoing authority is limited to the minimum expenditure of funds necessary to stabilize an Emergency Condition and protect persons and property from further harm. After the Emergency Request Form has been completed, the CPO shall prepare a Board Report and obtain approval of the Emergency Expenditure by a  $\frac{3}{4}$  vote of the Board.

#### **Sec. 7-6. Single and Sole Source Contracts and Purchases.**

(a) *Single and Sole Source Committee.* The CPO shall form and maintain a sole and single source purchasing committee consisting of representatives from multiple departments (a "Single/Sole Source Committee") to review and advise the CPO on whether requests to make non-biddable contracts in excess of ~~\$25,000~~ \$35,000 per year from a sole source or single source meet the criteria for single or sole source purchases. The General Counsel or designee shall advise the Committee. Sole source or single source agreements described in subsection (d) of this Rule do not require review by Single/Sole Source Committee.

(b) *CPO Authority.* Sole and Single Source Contracts determined to meet the criteria for a sole or single source contract may be approved by the CPO in amounts up to \$500,000 per year or by the Board in amounts in excess of \$500,000 per year, provided that the following process has been followed:

- (i) The Single/Sole Source Committee has determined by a majority vote of its members conducted by secret ballot that the requested contract or purchase meets the criteria for a sole or single source purchase or contract;
- (ii) The CPO determines that the requested contract meets the criteria for a sole or single source purchase or contract;
- (iii) A notice of an intent to enter a sole or single source contract or purchase has been posted on the Board's public-facing website for a period of at least three (3) calendar weeks prior to approval; and,
- (iv) No vendor or supplier has presented a valid claim, as determined by the Single/Sole Source Committee, that it has provided a similar scope of services, work, supplies or materials in the past and has the capacity to do so now. If a valid claim has been submitted, as determined by the Single/Sole Source Committee, then the CPO shall require that the competitive process commence to award the contract for the work.

(c) *Criteria for Awarding a Sole or Single Source Contract.* A sole or single source contract or purchase may be approved by the CPO after the Single/Sole Source Committee determines that it meets one or more of the following criteria:

- (i) The contractor, supplier or vendor has unique qualifications or expertise that match the

Board's needs;

(ii) Only one (1) contractor, supplier or vendor within the geographic area can meet the unique needs of the Board given nature of the services and/or goods and merchandise;

(iii) The use of the contractor(s), supplier(s) or vendor(s) is required by the US Department of Education, the Illinois State Board of Education, or other federal, state or local governmental agency to provide services under a grant or educational service program administered by the governmental agency, including e.g., payments of proportionate share federal education funds for the purchase of goods and services for private school students under various federal title programs, etc.;

(iv) The use of the contractor(s), supplier(s) or vendor(s) is required by a grantor in order for the Board to successfully meet the terms of the grant;

Sole or single source purchases described in subsections (d) (i) (ii) or (iii) in excess of \$500,000 require Board approval.

**Sec. 7-8. Deposits, Bid Bonds, Performance and Payment Bonds.**

(a) When a bid deposit shall be required, whether by law or at the discretion of the CPO, it shall be so stated in the solicitation of bids, and the deposit shall be in a reasonable amount but not in excess of 5% of the total bid amount proposed. The bid deposit, when required, may be in the form of a money order or certified check drawn upon a banking institution in good standing and made payable to the order of the Board, a specific bond or a letter of credit. In lieu of submitting the bid deposit as herein above provided, a bidder may file with the Board an annual bid bond, the amount of which shall be determined by the CPO; provided,

however, an annual bid bond shall not be accepted on bids for construction work, alterations, repairs to buildings and grounds, and student transportation matters. Such annual bid bond shall in no case be less than \$10,000 and shall cover all bids submitted by such bidder during the period of the bond. (b) All bid deposits accompanying a bid solicitation, except that of the successful bidder, shall be refunded or returned after the successful bidder has been determined and a contract has been awarded by the Board. The bid deposit of the successful bidder shall be returned after the full execution of the contract and the tendering of any payment and/or performance bond required under the contract. In case of a failure or refusal on the part of the selected bidder to execute a contract and tender a payment and/or performance bond,

if required, within a reasonable period of time as determined by the CPO, the deposit of the selected bidder so failing or refusing may be forfeited and retained by the Board as liquidated damages and not as a penalty or, when a bid bond has been furnished in lieu of a deposit, the Board may take action on the bond.

(c) A payment and performance bond shall be required for all building construction and building and grounds repair work, and student transportation matters. A payment and performance bond may also be required on any other purchases or contracts when specified by the CPO. When a payment and performance bond is required, it shall be stated in the solicitation of bids and requests for proposals and/or qualifications, and the bonds required shall be in an amount sufficient to ensure the fulfillment of the contract of the successful bidder/proposer. Such bonds shall be signed by a responsible surety company licensed to do business in the State of Illinois.

#### **Sec. 7-11. Strategic Sourcing.**

The CPO or designee shall prepare and make available to local schools, administrative offices and central office departments a list of strategic source vendors offering goods and services. Schools, administrative offices and central office departments requesting to use a vendor other than a strategic sourcing vendor must (a) provide information regarding the proposed purchase such as the quality of the goods and/or services and pricing and (b) obtain prior written approval from the CPO or designee to purchase from the non-strategic sourcing vendor.

In the case of abstention by the President and the absence, disability or abstention of the Vice President, the Board-approved contract or lease may be executed by any member of the Board. ### AMEND BOARD RULE 4-3 ON A FINAL BASIS

#### THE CHIEF EXECUTIVE OFFICER RECOMMENDS:

That the Board amend Board Rule 4-3 as set forth below and determine any permanent changes after the period for public comment expires. The rule was posted for public comment from September 29, 2023 until October 30, 2023.

#### Sec. 4-3. Categories of Board Employees

Board employees shall be categorized as Teachers, Principals, Assistant Principals, Certificated Administrators, Educational Support Personnel, or Part-time/Seasonal Employees, as defined below. The Chief Executive Officer or his/her designee may create additional categories of employees, as he/she deems necessary. The Chief Executive Officer or his/her designee may create a classification system and job titles within employee categories for purposes of assignment, pay and benefits.

a. *Teachers.* Teachers are employees with teaching certificates issued by the Illinois State Teacher Certification Board, who are hired to perform instructional or related administrative services. Teachers shall be further categorized as follows:

1. *Appointed Teachers.* Appointed teachers are full-time teachers who are hired and assigned to vacant teaching positions. Appointed teachers shall be further classified as either tenured or probationary, as follows:

a. *Tenured Teachers.* Tenured teachers are either: 1) teachers who have been appointed to a teacher position, completed the statutory probationary period of continuous service as an appointed teacher necessary to attain tenure, and have not had a break in service or, 2) appointed teachers who lost their tenure but who meet the requirements to be reappointed with tenure set forth in subparagraph (a) (1) (a) (ii) of this Rule. For purposes of this Rule, a "teacher position" includes classroom teacher positions, city-wide teachers, lead teachers, librarians, guidance specialists, counselors, social workers, speech pathologists, school-based nurses, and psychologists. The Board may dismiss tenured teachers from Board employment only for just cause, in accordance with the Illinois School Code, and the Chief Executive Officer or his/her designee may lay off or otherwise remove tenured teachers from their positions in accordance with the Board's Rules and Policies.

i. *Loss of tenure.* A tenured teacher's right to contractual continued service or tenure is lost upon the occurrence of any of the following:

1. the tenured teacher's dismissal for cause;
2. the tenured teacher's resignation from his/her teacher position, which includes the tenured teacher's voluntary transfer from his/her teacher position to an educational support personnel employee, a certificated administrator, an assistant principal or an interim or contract principal position; and,
3. the tenured teacher's honorable dismissal from his/her teacher position.

ii. *Reappointment with Tenure.* Formerly tenured teachers who lost tenure under subparagraph (a)(1)(a)(i)(2) or (a)(1)(a)(i)(3) of this Rule shall be granted tenure upon reappointment to a teacher position under the following circumstances:

1. when the former tenured teacher is reappointed to a teacher position within one (1) calendar year from the effective date of his/her resignation;
2. when the former tenured teacher lost tenure by accepting a position as an educational support personnel, a certificated administrator, an assistant principal or an interim or contract principal and he/she is reappointed to a teacher position without a break in service to the Board of Education; and,
3. when the former tenured teacher is reappointed to a teacher position within two (2) calendar years of his/her honorable dismissal. Nothing in this Section shall be construed to guarantee reappointment to a teacher position or to alter the status of employees, including formerly tenured teachers, employed as an educational support personnel employee, a certificated administrator, an assistant principal or an interim or contract principal.

b. *Probationary Appointed Teachers.* Probationary appointed teachers are either: (1) newly appointed teachers who have not completed the statutory probationary period of continuous service necessary to attain tenure; or, (2) formerly tenured teachers who have had a break in service, been reappointed and have not completed the statutory probationary period of continuous service necessary to attain tenure since their reappointment. Probationary appointed teachers are appointed on an annual basis and their continued employment is conditioned on the Chief Executive Officer's recommendation to reappoint them each year in accordance with Board Rules. Probationary appointed teachers may be dismissed from Board employment, or may be laid off or not reappointed in accordance with the Illinois School Code and Board Rules and Policies. Probationary appointed teachers become tenured teachers after serving the statutory period of continuous service necessary to attain tenure in accordance with collective bargaining agreements.

2. *Temporarily Assigned Teachers.* Temporarily assigned teachers are certified teachers who are not appointed to a full-time, permanent position, but are employed on a temporary, provisional or conditional basis, as follows:

- a. Regularly certified teachers assigned to fill a full-time teaching position, which is encumbered by an appointed teacher, but which has become temporarily vacant as a result of a leave taken by the appointed teacher; or
- b. Teachers with provisional or conditional teaching certificates who are assigned to fill a full-time, vacant teaching position pending receipt of full teaching certification.

3. *Substitute Teachers.* Substitute teachers are teachers who are not appointed but are, at a minimum, certified by the Illinois State Board of Education to substitute teach and serve on a temporary basis, as follows:

- a. *Day-to-Day Substitute Teachers.* Day-to-day substitute teachers are employed on a day-to-day basis to fill temporary, day-to-day vacancies, as needed, with no guarantee of daily assignments. Day-to-day substitute teachers may not be assigned to fill the same position on a day-to-day basis for more than twenty (20) consecutive student attendance days. Day-to-day

substitutes may be classified as regular day-to-day substitutes or provisional day-to-day substitutes, based upon their type of certification.

b. **CADRE Substitute Teachers.** CADRE substitute teachers are employed on a full-time and year-to-year basis. They are entitled to receive daily assignments for each student attendance day throughout a school year in which they are employed. CADRE substitutes may only be assigned to fill the same position for up to twenty (20) consecutive student attendance days. The employment of a CADRE substitute teacher terminates at the end of each school year and must be renewed by assignment annually, except that the employment of a CADRE substitute teacher who: 1) is a displaced temporarily assigned teacher due to a position closing; and 2) has been a CADRE substitute teacher for less than twelve (12) continuous months since his/her displacement as a temporarily assigned teacher will terminate at the end of the school year following twelve (12) continuous calendar months from his/her assignment as a CADRE substitute teacher.

c. For the 2023-2024 school year, to support the staffing and class coverage needs connected to expanded parental leave rights, the priority will be to fill positions available with a licensed teacher. However, in the absence of an available teacher, substitute teachers described in 4-3(a)(3)(a) and 4-3(a)(3)(b) who work 5 days-per-week may be assigned to fill the same vacant position for more than twenty (20) consecutive student attendance days. If so assigned, the substitute teacher will be paid at the same rate as a temporary assigned teacher on day 21 and shall be so notified in writing. Those assigned as described in this section shall be displaced once an endorsed candidate is hired for the temporary assigned teacher vacancy.

4. **Half-Time Teachers.** Half-time teachers are regularly certified to teach by the Illinois State Board of Education, and are employed on a half-time basis.

b. **Principals.** Principals are full-time employees with administrative certificates/licenses issued by the Illinois State Board of Education who are hired to act as the instructional and administrative leader of one or more student attendance centers. Principals are classified as follows:

1. **Contract Principals.** A contract principal is appointed from an eligibility list maintained by the Board. A contract principal shall be hired under a contract with a duration of four (4) years, which shall be terminable for various causes, including removal of the contract principal under section 5/34-8.3 of the Illinois School Code. A contract principal has the powers and authority of a principal provided in the Illinois School Code. A contract principal may be removed and replaced and/or dismissed from employment and his/her contract terminated, as provided by the principal's contract and/or Board Rules and Policies, and the Illinois School Code.

2. **Interim Principals.** An interim principal is a temporary principal whom the Chief Executive Officer or his/her designee may assign to a student attendance center for either up to one (1) year or until a student attendance center's Local School Council selects a contract principal, whichever comes first; or, in the case of a student attendance center on probation, where the Local School Council does not possess the authority to select a contract principal, for an indeterminate period until the student attendance center is removed from probation status under the Board's policy on probationary schools, or in the case of a newly established school, for an indeterminate period until the school has a duly constituted Local School Council or an Appointed Local School Council. An interim principal may exercise all of the powers and authority of a contract principal. The Chief Executive Officer or his/her designee may remove an interim principal at his/her discretion.

3. *Acting Principals.* An acting principal is a temporary principal who does not have a contract and is assigned to a student attendance center by the Chief Executive Officer or his/her designee for a period of up to one hundred (100) school days to fill a temporary vacancy in a student attendance center's principalship. Where a tenured teacher is made acting principal, the tenured teacher shall be returned to his/her former position upon removal from the acting principalship. An acting principal may not dismiss or seek the dismissal of an assistant principal, teacher or any educational support personnel employee assigned to the school to which they are appointed without the prior approval of the Chief Executive Officer or his/her designee. The Chief Executive Officer or his/her designee may remove an acting principal at his/her discretion.

c. *Assistant Principals.* Assistant principals are full-time employees with administrative certificates/licenses issued by the Illinois State Board of Education who are recommended for hire by a contract principal, interim principal or, where there is no contract or interim principal, assigned by the Chief Executive Officer or his/her designee, to assist contract, interim or acting principals in the performance of their duties as the instructional and administrative leader of a student attendance center. Assistant principals may be assigned direct instructional responsibilities. Assistant principals may be displaced (i) annually at the end of a fiscal year, (ii) at the expiration of the principal's contract, (iii) upon the resignation or retirement of the contract principal, (iv) upon the removal or dismissal of the contract principal, or (v) upon the termination of the interim principal's assignment to the attendance center. The displacement notice and benefits afforded to assistant principals shall be established by the Chief Executive Officer or his/her designee. Assistant principals may further be dismissed at any time pursuant to Board Rules or Policies. The Chief Executive Officer or his/her designee shall establish transition rules for former quota assistant principals.

d. *Certificated Administrators.* Certificated administrators are full-time employees who hold administrative certificates/licenses issued by the Illinois State Board of Education, other than principals and assistant principals, who are assigned to administrative positions without direct instructional duties. Certificated administrators are "members of the teaching force" for purposes of the Illinois Pension Code. Certificated administrators are employed at-will.

e. *Educational Support Personnel or Paraprofessional and School-Related Personnel.* Educational support personnel or paraprofessional and school-related personnel are full or part-time employees who are not required to have teaching or administrative certificates/licenses issued by the Illinois State Board of Education to perform the duties of their position. Educational support personnel and paraprofessional and school-related personnel are employed at-will, unless the Board has entered into a specific agreement granting a particular class of educational support personnel a property interest in their employment by the Board.

f. *Part-Time/Seasonal Employees.* Part-Time/Seasonal Employees are employed at will on a seasonal, casual, short-term and/or temporary basis and are ineligible for employee benefits, including but not limited to paid sick, personal and vacation benefit days and any Board-sponsored employee health, dental, life or other benefit program. Part-Time/Seasonal Employees shall not work more than twelve hundred (1200) hours in a calendar year. Part-Time/Seasonal Employees shall be members of the Municipal Employees', Officers' and Officials' Annuity and Benefit Fund of Chicago except for the following groups of Part-Time/Seasonal Employees:

1. Individuals employed for less than seven hundred (700) hours in any calendar year, if paid on an hourly basis; or
2. Individuals employed for less than four (4) months, if paid on monthly basis; or

3. Individuals employed for less than one hundred (100) days, if paid on daily basis; or
4. Individuals employed by another unit of local government and, in connection with that employment, are participating in or receiving an annuity from one of the following City of Chicago municipal pension funds: the Municipal Employees' Officers' and Officials' Annuity and Benefit Fund of Chicago, and the Laborers' and Retirement Board Employees' Annuity and Benefit Fund of the City of Chicago, Policemen's Annuity and Benefit Fund of the City of Chicago, Firemen's Annuity and Benefit Fund of the City of Chicago; or,
5. Individuals receiving a pension or annuity, other than widow's or child's annuity, from the Chicago Teachers Pension Fund, who are employed in a capacity for which the Board requires certification from the Illinois State Board of Education.

In accordance with P.A. 97-0912, the Board shall not re-employ an individual receiving a pension or annuity from the Chicago Teachers Pension Fund as a teacher (as defined the Illinois Pension Code) on a temporary and non-annual basis or on an hourly basis unless the person: (1) does not work as a teacher for compensation on more than 100 days in a school year, and (2) does not accept gross compensation for the re-employment in a school year in excess of (i) \$30,000, or (ii) in the case of a person who retires with at least 5 years of service as a principal, an amount that is equal to the daily rate normally paid to retired principals multiplied by 100. Effective October 1, 2007, the Board shall not employ a retired Board employee who is drawing an annuity from the Municipal Employees' Officers' and Officials' Annuity and Benefit Fund of Chicago as an employee in the category of part-time/seasonal employees.

## **AMEND BOARD RULE 4-4 EMPLOYEE REQUIREMENTS**

### **THE CHIEF EXECUTIVE OFFICER RECOMMENDS:**

That the Board of Education adopt the amendments to Board Rule 4-4, Employee Requirements, regarding employee non-fraternization.

### **POLICY TEXT:**

Board employees must conduct themselves in a manner that is consistent with the Board's status as a publicly financed primary and secondary educational institution, and with the Board's mission to provide a high quality public education to the children of the City of Chicago. Accordingly, all applicants for employment and employees shall be subject to the following requirements:

a. *Residency.* All employees must comply with the Board's Residency Policy. Employees hired by the Board shall be advised in writing of the Residency Policy's requirements, including application procedures for waivers of the policy for teachers in special needs positions. Employees' continued employment shall be subject to compliance with the policy. Employees who violate the Residency Policy shall be subject to discipline or dismissal.

b. *Background Investigations.* As a condition of hiring and continuing to employ all employees, the Board shall conduct a fingerprint or other criminal history verification, as well as a check for substantiated reports of child abuse or neglect, with appropriate authorities, in accordance with the provisions of the Illinois School Code. To ensure that the Board does not employ and is not knowingly employing a person who has committed the crimes and offenses enumerated in 105 ILCS 5/21-23a or 105 ILCS 5/34-18.5, the Chief Executive Officer or his/her designee shall establish procedures and guidelines for conducting criminal and child-abuse-and neglect-background investigations for: (1) applicants prior to hire; (2) employed teachers at the time of their teacher certificate or educator-license renewal or at some other periodic interval that is administratively convenient; (3) all other employees at regular periodic intervals that are administratively convenient; and (4) any employee or group of employees at the direction of the Chief Executive Officer or his/her designee. Any applicant or employee whose criminal background or adjudication for child physical or sexual abuse in juvenile court child-protection proceedings excludes him/her from Board employment under the Illinois School Code shall not be hired or, if employed, shall be dismissed. Regardless of whether an applicant or employee's criminal or child-abuse-and-neglect history excludes him/her from employment under the Illinois School Code, the Chief Executive Officer or his/her designee shall consider that history, and whether the applicant or employee has made a full disclosure of that history, in determining whether to hire an applicant or whether to dismiss an employee.

c. *Convictions After Employment.* An employee who is convicted of a felony or *any* crime involving the consumption, possession, sale, distribution or manufacture of any controlled substance, as defined in 21 U.S.C. §812, 720 ILCS 570/102 or under the Cannabis Control Act, 720 ILCS 550/1 *et seq.*, or any drug that is legally obtainable but has not been legally obtained, or that is not being used for prescribed purposes or taken according to prescribed dosages must notify the Chief Executive Officer or his/her designee, by letter via certified mail, of the date, factual basis and nature of the conviction, as well as the name and location of the court in which the conviction occurred. Failure to report any conviction, as required by this Rule, in writing within five (5) days of the conviction shall constitute cause for discipline or dismissal from employment. Compliance with this Rule shall not exempt the employee from discipline or dismissal because of the conviction. Additional requirements and procedures may be set forth in the Board's Drug and Alcohol Free Workplace Policy.

d. *Certification/Licenses.* No applicant for employment or promotion to a position that requires certification and/or licensure under the Illinois School Code, or any other law or Board policy, may be hired until he or she has presented proof of proper certification or licensing by the appropriate authority. If an employee's

certificate or license lapses, or is invalid, suspended or revoked, the employee shall be subject to layoff and/or discipline or dismissal.

e. *Fitness for Duty Examinations.* All applicants for employment and employees may be required, as a condition of hire or continued employment, to submit to a post-offer or post-employment fitness for duty examination by an appropriate healthcare professional to demonstrate that they can perform the essential functions of their position and are fit for duty.

f. *Ethics Policy.* All employees and applicants for employment shall comply with the Board's Ethics Policy. Employees who violate the Board's Ethics Policy shall be subject to discipline and dismissal.

g. *Failure to Pay Municipal Debts.* The Chief Executive Officer or his/her designee may require that applicants for employment verify that they have paid all debts due and owing to the City of Chicago as a condition of employment. The failure by any Board employee to pay a debt due and owing to the City of Chicago shall be cause for discipline or dismissal. For purposes of this Rule, "a debt due and owing" means a specified sum of money owed to the City for city services, work or goods after the period granted for payment has expired and/or a specified sum of money owed to the City pursuant to a court or administrative order after the exhaustion of or failure to exhaust judicial review. Upon request of the City Comptroller, the Board may withhold wages to pay municipal debts in accordance with the provisions of the Illinois School Code and state law.

h. *Drug and Alcohol Free Workplace.* Board workplaces shall be drug and alcohol free. Accordingly, employees shall not unlawfully manufacture, distribute, possess, consume, use, or be under the influence of drugs or alcohol on Board property or premises or at any site of Board-sponsored activities. For purposes of this Rule, the term "drugs" means any controlled substance, as defined in 21 U.S.C. §812 and 720 ILCS 570/102, or any drug that is legally obtainable but has not been legally obtained, or that is not being used for prescribed purposes or taken according to prescribed dosages. The Board and/or the Chief Executive Officer or his/her designee shall establish policies and procedures to comply with federal and state Drug Free Workplace Acts and Drug Free Schools and Communities Acts. Additional requirements may be set forth in the Board Drug and Alcohol Free Workplace Policy. The Board and/or the Chief Executive Officer or his/her designee may establish additional policies and procedures for drug and alcohol testing for applicants prior to their hire, or for employees, post-hire. Such policies and procedures shall be consistent with applicable law. Applicants for employment, who violate this Rule, or Board Policies and procedures, shall be excluded from consideration for employment. Employees who violate this Rule shall be dismissed from employment.

i. *Respectful, Violence Free Workplace and Learning Environment.* It is the Board's policy that its facilities and workplaces shall be free of violence and that students, employees and visitors to its facilities conduct themselves in a manner that is respectful to others. Accordingly, employees shall not engage in any acts that are inconsistent with a respectful working and learning environment and shall not engage in any acts of violence at the workplace, or engage in any acts of violence outside of Board workplaces that have a nexus to their Board employment. For purposes of this Rule, acts of violence include use of physical force, when it is not reasonably necessary to protect persons or property from imminent harm, and acts of intimidation including, but not limited to, threats of physical force.

j. *Authorization to Work in the United States.* All employees must be legally present in the United States and possess legal authorization for employment in the United States.

k. *Compliance with Laws and Board Policies and Rules Prohibiting Discrimination.* All employees must comply with laws and Board Policies and Rules prohibiting discrimination, including laws and policies prohibiting sexual harassment.

l. *Statement Concerning Employment in a Job Not Covered by Social Security.* All employees who are employed in positions that are not covered by Social Security shall receive a "Statement Concerning Your Employment in a Job Not covered by Social Security" at the time of their hire.

m. *Obligation to Cooperate in Inspector General Investigations and to Answer Inspector General's Questions.* All employees are obligated to cooperate with the Board's Inspector General in investigations or inquiries conducted by the Inspector General as required by 105 ILCS 5/34-13.1. Employees who are interviewed by the Inspector General or his/her authorized agents and who are given a notice of administrative rights by the Inspector General or his/her agents are directed by the Board of Education to answer all questions by the Inspector General. Employees who receive a notice of administrative rights from the Inspector General or his authorized agents may not refuse to answer questions based upon the assertion of that employee's privilege against self-incrimination. Any employee who refuses to answer questions by the Inspector General or his authorized agents after receiving a notice of administrative rights shall be considered flagrantly insubordinate and to have grossly disrupted the educational process. In addition to the penalties set forth in 105 ILCS 5/34-13.1, any employee who refuses to answer the questions of the Inspector General or his authorized agent after receipt of a notice of administrative rights shall be subject to dismissal from Board employment.

n. *Employees' Duty to Maintain Confidential Records.* All employees must comply with all laws, rules and regulations, including Board Rules and Policies, governing confidentiality of student, employee and family records and information, including but not limited to, the Family Educational Rights and Privacy Act, the Illinois School Student Records Act, the Americans with Disabilities Act, the Illinois Human Rights Act and the Health Insurance Portability and Accountability Act. The Board or the Chief Executive Officer or designee shall establish standards and guidelines concerning student, employee and vendor access to and maintenance and destruction of confidential records and information. For purposes of this Rule, "records and information" include documents, audio-visual recordings, and data stored and accessed electronically.

o. *Other Requirements for Pre-Employment, Employment, Association or Affiliation.* The Board or the Chief Executive Officer or the Chief Executive Officer's designee may establish other hiring, employment, affiliation and association criteria and eligibility requirements that are consistent with the position occupied or applied for, the Board's Rules and Policies, public policy and local, state and federal law.

p. Non-Fraternization. No employee shall engage in or maintain a romantic or sexual relationship with another employee whom they manage or supervise. Additionally, no employee shall engage in or maintain a romantic or sexual relationship with another employee if they have some control or influence over the other employee's management, supervision, evaluation, and/or compensation. If employees are involved or become involved in such a relationship, one or both employees must, as soon as possible, disclose the relationship to the Chief Talent Officer or designee. One or both employees must also, as soon as possible, find other employment or resign so that the supervisory relationship no longer exists. Romantic or sexual relationships between Board employees where there is no managerial or supervisory affiliation are specifically excluded from this Rule. Employees engaged in fraternization (as described above) will be deemed "Relatives" under the Code of Ethics, and the Nepotism provisions will apply. Employees who violate this Rule will be disciplined up to and including termination from employment.
