Agenda

- **Fall Opening** - Shannon Heston
- **School Opening Dashboard** - Clarence Carson
- **Virtual Academy** - Wayne Bevis
- **COVID-19 Vaccination** - Kenneth Fox, MD
- **Back 2 School Communications, Events, and Marketing** - Adrian Segura
- **Student Re-Engagement** - Erin Galfer
With health and safety protocols in place, this is what a safe day at school will look like for students.

- **Universal Masking:** All students and staff will be required to wear masks indoors at all times, regardless of vaccination status, except for when eating or drinking.

- **Social Distancing:** Schools will ensure that three feet of social distancing is maintained whenever possible in the classrooms and at all times during meals.

- **Screening Testing:** At current levels of transmission, the district is committed to offering weekly COVID-19 testing to 100 percent of asymptomatic students and staff who provide written consent to monitor and measure COVID-19 prevalence in our schools.

- **Health Screeners:** Reminders and posters will be shared to prompt parents to conduct health screening at home before sending children to school.
With health and safety protocols in place, this is what a safe day at school will look like for students.

- **Out-of-School Time (OST) and Sports:** OST programs and sports will be available for the upcoming school year. Student athletes in grades 5-12 will be required to either submit proof of their COVID-19 vaccination (if they are eligible) or participate in weekly COVID-19 testing during their sports season.

- **Instruction During Quarantine:** Per the Illinois State Board of Education, remote instruction will be made available for students while they are under quarantine.

- **Virtual Academy:** Applications for the district’s fully remote Virtual Academy are still being reviewed for students who qualify as medically fragile, and had delayed access to medical care and gave notification prior to August 6th, are new to the district, or have new diagnoses.
Agenda

- **Fall Opening** - Shannon Heston
- **School Opening Dashboard** - Clarence Carson
- **Virtual Academy** - Wayne Bevis
- **COVID-19 Vaccination** - Kenneth Fox, MD
- **Back 2 School Communications, Events, and Marketing** - Adrian Segura
- **Student Re-Engagement** - Erin Galfer
Air Quality and Cleaning

Every school has resources to clean and disinfect classrooms and other areas, experience healthy indoor air quality, and to provide reminders about the proper health protocols. These resources include:

- **HEPA Air Purifiers:** Each occupied classroom has a HEPA air purifier that will remove 99.99 percent of airborne mold, bacteria, and viruses.

- **Disinfectant Sprayers, Wipes, and Hand Sanitizer:** Every school has been supplied a hospital-grade mister spray unit that evenly applies EPA-approved disinfectant. Hand sanitizer remains in place in all high-traffic areas, and disinfectant wipes are also available to clean classrooms, offices, and other high-touch areas.

- **Sneeze Guards and Signage:** All schools will continue to have sneeze guards and other physical barriers in place to protect staff when visitors arrive, and signage are posted throughout school facilities to emphasize health and safety policies and procedures.

- **Additional Custodians:** In accordance with our Enhanced Cleaning & Disinfection Program, the district is maintaining the 400 custodial positions that were added last year to address high-touch point areas and augmented cleaning routines.
School Opening Dashboard

- Completion of school cleaning and delivery of student masks are in progress and will be 100% complete prior to August 30th.
Agenda

- **Fall Opening** - Shannon Heston
- **School Opening Dashboard** - Clarence Carson
- **Virtual Academy** - Wayne Bevis
- **COVID-19 Vaccination** - Kenneth Fox, MD

Fall Opening | Virtual Academy

Mission: The Virtual Academy provides students individualized attention in a safe, supportive, and cooperative learning environment that celebrates each student’s diversity and unique educational needs. Our dedicated staff will partner with parents and families to ensure that all students reach their full, unique potential.

Virtual Academy Applications Status 8.23.21

<table>

<td>34</td>
</tr>
</tbody>
</table>

*This is a tentative number due to the high number of duplicate applications received that will be identified during the review process.

- There has been outreach to all 4,265 students who we have on record as meeting the qualifications for the Virtual Academy, based on previous medical documentation.
- 100 accepted families attended the first welcome night on 8/16! A second welcome night was held on 8/23.
- All applications received before 8/6 have been reviewed and families have been notified of the status. Applications received from 8/6-8/20 will be reviewed by date received if students:
  - are new to the district
  - have a new medical diagnosis
  - notified prior to 8/6 of a delay in medical access

Back 2 School Marketing

PURPOSE
● Re-engage students who have become disconnected from our school communities in efforts to drive day one attendance

ACTIVITIES
● Citywide Radio, CTA, Billboard, Paid Social Ads
  ○ Collateral (Flyer, Poster, Yard Sign, Pledge Stickers, Door Hangers) Distribution/Display
● Social Media Posts

I Pledge to be in school on day one!

AND TO ATTEND CLASS 5 DAYS A WEEK.

Chicago Public Schools
#cpsB2S
The district hosted 3 Family Town Halls last week on Tuesday 8/17, Wednesday 8/18 and Thursday 8/19.

A total of 1,020 individuals were in attendance.

860 registrants submitted questions - majority around health protocols and day to day operations.

To find the FAQ we developed to answer your questions please go to cps.edu/b2s
## Back 2 School Bashes

- To get students excited and ready to go back to school, CPS is hosting a number of Back 2 School Bashes.
- At each Bash, we are providing backpacks, school supplies, access to the COVID-19 vaccine for eligible students 12 and up and information on how eligible families can receive internet at no cost through Chicago Connected.

- Virtual Academy - Wayne Bevis
- COVID-19 Vaccination - Kenneth Fox, MD
- Back 2 School Communications, Events, and Marketing - Adrian Segura
- Student Re-Engagement - Erin Galfer
Phases of Student Re-Engagement

Phase 1
(May 2021):
Identify students and families for re-engagement summer programming

Phase 2
(June to end of summer):
Re-Establish Communication and engage in summer programming

Phase 3
(Start of School Year 2022 - Fall 2022):
Rebuild relationships, assess student need, and refer to interventions for Fall

Phase 4
(Fall 2022 - End of School Year):
Deploy Additional Strategic Interventions
