*Section 1. Incorporation of Preambles.* The preambles of this Resolution are hereby incorporated into this text as if set out herein in full.

*Section 2. The Bonds are hereby authorized to be issued in an aggregate principal amount not to exceed \$600,000,000. All Series of Bonds shall be issued as Alternate Bonds pursuant to the Debt Reform Act, the 2022 Authorization and this Resolution. Subject to the foregoing limitations set forth in this Section, the Bonds may be issued from time to time, in one or more Series, in such principal amounts, as may be determined by either (i) the President of the School Board (the "**President**"), or (ii) the Vice President of the School Board (the "**Vice President**") or any member of the Board who is authorized to execute documents or take action in lieu of the President, (iii) the Chief Executive Officer, (iv) the Chief Financial Officer or (v) the Treasurer (each, a "**Designated Official**"). The Bonds of each Series shall be distinguished from each other Series by a designation or title, including the words "**General Obligation Bonds**" and with such additions, modifications or revisions as shall be determined to be necessary by any Designated Official at the time of the sale of such Bonds to reflect the order of sale of such Bonds, whether such Bonds are Capital Appreciation Bonds, Current Interest Bonds or Convertible Bonds (each as defined herein) and any other authorized features of such Bonds determined by any of the Designated Officials as desirable to be reflected in the title of the Bonds being issued and sold as part of such Series. The Designated Officials are each hereby authorized to

appoint a Trustee for each Series of the Bonds so issued; provided, that such Trustee shall be a bank, trust company or national banking association doing business and having a corporate trust office in the State of Illinois and having capital and undivided surplus aggregating at least \$15,000,000 or shall be a wholly owned subsidiary of such an entity.

The Bonds of each Series shall be issued and secured pursuant to the terms of an Indenture authorizing Capital Appreciation Bonds, Current Interest Bonds, or Convertible Bonds (an "Indenture"). Each of the Designated Officials is hereby authorized to execute and deliver, and the Secretary is hereby authorized to attest, each Indenture on behalf of the Board, each such Indenture to be in substantially the form executed and delivered in connection with previous issues of Alternate Bonds and previous issues secured by some or all of the 2022 Pledged Revenues, but with such changes therein as shall be within the authorizations granted by this Resolution as shall be approved by the Designated Official executing the same, with such execution to constitute conclusive evidence of such Designated Official's approval and this Board's approval of any changes or revisions therein from the form of Indenture authorized hereby.

The details of the sale of each Series of the Bonds as described in the notification of sale of such Bonds delivered by a Designated Official pursuant to **Section 4(e)** of this Resolution and all provisions relating to the authorized denomination, registration, transfer and redemption of such Bonds, within the limitations set forth herein, shall be set forth in the applicable Indenture executed and delivered by a Designated Official as described herein.

(b) In order to secure the payment of the principal of, redemption price of, interest on and the Compound Accreted Value (as hereinafter defined) of each Series of the Bonds, the Board hereby authorizes the inclusion in each Indenture securing such Bonds of a pledge of all or a portion of the 2022 Pledged Revenues to the payment of such Series. In accordance with Section 15 of the Debt Reform Act, the Board covenants and agrees to provide for, collect and apply such 2022 Pledged Revenues, to the payment of such Series and the provision of an additional .10 times annual debt service in the case of Bonds to be paid from a governmental revenue source or an additional .25 times annual debt service in the case of Bonds to be paid from 2022 Pledged Revenues that do not constitute a governmental revenue source. The determination of the sufficiency of the 2022 Pledged Revenues pledged pursuant to this paragraph (b) is supported by the Audit or the Feasibility Report, as applicable, and acceptance of the Audit by the Board or of the Feasibility Report by the Chief Financial Officer or the Treasurer, on behalf of the Board, if applicable, shall constitute conclusive evidence that the conditions of Section 15 of the Debt Reform Act have been met.

(c) Each of the Designated Officials is authorized to allocate all or a portion of the 2022 Pledged Revenues to the payment of the principal of, redemption price of, interest on and the Compound Accreted Value of each Series of the Bonds and the Indenture pursuant to which such Series of Bonds is issued and the notification of sale of such Series of the Bonds delivered by the Designated Officials pursuant to **Section 4(e)** hereof shall identify the specific 2022 Pledged Revenues allocated to such Series.

(d) Once issued, the Bonds shall be and forever remain until paid or defeased the general obligation of the Board, for the payment of which its full faith and credit are pledged, and shall be payable, in addition to the applicable 2022 Pledged Revenues, from the levy of the Pledged Debt Service Taxes as provided in the Debt Reform Act and as set forth in **Section 3** hereof.

(e) All or any portion of the Bonds may be issued as bonds payable in one payment on a fixed date (the "**Capital Appreciation Bonds**"). Any Bonds issued as Capital Appreciation Bonds shall be dated the date of issuance thereof and shall also bear the date of authentication, shall be in fully registered form, shall be numbered determined by the Trustee and shall be in denominations equal to the original principal amounts of such Capital Appreciation Bonds or any integral multiple thereof, each such original principal amount representing Compound Accreted Value (as hereinafter defined) at maturity (the "**Maturity Amount**") of \$5,000 or any integral multiple thereof. As used herein, the "**Compound Accreted Value**" of a Capital Appreciation Bond on any date of determination shall be an amount equal to the original principal amount plus an investment return accrued to the date of such determination at a semiannual compounding rate which is necessary to produce the yield to maturity borne by such Capital Appreciation Bond.

All or any portion of the Bonds may be issued as Bonds bearing interest at fixed rates and paying interest on an initial interest payment date and semiannually thereafter (the "**Current Interest Bonds**"). The Current Interest Bonds shall be dated such date as shall be agreed upon by a Designated Official and the purchasers of the Current Interest Bonds, shall be in fully registered form and shall be numbered as determined by the Trustee.

The Bonds may be initially issued as Capital Appreciation Bonds containing provisions for the conversion of the Compound Accreted Value of such Bonds into Current Interest Bonds (the "**Convertible Bonds**") at such time following the initial issuance as shall be approved by a Designated Official. While in the form of Capital Appreciation Bonds, such Convertible Bonds shall be subject to all of the provisions and limitations of this Resolution relating to Capital Appreciation Bonds and while in the form of Current Interest Bonds, such Convertible Bonds shall be subject to all of the provisions and limitations of this Resolution relating to Current Interest Bonds. In connection with the issuance and sale of any Convertible Bonds, the terms and provisions relating to the conversion of the Compound Accreted Value of such Convertible Bonds into Current Interest Bonds shall be contained in the Indenture executed and delivered by a Designated Official at the time of sale of such Convertible Bonds.

The Bonds shall be dated as of a date not earlier than February 1, 2023, as determined by a Designated Official at the time of sale thereof. The final maturity date of any Series of Bonds shall not be later than December 1, 2049. Bonds shall bear interest (computed upon the basis of a 360-day year of twelve 30-day months) at a rate or rates not to exceed 9 percent per annum for Bonds issued as tax-exempt Bonds or 13.5 percent per annum for Bonds issued as taxable Bonds and shall be payable on such dates as shall be determined by a Designated Official at the time of sale thereof, all as shall be determined by a Designated Official at the time of sale of such Bonds. The Bonds shall be issued in such denominations as permitted under the applicable Indenture securing such Bonds.

(f) The Bonds of each Series may be redeemable prior to maturity at the option of the Board, in whole or in part on any date, at such times and at such redemption prices (to be expressed as a percentage of the principal amount of such Bonds being redeemed, plus accrued interest to the date of redemption), as shall be determined by a Designated Official at the time of the sale thereof. In addition, the Bonds of each Series may be redeemable prior to maturity, in whole or in part on any date at such redemption prices as may be based upon a formula designed to compensate the owners of the Bonds based upon prevailing market conditions on the date fixed for redemption, all as shall be determined by a Designated Official at the time of sale thereof. The Bonds of each Series may be made subject to sinking fund redemption, at par and accrued interest to the date fixed for redemption, as determined by a Designated Official at the time of the sale thereof; provided, that such Bonds shall mature not later than the respective date set forth in **Section 2(e)** of this Resolution.

(g) The Bonds of each Series may initially be issued in book-entry only form as provided in the applicable Indenture. The Bonds shall be executed by the manual or duly authorized facsimile signature of the President or Vice President and attested by the Secretary of the Board by the manual or duly authorized facsimile signature of the Secretary or her designee and prepared in the respective forms as provided in the applicable Indenture. The applicable Indenture may also require or permit the additional manual or duly authorized facsimile signature of the Chief Executive Officer, the Chief Financial Officer or the Treasurer.

provided, that in furtherance of the general obligation full faith and credit promise of the Board to pay the principal and redemption price of and interest on the Bonds, the Board will take all actions necessary to levy upon all of the taxable property within the School District, in the years for which any of the Bonds are outstanding, a direct annual tax, including any direct annual tax required to be levied in excess of that levied in this Resolution, for collection on a timely basis to make such payments (the taxes levied or to be levied pursuant to this **Section 3(a)**, being referred to herein as the “**Pledged Debt Service Taxes**”).

(b) After this Resolution becomes effective and a Series of Bonds is sold, a copy of this Resolution, certified by the Secretary of the Board, shall be filed with each of the County Clerks of The Counties of Cook and DuPage, Illinois (the “**County Clerks**”); and the County Clerks shall in and for each of the years required, ascertain the rate percent required to produce the aggregate Pledged Debt Service Taxes hereinbefore provided to be levied in each of said years; and the County Clerks shall extend the same for collection on the tax books in connection with other taxes levied in said year in and by the Board for general corporate purposes of the Board; and in said year the Pledged Debt Service Taxes shall be levied and collected by and for and on behalf of the Board in like manner as taxes for general corporate purposes of the Board for said years are levied and collected, and in addition to and in excess of all other taxes, and when collected, if required pursuant to any escrow or similar agreement executed and delivered pursuant to **Section 5** of this Resolution, the taxes hereby levied shall be deposited with the designated bank, trust company or national banking association.

(c) At the time and in the manner set forth in each Indenture, the Board shall direct the abatement of the Pledged Debt Service Taxes in whole or in part.

(d) The notification of sale of any Series of the Bonds delivered by the Designated Officials pursuant to **Section 4(e)** of this Resolution may provide for the allocation of all or a portion of the Pledged Debt Service Taxes levied for any year pursuant to this Resolution to the payment of the principal and redemption price of and interest on such Series of the Bonds.

*Section 4. Sale of the Bonds, Purchase and Sale Agreements.* (a) Each Series of the Bonds shall be sold and delivered to the Purchasers, subject to the terms and conditions of the applicable Purchase and Sale Agreement; provided, (i) that the aggregate purchase price of any Current Interest Bonds shall be not less than 95 percent of the principal amount thereof to be issued (less any original issue discount used in the marketing thereof) plus accrued interest from their date to the date of delivery thereof, and (ii) that the aggregate purchase price of any Capital Appreciation Bonds or Convertible Bonds shall not be less than 95 percent of the aggregate original principal amount thereof. The Chief Financial Officer and the Treasurer each individually are hereby authorized to execute and deliver on behalf of the Board a Purchase and Sale Agreement with respect to the sale of the Bonds of each Series, which (i) in the case of a Bond Purchase Agreement or a Placement Agreement shall be in substantially the form used in previous and similar financings of the Board and (ii) in the case of a Competitive Sale Agreement shall contain terms and provisions no less favorable to the Board as those contained in a Bond Purchase Agreement or Placement Agreement. Any such Purchase and Sale Agreement shall contain such final terms as shall be approved by the person executing such document, such approval to be evidenced by

such person's execution thereof, and the Chief Financial Officer and the Treasurer are each also individually authorized to do all things necessary and essential to effectuate the provisions of such Purchase and Sale Agreement, as executed, including the execution of any documents and certificates incidental thereto or necessary to carry out the provisions thereof. The Chief Financial Officer or the Treasurer shall make a finding in connection with the execution of each Purchase and Sale Agreement that (i) the Bonds sold thereunder have been sold at such price and bear interest at such rate that neither the true interest cost (yield) nor the net interest rate received upon the sale of such Bonds exceeds the maximum rate otherwise authorized by applicable law, and (ii) that no person holding any office of the Board, either by election or appointment, is in any manner interested, either directly or indirectly, in his or her own name, in the name of any other person, association, trust or corporation, in the applicable Indenture, any escrow or similar agreement executed and delivered pursuant to **Section 5** of this Resolution, the applicable Purchase and Sale Agreement or any agreement with a Bond Insurer, Debt Reserve Credit Facility Provider or Credit Provider authorized by paragraphs (b), (c) and (d) of this Section, or in the issuance and sale of such Bonds, in accordance with the laws of the State of Illinois and the Code of Ethics of the Board (Board Rule No. 11-0525-PO2, as amended).

(b) In connection with any sale of the Bonds of each Series, each of the Designated Officials is hereby authorized to obtain a bond insurance policy from such recognized bond insurer as such Designated Official shall determine (the "**Bond Insurer**") if said Designated Official determines such bond insurance policy to be desirable in connection with the sale of such Series of Bonds. Each Designated Official is also authorized to enter into such agreements and make such covenants with any Bond Insurer that such Designated Official deems necessary and that are not inconsistent with the terms and provisions of this Resolution and to pay upfront or annual fees to the Bond Insurer in connection therewith.

(c) In lieu of, or in addition to, the deposit of proceeds of the Bonds of any Series or other funds into a debt service reserve fund as authorized in paragraph (g) of this Section, each of the Designated Officials is hereby authorized to obtain a debt reserve credit facility from such recognized provider as such Designated Official shall determine (the "**Debt Reserve Credit Facility Provider**") if such Designated Official determines such debt reserve credit facility to be desirable in providing for the funding of any required debt service reserve fund. Each Designated Official is also authorized to enter into such agreements and make such covenants with any Debt Reserve Credit Facility Provider that such Designated Official deems necessary and that are not inconsistent with the terms and provisions of this Resolution, including the payment of reasonable fees to any Debt Reserve Credit Facility Provider.

(d) In connection with the sale of the Bonds of any Series, to provide additional security and liquidity for such Bonds, each of the Designated Officials is hereby authorized to obtain a letter of credit, line of credit or other credit or liquidity facility, including similar agreements with or facilities issued by a Bond Insurer (a "**Credit Facility**"), if determined by such Designated Official to be desirable in connection with such sale of Bonds. Each of the Designated Officials is hereby further authorized to appoint one or more banks, Bond Insurers or other financial institutions to issue such Credit Facility (the "**Credit Provider**") and to execute and deliver on behalf of the Board a credit, reimbursement or similar agreement (the "**Credit Agreement**") providing for the issuance of the Credit Facility and the obligation of the Board to repay funds

borrowed under the Credit Facility or advances made by the Credit Provider under the Credit Facility with respect to such Bonds. The Credit Facility may be in a form that provides for the purchase of such Bonds by the Credit Provider (any such Bond so purchased being referred to as a "**Bank Bond**") and the Indenture as executed and delivered shall reflect the terms and provisions of such Bank Bonds. Any Bonds outstanding as Bank Bonds shall be secured as provided in the applicable Indenture. The annual fee paid to any Credit Provider for the provision of a Credit Facility shall not exceed 3 percent of the amount available to be drawn or advanced under such Credit Facility.

The Credit Agreement may provide that alternative interest rates or provisions will apply during such times as the Bonds constitute Bank Bonds or the Board has outstanding repayment obligations to the Credit Provider (the "**Credit Provider Rate**"), which Credit Provider Rate shall not exceed the maximum permitted by law, but in no event more than 15 percent per annum (the "**Maximum Credit Provider Rate**"). The Credit Agreement may further provide that to the extent the Credit Provider Rate determined at any time pursuant to the Credit Agreement exceeds the Maximum Credit Provider Rate, such excess may accrue at the then-applicable Credit Provider Rate (but in no event may such excess accrue at a rate in excess of 25 percent per annum) and be added to the Credit Provider Rate at such time or times thereafter as the Credit Provider Rate shall be less than the Maximum Credit Provider Rate; provided, that at no time shall the Credit Provider Rate per annum exceed the Maximum Credit Provider Rate.

(e) Subsequent to the sale of the Bonds of any Series, any Designated Officials shall file in the Office of the Secretary of the Board a notification of sale directed to the Board setting forth (i) the aggregate original principal amount of, maturity schedule, redemption provisions and interest rates for the Bonds of each Series sold, (ii) a description of the specific 2022 Pledged Revenues pledged to the payment of the principal of, redemption price of, interest on and the Compound Accreted Value of the Bonds of such Series, (iii) the principal amounts of the Bonds of each Series sold as Current Interest Bonds, Capital Appreciation Bonds and Convertible Bonds, respectively, (iv) in the case of Bonds sold as Capital Appreciation Bonds and Convertible Bonds, (A) the Original Principal Amounts of and Yields to Maturity on the Capital Appreciation Bonds and Convertible Bonds being sold, and (B) a table of Compound Accreted Value per \$5,000 Maturity Amount for any Capital Appreciation Bonds and Convertible Bonds being sold, setting forth the Compound Accreted Value of each such Capital Appreciation Bond and Convertible Bonds on each semiannual compounding date, (v) the interest rates on the Current Interest Bonds sold, (vi) debt service schedules for the Bonds of each Series, together with determinable investment earnings from the investment of moneys held in the funds and accounts pursuant to the applicable Indenture, demonstrating that the 2022 Pledged Revenues and said investment earnings and moneys held in the funds and accounts pursuant to such Indenture, are expected to be in an amount sufficient to provide the debt service coverage described in **Section 2(b)** of this Resolution, (vii) the terms and provisions for the conversion of the Compound Accrued Value of any Convertible Bonds issued hereunder into Current Interest Bonds, (viii) the application of the proceeds of such Bonds for the purposes and within the limitations set forth in paragraph (g) of this Section, (ix) if a bond insurance policy is obtained as authorized herein, the identity of the Bond Insurer issuing the bond insurance policy and the premium and any fees required to be paid

thereto, (x) if a debt reserve credit facility is obtained as authorized herein, the identity of the Debt Reserve Credit Facility Provider issuing the debt reserve credit facility, (xi) if a Credit Facility is obtained as authorized herein, the identity of the Credit Provider Issuing the Credit Facility, and a copy of the Credit Agreement between the Board and such Credit Provider shall be attached to said notification of sale, (xii) the identity of the Trustee designated pursuant to **Section 2** of this Resolution with respect to the Bonds of such Series, (xiii) if an escrow or other similar agreement is to be executed and delivered as authorized in **Section 5** of this Resolution, a copy of such agreement shall be attached to said notification of sale and (xiv) the identity of and the compensation paid to the Purchasers in connection with such sale.

In the event that the Designated Official executing such notification of sale determines that the Bonds have been sold in such principal amount or maturing or bearing interest so as to require the levy of taxes in any year less than the amount specified therefor in **Section 3(a)** of this Resolution, then such Designated Official shall include, in the notification of sale described in this Section, the amount of reduction in the amount levied in **Section 3(a)** of this Resolution for each year resulting from such sale, and in addition, any one or more of the Designated Officials shall file in the respective offices of the County Clerks certificates of tax abatement for such years. No such reduction in the amounts levied in **Section 3(a)** of this Resolution need be made nor must any certificate of tax abatement be filed as described in the preceding sentence until a Designated Official has determined that any amount so levied in **Section 3(a)** of this Resolution will not be needed to secure the Bonds being sold at that time or any Series of Bonds to be sold in the future. Any certificate of abatement delivered pursuant to this paragraph shall refer to the amount of taxes levied pursuant to **Section 3(a)** of this Resolution, shall indicate the amount of reduction in the amount of taxes levied by the Board resulting from the sale of such Bonds, which reduced amount is to be abated from such taxes, and shall further indicate the remainder of such taxes which is to be extended for collection by the County Clerks.

(f) The distribution of a Preliminary Official Statement, Private Placement Memorandum or Notice of Public Sale relating to each Series of the Bonds (the "**Disclosure Document**") in substantially the respective forms delivered in connection with previous issues of Alternate Bonds and previous issues secured by some or all of the 2022 Pledged Revenues, but with such changes as shall be approved by a Designated Official to reflect the terms of the Bonds proposed to be sold and the method of sale of such Bonds, is hereby in all respects, ratified, authorized and approved and shall be "*deemed final*" for purposes of Rule 15c2-12, adopted by the Securities and Exchange Commission under the Securities Exchange Act of 1934 ("**Rule 15c2-12**"), and the proposed use by the Underwriters or the Competitive Purchasers of a final Official Statement (in substantially the form (i) of the Preliminary Official Statement but with appropriate variations, omissions and insertions to reflect the final terms of the Bonds being sold or (ii) authorized herein for a Preliminary Official Statement if none is used in the marketing of the Bonds being sold) is hereby approved. Each Designated Official is hereby authorized and directed to execute the final Official Statement or other Disclosure Document, as appropriate, on behalf of the Board.

In connection with the sale of a Series of the Bonds, the Designated Officials are hereby authorized to provide to prospective Private Purchasers such information regarding the Board's operations and

finances as would typically be included in a Disclosure Document and to enter into such discussions and negotiations with such prospective Private Purchasers as such Designated Officials shall deem appropriate. In addition, the Designated Officials are hereby authorized to prepare a Notice of Sale for distribution to potential bidders in connection with a public, competitive sale of a Series of the Bonds and to take all actions necessary to conduct any such sale.

(g) The proceeds from the sale of each Series of the Bonds issued to finance costs of the Project shall be applied to (i) the payment of costs of the Project, (ii) capitalize such interest to become due on such Bonds for such period not to exceed the greater of 2 years or a period ending 6 months after the estimated date of completion of the acquisition and construction of the Project as shall be determined by the Chief Financial Officer or the Treasurer, and (iii) the payment of the expenses related to the issuance of such Bonds, including, without limitation, fees to be paid to Bond Insurers or Credit Providers, and such proceeds shall be applied as provided in the applicable Indenture. In addition, proceeds from the sale of a Series of the Bonds in the amount of not to exceed 10% of the principal amount thereof may be deposited into a debt service reserve fund to be held under the applicable Indenture upon the direction of the Chief Financial Officer or the Treasurer if it is determined that the creation of such debt service reserve fund is necessary and required in connection with the sale of such Bonds and such proceeds shall also be applied as provided in the applicable Indenture. All of such proceeds are hereby appropriated for the purposes specified in this paragraph.

(h) The Chief Financial Officer and the Treasurer are hereby each authorized individually to enter into or approve such agreements with investment providers as shall be necessary or advisable in connection with the investment of any funds on deposit under the Indenture, to the extent such investments are authorized under the terms of the Indenture, the Investment Policy of the Board and applicable law, as in effect from time to time.

*Section 5. Escrow of Pledged Revenues and Pledged Debt Service Taxes.* If deemed necessary and desirable to provide additional security for any Bonds, each of the Designated Officials is hereby authorized to execute and deliver on behalf of the Board, and the Secretary is authorized to attest, a form of escrow or other similar agreement with a bank, trust company or national banking association having the same qualifications as those set forth in **Section 2(a)** of this Resolution for a Trustee, reflecting the issuance of the Bonds and such segregation of 2022 Pledged Revenues and the segregation of Pledged Debt Service Taxes as the Designated Official executing such agreement shall deem appropriate.

*Section 6. Pledged Taxes Escrow Direction.* Each of the Designated Officials is hereby authorized, pursuant to authority contained in Section 20-90 of the Property Tax Code of the State of Illinois, as amended, to execute a written direction to the County Collectors of The Counties of Cook and DuPage, Illinois (the "**County Collectors**"), (i) to deposit the collections of the Pledged Debt Service Taxes as and when extended for collection directly with such escrow agent designated pursuant to **Section 5** of this Resolution in order to secure the payment of the principal of and interest on the Bonds, and (ii) to the extent necessary, advising the County Collectors of the abatement of the Pledged Debt Service Taxes. The Designated Officials are authorized to file a certified copy of this Resolution with each of the County Collectors.

*Section 7. Tax-Exemption and Non-Arbitrage.* Each of the Designated Officials is hereby authorized to take any other actions and to execute any other documents and certificates necessary to assure that the interest payments with respect to the Bonds of each Series are excludable from gross income for Federal income tax purposes, to assure that the Bonds do not constitute “*arbitrage bonds*” or “*private activity bonds*” under the Internal Revenue Code of 1986, as amended, and to effectuate the issuance and delivery of the Bonds, including but not limited to the execution and delivery of a Tax Agreement; *provided*, however, that any of the Bonds may be issued as Bonds the interest on which is includible in the gross income of the owner thereof for federal income tax purposes if determined by a Designated Official to be beneficial to the Board.

*Section 8. Continuing Disclosure Undertaking.* Each of the Designated Officials is hereby authorized to execute and deliver one or more Continuing Disclosure Undertakings (each, a “**Continuing Disclosure Undertaking**”) evidencing the Board’s agreement to comply with the requirements of Section (b)(5) of Rule 15c2-12, as applicable to the Bonds of each Series. Notwithstanding any other provision of this Resolution or any Indenture, the sole remedies for any failure by the Board to comply with a Continuing Disclosure Undertaking shall be the ability of the beneficial owner of any Bond of the applicable Series to seek mandamus or specific performance by court order to cause the Board to comply with its obligations under such Continuing Disclosure Undertaking. Each Continuing Disclosure Undertaking shall be in substantially the form used in previous financings of the Board, but with such changes therein as shall be approved by the Designated Official executing the same, with such execution to constitute conclusive evidence of such official’s approval and this Board’s approval of any changes or revisions therein from such form of Continuing Disclosure Undertaking.

*Section 9. Further Acts.* Each of the Designated Officials, officials or officers of the Board are hereby authorized to execute and deliver such other documents and agreements and perform such other acts as may be necessary or desirable in connection with the Bonds, including, but not limited to, the exercise following the delivery date of the Bonds of any power or authority delegated to such official under this Resolution with respect to the Bonds upon original issuance, but subject to any limitations on or restrictions of such power or authority as herein set forth.

All actions of the officials or officers of the Board that are in conformity with the purposes and intent of this Resolution are hereby in all respects ratified, approved, and confirmed.

*Section 10. Severability.* The provisions of this Resolution are hereby declared to be severable; and if any section, phrase, or provision shall for any reason be declared to be invalid, such declaration shall not affect the validity of the remainder of the sections, phrases, or provisions.

*Section 11. Repealer and Effective Date.* All resolutions or parts of resolutions in conflict herewith are, to the extent of such conflict, hereby repealed. This Resolution is effective immediately upon its adoption.

NOW, THEREFORE, Be It Hereby Resolved by the Chicago Board of Education of the Board of Education of the City of Chicago, as follows:

*Section 1. Incorporation of Preambles.* The preambles of this Resolution are hereby incorporated into this text as if set out herein in full.

*Section 2. Issuance of Bonds.* (a) There shall be authorized the borrowing for and on behalf of the Board of the aggregate principal amount of not to exceed \$600,000,000 for the purpose of funding (i) costs of the Approved Projects that are "**Capital Expenditures**" and "**Permitted Expenditures**" each as defined in the Master Trust Indenture, (ii) capitalized interest on the Bonds, (iii) the amount of required reserves and (iv) costs of issuance of the Bonds, including the cost of bond insurance or other credit enhancement. The Bonds are hereby authorized to be issued in an aggregate principal amount not to exceed \$600,000,000. The Bonds may be issued from time to time, in one or more Series, in said aggregate principal amount, or such lesser aggregate principal amounts, as may be determined by either (i) the President of the School Board (the "**President**"), or (ii) the Vice President of the School Board (the "**Vice President**") or any Member of the Board who is authorized to execute documents or take action in lieu of the President, (iii) the Chief Executive Officer, (iv) the Chief Financial Officer or (v) the Treasurer (each, a "**Designated Official**"). The Bonds of each Series shall be distinguished from each other Series by a designation or title, with such Series designation and with such additions, modifications or revisions as shall be determined to be necessary by any Designated Official at the time of the sale of such Bonds to reflect the order of sale of such Bonds, whether such Bonds are Capital Appreciation Bonds, Current Interest Bonds or Capital Appreciation and Income Bonds (each as defined in the Master Trust Indenture) and any other authorized features of such Bonds determined by any Designated Official as desirable to be reflected in the title of the Bonds being issued and sold as part of such Series. The Bonds of each Series shall be Additional Bonds issued and secured pursuant to the terms of the Master Trust Indenture and the Supplemental Indenture authorizing such Series. Each of the Designated Officials is hereby authorized to execute and deliver, and the Secretary is hereby authorized to attest to a Supplemental Indenture with respect to each Series on behalf of the Board, such Supplemental Indenture to be in substantially the form attached hereto as Exhibit B, but with such changes therein as shall be within the authorizations granted by this Resolution as shall be approved by the Designated Official executing the same, with such execution to constitute conclusive evidence of such Designated Official's approval and this Board's approval of any changes or revisions therein from the form of Supplemental Indenture authorized hereby.

The details of the sale of the Bonds as described in the notification of sale of such Bonds delivered by a Designated Official pursuant to Section 4(e) hereof and all provisions relating to the authorized denomination, registration, transfer and redemption of such Bonds, within the limitations set forth herein, shall be set forth in each Supplemental Indenture executed and delivered by a Designated Official as described herein.

(b) In order to secure the payment of the principal of, redemption price of, interest on and the Accreted Amount (as defined in the Master Trust Indenture) of each Series of the Bonds, the Board has heretofore and does hereby authorize the inclusion in the Master Trust Indenture and each Supplemental Indenture securing Bonds of a pledge of all or a portion of the Capital Improvement Taxes (the "**Pledged Capital Improvement Taxes**" as set forth in Section 3 hereof) to the payment of such Series. The Board covenants and agrees to provide for, collect and apply such Pledged Capital Improvement Taxes to the payment of the Dedicated Tax Bonds of such Series. Each of the Designated Officials is authorized to allocate all or a portion of the Pledged Capital Improvement Taxes to the payment of the principal of, redemption price of, interest on and the Accreted Amount of each Series of the Bonds and the Supplemental Indenture pursuant to which such Series of Bonds is issued shall identify the specific Pledged Capital Improvement Taxes allocated to such Series. Each Bond shall be a limited obligation of the Board payable from the Pledged Capital Improvement Taxes as provided in the Master Trust Indenture and the

Supplemental Indenture pursuant to which such Series is issued. Neither the full faith and credit of the Board nor the general taxing power of the Board (other than the Capital Improvement Tax) shall be pledged or otherwise available for the payment of Dedicated Tax Bonds. The payment of Dedicated Tax Bonds shall be secured by a pledge of and security interest in the Capital Improvement Taxes pursuant to Section 34-53.5 of the School Code and Section 13 of the Act.

(c) All or any portion of the Bonds may be issued as bonds payable in one payment on a fixed date (the "**Capital Appreciation Bonds**"). Any Bonds issued as Capital Appreciation Bonds shall be dated the date of issuance thereof and shall also bear the date of authentication, shall be in fully registered form, shall be numbered as determined by the Trustee and shall be in denominations equal to the original principal amounts of such Capital Appreciation Bonds or any integral multiple thereof, each such original principal amount representing Accreted Amount (as hereinafter defined) at maturity (the "**Maturity Amount**").

All or any portion of the Bonds may be issued as Bonds bearing interest at fixed rates and paying interest semiannually (the "**Current Interest Bonds**"). The Current Interest Bonds shall be dated such date as shall be agreed upon by a Designated Official and the purchasers of the Current Interest Bonds, shall be in fully registered form, and shall be numbered as determined by the Trustee.

The Bonds may be initially issued as Capital Appreciation Bonds containing provisions for the conversion of the Accreted Amount of such Bonds into Current Interest Bonds (the "**Capital Appreciation and Income Bonds**") at such time following the initial issuance as shall be approved by a Designated Official and include in the Supplemental Indenture securing the applicable Series.

The Bonds shall be dated as of a date not earlier than December 1, 2022, as determined by a Designated Official at the time of sale thereof. The principal of the Bonds shall become due and payable on any date not earlier than April 1, 2024 and not later than April 1, 2048. The Bonds shall be issued in such denominations as permitted under the applicable Supplemental Indenture securing such Bonds.

Any Bonds issued as Current Interest Bonds, Capital Appreciation Bonds or Capital Appreciation and Income Bonds shall bear interest (computed upon the basis of a 360-day year of twelve 30-day months) payable at a rate or rates not to exceed 9 percent per annum for any Bonds issued as tax-exempt Bonds or 13.5 percent per annum for any Bonds issued as taxable Bonds, all as shall be determined by a Designated Official at the time of sale of such Bonds. The interest on such Bonds shall be payable on such dates as determined in the applicable Indenture.

(d) The Bonds of each Series may be redeemable prior to maturity at the option of the Board, in whole or in part on any date, at such times and at such redemption prices as shall be determined by a Designated Official at the time of the sale thereof. In addition, the Bonds of each Series may be redeemable prior to maturity, in whole or in part on any date at such redemption prices as may be based upon a formula designed to compensate the owners of the Bonds based upon prevailing market conditions on the date fixed for redemption, all as shall be determined by a Designated Official at the time of sale thereof. The Bonds of each Series may be made subject to extraordinary redemption prior to maturity, in whole or in part on any date, at such times and at such redemption prices and upon the occurrence of such conditions, all as shall be determined by a Designated Official at the time of the sale thereof. The Bonds of each Series may also be made subject to sinking fund redemption, at par and accrued interest to the date fixed for redemption, as determined by a Designated Official at the time of the sale thereof; *provided*, that such Bonds shall reach final maturity not later than the date set forth in Section 2(c) hereof.

(e) The Bonds of each Series may initially be issued in book-entry only form as provided in the applicable Supplemental Indenture. The Bonds shall be executed by the manual or duly authorized facsimile signature of the President or Vice President and attested by the manual or duly authorized facsimile signature of the Secretary or her designee and prepared in the respective forms as provided in the applicable Indenture. The applicable Indenture may also require or permit the additional manual or duly authorized facsimile signature of the Chief Financial Officer or the Treasurer.

**Section 3. In no event may the annual levy for the Pledged Capital Improvement Taxes exceed the maximum annual amount of the Capital Improvement Tax authorized by Section 34-53.5 of the School Code (or any successor act authorizing the Capital Improvement Tax).

(b) After this Resolution becomes effective and a Series of Bonds is sold, a copy of this Resolution, certified by the Secretary, shall be filed with each of the County Clerks of the Counties of Cook and DuPage, Illinois (the “**County Clerks**”); and the County Clerks shall in and for each of the years required, ascertain the rate percent required to produce the aggregate Pledged Capital Improvement Taxes hereinbefore provided to be levied in each of said years; and the County Clerks shall extend the same for collection on the tax books in connection with other taxes levied in said year in and by the Board for general corporate purposes of the Board; and in said year the Pledged Capital Improvement Taxes shall be levied and collected by and for and on behalf of the Board in like manner as taxes for general corporate purposes of the Board for said years are levied and collected, and in addition to and in excess of all other taxes, and when collected, the taxes hereby levied shall be deposited with the Trustee under the Master Trust Indenture.

(c) To the extent and in the manner permitted in the Master Trust Indenture and each Supplemental Indenture securing Bonds, the Board may direct the abatement of the Pledged Capital Improvement Taxes in whole or in part.

(d) The notification of sale of any Series of Bonds delivered by the Designated Officials pursuant to Section 4(e) hereof may provide for the allocation of all or a portion of the Pledged Capital Improvement Taxes levied for any year pursuant to this Resolution to the payment of the principal and redemption price of and interest on such Series of the Bonds.

**Section 4. Sale of the Bonds, Purchase and Sale Agreements.** (a) Each Series of the Bonds shall be sold and delivered to the Purchasers thereof, subject to the terms and conditions of the applicable Purchase and Sale Agreement; *provided*, (i) that the aggregate purchase price of any Current Interest Bonds paid by the Purchaser shall be not less than 95 percent of the principal amount thereof to be issued (less any original issue discount used in the marketing thereof) plus accrued interest from their date to the date of delivery thereof and (ii) that the aggregate purchase price of any Capital Appreciation Bonds or Capital Appreciation and Income Bonds paid by the Purchaser shall not be less than 95 percent of the aggregate original principal amount thereof. Each of the Chief Financial Officer and the Treasurer are hereby authorized to execute and deliver on behalf of the Board a Purchase and Sale Agreement with respect to the sale of the Bonds of each Series, which (i) in the case of a Bond Purchase Agreement shall be in substantially the form used in previous financings of the Board and (ii) in the case of a Placement Agreement or a Competitive Sale Agreement shall contain terms and provisions no less favorable to the Board as those contained in a Bond Purchase Agreement. Any such Purchase and Sale Agreement shall contain such final terms as shall be approved by the Chief Financial Officer or Treasurer, such approval to be evidenced by such Chief Financial Officer's or Treasurer's execution thereof, and the Chief Financial Officer or the Treasurer is also authorized to do all things necessary and essential to effectuate the provisions of such Purchase and Sale Agreement, as executed, including the execution of any documents and certificates incidental thereto or necessary to carry out the provisions thereof. The Chief Financial Officer or the Treasurer shall make a finding in connection with the execution of each Purchase and Sale Agreement that (i) the Bonds sold thereunder have been sold at such price and bear interest at such rate that neither the true interest cost (yield) nor the net interest rate received upon the sale of such Bonds exceeds the maximum rate otherwise authorized by applicable law, and (ii) that no person holding any office of the Board, either by election or appointment is in any manner interested, either directly or indirectly, in his or her own name, in the name of any other person, association, trust or corporation, in the Master Trust Indenture, any Supplemental Indenture, the applicable Purchase and Sale Agreement or any agreement with a Bond Insurer, Debt Reserve Credit Facility Provider or Credit Provider authorized by paragraphs (b), (c) and (d) of this Section, or in the issuance and sale of such Bonds, in accordance with the laws of the State of Illinois and the Code of Ethics of the Board (Board Rule No. 11-0525-P02, as amended).

(b) In connection with any sale of the Bonds of each Series, each of the Designated Officials is hereby authorized to obtain a bond insurance policy from such recognized bond insurer as such Designated Official shall determine (the "**Bond Insurer**") if said Designated Official determines such bond insurance policy to be desirable in connection with the sale of such Series of Bonds, or with respect to specified or designated maturities of such Series of Bonds. Each Designated Official is also authorized to enter into such agreements and make such covenants with any Bond Insurer that such Designated Official deems necessary and that are not inconsistent with the terms and provisions of this Resolution and to pay upfront or annual fees to the Bond Insurer in connection therewith.

(c) In lieu of, or in addition to, the deposit of proceeds of the Bonds of any Series or other funds into the Consolidated Debt Service Reserve Fund maintained under the Master Trust Indenture and any other debt reserve fund as authorized in paragraph (g) of this Section, each of the Designated Officials is hereby authorized to obtain a debt reserve credit facility from such recognized provider as such Designated Official shall determine (the "**Debt Reserve Credit Facility Provider**") if such Designated Official determines such debt reserve credit facility to be desirable in providing for the funding of any required debt service reserve fund. Each Designated Official is also authorized to enter into such agreements and make such covenants with any Debt Reserve Credit Facility Provider that such Designated Official deems necessary and that are not inconsistent with the terms and provisions of this Resolution and the Master Trust Indenture, including the payment of reasonable fees to any Debt Reserve Credit Facility Provider.

(d) In connection with the sale of the Bonds of any Series, to provide additional security and liquidity for such Bonds, each of the Designated Officials is hereby authorized to obtain a letter of credit, line of credit or other credit or liquidity facility, including similar agreements with or facilities issued by a Bond Insurer (a "**Credit Facility**"), if determined by such Designated Official to be desirable in connection with such sale of Bonds. Each of the Designated Officials is hereby further authorized to appoint one or more banks, Bond Insurers or other financial institutions to issue such Credit Facility (the "**Credit Provider**") and to execute and deliver on behalf of the Board a credit, reimbursement or similar agreement (the "**Credit Agreement**") providing for the issuance of the Credit Facility and the obligation of the Board to repay funds borrowed under the Credit Facility or advances made by the Credit Provider under the Credit Facility with respect to such Bonds. The Credit Facility may be in a form that provides for the purchase of such Bonds by the Credit Provider (any such Bond so purchased being referred to as a "**Bank Bond**") and the Supplemental Indenture as executed and delivered shall reflect the terms and provisions of such Bank Bonds. Any Bonds outstanding as Bank Bonds shall be secured as provided in the applicable Indenture. The annual fee paid to any Credit Provider for the provision of a Credit Facility shall not exceed 3 percent of the amount available to be drawn or advanced under such Credit Facility.

The Credit Agreement may provide that alternative interest rates or provisions will apply during such times as the Bonds constitute Bank Bonds or the Board has outstanding repayment obligations to the Credit Provider (the "**Credit Provider Rate**"), which Credit Provider Rate shall not exceed the maximum permitted by law, but in no event more than 15 percent per annum (the "**Maximum Credit Provider Rate**"). The Credit Agreement may further provide that to the extent the Credit Provider Rate determined at any time pursuant to the Credit Agreement exceeds the Maximum Credit Provider Rate, such excess may accrue at the then-applicable Credit Provider Rate (but in no event may such excess accrue at a rate in excess of 25 percent per annum) and be added to the Credit Provider Rate at such time or times thereafter as the Credit Provider Rate shall be less than the Maximum Credit Provider Rate; *provided*, that at no time shall the Credit Provider Rate per annum exceed the Maximum Credit Provider Rate.

(e) Subsequent to the sale of the Bonds of any Series, any one or more of the Designated Officials shall file in the office of the Secretary a notification of sale directed to the Board setting forth (i) the aggregate original principal amount of, maturity schedule, redemption provisions and interest rates for the Bonds sold, (ii) a description of the specific Pledged Capital Improvement Taxes pledged to the payment of the principal of, redemption price of, interest on and the Accreted Amount of the Bonds of such Series, (iii) the principal amounts of the Bonds sold as Current Interest Bonds, Capital Appreciation Bonds and Capital Appreciation and Income Bonds, respectively, (iv) in the case of Bonds sold as Capital Appreciation Bonds and Capital Appreciation and Income Bonds, (A) the Original Principal Amounts of and Yields to Maturity on the Capital Appreciation Bonds and Capital Appreciation and Income Bonds being sold, and (B) a table of Accreted Amount per \$5,000 Maturity Amount for any Capital Appreciation Bonds and Capital Appreciation and Income Bonds being sold, setting forth the Accreted Amount of each such Capital Appreciation Bond and Capital Appreciation and Income Bonds on each semiannual compounding date, (v) the interest rates on the Current Interest Bonds sold, (vi) debt service schedules for the Bonds, demonstrating that the Pledged Capital Improvement Taxes are expected to be sufficient to provide for the punctual payment of the debt service on the Series of Bonds, (vii) the terms and provisions for the conversion of the Accrued Amount of any Capital Appreciation and Income Bonds issued hereunder into Current Interest Bonds, (viii) the application of the proceeds of such Bonds for the purposes and within the limitations set forth in paragraph (g) of this Section, (ix) if a bond insurance policy is obtained as authorized herein, the identity of the Bond Insurer issuing the bond insurance policy and the premium and any fees required to be paid thereto, (x) if a debt reserve credit facility is obtained as authorized herein, the identity of the Debt Reserve Credit Facility Provider issuing the debt reserve credit facility, (xi) if a Credit Facility is obtained as authorized herein, the identity of the Credit Provider issuing the Credit Facility, and a copy of the Credit Agreement between the Board and such Credit Provider shall be attached to said notification of sale, and (xii) the identity of and the compensation paid to the Purchasers in connection with such sale.

In the event that the Designated Official executing such notification of sale with respect to Bonds determines that the Bonds have been sold in such principal amount or maturing or bearing interest so as to require the levy of Pledged Capital Improvement Taxes in any year less than the amount specified therefor in Section 3(a) hereof, then such Designated Official shall include, in the notification of sale described in this Section, the amount of reduction in the amount levied in Section 3(a) hereof for each year resulting from such sale, and in addition, either or both of the Designated Officials shall file in the respective offices of the County Clerks certificates of tax abatement for such years. No such reduction in the amounts levied in Section 3(a) hereof need be made nor must any certificate of tax abatement be filed as described in the preceding sentence until any one or more of the Designated Officials have determined that any amount so levied in Section 3(a) hereof will not be needed to secure the Bonds being sold at that time or any Series of Bonds to be sold in the future. Any certificate of abatement delivered pursuant to this paragraph shall refer to the amount of Pledged Capital Improvement Taxes levied pursuant to Section 3(a) hereof, shall indicate the amount of reduction in the amount of Pledged Capital Improvement Taxes levied by the Board resulting from the sale of such Bonds, which reduced amount is to be abated from such Pledged Capital Improvement Taxes, and shall further indicate the remainder of such Pledged Capital Improvement Taxes which is to be extended for collection by the County Clerks. Each of the Designated Officials is also authorized to file in the respective offices of the County Clerks certificates of tax abatement that reflect the refunding of any obligations of the Board. Any abatement or reduction of Pledged Capital Improvement Taxes shall not constitute a reduction in the annual amount of Capital Improvement Tax that the Board is authorized to levy pursuant to Section 34-53.5 of the School Code

(f) The distribution of a Preliminary Official Statement, Private Placement Memorandum, Limited Offering Memorandum or Notice of Public Sale relating to each Series of the Bonds (the **"Disclosure Document"**) in substantially the respective forms delivered in connection with previous issues of Bonds, but with such changes as shall be approved by a Designated Official to reflect the terms of the Bonds proposed to be sold and the method of sale of such Bonds, is hereby in all respects, ratified, authorized and approved and shall be **"deemed final"** for purposes of Rule 15c2-12, adopted by the Securities and Exchange Commission under the Securities Exchange Act of 1934 (**"Rule 15c2-12"**), and the proposed use by the Underwriters or the Competitive Purchasers of a final Official Statement (in substantially the form (i) of the Preliminary Official Statement but with appropriate variations, omissions and insertions to reflect the final terms of the Bonds being sold or (ii) authorized herein for a Preliminary Official Statement if none is used in the marketing of the Bonds being sold) is hereby approved. Each Designated Official is hereby authorized and directed to execute the final Official Statement or other Disclosure Document on behalf of the Board. A Designated Official may also cause the preparation and circulation of a Disclosure Document with respect to short-term borrowings of the Board for secondary market purposes that have been previously authorized by the Board.

If determined to be necessary by a Designated Official in connection with the initial sale or subsequent reoffering of any obligations previously authorized by this Board, the preparation, use and distribution of a Disclosure Document relating to such obligations is hereby authorized and approved. The Designated Officials are each hereby authorized to execute and deliver such Disclosure Document on behalf of the Board. The Disclosure Document herein authorized shall contain a description of the terms and provisions of, and security for, such obligations, the use of proceeds of such obligations, financial information relating to the Board, and such other information as any Designated Officer determines to be advisable under the circumstances.

In connection with the sale of a Series of the Bonds, the Designated Officials are hereby authorized to provide to prospective Placement Purchasers such information regarding the Board's operations and finances as would typically be included in a Disclosure Document and to enter into such discussions and negotiations with such prospective Placement Purchasers as such Designated Officials shall deem appropriate. In addition, the Designated Officials are hereby authorized to prepare a Notice of Sale for distribution to potential bidders in connection with a public, competitive sale of a Series of the Bonds and to take all actions necessary to conduct any such sale.

(g) The proceeds from the sale of each Series of the Bonds shall be applied to the payment of (i) costs of Approved Projects that are **"Permitted Expenditures"** and **"Capital Expenditures"** as defined in the Master Trust Indenture, (ii) such interest to become due on such Bonds for such period not to exceed the greater of 2 years or a period ending 6 months after the estimated date of completion of the acquisition and construction of the capital improvements as shall be determined by the Chief Financial Officer or the Treasurer, and (iii) the payment of the expenses related to the issuance of such Bonds, including, without limitation, fees to be paid to Bond Insurers or Credit Providers, and such proceeds shall be applied as provided in the applicable Indenture. In addition, proceeds from the sale of a Series of the Bonds in the amount of not to exceed 10% of the principal amount thereof may be (i) deposited into the Consolidated Debt Service Reserve Fund or (ii) any other debt service reserve fund to be held under the applicable Supplemental Indenture upon the direction of the Chief Financial Officer or the Treasurer if it is determined that the creation of such other debt service reserve fund is necessary and required in connection with the sale of such Bonds. All of such proceeds are hereby appropriated for the purposes specified in this paragraph.

(h) Each of the Chief Financial Officer and the Treasurer is hereby authorized to enter into or approve such agreements with investment providers as shall be necessary or advisable in connection with the investment of any funds on deposit under the Master Trust Indenture or any Supplemental Indenture, to the extent such investments are authorized under the terms of the Master Trust Indenture, the Investment Policy of the Board and applicable law, as in effect from time to time.

**Section 5. Escrow Directions.** Each of the Designated Officials is hereby authorized, pursuant to authority contained in Section 20-90 of the Property Tax Code, 35 Illinois Compiled Statutes 200, to execute a written direction to the County Collectors of The Counties of Cook and DuPage, Illinois (the "**County Collectors**"), (i) to deposit the collections of the Capital Improvement Taxes as and when extended for collection directly with the Trustee in order to secure the payment of the principal of and interest on the Bonds and to provide for the disposition of the Pledged Capital Improvement Taxes and (ii) to the extent necessary, advising the County Collectors of the abatement of Pledged Capital Improvement Taxes. The Designated Officials are directed to file a certified copy of this Resolution with each of the County Collectors.

**Section 6. Tax-Exemption and Non-Arbitrage.** Each of the Designated Officials is hereby authorized to take any other actions and to execute any other documents and certificates necessary to assure that the interest payments with respect to the Bonds of each Series are excludable from gross income for federal income tax purposes, to assure that the Bonds do not constitute "arbitrage bonds" or "private activity bonds" under the Internal Revenue Code of 1986, as amended, and to effectuate the issuance and delivery of the Bonds; *provided, however*, that any of the Bonds may be issued as Bonds the interest on which is includible in the gross income of the owner thereof for federal income tax purposes if determined by a Designated Official to be beneficial to the Board.

**Section 7. Continuing Disclosure Undertaking.** Each of the Designated Officials is hereby authorized to execute and deliver one or more Continuing Disclosure Undertakings (each, a "**Continuing Disclosure Undertaking**") evidencing the Board's agreement to comply with the requirements of Section (b)(5) of Rule 15c2-12, as applicable to the Bonds of each Series. Notwithstanding any other provision of this Resolution, the Master Trust Indenture or any Supplemental Indenture, the sole remedies for any failure by the Board to comply with a Continuing Disclosure Undertaking shall be the ability of the beneficial owner of any Bond to seek mandamus or specific performance by court order to cause the Board to comply with its obligations under the applicable Continuing Disclosure Undertaking. Each Continuing Disclosure Undertaking shall be in substantially the form used in previous financings of the Board, but with such changes therein as shall be approved by the Designated Official executing the same, with such execution to constitute conclusive evidence of such official's approval and this Board's approval of any changes or revisions therein from such form of Continuing Disclosure Undertaking.

**Section 8. Further Acts.** Each of the Designated Officials, officials or officers of the Board are hereby authorized to execute and deliver such other documents and agreements and perform such other acts as may be necessary or desirable in connection with the Bonds, including, but not limited to, the exercise following the delivery date of the Bonds of any power or authority delegated to such official under this Resolution with respect to the Bonds upon original issuance, but subject to any limitations on or restrictions of such power or authority as herein set forth.

All actions of the officials or officers of the Board that are in conformity with the purposes and intent of this Resolution are hereby in all respects ratified, approved, and confirmed.

**Section 9. Severability.** The provisions of this Resolution are hereby declared to be severable; and if any section, phrase, or provision shall for any reason be declared to be invalid, such declaration shall not affect the validity of the remainder of the sections, phrases, or provisions.

**Section 10. Repeater and Effective Date.** All resolutions or parts of resolutions in conflict herewith are, to the extent of such conflict, hereby repealed. This Resolution is effective immediately upon its adoption.

WHEREAS, pursuant to Section 34-53.5(f) of the School Code, the Board may issue bonds, in accordance with the Local Government Debt Reform Act, 30 Illinois Compiled Statutes 350, against any revenues to be collected from the Capital Improvement Tax (as defined in the Indenture) in any year or years; and

Such Series of Bonds shall be designated as, and shall be distinguished from the Bonds of all other Series, by the title “Dedicated Capital Improvement Tax Bonds, Series 2023.” Each Series 2023 Bond shall be and is hereby designated as an Additional Bond and a Consolidated Reserve Fund Bond under the Indenture.

**Section 202. General Provisions for Issuance.** The Series 2023 Bonds shall be issued pursuant to Section 204 of the Indenture shall be executed by the Board and delivered to the Trustee and thereupon shall be authenticated by the Trustee and delivered to the Board or upon its order, but only upon the receipt by the Trustee, at or prior to such authentication, of each of the items listed in clauses (1), (2), (4), (5), (6) and (7) of Section 202(A) of the Indenture and the Certificate of an Authorized Officer required by Section 206(A) of the Indenture.

**Section 203. Terms of Series 2023 Bonds.** (A) Each Series 2023 Bond shall be in registered form and shall be initially dated \_\_\_\_\_, 2023. Series 2023 Bonds authenticated and delivered prior to \_\_\_\_\_ 1, 20\_\_\_\_, shall be dated as of \_\_\_\_\_, 2023. Series 2023 Bonds authenticated and delivered on or after \_\_\_\_\_ 1, 20\_\_\_\_ shall be dated the April 1 or October 1 preceding the date of their authentication and delivery to which interest has been paid or duly provided for, except Series 2023 Bonds authenticated and delivered on a April 1 or October 1 to which interest has been paid or duly provided shall be dated that April 1 or October 1.

(B) Each Series 2023 Bond shall bear interest from its date, payable on each Interest Payment Date, and computed on the basis of a 360-day year consisting of twelve 30-day months.

(C) The Series 2023 Bonds shall mature on April 1 of each of the years and in the principal amounts and shall bear interest at the following rates per annum set forth in the following table:

<u>Year</u>	<u>Principal Amount</u>	<u>Interest Rate</u>
	\$	

(D) The Series 2023 Bonds shall be in denominations of \$100,000 or any integral multiple of \$5,000 in excess of \$100,000 (but no single Series 2023 Bond shall represent principal maturing on more than one date) and each Series 2023 Bond shall be numbered consecutively but need not be authenticated or delivered in consecutive order. The Series 2023 Bonds and the Trustee's Certificate of Authentication shall be in substantially the form set forth in *Exhibit A* attached hereto and by reference made a part hereof with such variations, omissions or insertions as are required or permitted by the Indenture.

(E) The Principal of the Series 2023 Bonds shall be payable at the designated corporate trust offices of the Trustee, in the City of Chicago, Illinois, as Paying Agent, and at such offices of any co-Paying Agent or successor Paying Agent or Paying Agents for the Series 2023 Bonds appointed pursuant to the Indenture. Interest on the Series 2023 Bonds shall be payable by check or bank draft mailed or delivered by the Trustee to the Owners as the same appear on the registration books of the Board maintained by the Registrar as of the Record Date or, at the option of any Owner, by wire transfer of Current

(i) \$\_\_\_\_\_ shall be deposited into the Consolidated Debt Service Reserve Fund;

(ii) \$\_\_\_\_\_ shall be deposited into 2023 Capitalized Interest Account; and

(iii) \$\_\_\_\_\_ shall be deposited into the 2023 Project Account.

(G) The Series 2023 Bonds shall be initially issued in the form of a separate single fully registered Series 2023 Bond for each maturity. Upon initial issuance, the ownership of each such Series 2023 Bond shall be registered in the registration books kept by the Trustee in the name of Cede & Co., as nominee of DTC, and except as hereinafter provided, the ownership of all of the outstanding Series 2023 Bonds shall be registered in the name of Cede & Co., as nominee of DTC.

With respect to Series 2023 Bonds registered in the name of Cede & Co., as nominee of DTC, the Board and the Trustee shall have no responsibility or obligation to any DTC Participant or to any person on behalf of whom such a DTC Participant holds an interest in the Series 2023 Bonds. Without limiting the immediately preceding sentence, the Board and the Trustee shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co. or any DTC Participant with respect to any ownership interest in any Series 2023 Bond, (ii) the delivery to any DTC Participant or any other Person, other than the Owner of any Series 2023 Bond, of any notice with respect to such Series 2023 Bond, (iii) the payment to any DTC Participant or any other Person, other than the Owner of any Series 2023 Bond, of any amount with respect to Principal or Redemption Price of or interest on such Series 2023 Bond or (iv) any allocation method for the redemption, including any pro-rata redemption, of Series 2023 Bonds among DTC Participants and the beneficial owners of the Series 2023 Bonds. The Board, the Trustee and each other Paying Agent, if any, shall be entitled to treat and consider the Person in whose name each Series 2023 Bond is registered as the absolute owner of such Series 2023 Bond for the purpose of payment of Principal and interest with respect to such Series 2023 Bond, for the purpose of giving notices of redemption, for the purpose of registering transfers with respect to such Series 2023 Bond and for all other purposes whatsoever. The Trustee and each other Paying Agent, if any, shall pay all Principal of and interest on the Series 2023 Bonds only to or upon the order of the respective Owners thereof, or their respective attorneys duly authorized in writing, and all such payments shall be valid and effective to satisfy and discharge fully the Board's obligations with respect to payment of Principal of and interest on the Series 2023 Bonds to the extent of the sum or sums so paid.

No Person other than an Owner of a Series 2023 Bond shall receive a Series 2023 Bond certificate evidencing the obligation of the Board to make payments of Principal of and interest on the Series 2023 Bonds pursuant to the Indenture.

The Owners of the Series 2023 Bonds have no right to the appointment or retention of a depository for such Series 2023 Bonds. DTC may resign as securities depository under the conditions provided in the Letter of Representations. In the event of any such resignation, the Board shall (i) appoint a successor securities depository, qualified to act as such under Section 17(a) of the Securities Exchange Act of 1934, as amended, notify DTC of the appointment of such successor securities depository and transfer or cause the transfer of one or more separate Series 2023 Bond certificates to such successor securities depository or (ii) notify DTC of the availability through DTC of Series 2023 Bond certificates and transfer or cause the transfer of one or more separate Series 2023 Bond certificates to DTC Participants having Series 2023 Bonds credited to their DTC accounts. In such event, the Series 2023 Bonds shall no longer be restricted to being registered in the name of Cede & Co., as nominee of DTC, but may be registered in the name of the successor securities depository, or its nominee, or in whatever name or names the DTC Participants receiving Series 2023 Bonds shall designate, in accordance with the provisions of the Indenture.

The Board has heretofore executed and delivered the Letter of Representations to DTC. So long as DTC, or its designee, is the Owner of all Series 2023 Bonds, the provisions set forth in the Letter of Representations shall apply to the redemption of any Series 2023 Bonds and to the payment of Principal or Redemption Price of and interest on the Series 2023 Bonds, including without limitation, that: (1) presentation of Series 2023 Bonds to the Trustee at maturity shall be deemed made to the Trustee when the right to exercise ownership rights in the Series 2023 Bonds through DTC or DTC's Participants is transferred by DTC on its books; and (2) DTC may present notices, approvals, waivers or other communications required or permitted to be made by Owners of Series 2023 Bonds under this Indenture on a fractionalized basis on behalf of some or all of those Persons entitled to exercise ownership rights in the Series 2023 Bonds through DTC or DTC's Participants.

So long as the Series 2023 Bonds are registered in the name of Cede & Co., as nominee of DTC, the Trustee agrees to comply with the terms and provisions of the Letter of Representations.

**Section 204. Optional Redemption.** The Series 2023 Bonds maturing on or after April 1, 20\_\_ shall be subject to redemption prior to maturity at the option of the Board, in such principal amounts and from such maturities as the Board shall determine and in part within a maturity as provided in Section 209, and upon notice as provided in Section 207, on \_\_\_\_\_ 1, 20\_\_ and on any date thereafter, at a Redemption Price equal to the principal amount of the Series 2023 Bonds to be redeemed; plus accrued interest on the Series 2023 Bonds being redeemed to the date fixed for redemption.

**Section 205. Mandatory Sinking Fund Redemption.** The Series 2023 Bonds maturing on April 1, 20\_\_ are Term Bonds subject to mandatory redemption at a Redemption Price of par, on April 1 of the following years and in the following principal amounts, each constituting a Sinking Fund Installment for the retirement of the Term Bonds as set forth in the following table, subject to adjustment pursuant to Section 206:

<u>Year</u>	<u>Principal Amount</u>
	\$

The final maturity amount of the Term Bonds due April 1, 20\_\_ is \$\_\_\_\_\_.

The Series 2023 Bonds maturing on April 1, 20\_\_ are Term Bonds subject to mandatory redemption at a Redemption Price of par, on April 1 of the following years and in the following principal amounts, each constituting a Sinking Fund Installment for the retirement of the Term Bonds as set forth in the following table, subject to adjustment pursuant to Section 206:

<u>Year</u>	<u>Principal Amount</u>
20__	\$
20__	
20__	

The final maturity amount of the Term Bonds due April 1, 20\_\_ is \$\_\_\_\_\_.

**Section 206. Adjustment of Sinking Fund Installments.** In the event of the optional redemption by the Board of less than all of the Term Bonds of the same maturity, the principal amount so redeemed shall be credited against the unsatisfied balance of future Sinking Fund Installments and the final maturity amount established with respect to such Term Bonds as shall be determined by the Board in a Certificate of an Authorized Officer filed with the Trustee or, in the absence of such determination, shall be credited pro-rata against the applicable Sinking Fund Installments and final maturity amount.

**Section 207. Redemption at the Election or Direction of the Board.** In the case of any redemption of Series 2023 Bonds at the election or direction of the Board, the Board shall give written notice to the Trustee of its election or direction so to redeem, of the date fixed for redemption, and of the principal amounts and interest rates of the Series 2023 Bonds of each maturity to be redeemed. Such notice shall be given at least 35 days prior to the specified redemption date or such shorter period as shall be acceptable to the Trustee. In the event notice of redemption shall have been given as in Section 210 provided, there shall be paid on or prior to the specified redemption date to the Trustee an amount in cash

or Government Obligations maturing on or before the specified redemption date which, together with other moneys, if any, available therefor held by the Trustee, will be sufficient to redeem all of the Series 2023 Bonds to be redeemed on the specified redemption date at their Redemption Price plus interest accrued and unpaid to the date fixed for redemption. Such amount and moneys shall be held in a separate, segregated account for the benefit of the Owners of the Series 2023 Bonds so called for redemption.

**Section 208. Redemption Otherwise Than at Board's Election or Direction.**

Whenever by the terms of this Fourth Supplemental Indenture the Trustee is required or authorized to redeem Series 2023 Bonds otherwise than at the election or direction of the Board, the Trustee shall select the Series 2023 Bonds to be redeemed in accordance with Section 209, give the notice of redemption and pay the Redemption Price thereof, plus interest accrued and unpaid to the date fixed for redemption.

**Section 209. Selection of Series 2023 Bonds to Be Redeemed.** If less than all the Series 2023 Bonds of the same maturity are called for redemption, the particular Series 2023 Bonds or portion of Series 2023 Bonds to be redeemed shall be selected at random by the Trustee in such manner as the Trustee in its discretion may deem fair and appropriate; *provided, however*, that the portion of any Series 2023 Bond of a denomination of more than the minimum Authorized Denomination to be redeemed shall be in the principal amount of an Authorized Denomination and that, in selecting portions of such Series 2023 Bonds for redemption, the Trustee shall treat each such Series 2023 Bond as representing that number of Series 2023 Bonds of the minimum Authorized Denomination which is obtained by dividing the principal amount of such Series 2023 Bond to be redeemed in part by said minimum Authorized Denomination. If all Series 2023 Bonds are held in book-entry only form, the particular Series 2023 Bonds or portions thereof to be redeemed shall be selected by DTC in such manner as DTC shall determine, provided, however, that in no event shall any redemption result in unrefunded Series 2023 Bonds of a denomination less than \$100,000.

**Section 210. Notice of Redemption.** When the Trustee shall receive notice from the Board of its election or direction to redeem Series 2023 Bonds pursuant to Section 207, and when redemption of Series 2023 Bonds is authorized or required pursuant to Section 208, the Trustee shall give notice, in the name of the Board, of the redemption of such Series 2023 Bonds, which notice shall specify the maturities and interest rates of the Series 2023 Bonds to be redeemed, the date fixed for redemption and the place or places where amounts due upon such date fixed for redemption will be payable and, if less than all of the Series 2023 Bonds of any like maturity and interest rate are to be redeemed, the letters and numbers or other distinguishing marks of such Series 2023 Bonds so to be redeemed, and, in the case of Series 2023 Bonds to be redeemed in part only, such notice shall also specify the respective portions of the principal amount thereof to be redeemed. Such notice shall further state that on such date there shall become due and payable the Redemption Price of each Series 2023 Bond to be redeemed, or the Redemption Price of the specified

portions of the principal thereof in the case of Series 2023 Bonds to be redeemed in part only, together with interest accrued to the date fixed for redemption, and that from and after such date interest thereon shall cease to accrue and be payable. The Trustee shall mail copies of such notice by first-class mail, postage prepaid, not more than 60 days nor less than 30 days before the date fixed for redemption, to the Owners of the Series 2023 Bonds to be redeemed at their addresses as shown on the registration books of the Board maintained by the Registrar. If the Trustee mails notices of redemption as herein provided, notice shall be conclusively presumed to have been given to all Owners.

With respect to an optional redemption of any Series 2023 Bonds, unless moneys sufficient to pay the Redemption Price of, and interest on the Series 2023 Bonds to be redeemed shall have been received by the Trustee prior to the giving of such notice of redemption, such notice may, at the option of the Board, state that said redemption shall be conditional upon the receipt of such moneys by the Trustee on or prior to the date fixed for redemption. If such moneys are not received, such notice shall be of no force and effect, the Board shall not redeem such Series 2023 Bonds and the Trustee shall give notice, in the same manner in which the notice of redemption was given, that such moneys were not so received and that such Series 2023 Bonds will not be redeemed.

**Section 211. Payment of Redeemed Series 2023 Bonds.** Notice having been given in the manner provided in Section 210, the Series 2023 Bonds or portions thereof so called for redemption shall become due and payable on the date fixed for redemption at the Redemption Price, plus interest accrued and unpaid to such date, and, upon presentation and surrender thereof at any place specified in such notice, such Series 2023 Bonds, or portions thereof, shall be paid at the Redemption Price, plus interest accrued and unpaid to such date. If there shall be called for redemption less than all of a Series 2023 Bond, the Board shall execute and the Trustee shall authenticate and the appropriate Fiduciary shall deliver, upon the surrender of such Series 2023 Bond, without charge to the Owner thereof, for the unredeemed balance of the principal amount of the Series 2023 Bond so surrendered, fully registered Series 2023 Bonds of like maturity and interest rate in any Authorized Denominations. If, on the date fixed for redemption, moneys for the redemption of all the Series 2023 Bonds or portions thereof of like maturity and interest rate to be redeemed, together with interest to such date, shall be held by the Trustee so as to be available therefor on said date and if notice of redemption shall have been given as aforesaid, then, from and after the date fixed for redemption, interest on the Series 2023 Bonds or portions thereof of such maturity and interest rate so called for redemption shall cease to accrue and become payable. If said moneys shall not be so available on the date fixed for redemption, such Series 2023 Bonds or portions thereof shall continue to bear interest until paid at the same rate as they would have borne had they not been called for redemption.

### ARTICLE III

##### Section 301. Creation of Sub-Fund and Accounts.

(A) Creation of Series 2023 Dedicated Sub-Fund. There is hereby created by the Board and ordered established with the Trustee a separate and segregated Sub-Fund within the Debt Service Fund, such Sub-Fund to be designated the “Series 2023 Dedicated Sub-Fund” (the “*Series 2023 Dedicated Sub-Fund*”). ##### Section 302. Deposits into Series 2023 Dedicated Sub-Fund and Accounts.

(A) On each Business Day, commencing February 1, 20\_\_ (each such date referred to herein as the “*Deposit Date*”) there shall be withdrawn from the Debt Service Fund and deposited into the Series 2023 Dedicated Sub-Fund, until there shall have been deposited into the various Accounts in the Series 2023 Dedicated Sub-Fund an amount equal to the aggregate of the amounts set forth in subsection (B) of this Section (such aggregate amount with respect to any Deposit Date being referred to herein as the “*Series 2023 Deposit Requirement*”).

(B) On each Deposit Date that moneys are available for deposit into the Series 2023 Dedicated Sub-Fund, the Trustee shall make the following deposits in the following order of priority and if the moneys deposited into the Series 2023 Dedicated Sub-Fund are

insufficient to make any required deposit, the deposit shall be made up on the next Deposit Date after required deposits having a higher priority shall have been made in full:

First: for deposit into the 2023 Interest Account, an amount equal to the amount required so that the sum held in the 2023 Interest Account, when added to the interest payable from the 2023 Capitalized Interest Account on the applicable Interest Payment Dates, will equal the sum of the unpaid interest due on the Series 2023 Bonds on the next ensuing Interest Payment Dates to and including the first day of April of the next calendar year; and

Second: commencing on February 1, 20\_\_, for deposit into the 2023 Principal Account, the amount required so that the sum then held in the 2023 Principal Account will equal the sum of the unpaid Principal due on the Series 2023 Bonds on the first day of April of the next calendar year.

(C) In addition to the Series 2023 Deposit Requirement, there shall be deposited into the Series 2023 Dedicated Sub-Fund any other moneys received by the Trustee under and pursuant to the Indenture or this Fourth Supplemental Indenture, when accompanied by directions from the person depositing such moneys that such moneys are to be paid into the Series 2023 Dedicated Sub-Fund and to one or more accounts in the Series 2023 Dedicated Sub-Fund.

**Section 303. 2023 Interest Account.** The Trustee shall withdraw from the 2023 Interest Account, prior to each Interest Payment Date, an amount equal to the interest due on the Series 2023 Bonds and not payable from the 2023 Capitalized Interest Account, and apply the same to the payment of such interest.

**Section 304. 2023 Capitalized Interest Account.** The Trustee shall withdraw from the 2023 Capitalized Interest Account, prior to each of the following Interest Payment Dates, the amount set forth in the following table, and apply the same to the payment of the interest on the Series 2023 Bonds due on such Interest Payment Date.

<u>Interest Payment Date</u>	<u>Amount</u>
April 1, 2023	\$
October 1, 2023	
April 1, 2024	

Any amount remaining in the 2023 Capitalized Interest Account on April 2, 2024, shall be withdrawn from the 2023 Capitalized Interest Account and deposited into the 2023 Interest Account.

**Section 305. 2023 Principal Account.** (A) The Trustee shall withdraw from the 2023 Principal Account, prior to each Principal Payment Date, an amount equal to the

Principal of the Series 2023 Bonds maturing or due on that date, and apply the same to the payment of such Principal when due.

(B) The Trustee shall establish and maintain in the 2023 Principal Account a separate Sub-Account for each maturity of the Term Bonds for which Sinking Fund Installments are established pursuant to Section 205. Moneys paid into the 2023 Principal Account in respect of Sinking Fund Installments in any Bond Year shall upon receipt be segregated and set aside in said Sub-Accounts in proportion to the respective amounts of the Sinking Fund Installment on the next ensuing Principal Payment Date with respect to the particular Term Bonds for which each such Sub-Account is maintained.

(C) The Trustee shall apply moneys in any Sub-Account established in the 2023 Principal Account as provided in Paragraph (B) of this Section to the redemption of the Term Bonds for which such Sub-Account is maintained in the manner provided in this Section and Article II or to the payment of the Principal thereof at maturity. If at any date there shall be moneys in any such Sub-Account and there shall be Outstanding none of the Term Bonds for which such Sub-Account was established, said Sub-Account shall be closed and the moneys therein shall be withdrawn therefrom and be applied by the Trustee as if paid into the 2023 Principal Account on that date.

(D) Amounts deposited to the credit of the 2023 Principal Account to be used in satisfaction of any Sinking Fund Installment may, and if so directed by the Board in a Certificate of an Authorized Officer filed with the Trustee shall, be applied by the Trustee, on or prior to the 60<sup>th</sup> day next preceding the next Principal Payment Date on which a Sinking Fund Installment is due, to the purchase of Outstanding Term Bonds of the maturity for which such Sinking Fund Installment was established. That portion of the purchase price attributable to accrued interest shall be paid from the 2023 Interest Account. All such purchases of Outstanding Term Bonds shall be made at prices not exceeding the applicable sinking fund Redemption Price of such Term Bonds plus accrued interest, and such purchases shall be made in such manner as the Board shall determine. The principal amount of any Term Bonds so purchased shall be deemed to constitute part of the 2023 Principal Account until the Principal Payment Date on which such Sinking Fund Installment is due, for the purpose of calculating the amount on deposit in such Account.

(E) At any time up to the 60<sup>th</sup> day next preceding the next Principal Payment Date on which a Sinking Fund Installment is due, the Board may purchase Outstanding Term Bonds for which such Sinking Fund Installment was established and surrender such Term Bonds to the Trustee at any time up to said date.

(F) After giving effect to the Outstanding Term Bonds purchased by the Trustee and Outstanding Term Bonds surrendered by the Board as described in Paragraphs (D) and (E) of this Section, which shall be credited against the Sinking Fund Installment at the applicable sinking fund Redemption Price thereof, and as soon as practicable after the 60<sup>th</sup> day next preceding the next Principal Payment Date on which a Sinking Fund Installment

is due, the Trustee shall proceed to call for redemption on such Principal Payment Date Outstanding Term Bonds for which such Sinking Fund Installment was established in such amount as shall be necessary to complete the retirement of the unsatisfied portion of such Sinking Fund Installment. The Trustee shall pay out of the 2023 Principal Account to the appropriate Paying Agents, on or before the day preceding such redemption date, the Redemption Price required for the redemption of the Outstanding Term Bonds so called for redemption, and such amount shall be applied by such Paying Agents to such redemption.

(G) If the principal amount of Outstanding Term Bonds retired through application of amounts in satisfaction of any Sinking Fund Installment shall exceed such Sinking Fund Installment, or in the event of the purchase from moneys other than from the 2023 Principal Account of Outstanding Term Bonds for which Sinking Fund Installments have been established, such excess over the principal amount of Outstanding Term Bonds so purchased shall be credited toward future scheduled Sinking Fund Installments either (i) in the order of their due dates or (ii) in such order as the Board establishes in a Certificate signed by an Authorized Officer and delivered to the Trustee not more than 45 days after the payment in excess of such Sinking Fund Installment.

**Section 306. Timing of Bond Payment Withdrawals.** All withdrawals from the 2023 Interest Account, the 2023 Principal Account and the 2023 Capitalized Interest Account under Section 303, Section 304, Section 305(A) or Section 305(F) shall be made no earlier than three days prior to the Payment Date to which they relate, and the amount so withdrawn shall, for all purposes of this Fourth Supplemental Indenture, be deemed to remain and be a part of the respective Account until the applicable Payment Date.

**Section 307. 2023 Project Account.** (A) The Trustee shall apply moneys in the 2023 Project Account for the payment of costs of issuance of the Series 2023 Bonds, as directed in a Certificate filed with the Trustee.

(B) The Trustee shall make payment of the Costs of Construction of the 2023 Project (including the reimbursement of prior expenditures) that are both Capital Expenditures and Permitted Expenditures from the 2023 Project Account as provided in subsections (D), (E) and (F) of this Section.

(C) At the direction of the Board expressed in a Certificate filed with the Trustee, moneys in the 2023 Project Account shall be applied to pay such amounts as are required to be paid to the United States of America pursuant to Section 148(f) of the Code.

(D) The Trustee shall, during construction of the 2023 Project, pay from the 2023 Project Account to the Board, upon its requisitions therefor, at one time or from time to time, a sum or sums aggregating not more than \$5,000,000, exclusive of and in addition to reimbursements as hereinafter in this Section authorized, such sums and such reimbursements to be used by the Board as a revolving fund for the payment of Costs of

Construction that are both Capital Expenditures and Permitted Expenditures and that cannot conveniently be paid as otherwise provided in this Section. Such revolving fund shall be reimbursed by the Trustee from time to time for such expenses so paid, by payments from the 2023 Project Account upon requisitions of the Board accompanied by its Certificate specifying the payee and the amount and particular purpose of each payment from such revolving fund for which such reimbursement is requested and certifying that each such amount so paid was necessary for the payment of an expense constituting a Cost of Construction that was both a Capital Expenditure and a Permitted Expenditure and that such expense could not conveniently be paid except from such revolving fund. In making such reimbursements the Trustee may rely upon such requisitions and accompanying certificates. The revolving fund maintained by the Board pursuant to this Section 307 shall be held separate and apart from all other funds and accounts of the Board and the amounts held in the revolving fund may only be used for payments to vendors for Capital Expenditures that are Permitted Expenditures or for the reimbursement of the Board for prior payments to vendors of Capital Expenditures that are Permitted Expenditures. Each transfer to the revolving fund maintained by the Board pursuant to this Section 307 may not exceed the aggregate amount of the vendor invoices to be paid or reimbursed with respect to the revolving fund, and may only be made after a careful review by the Board to confirm that all transfers to the revolving fund match invoiced amounts for Capital Expenditures that are Permitted Expenditures.

(E) The Trustee shall, during and upon completion of construction of the 2023 Project, make payments from the 2023 Project Account in addition to those made pursuant to subsection (D) of this Section, in the amounts, at the times, in the manner, and on the other terms and conditions set forth in this Section. Before any such payment shall be made, the Board shall file with the Trustee:

(1) its requisition therefor, stating in respect of each payment to be made: (a) the name of the person, firm or corporation to whom payment is due, (b) the amount to be paid, and (c) in reasonable detail the purpose for which the obligation was incurred; and

(2) its Certificate attached to the requisitions certifying: (a) that obligations in the stated amounts have been incurred by the Board in or about the construction of the 2023 Project, and that each item thereof (i) is a proper charge against the 2023 Project Account, (ii) is a proper Cost of Construction, (iii) is a proper Capital Expenditure; (iv) is a proper Permitted Expenditure and (v) has not been paid or previously reimbursed pursuant to Subsection (D) of this Section or from the 2016 Project Account of the Series 2016 Dedicated Sub-Fund, the 2017 Project Account of the Series 2017 Dedicated Sub-Fund, the 2018 Project Account of the Series 2018 Dedicated Sub-Fund or from the Permitted Expenditures Account, (b) that there has not been filed with or served upon the Board notice of any lien, right to lien, or attachment upon, or claim affecting the right to receive

payment of, any of the moneys payable under such requisition, or if any such lien, attachment or claim has been filed or served upon the Board, that such lien, attachment or claim has been released or discharged, and (c) that such requisition contains no item representing payment on account of any retained percentages which the Board is at the date of such Certificate entitled to retain.

Upon receipt of each such requisition and accompanying Certificates the Trustee shall transfer from the 2023 Project Account to the credit of a special account in the name of the Board, an amount equal to the total of the amounts to be paid as set forth in such requisition, the amounts in such special account to be held solely for the payment of the obligations set forth in such requisition. In making such transfer, the Trustee may rely upon such requisition and accompanying certificates. Each such obligation shall be paid by check or wire transfer drawn on such special account to the order of the Person named in and in accordance with the requisition. Moneys deposited to the credit of such special account shall be deemed to be a part of the 2023 Project Account until paid out as above provided. If for any reason the Board should decide prior to the payment of any item in a requisition to stop payment of such item, an Authorized Officer shall give notice of such decision to the Trustee and thereupon the Trustee shall transfer the amount of such item from such special account to the 2023 Project Account.

(F) The Trustee shall withdraw from the 2023 Project Account and pay to the Board free from the lien of the Indenture any balance in the 2023 Project Account, or any part thereof, in the amounts, at the times, in the manner, and on the other terms and conditions set forth in this Subsection. Before any such withdrawal and payment shall be made, the Board shall file with the Trustee its Certificate certifying: (1) that the 2023 Project has been completed or substantially completed, and (2) that a sum stated in the Certificate is sufficient to pay, and is required to be reserved in the 2023 Project Account to pay, all Costs of Construction then remaining unpaid, including the estimated amount of any such items the amount of which is not finally determined and all claims against the Board arising out of the construction thereof. Upon receipt of such requisition and accompanying Certificates, the Trustee shall withdraw from the 2023 Project Account and pay to, or upon the order of, the Board the amount stated in such requisition, provided that no such withdrawal shall be made if it would reduce the amount in the 2023 Project Account below the amount stated in the respective Certificate of the Board as required to be reserved in the 2023 Project Account. Moneys so withdrawn from the 2023 Project Account (i) may be applied for the payment, purchase or redemption of Series 2023 Bonds or (ii) may be reappropriated by the Board if such appropriation is for a purpose permitted by Section 34-53.5 of the School Code and will not adversely affect the exclusion from gross income under the Code of interest on the Series 2023 Bonds.

**Section 308. Moneys to be Held in Trust.** All moneys required to be deposited with or paid to the Trustee for the account of any Fund, Sub-Fund, Account or Sub-Account referred to in any provision of this Fourth Supplemental Indenture, shall be held by the

Trustee in trust as provided in Section 1203 of the Indenture, and shall, while held by the Trustee, constitute part of the Trust Estate and be subject to the lien or security interest created hereby.

**Section 309. Consolidated Debt Service Reserve Fund.** The Board hereby designates the Series 2023 Bonds as Consolidated Reserve Fund Bonds. The Board and the Trustee covenant and agree for the benefit of the Owners of the Series 2023 Bonds that the Consolidated Debt Service Reserve Fund is to be administered in accordance with the Indenture.

**C. Review of Promotion Status**

- i. Automatic Review of Grades and Evidence of Intervention

The performance of all benchmark grade students will be automatically reviewed through a centralized process. The District shall maintain a centralized process that is applied consistently throughout the District for determining whether any benchmark grade student should be promoted.

ii. **Parent Notification**

During the last week of school following the automatic review process, parent(s)/guardian(s) of all benchmark grade students will receive notification regarding the promotion of their child(ren). The parent(s)/guardian(s) of students who cannot be promoted in June will be informed by mail and by notice provided to the student that, in order to be promoted to the next grade in August, their child(ren) must attend and successfully complete summer school/program.

iii. **Parent Appeal**

For students in benchmark grades, at the end of summer school/program, parents/guardians will receive a promotion determination notice identifying whether their child satisfied all the requirements for promotion. Parents/guardians shall have five calendar days following the receipt of the promotion determination notice to submit in writing to the Chief Education Officer or designee an appeal form, that can be accessed at [cps.edu/academics/getting-back-on-track/summer-bridge-andsummer-acceleration/](https://cps.edu/academics/getting-back-on-track/summer-bridge-andsummer-acceleration/), to review their children's academic performance or attendance records. As part of the appeal the parent/guardian may provide any additional information regarding their child that would justify waiving the requirements set forth in this policy and promoting the students to the next grade. For students in non-benchmark grades, parents/guardians may appeal a promotion determination pursuant to procedures established by the Office of Teaching and Learning.

**D. Additional Elementary Promotion Requirements**

All elementary students must pass the United States and State of Illinois Constitution tests in order to graduate and continue on to high school. English Language Learners (ELLs) may take the Constitution tests in English or it may be administered in their native language, as deemed appropriate in the judgment of the classroom teacher in consultation with other knowledgeable persons, including the parents. Summer programs will offer Constitution tests for students who have not successfully completed this requirement.

**E. Promotion of Students with Disabilities**

Students with disabilities (including English Language Learners with a disability) receiving special education and related services under an Individual Education Program (IEP) are expected to meet the same promotion criteria as their non-disabled peers. For standardized testing, students with disabilities must be provided the accommodations/modifications outlined on their IEP. The

designated criteria used to determine promotion as described in this policy shall apply to students with disabilities unless the IEP modifies the promotion criteria in whole or in part. Promotion decisions that are based on standardized test scores can only be made if the student was afforded the accommodations/modifications that are delineated on the student's IEP.

IEPs are reviewed annually. The Office of Diverse Learner Supports and Services mandates that during these annual reviews of IEPs that promotion decisions for students with disabilities are made in conformance with their IEPs and that the IEP contain full and complete information concerning the promotion criteria.

Students receiving accommodations/modifications pursuant to a Section 504 plan may not have the promotion criteria described herein modified. For standardized testing, students on a 504 plan must be provided the accommodations/modifications outlined on their 504 plan. Promotion decisions that are based on standardized test scores can only be made if the student was afforded the accommodations/modifications as indicated on the 504 plan.

**F. Promotion of English Language Learners (“ELL”)**

Students that are English Language Learners are expected to meet the same promotion criteria as their peers.

**G. Academic Centers**

Eighth grade students attending an Academic Center, as described in the Board's Admissions Policy for Magnet, Selective Enrollment and Other GoCPS Schools and Programs policy, are enrolled in a high school and taking high school level courses and therefore are not subject to the requirements of this policy.

**III. RETENTION**

Students in grades 1-8 can be retained in a grade for a second year only one time during the following grade cycles:

For school year 2022-2023:  
1-3, 4-6 and 7-8.

For school year 2023-2024:  
1-2, 3-5, and 6-8.

Students in the benchmark grades who are required to attend summer school/program who do not satisfactorily complete summer school/program, as defined by the Chief Education Officer or designee, will be retained in the grade they were in the previous year if holding them back would constitute a first retention. However, if retaining a student would be a second retention within a grade cycle, the student will, upon completion of summer school/program, be promoted to the next grade.

Schools may retain students at non-benchmark grades based on the guidelines issued by the Office of Teaching and Learning. A parent or guardian may appeal a school's decision to retain a student at a benchmark or non-benchmark grade in accordance with the appeal procedures set out in Section II.C.3. of this policy. Kindergarten students may not be retained.

**A. Personal Learning Plan**

The school will develop a Personal Learning Plan for each retained student that may include, as appropriate, in-school, after-school, year-round components and other interventions developed with the principal, counselor, teacher and parent(s) that target the student's assessed learning deficiencies. Each retained student shall participate in a Personal Learning Plan.

**B. Age Cycle 15 Supports**

Students who are 15 years old or will be 15 years old on or before September 1st of the following school year and/or any student who have been previously retained in the 7-8 grade cycle will receive the following supports:

1. The school shall have quarterly checkpoints with the student and parent/guardian to discuss the student's progress and make recommendations for additional student support.
2. Additional supports, as determined by the Chief Education Officer or designee.

**IV. Parent Notifications During the School Year for All Elementary Grades**

A. Beginning in school year 23-24, all principals, teachers, students, and parents will be notified in writing of the promotion policy of the District by the first district mandated parent-teacher conference day for parents who attend, and by the end of the 12th week for parents who do not attend.

B. Principals shall notify parents in writing on a quarterly basis if their child is in danger of obtaining a failing grade in any course. Such quarterly notices shall be in addition to the regular progress reports issued for students in all grades.

i. Student assistance will be provided at the earliest point the child is identified as being at risk of obtaining a failing grade in any course.

ii. If the student receives a failing grade in any course, and the parent or guardian does not attend the district mandated parent-teacher conference at the end of the first or third reporting period, the school must send notification to the parent by mail. Notification must include the likelihood of the student attending summer school or being retained for continued lack of academic achievement.

iii. Students in the benchmark grades whose parents have not received a failing notice in accordance with this section IV.B due to satisfactory grades may otherwise be eligible for summer school and possible retention based on the promotion criteria identified in this policy.

**V. System-Wide Monitoring of Instruction and Instructional Materials**

CPS affirms the critical importance of high-quality, culturally responsive classroom instruction and use of appropriate instructional materials in fostering student academic achievement. In particular, because student promotion decisions will evaluate classroom grades and attendance, CPS will undertake the following steps to ensure that student achievement is maximized, that the utilization of the designated educational criteria is done in a manner that ensures consistency throughout the school system, and that there is a strong alignment between assessment criteria, the curriculum and the classroom instruction.

All schools must ensure that instruction is conducted at the correlative grade level for each grade. To promote accountability with this mandate, the Chief Education Officer or his/her designee and the Network Offices will implement a system for monitoring classroom instruction that will include random unannounced classroom visits conducted to confirm that instruction at grade level is occurring and that the assignment of student grades for classroom work is consistent with CPS policy.

### Data Analysis and Identified Trends

Chicago Public Schools District 299 has not been identified as being in the top 20% districts in the “Suspension Rate” and “Expulsion Rate” in any of the five school years. Changes in policies and procedures in Chicago Public Schools over the past decade has led to significant declines in the use of suspension and expulsion in response to student behavior, as indicated in the data shared above. Specifically, significant changes in the CPS Student Code of Conduct and adoption of positive school culture, climate, and behavioral health and restorative practice interventions have continued to show declines in the use of school exclusion for students across the district.

Chicago Public Schools District 299 has been identified as being in the top 20% in the “Racial Disproportionality Rate” category for the school years 2016 through 2020 . The data available through ISBE shows a trend that includes a reduction year over year from 2017 to 2021 in the “Total Expulsions and Suspensions Students of Color” and was not identified as being in the top 20% for racial disproportionality in 2021.

Chicago Public Schools assessed multiple data points to identify policies and procedures that may be contributing to the racial disproportionality that has persisted in the use of school exclusion across the district. The focus of action planning remains on reducing racial disproportionality in the use of suspensions and expulsions through targeted supports and strategies for students with the highest needs.

### Action Plan to Reduce the Use of Exclusionary Data

Chicago Public Schools analyzed multiple data points to identify current policies and procedures outlined in the Student Code of Conduct that might be contributing to the racial disproportionality in the use of school exclusion across the district. In particular, CPS has identified several key areas which needed to be addressed: 1) improvements to the CPS Student Code of Conduct policy on areas leading to the most disproportionate use of school exclusion, 2) methods of analyzing and sharing discipline data with a focus on disproportionality, and 3) expanding investments in training and resources for school leaders on disciplinary practices, restorative practices, and behavioral health intervention supports as alternatives to school exclusion at the district, and 4) expanding district interventions for students.

## Policy Improvements

A key strategy in the Chicago Public Schools action plan is to engage in a yearly review of the district's Student Code of Conduct policies alongside stakeholder groups. Through this process, CPS and stakeholders identify areas that need improvement with a focus on disproportionate use of school exclusion. Since 2012, the district has implemented a number of changes to the policy stemming from analysis of data that suggests use of certain SCC codes to suspend students of color at higher rates than their peers. In more recent years, changes to the policy were adopted in 2018 and 2020 around the use of "catch-all" codes which were seen in our data analysis to be used at much higher rates to suspend Black students. Specifically, policy amendments were made requiring network chief approval when using catch-all codes for suspension resulting in significant reductions in the use of these codes and reductions in suspensions. In 2020, Chicago Public Schools developed an [Equity Framework](#) and a new [Healing-Centered Framework](#), which commits the district to adopting new key strategies and values for reviewing policies and procedures and expanding trauma-engaged, culturally responsive supports for students. CPS is in the process of expanding the yearly CPS Student Code of Conduct policy review process to assess how the district's discipline policies can be changed to reduce the use of school exclusion for students of color most impacted by disproportionality. The first part of this expansion in the CPS Student Code of Conduct review in SY2022-23 will include a feasibility study with stakeholder groups to assess proposals for larger changes to the policy framework.

CPS believes that one of the most impactful ways to reduce the disproportionate use of school exclusion for students of color is to increase responses to student behaviors on identifying root causes, especially when trauma and mental health needs are present. As many students continue to experience high levels of trauma and challenges in their lives, the district adopted in 2021 the [Comprehensive Mental Health and Suicide Prevention policy](#). One major component of this policy requires all CPS schools to adopt a Behavioral Health Team structure to effectively respond to student needs with tiered interventions and supports, including when student behaviors are infractions of the Student Code of Conduct. This policy was developed in support of students from identified groups of students who are at higher risk suicide and mental health challenges, which includes some students who have historically been suspended at disproportionate rates.

## Discipline Data Review

Chicago Public Schools has developed a strategy for reporting discipline data with schools and networks which focuses on the use of school exclusion for students of color in proportion to other students in the district. These reports include visual analyses to help leaders quickly identify trends in disciplinary responses and to engage planning for continuous improvement, training, and support. Specifically, leaders will be able to effectively monitor the use of school exclusion data by subgroups and review the use of evidence-based interventions and restorative practices to build staff capacity.

## Expanding Training & Resources

The Chicago Public Schools has greatly expanded key investments in training and resources for schools related to SEL skill-building for students, restorative practice and behavioral health interventions.

### SEL Skills-Instruction

District-wide, all elementary schools have district-provided access to one or more evidence-based programs for SEL skills instruction to build the relationships and SEL competencies students and supportive adults need to buffer the impact of stress and trauma. School leaders and teams have expanded access to training and continuous cycles of support for school staff in the adoption of these programming investments for SEL skill-instruction.

### Restorative Practices Training and Coaching

In 2022, Chicago Public Schools expanded its investments in restorative practices training and coaching support for schools across all of our district-managed networks, allocating significant funding to embed a restorative practices coach contracted through local community partners leading the work of multi-tiered restorative practices in Chicago schools aligned to the [CPS Restorative Practices Guide & Toolkit](#). Network and school leaders can work with their restorative practices coach to provide training and onsite coaching to schools based on their needs with a focus on adopting alternatives to school exclusion in response to conflict and school-based harm.

Behavioral Health Team Training and Tools

In conjunction with key partners, Chicago Public Schools has expanded its district-wide training for school leaders and staff engaged in Behavioral Health Team implementation to increase each school's menu of tiered evidence-based interventions for students who may engage in SCC infractions. This includes centralized and onsite training and coaching in the process of establishing an effective BHT and training on evidence-based individual and group behavioral health interventions for support staff.

Chicago Public Schools recently acquired district-wide access to an improved system for logging and progress monitoring tiered interventions for students. All schools are being trained in the use of Branching Minds, a leading tool for effectively managing multi-tiered systems of support in schools across academic and social-emotional domains. The adoption of this tool assists school BHTs in assigning interventions in response to student behaviors in lieu of school exclusion.

Discipline Leader Training

Discipline Leaders across all CPS schools access the expanded training and monthly professional learning community sessions that build skills and mindsets in the implementation of healing-centered strategies to respond to student misconduct with a focus on reducing disproportionate use of suspension and expulsion for students of color.

**Expanding Student Interventions**

Chicago Public Schools has also funded and implemented key expansions to district-level programming for students in need of intensive support, including mentoring and behavioral health support as alternatives to suspension and expulsion. Programming such as Choose-to-Change, a district-run intervention program, has significantly expanded access to mentoring, job readiness and social and emotional support for students identified with the highest needs.

A public hearing was held on January 10, 2023 for all contract and charter schools going through renewal to receive public comments, including Acero Charter Schools. **AMEND BOARD REPORT 21-0922-PR8**  
**AUTHORIZE THE FIRST, SECOND AND FINAL RENEWAL AGREEMENT WITH VARIOUS VENDORS  
FOR MANAGING ENVIRONMENTAL CONSULTING (MEC) SERVICES**

**THE CHIEF EXECUTIVE OFFICER REPORTS THE FOLLOWING DECISION:**

Authorize the first, second and final renewal agreement with Various Vendors to provide Managing Environmental Consulting (MEC) Services to the Department of Facilities and the Department of Capital Planning and Construction at an estimated annual cost set forth in the Compensation Section of this report. A written document exercising this option is currently being negotiated. No payment shall be made to any Vendor during the option period prior to execution of the written document. The authority granted herein shall automatically rescind in the event a written document is not executed within 90 days of the date of this Board Report. Information pertinent to this option is stated below.

This January 2023 amendment is necessary to increase the Board Authority from \$18,000,000 to \$33,000,000. The increase in the board authority is needed based on the current size of the Facilities budget. The current spend history did not reflect the significantly increased size of the Environmental Consulting Services Program and the necessary support required of this pool of vendors. The increase in board authority will allow the FY23 and FY24 projects to proceed as currently scheduled. The authority granted herein shall automatically rescind in the event a written amendment to the agreement is not executed within 90 days of the date of this Board Report.

**ORIGINAL AGREEMENT:**

The original agreement was awarded on a competitive basis pursuant to Board Rule 7-3(b)(i) for a term commencing November 1, 2021 and ending March 31, 2022, with the Board having two (2) options to renew for one (1) year terms. An increase in the not to exceed was authorized by Board Report 22-0427-PR14 in the amount of \$250,000. The amended agreement (authorized by Board Report 22-1026-PR20) added \$60,000 to the NTE amount, and also extended the term from October 31, 2022 to March 31, 2023. This extension and increase authorized by 22-1026-PR20 was approved by the Single and Sole Source Committee, with renewal options being undisturbed.

**OPTION PERIOD:**

The term of this agreement is being renewed for one (1) year commencing April 1, 2023 and ending March 31, 2024.

**OPTION PERIODS REMAINING:**

There is one (1) option period for one (1) year remaining.

**SCOPE OF SERVICES:**

In 2017, the Illinois State Board of Education (ISBE) received allegations that certain processes and procedures at CPS were preventing Individualized Education Program (IEP) teams from including needed support and services on some students' IEPs. ISBE did an investigation (the Public Inquiry), found certain procedures in effect in 2016-2017 and 2017-2018 to be problematic, and directed CPS to offer remedies to students to make up for that potential harm (Student Specific Corrective Action). Since then, CPS has worked closely with ISBE and other stakeholders to identify students who may have been impacted by the problematic procedures and to offer those students remedies. Because special education is individualized to meet the unique needs of each student, this process has been complex and time-intensive. Initially, the district reviewed student information, identified students who were potentially harmed, and planned to hold meetings to analyze each of those students' individual circumstances to determine whether they were owed a remedy. To more efficiently deliver remedies to students who may have been impacted, the process was adjusted to provide automatic remedies (Universal Enrichment Remedies or UERs) to most of the identified students. Other students, who were perhaps less likely to have been harmed, would receive an automatic SSCA meeting to consider their particular circumstances. Moving forward, CPS is now offering automatic remedies (UERs) to students who were previously identified to receive an automatic SSCA meeting. Vendor will continue to provide SSCA claims administrator services to the law department.

**DELIVERABLES:**

Vendor will continue to streamline and issue all monetary disbursements to the affected families. Multiple lines of communication with families to file claims.

**OUTCOMES:**

Vendor's services will result in continuing to administer the claims for SSCA processes.

**COMPENSATION:**

Vendor shall be paid during this option period as follows: Estimated annual costs for this option period are set forth below:

\$62,500, FY23  
\$187,500, FY24

**AUTHORIZATION:**

**23-0125-PO2**

**ADOPT NEW OPTIONS SCHOOL ACCOUNTABILITY POLICY**

**THE CHIEF EXECUTIVE OFFICER RECOMMENDS:**

That the Board Adopt New Options School Accountability Policy effective for the 2022-2023 school year as options schools are currently not addressed under current policies. This policy addresses that gap. The policy was posted for public comment from October 17, 2022 to November 17, 2022.

**PURPOSE:** This policy is intended to establish a system of transparent academic accountability performance standards for district-authorized charter and district-managed options schools, while the District redesigns a long-term accountability system in line with the values and priorities enumerated by Board resolution on April 27, 2022 (Board Report 22-0427-RS1). This policy will fill a gap in accountability for district-authorized charter and district-managed options schools as the District works to redesign its accountability system for the 2024-2025 school year.

Each district-authorized charter options school will be assigned an accountability designation beginning with the 2022-2023 school year based on school performance data gathered during the prior school year. Each options school will be denoted as "Inability to Rate" for the 2022-2023 school year. This policy will be used to assign school accountability statuses to district-managed options schools for school year 2023-2024. The accountability designation/status for each options school from the prior school year will remain in effect until such time as the school is notified of its new designation/status that is issued in accordance with this policy.

**POLICY TEXT:**

**I. SCOPE OF POLICY:** This policy sets out broad charter and district-managed options school academic performance standards to ensure that (1) there is transparency regarding the expectations and standards for charter and district-managed options school academic performance; and (2) the portfolio of charter and district-managed options schools available to Chicago families and students contains academically high-quality schools.

**II. ACCOUNTABILITY**

**A. Charter Options Schools**

**ACADEMIC ACCOUNTABILITY STANDARDS:**

Charter options schools will receive an accountability designation based on a summative score as described in Section III.

1. All schools with a summative score of 3.0 or above will be deemed to have met or be making reasonable progress toward student academic achievement standards in accordance with Section 27A-9(c)(2) of the Illinois School Code.

2. All schools with a summative score of 2.9 or below are subject to contract revocation or non-renewal for failure to meet or make reasonable progress toward student academic achievement in accordance with Section 27A-9(c)(2) of the Illinois School Code and will be placed on the Intensive Academic Support List.

#### **STANDARDS FOR RENEWAL AND NON-RENEWAL:**

School renewal recommendations will be based on the academic, financial, and operational performance during the entirety of a school's contract term, or the last three years, whichever is longer.

If a charter options school seeks to renew its contract, the CEO will make recommendations concerning the school's ability to meet or make reasonable progress toward student academic achievement standards to the Board. A charter options school campus will be considered to be meeting or making reasonable progress toward achievement of the content standards or pupil performance standards if the school receives a summative score of 3.0 or above."

Charter options school operators who operate two or more charter options schools or campuses will have each school or campus evaluated individually for renewal or non-renewal.

#### **STANDARDS AND PROCESS FOR REVOCATION:**

When a charter options school or campus is placed on the Intensive Academic Support List, the CEO or designee will send notice that the school or campus is in revocation status and subject to possible closure pursuant to Section 27A(9)(c) of the Illinois School Code. Upon receipt of such notice, the charter options school or campus must submit a written school improvement plan to the CEO or designee to rectify the problems that resulted in the charter school or campus being placed on the Intensive Academic Support List. The written school improvement plan must include a timeline for implementation, and the CEO or designee must monitor the implementation and adherence to the school improvement plan requirements. The CEO will recommend the revocation of a charter options school or campus to the Board if the CEO determines that the school or campus failed to implement the school improvement plan and adhere to the timeline.

No school's charter will be revoked solely based on its academic accountability designation. The District will also use an equity lens as set forth in the [CPS Equity Framework](#) when reviewing a school's overall performance.

#### **OTHER CONSIDERATIONS:**

Nothing in this policy prohibits the CEO from making individual recommendations regarding charter options school expansion or replication, non-renewal, or revocation based on the totality of factors the CEO deems relevant, particularly including equity considerations. Nothing in this policy prohibits the Board from revoking or not renewing a charter for failure to meet generally accepted standards of fiscal management, for failure to comply with applicable law, or for committing a material violation of any of the conditions, standards, or procedures set forth in their charter school agreement.

### **B. District-Managed Options Schools**

#### **Ratings Standards**

District-managed options schools (includes Peace and Education HS, Simpson HS) will be denoted as "Inability to Rate" for the 2022-2023 school year. Per Board resolution 22-0223-RS3, each school that received Good Standing status, Remediation status (which indicates the need for provisional support) or Probation status (which indicates the need for Intensive Support) per Section 5/34-8.3 of the Illinois School Code during the 2019-2020 school year shall maintain that same status for the 2022-2023 school year. However, for any school that is scheduled to complete its five-year probation period during the 2022-2023 school year and whose ratings from the 2019-2020 school year would identify the school with an accountability status of Good Standing or Remediation, that school will be deemed removed from probation.

For the 2023-2024 school year, the District will assign school accountability statuses in accordance with Illinois state law using the points system described in Section III below. The three categories that will be used for district-managed options schools are Good Standing, Remediation, and Probation. Using the weighted total scores, schools will be assigned to these categories as follows:

Summative Score	Accountability Status
≥3.0	Good Standing
2.0-2.9	Remediation/Provisional Support
< 2.0	Probation/Intensive Support

### **SCHOOLS PLACED ON REMEDIATION**

Any school that receives a remediation status as described above shall participate in a remedial program in which a remediation plan is developed by the CEO and/or the CEO's designees. A Remediation Plan may include one or more of the following components:

1. Drafting a new school improvement plan (currently known as the Continuous Improvement Work Plan, or CIWP);
2. Additional training for the local school council (if applicable);
3. Directing the implementation of the school improvement plan; and
4. Mediating disputes or other obstacles to reform or improvement at the school.

A remediation plan is intended to provide the support and oversight necessary to prevent schools with declining or flat performance from entering probation status, and to help schools who have received a probation status achieve good standing. In creating a remediation plan, the CEO or designee shall give assistance to the school to ensure that all aspects of the plan, including the school budget, address the educational deficiencies at these schools.

Any updates to such school improvement plan to address new data on the deficiencies at remediation schools with a school improvement status shall be approved by the Board in accordance with the Illinois State Board of Education's (ISBE's) timeline for Board approval of school improvement plans. The CEO or designee shall monitor each remediation school's implementation of the final plan and the progress the school makes toward implementation of the plan and the correction of its educational deficiencies.

### **SCHOOLS PLACED ON PROBATION**

#### **School Improvement Plan and Budget:**

Each school placed on probation shall have a school improvement plan and a school budget for correcting deficiencies identified by the Board. The CEO or designee shall develop a CIWP that shall contain specific steps that the local school council and the school staff must take to correct identified deficiencies. The school's CIWP may serve as the school's probation plan. The school budget shall include specific expenditures that support the implementation of this plan and that are directly calculated to correct educational and operational deficiencies identified at the school.

In creating or updating the required plan, the CEO or designee shall give assistance to probation schools to ensure that all aspects of the plan, including the school budget, reflect and are tailored to the individual needs of the school and that the plan addresses the educational deficiencies at these schools. The Board shall approve school improvement plans for schools placed on probation. Any updates to such school improvement plan or school budget to address new data on the deficiencies at probation schools and schools with a state or federal school improvement status shall be approved by the Board in accordance with ISBE's timeline for Board approval of school improvement plans.

Except when otherwise specified by the CEO, the Chief of Schools for the school's network and the Chief of Schools' designees shall serve as the probation team that will identify the educational and operational deficiencies at probation schools in their network to be addressed in the school improvement plan and budget presented to the Board for approval.

#### **Monitoring:**

The CEO or designee shall monitor each probation school's implementation of the final plan and the progress the school makes toward implementation of the plan and the correction of its educational deficiencies.

#### **Additional Corrective Measures:**

Schools placed on probation that, after at least one year, fail to make adequate progress in correcting deficiencies are subject to the following actions by the approval of the Board, after an opportunity for a hearing:

1. Ordering new local school council elections;
2. Removing and replacing the principal;
3. Replacement of faculty members, subject to the provisions of Section 24A-5 of the Illinois School Code;
4. Reconstitution of the attendance center and replacement and reassignment by the CEO of all employees of the attendance center;
5. Intervention under Section 34-8.4 of the Illinois School Code;
6. Operating an attendance center as a contract turnaround school; or
7. Any other action authorized under Section 34-8.3 of the Illinois School Code

The Law Department shall develop and disseminate hearing procedures for hearings required before taking any of the corrective actions specified above.

## III. TERMS:

## Weighting and Weighted Points

Points	For each indicator in the model, schools can earn between 1 and 5 points for reaching progressive benchmarks of performance.
Weighting	Each indicator has a specific weight in the model. Weights may be different based on the number and type of indicators that are available to a particular school, but the sum of the weights for the school will always be 100%.
Weighted Score	The points received for each indicator are multiplied by their weight and then added together. The resulting weighted score will be between 1 and 5. Indicators with larger weights will play a bigger role in determining the school's overall weighted score.
Intensive Academic Support List	List maintained by the Chief Executive Officer ("CEO") or designee that identifies charter schools or campuses failing to meet or make reasonable progress towards student academic achievement. A charter options school or campus will be placed on the Intensive Academic Support List, if the charter school or campus: <ul style="list-style-type: none"> <li>• In the 2022-2023 school year or in the 2023-2024 school year, has a summative rating of 2.9 or lower; or</li> <li>• In the 2023-2024 school year, has a two-year overall score average of 2.9 or lower</li> </ul>

## Average Student Growth Percentile on STAR Assessment

Definition	Average fall-to-spring, fall-to-winter, or winter-to-spring growth percentile of students on the STAR reading and math assessments.
How it is calculated	For each school, an average student growth percentile will be calculated from available individual growth percentiles from fall-to-spring, fall-to-winter, or winter-to-spring windows.
Included Students	Yearly, students are counted once per subject. For example, if a student has fall-to-spring growth, the student's fall-to-winter and winter-to-spring percentiles are not used.

## Percent of Students Making Growth Targets on STAR Reading and Math

Definition	Percentage of students with a growth percentile of 40 or higher on the STAR reading and math assessments.
How it is calculated	<b>Numerator:</b> Number of students with a growth percentile of 40 or higher on the STAR assessment. <b>Denominator:</b> Number of students with valid pretest and posttest scores on the STAR assessment.
Included Students	Yearly, students are counted once per subject. For example, if a student has fall-to-spring growth, the student's fall-to-winter and Winter-to-Spring percentiles are not used.
Notes	This indicator is calculated separately for reading and math.

## 1-Year Graduation Rate

Definition	Percent of graduation-eligible students who graduate by the end of the school year.
How it is calculated	<b>Numerator:</b> Number of students who graduate at any point during the school year <b>Denominator:</b> Number of students who, at the beginning of the school year or at the time of enrollment, have sufficient credits such that they could graduate by the end of the school year if they took a full course load.
Student Population	<b>Included:</b> graduation-eligible students; students who graduated, including summer graduates. <b>Excluded:</b> Verified transfers are excluded from the calculation.
Notes	The definition of "full course load" will be individualized per the program model. Transcripts must be updated in SIM by a date to be communicated by the Office of Accountability for students to be considered as graduates.

**Credit Attainment Rate**

Definition	Percent of students who earn the total credits possible while they are enrolled at the school.
How it is calculated	<b>Numerator:</b> The sum of both the number of traditional and self-paced students with a 100% pass-rate who are also included in the denominator. <b>Denominator:</b> The sum of the number of traditional students who receive one or more credits while they are enrolled at the school and the number of self-paced students who are enrolled at the school for at least 45 days.

Included Students	Students who have not been enrolled long enough to earn credits are excluded.
Notes	The total credits possible are individualized per the program model. Final grades must be entered within 30 days after the last CPS student attendance day to be included in the calculation. Grade changes submitted past this deadline will not be included in the credit attainment rate. Missing grades or grades entered as slashes will be defaulted to course failures (Fs). Credits earned during the summer are not included in the calculation of this metric.

**Stabilization Rate**

Definition	Percent of stable students who are enrolled at the end of the school year, completed the program, or successfully transitioned to another CPS school.
How it is calculated	<b>Numerator:</b> Number of stable students who enrolled at any time during the year and are enrolled at the end of the year, complete the program, exit the system due to age requirements, or successfully transition to another CPS school. <b>Denominator:</b> Number of stable students enrolled at any time during the year, excluding students with a non-dropout leave code or a verified out-of-district transfer.
Included Students	Stable refers to students who have accumulated at least 45 membership days. Unverified out-of-district transfers whose transfer took place in the last 150 calendar days of the school year are not counted as dropouts in this rate.

**Growth in Attendance Rate**

Definition	Percent of stable students who show an improvement of at least three percentage points in their individual daily attendance rates at an option school compared to their daily attendance rate in the previous school year.
How it is calculated	<b>Numerator:</b> Number of stable students whose current year attendance rate at their school of enrollment is at least three percentage points greater than their average year-end attendance rate during the previous school year, or who have maintained a 90% attendance rate in the current year. <b>Denominator:</b> Number of stable students with documented current year attendance.
Included Students	Stable refers to students who have accumulated at least 45 membership days.
Notes	Students without documented attendance from the previous school year who have at least 45 days of membership are assumed to have a 0% prior-year attendance rate.  Students with at least 45 days of membership are included in the calculation of the rate even if they subsequently transfer out. The rate calculated for the students will only include membership days accumulated at the option school, though a student may be counted in the rate for more than one option school if they have 45 membership days or more at each. The 45 days required for inclusion do not have to be consecutive.  Attendance rates will be adjusted for students with medically fragile conditions and early graduation for 8th and 12th grade graduation consistent with Average Daily Attendance Rate. These adjustments will only be made if they improve the school's Growth in Attendance Rate. Attendance days in the prior year that are accumulated at correctional facility schools (i.e., Jefferson or York) are not included in the prior year attendance rate for this comparison.

	For Simpson HS, this comparison is only made if the student was at Simpson in both the prior year and current year.

**PROGRAM EVALUATION:** After receiving the program renewal proposal, the Office of Innovation and Incubation conducted a comprehensive evaluation of the Alternative Safe School Program's academic performance, financial viability, and legal and contract compliance. This evaluation included a review of the proposal, academic results, financial performance, governance documents, parental issues, facilities surveys, and special education documents. The Office of Innovation and Incubation recommends that, based on the program's performance on these and other accountability criteria, as well as the program's demonstration of intent to satisfy the "Additional Terms and Conditions" referred to herein below, Camelot Alt Ed-Illinois, LLC be authorized to continue operating its Alternative Safe School Program. A public hearing was held on Tuesday, January 10, 2023 to receive public comments. The hearing was recorded and a summary report is available for review.

**RENEWAL TERM:** The term of the agreement is being extended for four (4) years commencing July 1, 2023 and ending June 30, 2027.

**SCOPE OF SERVICES:** The Alternative Safe School Program will provide an educational program for students who are eligible for expulsion under the Chicago Public Schools Student Code of Conduct. Students will receive a full academic program where credits can be earned toward high school graduation, complete requirements for elementary school graduation and/or advancement in grade level. Additionally, students will receive behavior supports and interventions. Students will improve school attendance, reduce disruptive behavior, attain and/or maintain employment, and give back to the community through service learning and restorative justice. Camelot Alt Ed-Illinois, LLC may be asked to provide bus monitors for the students in order to support positive behavior and safety on the buses while the students are in transport. Camelot Alt Ed-Illinois, LLC will be approved to serve up to 200 students at any one time in grades 6 through 12 during the term of this agreement.

**ADDITIONAL TERMS AND CONDITIONS:** Additional terms and conditions will be communicated to the Alternative Safe School Program by the Chief Executive Officer or his designee in a formal Letter of Conditions and will be included as an attachment to the agreement with Camelot Alt Ed-Illinois, LLC.

**AUTHORIZATION:** Authorize the General Counsel to include relevant terms and conditions in the written agreement. Authorize the President and Secretary to execute the written agreement. Authorize the Executive Director of the Office of Innovation and Incubation to execute all ancillary documents required to administer or effectuate this agreement.

**AFFIRMATIVE ACTION:** Not applicable.

**LSC REVIEW:** Local School Council approval is not applicable to this report.

**FINANCIAL:** Funding for the program services will be consistent with per pupil funding models used by the Board. Beginning in the fall of 2018, there will be a floor of 100 seats that will be funded regardless of enrollment. If requested to provide bus monitors, provider shall be paid an amount not to exceed \$50,000 on an annual basis for those monitors. The details of the financial implications will be addressed during the development of the 2023-2024 fiscal year budget. Since the School Code of Illinois prohibits the incurring of any liability unless appropriation has been previously made, expenditures beyond FY23 are deemed to be contingent liabilities only, subject to appropriation in subsequent fiscal year budget.

The Alternative Safe School Program will be jointly funded by CPS from General Funds and the Regional Safe Schools Program (RSSP) Grant from the Illinois State Board of Education if this RSSP Grant is available. Funding from the RSSP Grant will be applied to cover agreed upon per pupil funding and the approved number of reserved seats for the Alternative Safe School Program with the difference being covered by General Funds.

**TRANSPORTATION:** CPS provides transportation services during the regular school day to elementary school students attending the Alternative Safe School Program, subject to the availability of funding. These services include busing and supplemental aides to support positive behavior and safety on the bus. Nothing in this provision will act to limit the entitlement of any student who receives transportation services as a result of IEP accommodations, homelessness or any other program that mandates the provision of transportation services.
