Before we get started today, I'd like to acknowledge two great leaders who will be leaving CPS. Let me start with Dr. Ken Fox. Dr. Fox, you joined CPS several years ago as your second career, and when you did, I know you didn't think that you'd end up dealing with a global pandemic at CPS. I'm confident that your counsel and guidance has helped CPS to address the effect of COVID on the entire CPS community, and your enthusiasm and infectious energy has been a delight. I've appreciated your hard work, your dedication and your contribution. And on behalf of my fellow Board Members, I certainly want to thank you for all of the contributions that you've made during your time here at CPS. The other individual is Dr. Maurice Swinney. We watched you build the equity framework and infuse it through the organization. You are pulled into many different projects because you are an exceptional listener, and can quickly distill the heart of the problem. For the past 6 months you've served as Interim CEdO, standing in the gap for our Principals and students, making sure all of the work of the district continues. Again, thank you both, so much, for your service. We will miss you!

22-0126-RS3

**RESOLUTION REGARDING SCHOOL BUS TRANSPORTATION IN RESPONSE
TO THE NATIONAL SCHOOL BUS DRIVER SHORTAGE**

WHEREAS, according to a joint survey conducted by the National Association of Pupil Transportation (NAPT), the National Association of State Directors of Pupil Transportation Services (NASDPTS), and the National School Transportation Association (NTA) there is currently a nationwide shortage of school bus drivers; and

WHEREAS, due to the national school bus driver shortage, as of September, the District's bus transportation vendors began the 2021-2022 school year with only 500 of the 1,200 school bus drivers required to meet student transportation needs; and

WHEREAS, the District annually provides school bus transportation for approximately 10,000 Diverse Learners and 10,000 General Education students, and

WHEREAS, the District is required by state and federal laws to provide school bus transportation for Diverse Learners whose Individualized Education Program (IEP) or 504 plan require transportation and for Students in Temporary Living Situations (STLS). Further, state law requires the District to provide access to transportation to low income students enrolled in magnet or selective enrollment schools/programs; and

WHEREAS, the Admissions Policy for Magnet, Selective Enrollment and Other Options for Knowledge Schools and Programs (Magnet Policy) (Board Report 17-0426-PO2) outlines how the District will provide school bus transportation for various Options for Knowledge schools and programs; and

WHEREAS, despite adding new transportation vendors and routes and offering financial assistance to families who have used alternatives to District-provided transportation, the District has been unable to secure enough school bus drivers to meet all of the District's transportation needs and must prioritize transportation for students legally entitled to transportation; and

WHEREAS, the Board is committed to meeting the transportation needs of its most vulnerable students and complying with all of the District's legal obligations;

NOW, THEREFORE, BE IT RESOLVED:

1. If by February 28, 2022 transportation has not been supplied to the remaining IEP and 504 students who have not yet been routed, the District will reroute some or all students as necessary, temporarily waiving the transportation provision with respect to magnet, selective enrollment or other Options for Knowledge schools and programs required by the Magnet Policy, Sect. X (2) through the end of the 2021-2022 school year, in addition to any other General Education students currently receiving bus transportation, hereafter "general education students."
2. The Transportation Department must then reroute transportation for students in the following order:
 - A. Diverse Learners with an IEP or 504 plan requiring transportation and Students in Temporary Living Situations (STLS) who have not accepted financial assistance.
 - B. After all students referenced in section A are routed, then the District may, depending on availability, assign transportation routing for diverse learners with an IEP or 504 plan requiring transportation and STLS who have accepted the District's financial assistance for transportation, should they choose to be routed instead of receiving financial assistance.

- C. After all students in section A and B are routed, the District may, depending on availability, assign transportation routing for General Education Students enrolled in Magnet, Selective Enrollment or other Options for Knowledge schools and programs on the basis of income in accordance with 105 ILCS 5/34-18(7).
 - D. Priorities A, B, and C are all determined by federal and/or state law. After students referenced in section A, B, and C are routed, the District may, depending on availability, assign transportation to all other General Education Students enrolled in Magnet, Selective Enrollment or other Options for Knowledge schools and programs. In doing so, Management may consider prioritizing any remaining availability based on safety needs as determined by the Office of Safety and Security and any other Board Policies.
- 3. If transportation cannot be provided to all students in section 2(A) and 2(B), students with IEPs and 504 plans and STLS requiring transportation by February 28, 2022, this change will go into effect no later than March 7, 2022.
 - 4. If transportation is not available for all students, the District will offer financial assistance to parents of general education students impacted by the transportation suspension. The District will offer \$1,000 up front and then \$500 a month commencing in March 2022 through the end of the school year.
 - 5. The Chief Executive Office must conduct a review of all Board Rules and Policies that impact transportation and recommend to the Board at the February 23, 2022 Board Meeting, necessary amendments to its rules and policies to reflect the priorities in paragraph 2 of this Resolution prior to notification of school acceptances through the GoCPS process in Spring 2022.
 - 6. By the February 23, 2022 Board Meeting and every month thereafter through the end of the 2021-2022 school year, the District must provide the Board the status of the compensatory education meetings held for students with IEPs who receive transportation but did not have a route as of the first day of the 2021-2022 school year.

ORIGINAL AGREEMENT: The original Charter School Agreement (authorized by Board Report 11-0223-EX72) was for a term commencing July 1, 2012 and ending June 30, 2017 and authorized the operation of a charter school serving no more than 240 students in grades K through 6. The original board report included a provision to amend the charter to add grades 7 and 8 and increase enrollment to no more than 540 students in the event the school operator identified a facility site with a larger capacity. The charter and Charter School Agreement were subsequently amended as follows:

- Board Report 13-0522-EX102: Authorized the relocation of the charter school to the CPS facility at 6550 S. Seeley Avenue beginning in the fall of 2013.
- Board Report 14-0528-EX6: Corrected the grades served and the maximum enrollment in the May 2013 Board Report (13-0522-EX102) to reflect the grades served at the charter school as K-6 with a maximum enrollment of 240 students.
- Board Report 16-0427-EX15: Authorized the relocation of the charter school to the CPS facility at 6936 S. Hermitage Avenue beginning in the fall of 2016 in order for the charter school to have the capacity to serve grades K-8 with a corresponding maximum enrollment of 540 students, as identified in the original proposal (Board Report 11-0223-EX2).

CHARTER RENEWAL PROPOSAL: The Montessori Network submitted a renewal proposal on July 30, 2021 to continue the operation of The Montessori School of Englewood Charter. The charter school shall continue to be located at 6936 S. Hermitage Avenue and shall continue to serve grades K through 8 with a maximum enrollment of 540 students.

If The Montessori Network is authorized to operate a pre-kindergarten program in the same building as the charter school, the children enrolled in the pre-kindergarten will not be included in the enrollment of the charter school and the pre-kindergarten program will not be governed by the Charter School Agreement. To the extent the Board provides funding for the pre-kindergarten program, that program will be subject to a separate agreement with and separate funding authorized by the Office of Early Childhood Education. A material breach of any contract between the Board and The Montessori Network for the operation of a pre-kindergarten program or the charter school may be treated as a breach of the other contract.

The agreement will incorporate an accountability plan in which the charter school is evaluated by the Board each year based on numerous factors related to its academic, financial and operational performance.

CHARTER EVALUATION: After receiving the charter renewal proposal, the Office of Innovation and Incubation conducted a comprehensive evaluation of Montessori School's academic performance, financial viability, and legal and contract compliance. TERM:

The term of this agreement shall commence on February 1, 2022 and shall end August 31, 2026. This agreement shall have one (1) option to renew for a period of four (4) years.

EARLY TERMINATION RIGHT:

The Board shall have the right to terminate this agreement with 30 days written notice.

SCOPE OF SERVICES:

The American Institutes for Research (AIR) will be conducting the external evaluation for the CPS Community Schools Initiative (CSI) Nita M. Lowey 21stCCLC Community Learning Centers grants. The CSI evaluation design relies upon a mixed method approach to assess (a) how well programs are implementing the community school strategy and delivering quality programming and (b) assessing program impact on positive youth development, achievement, and behaviors. In undertaking the evaluation, the evaluation team at American Institutes for Research (AIR) and the Diehl Consulting Group will rely on two key tools developed in previous grant cycles: (1) the Continuous Quality Improvement Process (CQIP) and related tools and (2) a set of key performance indicators. The CQIP and related tools were created in order to codify what constitutes quality implementation of community schooling in Chicago, providing a means for programs to self-assess and craft an action plan to improve the quality of strategy implementation.

The key performance indicators assess whether CSI schools are making strides in improving implementation and gauge if youth enrolled in programming are improving on key school-related outcomes. The key CSI performance indicators have been broken down into three primary categories: (1) implementation metrics (2) program attendance metrics and (3) outcome metrics.

DELIVERABLES:

Year 1 and 2: AIR will place an emphasis on using evaluation data to understand how well programming is being implemented at each school and using this information to provide feedback to each site to support program implementation.

Year 3 and 4: AIR will focus more on how participation in programming may be supporting the development of positive youth development outcomes not measured through school-day related assessments and data (e.g., changes in self-esteem, interests, self-regulation, etc.).

Year 5: AIR will conduct a rigorous assessment of how sustained participation in programming over multiple years serves to impact academic achievement, youth perceptions of school, and school-related behaviors (e.g., achievement, school-day attendance, and youth perceptions reported on the 5 Essentials survey).

OUTCOMES:

Monthly Meetings. AIR (Principal Investigator and Qualitative Lead) will meet virtually with the CPS CSI team, at least once a month for the duration of the project. AIR will use Zoom to provide status updates on progress, anticipated challenges, and solutions to those challenges. Each month, AIR will discuss accomplishments, upcoming activities and deliverables, preliminary findings, and challenges. These meetings also will ensure continuous feedback loops and allow AIR to share findings with CPS CSI staff early and process these findings together.

Annual Reports. Results from each year of the evaluation will be summarized in annual reports that present a broader perspective on the evaluation. Each annual report will include findings related to implementation efforts, results from surveys, and performance on key performance indicators adopted for the initiative. In addition, the evaluation team will share any recommendations for improvement relating to implementation fidelity or initiative outcomes.

Presentation of Findings. At the end of Years 2 and 5, AIR will provide an in-person presentation of findings, including a set of field-friendly materials for broader dissemination within CPS. AIR will work with CPS CSI staff to make determinations on the types of materials that would be most useful, but these will likely include a public-facing slide deck summarizing the evaluation approach and findings and executive summaries for the Year 1-2 and Year 5 reports.

ORIGINAL AGREEMENT:

The original agreement was amended by the First Amendment dated October 5, 2020 (authorized by Board Report 20-0923-RS1). The agreement was renewed (authorized by Board Report 21-0224-PR5) for a term commencing March 1, 2021 and ending February 28, 2022. The original agreement was awarded on a competitive basis pursuant to Board Rule 7-3.

OPTION PERIOD:

The term of this agreement is being renewed for one (1) year commencing March 1, 2022 and ending February 28, 2023.

OPTION PERIODS REMAINING:

There are no options remaining.

SCOPE OF SERVICES:

At the request of the Board's Office of Inspector General, Vendor shall continue to review and assess investigation files pertaining to allegations of sexual misconduct committed by CPS employees. Vendor will prepare progress reports and a final summary report identifying areas of concern for further review and/or remedial action. In addition, the OIG may direct Vendor to perform additional investigative work for cases requiring further investigation.

The core objective of the case review is to assess the effectiveness and appropriateness of the prior investigations (including compliance with Title IX). Vendor will proactively review cases to identify critical cases which involve victims in need of further support services, potential risks for future misconduct, or which require further investigation or prosecution. If, at any time, Vendor identifies a situation where the current physical or sexual safety of a student or minor may be in question, Vendor will immediately notify the OIG.

Any additional investigative work will be performed by the Vendor on an as-needed basis, as determined by the OIG. This work may include acquiring evidence, performing legal analysis, conducting interviews and/or any other tasks necessary to ensure that the case is sufficiently investigated and resolved.

DELIVERABLES:

Vendor will continue to first prioritize case files from highest to lowest risk. Vendor will review case files according to established review protocol and prepare monthly progress reports summarizing its findings and identifying areas of concern for further review and/or remedial action. Vendor will complete review of case and provide a summary report containing analysis and identifying critical cases. Vendor will provide investigative plans for all cases where OIG has determined additional investigative work required. Vendor will then conduct investigative work as requested by the OIG to ensure cases are sufficiently investigated and resolved. Vendor will prepare investigative report summarizing its investigative work when required.

OUTCOMES:

Vendor's services will result in a thorough and independent review of all identified CPS sexual abuse investigations of sexual misconduct committed by CPS employees from 2000 through 2018. Upon completion of Vendor's case review and reports, CPS will gain insight into effectiveness and appropriateness of the prior investigations. Vendor's reinvestigation of cases, if needed, will ensure that all necessary corrective actions are taken.

COMPENSATION:

Vendor shall be paid as follows:

Estimated annual costs for the one (1) year term as set forth in the agreement.

FY22 \$250,000

FY23 \$78,000

AUTHORIZATION:

Authorize the General Counsel to include other relevant terms and conditions in the written option document. Authorize the President and Secretary to execute the option document. Authorize the Inspector General to execute all ancillary documents required to administer or effectuate this option agreement.

AFFIRMATIVE ACTION:

Pursuant to the Remedial Program for Minority and Women-Owned Business Enterprise Participation in Goods and Services contracts (M/WBE Program), this contract is waived of the M/WBE participation goals of 30% MBE and 7% WBE because the contract is not further divisible.
