FINAL

**RESOLUTION REGARDING SICK, PERSONAL AND VACATION DAY BENEFITS FOR DISTRICT EMPLOYEES NOT COVERED BY COLLECTIVE BARGAINING AGREEMENTS**

**WHEREAS**, the Board adopted a Policy on Employees' Sick, Personal and Vacation Benefit Days on December 19, 2007, Board Report Number 07-1219-PO2 (the "2007 Policy");

**WHEREAS**, the 2007 Policy applies to all eligible District employees as defined in the Policy whether or not such employees are covered by a collective bargaining agreement,

**WHEREAS**, the Board intends to initiate a full review and evaluation of its policies on employees' sick, personal and vacation benefit days for employees not covered by a collective bargaining agreement for financial responsibility and sustainability and shall establish a new policy or policies following this evaluation;

**WHEREAS**, until a new policy is established, the Board intends to institute changes to the 2007 Policy through this Resolution to modify the terms of future accruals of sick, personal and vacation benefit days for current and new employees who are not covered by a collective bargaining agreement;

**WHEREAS**, the Board intends to move from a traditional sick day accrual policy to a Short Term Disability Plan that will more effectively address the needs of Chicago Public Schools employees and provide coverage regardless of their length of service or the number of sick days they have accrued;

**WHEREAS**, the Board does not intend to renew the Pension Enhancement Program specified in the 2007 Policy for principals, assistant principals and non-union represented employees, and therefore the Pension Enhancement Program will not be available to such employees who retire after June 30, 2012, and

**WHEREAS**, until the Board adopts a new sick, personal and vacation benefit day policy for employees not covered by a collective bargaining agreement, the modifications to the 2007 Policy as specified in this Resolution shall be in effect and implemented.

**NOW, THEREFORE, BE IT RESOLVED BY THE BOARD, as follows:**

1. **Employees Covered by Collective Bargaining Agreements:** The 2007 Policy shall continue in full force and effect for employees covered by a collective bargaining agreement until July 1, 2012 at which time the 2007 Policy shall be superseded by the terms of applicable successor collective bargaining agreements. If, however, no new collective bargaining agreement(s) have been reached on or before June 30, 2012, the terms of the 2007 Policy as it existed on February 22, 2012 shall continue in full force and effect for employees covered by any such collective bargaining agreement until a successor agreement is reached or until the Board may otherwise lawfully implement a substitute policy, at which time the terms of the new collective bargaining agreement or substitute policy will apply.
2. **Applicability of Modifications to the 2007 Policy:** The provisions of this Resolution which modify the 2007 Policy shall apply only to employees who are not covered by collective bargaining agreements.
3. **New Employee Ordinary Sick Leave Bank:** The provisions in the 2007 Policy regarding payout of accumulated unused sick leave shall not apply to full-time, non-temporary employees hired after February 22, 2012. For the period from February 23, 2012 through June 30, 2012, sick days will be granted to new employees at a rate of one day per month worked and the 60-day waiting period shall not be applied. Any sick days granted but not used by June 30, 2012 shall be forfeited. Effective July 1, 2012, sick days will be granted at the beginning of each fiscal year at a rate of one day per month worked and maintained in an Ordinary Sick Leave Bank. For new employees hired after the start of the fiscal year, a prorated number of sick days will be granted and maintained in an Ordinary

Sick Leave Bank. Sick days that employees do not use on or before June 30<sup>th</sup> of the fiscal year in which the sick days were granted shall be removed from the Ordinary Sick Leave bank and forfeited. Any sick days in an Ordinary Sick Leave Bank that an employee does not use on or before the date their employment ends shall be forfeited.

4. Current Employees' Retained Sick Leave Bank: Current full-time, non-temporary employees who have an existing bank of accumulated unused sick days as of June 30, 2012 shall retain those sick days in a Retained Sick Leave Bank and that bank will be maintained and available for use by the employee. Upon resignation or retirement, the payout of accumulated unused sick leave as set forth in the 2007 Policy shall apply to any sick days remaining in a current employee's Retained Sick Leave Bank. This Resolution does not amend the existing rules that govern the restoration of unpaid accumulated sick days for current employees who are laid off or who resigned and are eligible for rehire and who return to service within one year of separation. The existing restoration rules shall be applied to a current employee's Retained Sick Leave Bank only.
5. Current Employees' Ordinary Sick Leave Bank: Beginning July 1, 2012, sick days that a current employee is granted at the beginning of a fiscal year shall be maintained in an Ordinary Sick Leave Bank. Days in the employee's Ordinary Sick Leave Bank that are not used on or before June 30<sup>th</sup> of the fiscal year in which the sick days were granted shall be removed from the Ordinary Sick Leave Bank and forfeited. Any accumulated sick days in the Ordinary Sick Leave Bank that an employee does not use on or before the date their employment ends shall be forfeited and shall not be paid out.
6. Current Employees' Personal Leave Benefit Days: Beginning July 1, 2012, a current employee's allotment of personal leave benefit days ("Personal Day(s)") will be granted annually during the first payroll period of the fiscal year in July rather than the first payroll period of the calendar year in January. To transition to the new fiscal year allotment cycle, during 2012 only, current employees will receive two allotments of Personal Days. The first allotment of three (3) Personal Days was already granted in January 2012 and the second allotment of three (3) Personal Days will be granted in July 2012. For current employees, (i) Personal Days granted in January 2012 that are unused by December 31, 2012 will roll over into the employee's Retained Sick Leave Bank, and (ii) Personal Days granted in July 2012 and every July thereafter that are unused by June 30<sup>th</sup> of the fiscal year in which the Personal Days were granted shall be forfeited.
7. New Employees' Personal Leave Benefit Days:
  - a. Employees hired after February 22, 2012 but prior to July 1, 2012 who are eligible for Personal Days shall be allotted prorated Personal Days upon hire as follows: (i) one (1) Personal Day granted upon hire to employees hired after February 22, 2012 but prior to June 1, 2012 which must be used by June 30, 2012 or forfeited, and (ii) zero (0) Personal Days are granted upon hire to employees hired during June 2012. Thereafter, such employees shall be granted during the first pay period of July 2012, and each July thereafter, an allotment of three (3) Personal Days which must be used by June 30<sup>th</sup> of the fiscal year in which the Personal Days were granted or shall be forfeited.
  - b. Employees hired on or after July 1, 2012 who are eligible for Personal Days shall be granted three (3) Personal Days prorated according to their date of hire as follows: those beginning employment between July 1 and September 30, three (3) days; those beginning employment between October 1 and March 31, two (2) days; those beginning employment between April 1 and May 31, one (1) day; and, those beginning employment between June 1 and June 30, zero (0) days. The Personal Day allotment must be used within the same fiscal year in which they are granted or shall be forfeited. Thereafter, such employees shall be granted during the first payroll period of the fiscal year in July an allotment of three (3) Personal Days which must be used by June 30<sup>th</sup> of the fiscal year in which the Personal Days were granted or shall be forfeited.
8. Service Credit Adjustments: For employees hired after February 22, 2012, service credit adjustments shall not be made for service with the governmental agencies identified in the 2007 Policy but service credit adjustments shall be made for military service as identified in the 2007 Policy. This Resolution does not amend the existing rules that govern the calculation of service credits for current employees who are laid off or who resigned and are eligible for rehire and who return to service within one year of separation.
9. Previous Employees Who Return Within One Year of Separation: This Resolution does not amend the existing rules that govern the restoration of eligible unpaid sick days for previous employees who were laid off or who resigned prior to February 22, 2012 who are eligible for re-hire and return to service within one year of separation. Restoration of eligible unpaid sick days shall be made into a Retained Sick Leave Bank established for the employee returning to service. Further, this Resolution does not amend the existing rules that govern the calculation of service credits for previous employees who were laid off or who resigned prior to February 22, 2012 who are eligible for re-hire and return to service within one year of separation.
10. Transfer of Sick Day Banks from Other Agencies: For employees hired after February 22, 2012, the Board will not accept transfer of sick days from the agencies identified in the 2007 Policy. For current employees, existing banks of unused transferred sick days from other agencies shall remain and shall be available for use by the employee.

11. Vacation Benefit Day Accrual Limits:

- a. For employees hired after February 22, 2012, the maximum accrual limit of all vacation days in an employee's Vacation Benefit Day Bank shall be as follows:

<u>Type</u>	<u>Max. Accrual</u>
With service up to an including ten (10) years	20 days
With service of eleven to twenty (20) years inclusive	25 days
With service for twenty-one (21) or more years	30 days
Employees granted 25 vacation benefit days per year based on their position title	30 days

- b. For current employees who are Principals and Assistant Principals, the maximum accrual limit of all vacation days in the employee's Vacation Benefit Day Bank shall be as follows:

<u>Type</u>	<u>Max. Accrual on July 1, 2013</u>	<u>Max. Accrual on July 1, 2014</u>
With service up to an including ten (10) years	30 days	20 days
With service of eleven to twenty (20) years inclusive	40 days	25 days
With service for twenty-one (21) or more years	50 days	30 days

- c. For current employees who are central office employees, network office employees or other non school-based educational support personnel, the maximum accrual limit of all vacation days in the employee's Vacation Benefit Day Bank shall be as follows:

<u>Type</u>	<u>Max. Accrual On July 1, 2013</u>
With service up to an including ten (10) years	20 days
With service of eleven to twenty (20) years inclusive	25 days
With service for twenty-one (21) or more years	30 days
Employees granted 25 vacation benefit days per year based on their position title	30 days

- d. Once this maximum accrual of all vacation benefit days indicated in sections 11.a, 11.b and 11.c. above has been reached, no additional vacation time will be accrued until the vacation balance falls below the above-indicated maximum accruals.

12. Short Term Disability Plan: The Board intends to move from a traditional sick day accrual policy to a Short Term Disability Plan that more effectively addresses the needs of Chicago Public Schools employees without reference to their length of service or the number of sick days they have accrued. The Chief Executive Officer or designee is directed to develop a Short Term Disability Plan which includes maternity leave benefits. The Chief Executive Officer or designee shall provide status reports to the Board regarding the development of the Short Term Disability Plan and shall present a final Plan to the Board for approval as soon as is practicable.

13. Effective Date: Except as otherwise stated in this Resolution, the modifications to the 2007 Policy are effective as of February 23, 2012.

14. Except as modified and superseded by this Resolution, the 2007 Policy will remain in effect. To the extent that any conflict or incompatibility exists between the terms of this Resolution and the terms of the 2007 Policy, the terms of this Resolution shall control.

15. This Resolution is not intended to and should not be construed to create any contractual right in, expectancy in or claim of right to or entitlement by employees to an employment benefit and/or compensation for services with respect to sick leave, personal leave or vacation benefit days. The Board reserves and retains the right to alter how it grants and regulates the use of sick leave, personal leave and vacation benefit days and how it compensates employees for unused sick leave, personal leave or vacation benefit days at any time in the future.

AMEND BOARD REPORT 08-1022-EX21  
APPROVE THE EXPANSION OF OGDEN ELEMENTARY SCHOOL WITH THE ESTABLISHMENT OF  
A HIGH SCHOOL CAMPUS TO BE KNOWN AS OGDEN INTERNATIONAL HIGH SCHOOL  
PROGRAM**

**THE CHIEF EXECUTIVE OFFICER RECOMMENDS THE FOLLOWING DECISION:**

That the Board approve the high school grade expansion of the Ogden Elementary School with the establishment of a high school campus to be known as the Ogden International High School Program ("OIHSP") as and as a Renaissance Performance School.

This March 2009 amendment is necessary to (a) identify that OIHSP will be located at 1250 W. Erie and (b) to establish a performance school overlay attendance boundary for the school

This February 2012 amendment is necessary to modify the admission process for OIHSP for consistency with the International Baccalaureate ("IB") Program in neighborhood high schools.

**DESCRIPTION:**

School Designation: OIHSP is scheduled to open in the fall of 2009 at 1250 W. Erie as an expansion to the Ogden Elementary School as a Performance School in accordance with Board's Renaissance Schools Policy, 07-0627-PO4, as amended ("Renaissance Policy"). Whereas Ogden sixth through eighth graders are currently located at 1250 W. Erie, the high school grade expansion will also continue at this site. This site will require that OIHSP share its facility with Carpenter Elementary School. The two schools will share their facility in accordance with the Board's Shared Facility Policy, 05-0126-PO1.

Public Hearing: A public hearing on the opening of OIHSP was held on October 6, 2008 at the William B Ogden Elementary School, 24 W. Walton, Chicago, IL 60610 and on October 15, 2008 at Board Chambers, in accordance with Renaissance Policy. The October 15, 2008 hearing was recorded. A summary report of both hearings is available for review. A public hearing was held on March 20, 2009 at the Children and Youth Services Building, located at 1615 W. Chicago. The hearing was recorded. A summary report of the hearing is available for review.

Request for Proposals: In April 2008, the Office of New Schools issued a Request for Proposals to solicit responses from parties interested in starting schools under the Renaissance 2010 Initiative. Design

Frameworks to operate either a charter campus, contract school, or performance school were submitted by interested parties on June 2, 2008. Supplemental proposal materials for approved design frameworks were submitted on July 28, 2008. Proposals were evaluated pursuant to the standards set forth in the Renaissance Policy. Proposals were reviewed by the Office of New Schools and a Comprehensive Evaluation Team and recommendations were submitted to the Chief Executive Officer based upon those reviews and evaluations.

School Design Team: The proposal for the establishment of OIHSP was submitted by the members of the William B. Ogden School design team including the Principal, LSC members, Program Director, Operations Manager, teachers as well as consultants with high school and Renaissance 2010 experience.

School Profile: OIHSP is scheduled to open in the fall of 2009 serving approximately 150 students in grade 9. In subsequent years the school will add grades 10, 11, and 12 serving at capacity up to 600 students. Ogden Elementary School 8<sup>th</sup> graders may transition to the OIHSP as 9<sup>th</sup> graders and once a site is identified the process for the enrollment of additional students and the establishing of any attendance boundaries will be presented to the Board for approval. OIHSP will build on the success of Ogden Elementary by preparing students for post-secondary education and lifelong success in the global economy. The curriculum will be comprehensive, emphasizing global studies, humanities and liberal arts while incorporating advanced technology designed to maximize student achievement, increase student readiness to advance to the next level, and engage students in authentic and meaningful learning experiences. OIHSP will embed internationalism in all aspects of the educational program, providing opportunities for students to relate curricular concepts to global issues, emphasizing authentic student work and objectives focusing on synthesis and evaluation. Since its inception, OIHSP has offered an IB program for its high school students.

Attendance Boundary: Effective March 25, 2009, a performance school overlay boundary for OIHSP will be established as described below:

Beginning at Ashland Ave and Division St  
East to North Branch of the Chicago River  
South along the North Branch of the Chicago River to Kinzie St  
West to Ashland Av  
North to the starting point

Under the Board's Enrollment and Transfer Policy (08-0827-PO2), students currently enrolled in Ogden's eighth grade are entitled to enroll in its ninth grade class and continue until high school graduation. A lottery will be held to select students residing in the performance school overlay boundary for 50% of the remaining seats, and then all remaining applicants (from within and outside of the performance school overlay boundary) will be selected through a second lottery. All other students (both students residing in the overlay boundary and citywide) seeking enrollment in OIHSP's ninth grade class must submit an application in accordance with the Options for Knowledge Publication. Beginning with enrollment for the 2012-2013 school year, the remaining seats will be filled in accordance with the high school IB program selection process specified in the in the Board's Admissions Policy for Magnet, Selective Enrollment, and Other Options for Knowledge Schools and Programs (11-0824-PO2).

Governance: The Ogden Elementary School Local School Council will continue and may be modified at a later date in order to allow for high school student representation.

Performance Plan: The operation and performance of the OIHSP will be in accordance with a Performance Plan to be established pursuant to the Renaissance Policy and approval of the Board. At a minimum, the Performance Plan will address student academic outcomes and financial and management practices of the school.

**CONTINGENT APPROVAL:** The granting of the establishment of the school by the Board and the entering into an evaluation performance plan is contingent upon the ability of the school design team meeting benchmarks detailed by the Office of New Schools including but not limited to, securing a facility and developing a remediation plan. These benchmarks will be communicated to the school design team in a formal Memo of Conditions with all deadlines to be met by April 15, 2009. The Office of New Schools will oversee the enforcement of these deadlines; failure to meet these deadlines may, at the option of the Board, result in the rescission of the authority granted herein and the denial of the performance school application. The Chief Executive Officer or his designee will file a report, approved by the General Counsel as to legal form, indicating the CEO's final approval or denial of the performance school application and satisfactory resolution of all material issues related to the formation of the school. The report will be filed with the Secretary of the Board on or before May 15, 2009. This final review will be conducted to determine compliance with the terms indicated above.

**FINANCIAL:** Using current year financial data, the General Fund cost of 150 students in 2009-10 will be approximately \$1,158,600.00. The financial implications will be addressed during the development of the 2009-2010 fiscal year budget. Since the School Code of Illinois prohibits the incurring of any liability unless an appropriation has been previously made, expenditures beyond FY09 are deemed to be contingent liabilities only, subject to appropriation in subsequent fiscal year budgets.

**PERSONNEL IMPLICATIONS:** As a Performance School, Ogden International High School Program will employ CPS teachers and staff. Performance Schools are subject to the collective bargaining agreements between CPS and the Chicago Teachers Union and other labor organizations, including the waiver provisions of those agreements.

President Vitale indicated that if there were no objections, Board Reports 12-0222-EX1 and 12-0222-EX2 would be adopted by the last favorable roll call vote, all members present voting therefore.

President Vitale thereupon declared Board Reports 12-0222-EX1 and 12-0222-EX2 adopted.

**DESCRIPTION:**

Pursuant to Public Act 097-0474 ("Public Act"), the Chief Executive Officer's Guidelines for School Actions, and the Board of Education's Policy on the Review and Establishment of School Attendance Boundaries, 05-0622-PO1, the Chief Executive Officer ("CEO") of the Chicago Public Schools may recommend to the Board the phase-out of schools, co-location of schools, and the adjustment of school attendance boundaries.

Pursuant to the Public Act's requirements, two community meetings were convened on January 6, 2012 and January 20, 2012 at Malcom X College, located at 1900 West Van Buren Street, Chicago, Illinois, and a public hearing was convened on January 24, 2012 at 125 South Clark Street, 5<sup>th</sup> floor, Chicago, Illinois, following the issuance of proper notice. A transcript of the hearing and summaries of the meetings have been provided to the Board. The hearing officer reported that the CEO's proposal met the requirements of the Public Act and summarized comments and written documentation received, including

the Crane Coalition Academic Improvement Plan. The hearing officer recommended that the Board order an analysis of the proposed plan before determining whether to approve the CEO's proposed action. Upon receipt of the hearing officer's report, the Board directed the CEO or his designees to analyze and report on the merits of the Crane Coalition Academic Improvement Plan. After receiving the hearing officer's report, reviewing the Crane Coalition Academic Improvement Plan and providing to the Board a report explaining why the Crane Coalition Academic Improvement Plan is not feasible, the CEO has decided to recommend that the Board phase-out Crane HS effective June 30, 2012, co-locate Crane HS and Talent Development HS in the facility located at 2245 West Jackson Boulevard, and assign portions of the Crane HS attendance area to Wells HS, Marshall HS, Manley HS, and Farragut HS.

Furthermore, although the CEO does not recommend the proposed Crane Coalition Academic Improvement Plan, the CEO and his designees believe the authors of the Crane Coalition Academic Improvement Plan are committed to the development of a rigorous high school option for students living in the vicinity of the Crane facility. Therefore, the CEO and his designees have committed themselves to work with the Crane Coalition to develop a new high school in the Crane building that would start with a 9<sup>th</sup> Grade in Fall 2013. Specifically, the CEO is committed to formulating the Crane Transformational Task Force that will plan a new health sciences high school at the 2245 West Jackson Boulevard facility for fall of 2013. The CEO shall present the Task Force's plan for this new high school to the Board no later than September 26, 2012.

**THE CHIEF EXECUTIVE OFFICER REPORTS THE FOLLOWING DECISION:**

Approve entering into an Intergovernmental Agreement with the Illinois Office of the Comptroller to allow CPS to participate in the Local Debt Recovery Program. This program allows units of local government to submit their unpaid debts to the State Comptroller in order for the State to off-set or garnish any state payment to the debtor and turn the funds over to CPS in order to pay the debt. A written agreement is currently being negotiated. The authority granted herein shall automatically rescind in the event a written agreement is not executed within 120 days of the date of this Board Report. Information pertinent to this agreement is stated below.

**AGENCY:** Illinois Office of the Comptroller

Individual overdue debts will be summarized in an electronic file that can be periodically submitted to the State Comptroller. The State Comptroller will send notice to the debtor providing a sixty day window to request an opportunity to contest the debt through a hearing. If the debt is upheld, the State Comptroller will off-set any state payment (IDOR tax return, vendor payments or state salaries) and pay the funds on behalf of the debtor to CPS on a weekly basis. There is no cost to CPS. An additional fifteen dollar administrative fee will be collected by the State Comptroller from the debtor.

**TERM:** The agreement becomes effective upon execution and shall remain in effect until it is terminated by one of the parties. Either party may terminate this agreement by giving the other party written notice at least (30) thirty days prior to the effective date of the termination

**RESPONSIBILITIES OF PARTIES:** Before submitting a debt to IOC for State payment offset, CPS must comply with all of the drafted notification requirements of 74 Ill. Adm. 285.1140 (a) and (b). IOC will not process a claim under the Agreement until notification has been received from CPS that the debt has been established through notice and opportunity to be heard.

The offset of State payments shall be conducted pursuant to the authority granted in Section 10.05 and 10.05d of the Act [15 ILCS 405/10.05 and 10.05d] and in accordance with the provisions of Part 285 of Title 74 of the Illinois Administrative Code [74 Ill. Adm. 285] and the more detailed requirements set forth in the Agreement.

**CONTRIBUTION:** Except for the fees paid by the debtor in the program description above, each party shall be responsible for its own costs incurred in connection with the Agreement. Each party shall be responsible for resolving and reconciling its own errors, but shall not be liable to any other parties for damages of any kind as a result of errors. Each party shall be liable for the acts and omissions of its own employees and agents. The Agreement will not confer any rights or benefits on any third party.
