WHEREAS, pursuant to Section 34-43 of The Illinois School Code (the "Code"), the Board of Education of the City of Chicago (the "Board") is required to adopt an annual school budget for each fiscal year of the Board no later than 60 days after the beginning of the fiscal year of the Board to which such budget relates; and

WHEREAS, the Board is directed by the provisions of Section 34-43 of the Code to balance its budget in each year within standards established by the Board; and

WHEREAS, Section 34-43 of the Code authorizes the Board's budget for any fiscal year to (i) provide for the accumulation of funds for educational purposes as the Board may direct or for capital improvements or in order to achieve a balanced budget in a future year within the four-year period of the Board's financial plan to begin in that budget year; and (ii) to provide for a reserve in the educational fund to ensure uninterrupted services in the event of unfavorable budget variances; and

WHEREAS, Section 34-45 of the Code directs that the budget shall include the organization units, purposes, and objects for which appropriations are made; the amount appropriated for each organization unit, purpose or object; and the fund from or to which each amount appropriated is to be paid or charged; and

WHEREAS, the Board is empowered and directed by the General Assembly pursuant to the provisions of Section 34-3.3 of the Code to: (i) increase the quality of educational services in the Chicago Public Schools; (ii) reduce the cost of non-educational services and implement cost-saving measures including the privatization of services where deemed appropriate; and (iii) streamline and strengthen the management of the system, including a responsible school-based budgeting process, in order to focus resources on student achievement; and

WHEREAS, the District has provided most schools with budget allocations using a Student Based Budgeting model which calculates allocations for core instruction funding based on a per-pupil formula and further provides a principal with discretion on the use of per-pupil funds; and

WHEREAS, the Board's Debt Management Policy, Section III.I. (Board Report 13-0724-PO1), authorizes the Board to use its operating funds to establish a reserve balance accounted for within the Debt Service funds to be used for any governmental purpose approved by the Board and delegates authority to the Senior Vice President of Finance as the Chief Financial Officer of the Board to authorize any transfer to or from Debt Service funds; and

WHEREAS, the President and Members of the Board desire to declare their intent that the Board reimburse itself for the payment of all or a portion of capital expenditures as outlined in Resolution 18-0725-RS2, Exhibit A and the website www.cps.edu/capitalplan with the proceeds of tax-exempt Bonds when such proceeds are available, which declaration of intent is intended to comply with Section 1.150-2 of the Federal Income Tax Regulations; and

WHEREAS, the Board currently expects that the proceeds of the Bonds will be applied to so reimburse itself not later than 18 months after the later of (a) the date the original expenditure is paid, or (b) the date the Project is placed in service, but in no event more than three years after the original expenditure is paid; and

WHEREAS, it is now appropriate for the Board to adopt its annual school budget for its Fiscal Year 2019 and related standards and policies;

NOW, THEREFORE, BE IT HEREBY RESOLVED BY THE BOARD OF EDUCATION OF THE CITY OF CHICAGO as follows:

Section 1. Findings. It is found, declared and determined as follows.

(a) Pursuant to section 34-43 of the Code, the Board has previously established standards by which its budgets shall be balanced in each fiscal year, consistent with the requirements of the Code. These standards provide that each budget of the Board shall cover a fiscal year of the Board and shall be developed and adopted in accordance with the requirements of the Code, including, but not limited to, Sections 34-42 through 34-51 thereof. These standards also provide that each budget shall be prepared in accordance with generally accepted accounting principles and shall be balanced such that, for each fund, the estimated sum of all revenues for the fiscal year from all sources and the amount of Fund Balance Available for appropriation in the fiscal year is greater than or equal to the estimated sum of all appropriations required to defray the amount of all expenditures and charges to be made or incurred during the fiscal year and the amount of all unpaid liabilities at the beginning of the fiscal year. The standards further provide that in determining the amount of the Fund Balance Available for appropriation in the Educational Fund, there shall be deducted (i) the amount, if any, which the Board directs to be accumulated to achieve a balanced budget in a future year within the four-year period of the financial plan to begin in the budget year or for capital improvements, and (ii) any reserve to insure uninterrupted services in the event of unfavorable budget variances. The Board's goal is to have a balanced budget over the period of the four-year financial plan that is to be developed.

(b) The annual school budget for Fiscal Year 2019 was prepared in tentative form by the Board and was available for public inspection for at least fifteen days prior to adoption (to wit, since July 6, 2018) by having at least five copies of the tentative budget on file in the Office of the Board and was posted July 6, 2018, on the district's web site at www.cps.edu/budget.

(c) On July 16, 2018, two public hearings were held concerning the adoption of the annual school budget for Fiscal Year 2019, notice of such hearings having been given by publication on July 11, 2018, in a newspaper of general circulation in the City of Chicago.

Section 2. Budget Approval. The Annual School Budget for Fiscal Year 2019, incorporating Exhibit A of this Resolution and the web site at <https://cps.edu/fy19budget>, is adopted.

Section 3. Transfers Between Appropriations. The Office of Management and Budget may approve transfers within any Board fund and within an object group and purpose in accordance with this Section. Except for matters approved by the Board as being within the discretion of the Office of Management and Budget, transfers within a fund and between object groups and purposes must be recommended by the Office of Management and Budget and approved by the Board by a vote of two-thirds of the members, provided that such transfers shall not exceed 10% of the fund during the first half of the fiscal year, and no appropriation shall be reduced below an amount sufficient to cover all obligations that will be incurred against the appropriation. The Chief Executive Officer shall define object groups and purposes that are subject to these requirements.

The Senior Vice President of Finance is hereby authorized to transfer and use Debt Service funds not otherwise restricted under bond documents for the purpose of operating and capital expenditures to support

cash flow during the fiscal year. Transfers from the Debt Service funds for this purpose will be repaid from the next receipts of property tax revenues.

Section 4. Capital Budgeting Process. The Chief Executive Officer proposed a one-year Capital Improvement Plan (the "CIP") consistent with the annual budget and the requirements of Section 34-215 of the Code on July 6, 2018, for the Board's approval. Three public hearings were held to receive public comment on the proposed CIP. Such meetings were held on July 19, 2018, at three different locations.

The Board reasonably expects to reimburse itself for the payment of capital expenditures incurred and paid by the Board from its own funds with the proceeds of the tax-exempt Bonds upon the issuance thereof. These capital expenditures are outlined in Resolution 18-0725-RS2, Exhibit A and the website www.cps.edu/capitalplan.

Section 5. Grants. The Grants Finance Office shall be responsible for the structure and accountability of the school district's grants management process. The Office of Management and Budget is designated as the managing fiscal agent for the Board for all grant money received from funding agencies.

The principal of a local school or unit head, serving as an agent of the Board, is responsible for the implementation and management of all school-based or unit-based grants from governmental and non-governmental agencies. The principal or unit head is responsible for implementing the program in a timely fashion, as approved by the funding agency, and for expending funds in accordance with the terms, budget, and liquidation requirements of the approved proposal.

Section 6. Budget Allocations. Any Policy that refers to the use of a quota formula to determine school budget allocations or other related requirement is hereby deemed to constitute reference to the Student Based Budgeting model referenced in this Resolution.

Section 7. Personnel Policies. The appropriations herein made for personnel services shall be regarded as maximum amounts to be expended from such appropriations. Such expenditures shall be limited to personnel only as needed, or as may be required by law, not to exceed the maximum that may be employed for any position by title. Notwithstanding any item in the budget, one person may be employed or more than one person may be employed, upon recommendation of the Budget Officer and the Chief Executive Officer, whether such title is printed in the singular or plural. The salary or wage rate fixed shall be regarded as the maximum salary or wage rate for the respective positions, provided that salaries or wage rates are subject to change by the Board during the fiscal year in accordance with collective bargaining agreements approved by the Board.

Initial appointments to any position, transfers among positions and resignations of Board personnel shall be made in accordance with, and subject to, current Board Policies and Rules, as may be amended, from time to time.

Section 8. Settlement Agreements and Judgments. No expenditure may be made from any fund or line item account herein for the purpose of executing settlement agreements, entering into consent orders or paying judgments except upon the approval of the Board; provided, however, that this section shall not apply to judgments, settlement agreements or consent orders involving an amount up to \$50,000 or to labor arbitrations. In those cases, the General Counsel is authorized to approve such documents and expend such funds without approval of the Board.

Section 9. Fiscal Stability. Pursuant to the Fund Balance and Budget Management Policy (Board Report 08-0827-PO8, as may be amended), in the event that the stabilization fund decreases below 5% of the operating and debt service budget, the Senior Vice President of Finance will prepare and present to the Board a plan to replenish the reserve. The Board must approve and adopt a plan to restore these balances to the target levels within a 12-month period. If the restoration of the reserve cannot occur within a 12-month period, the Senior Vice President of Finance or Budget Officer can request that the Board approve an extension of this deadline.

While the FY2019 Budget does not currently contemplate reaching the Board's fund balance target by the end of FY2019, the Senior Vice President of Finance has submitted a plan to the Board to restore the fund balance by the end of FY2020.

Section 10. Severability. To the extent that any prior resolution or policy of the Board (excluding Board Rules) is in conflict with the provisions of this Resolution, the provisions of this Resolution shall be controlling. If any section, paragraph, clause or provision of this Resolution shall be held invalid, the invalidity of such section, paragraph, clause, or provision shall not affect any of the other provisions of this Resolution.

Section 11. Effectiveness. This Resolution is effective immediately upon its adoption.

Such Notes are to be issued in accordance with the provisions of Section 34-23.5 of the School Code and the Local Government Debt Reform Act.

6. *Authorization and Terms.* The Tax Anticipation Obligations are hereby authorized to be issued and, if Notes are issued in lieu of the issuance of Warrants, the Lines of Credit or Loans are hereby authorized to be established or obtained and the Note Purchase Agreements and Lending Agreements are authorized to be executed as provided herein, in either case to provide funds to defray the necessary expenses and liabilities of the School District incurred for educational purposes prior to the receipt of taxes levied for such purposes pursuant to the 2018 Tax Levy. Any of the Designated Officials are hereby authorized to determine, at their discretion, to retire the borrowing by the making of partial payments or payment in full. The application of the Tax Receipts to the payment of the Tax Anticipation Obligations authorized hereunder shall be subject to the applicable provisions of the Lending Agreement, the Note Purchase Agreement, the Trust Indenture and the Tax Escrow Agreement, as any of such agreements or indentures may be supplemented or amended as hereinafter authorized.

NOW, THEREFORE, Be It Hereby Resolved by the Chicago Board of Education of the Board of Education of the City of Chicago, as follows:

Section 1. Incorporation of Preambles. The preambles of this Resolution are hereby incorporated into this text as if set out herein in full.

Section 2. Issuance of Bonds. (a) There shall be authorized the borrowing on the credit of and for and on behalf of the Board the aggregate principal amount of not to exceed \$313,280,000 for the purposes of paying (i) costs of the Project, (ii) capitalized interest on the Bonds, and (iii) costs of issuance of the Bonds, including the cost of bond insurance or other credit enhancement. The Bonds are hereby authorized to be issued in an aggregate principal amount not to exceed \$313,280,000. All Series of Bonds shall be issued as Alternate Bonds pursuant to the Debt Reform Act, the 2016 Authorization and this Resolution. Subject to the foregoing limitations set forth in this Section, the Bonds may be issued from time to time, in one or more Series, in such principal amounts, as may be determined by either (i) the President of the School Board (the "**President**"), or (ii) the Vice President of the School Board (the "**Vice President**") or any member of the Board who is authorized to execute documents or take action in lieu of the President, (iii) the Chief Executive Officer, (iv) the Senior Vice President of Finance or (v) the Chief Financial Officer (each, a "**Designated Official**"). The Bonds of each Series shall be distinguished from each other Series by a designation or title, including the words "**General Obligation Bonds**" and with such additions, modifications or revisions as shall be determined to be necessary by any Designated Official at the time of the sale of such Bonds to reflect the order of sale of such Bonds, whether such Bonds are Capital Appreciation Bonds, Current Interest Bonds, Convertible Bonds or Variable Rate Bonds (each as defined herein) and any other authorized features of such Bonds determined by any of the Designated Officials as desirable to be reflected in the title of the Bonds being issued and sold as part of such Series. The Designated Officials are each hereby authorized to appoint a Trustee for each Series of the Bonds so issued; provided, that such Trustee shall be a bank, trust company or national banking association doing business and having a corporate trust office in the State of Illinois and having capital and undivided surplus aggregating at least \$15,000,000 or shall be a wholly owned subsidiary of such an entity.

The Bonds of each Series shall be issued and secured pursuant to the terms of an Indenture (i) authorizing Capital Appreciation Bonds, Current Interest Bonds, Convertible Bonds (a "**Fixed Rate Indenture**") or (ii) authorizing Variable Rate Bonds (a "**Variable Rate Indenture**"). Each of the Designated Officials is hereby authorized to execute and deliver, and the Secretary is hereby authorized to attest, each Fixed Rate Indenture or Variable Rate Indenture on behalf of the Board, each such Indenture to be in substantially the respective form executed and delivered in connection with previous

issues of Fixed Rate Bonds and Variable Rate Bonds and previous issues secured by some or all of the Pledged Revenues, but with such changes therein as shall be within the authorizations granted by this Resolution as shall be approved by the Designated Official executing the same, with such execution to constitute conclusive evidence of such Designated Official's approval and this Board's approval of any changes or revisions therein from the respective forms of Fixed Rate Indenture and Variable Rate Indenture authorized hereby.

The details of the sale of each Series of the Bonds as described in the notification of sale of such Bonds delivered by a Designated Official pursuant to **Section 4(e)** of this Resolution and all provisions relating to the authorized denomination, registration, transfer and redemption of such Bonds, within the limitations set forth herein, shall be set forth in the applicable Indenture executed and delivered by a Designated Official as described herein.

Either of the Designated Officials is hereby authorized to determine the redemption date of each Outstanding Bond to be redeemed.

(b) In order to secure the payment of the principal of, redemption price of, interest on and the Compound Accreted Value (as hereinafter defined) of each Series of the Bonds, the Board hereby authorizes the inclusion in each Indenture securing such Bonds of a pledge of all or a portion of the Pledged Revenues to the payment of such Series. In accordance with Section 15 of the Debt Reform Act, the Board covenants and agrees to provide for, collect and apply such Pledged Revenues, to the payment of such Series and the provision of an additional .10 times annual debt service in the case of Bonds to be paid from a governmental revenue source or an additional .25 times annual debt service in the case of Bonds to be paid from Pledged Revenues that do not constitute a governmental revenue source. The determination of the sufficiency of the Pledged Revenues pledged pursuant to this paragraph (b) is supported by the Audit or the Feasibility Report, as applicable, and acceptance of the Audit by the Board or of the Feasibility Report by the Senior Vice President of Finance or the Chief Financial Officer, on behalf of the Board, if applicable, shall constitute conclusive evidence that the conditions of Section 15 of the Debt Reform Act have been met.

(c) Each of the Designated Officials is authorized to allocate all or a portion of the Pledged Revenues to the payment of the principal of, redemption price of, interest on and the Compound Accreted Value of each Series of the Bonds and the Indenture pursuant to which such Series of Bonds is issued and the notification of sale of such Series of the Bonds delivered by the Designated Officials pursuant to **Section 4(e)** hereof shall identify the specific Pledged Revenues allocated to such Series.

(d) Once issued, the Bonds shall be and forever remain until paid or defeased the general obligation of the Board, for the payment of which its full faith and credit are pledged, and shall be payable, in addition to the applicable Pledged Revenues, from the levy of the Pledged Debt Service Taxes as provided in the Debt Reform Act and as set forth in **Section 3** hereof.

(e) All or any portion of the Bonds may be issued as bonds payable in one payment on a fixed date (the "**Capital Appreciation Bonds**"). Any Bonds issued as Capital Appreciation Bonds shall be dated the date of issuance thereof and shall also bear the date of authentication, shall be in fully

registered form, shall be numbered determined by the Trustee and shall be in denominations equal to the original principal amounts of such Capital Appreciation Bonds or any integral multiple thereof, each such original principal amount representing Compound Accreted Value (as hereinafter defined) at maturity (the "**Maturity Amount**") of \$5,000 or any integral multiple thereof. As used herein, the "**Compound Accreted Value**" of a Capital Appreciation Bond on any date of determination shall be an amount equal to the original principal amount plus an investment return accrued to the date of such determination at a semiannual compounding rate which is necessary to produce the yield to maturity borne by such Capital Appreciation Bond.

All or any portion of the Bonds may be issued as Bonds bearing interest at fixed rates and paying interest semiannually (the "**Current Interest Bonds**"). The Current Interest Bonds shall be dated such date as shall be agreed upon by a Designated Official and the purchasers of the Current Interest Bonds, shall be in fully registered form and shall be numbered as determined by the Trustee.

The Bonds may be initially issued as Capital Appreciation Bonds containing provisions for the conversion of the Compound Accreted Value of such Bonds into Current Interest Bonds (the "**Convertible Bonds**") at such time following the initial issuance as shall be approved by a Designated Official. While in the form of Capital Appreciation Bonds, such Convertible Bonds shall be subject to all of the provisions and limitations of this Resolution relating to Capital Appreciation Bonds and while in the form of Current Interest Bonds, such Convertible Bonds shall be subject to all of the provisions and limitations of this Resolution relating to Current Interest Bonds. In connection with the issuance and sale of any Convertible Bonds, the terms and provisions relating to the conversion of the Compound Accreted Value of such Convertible Bonds into Current Interest Bonds shall be contained in the Fixed Rate Indenture executed and delivered by a Designated Official at the time of sale of such Convertible Bonds.

All or any portion of the Bonds may be issued as bonds bearing interest at variable rates adjustable and payable from time to time, including, but not limited to, bonds bearing interest at variable rates that are adjusted and reset from time to time as may be necessary to cause such Bonds to be remarketable from time to time (the "**Variable Rate Bonds**"). The Variable Rate Bonds shall be dated such date as shall be agreed upon by a Designated Official and shall be numbered as determined by the applicable Trustee. All references herein to the payment of principal of any Variable Rate Bonds shall also include the payment of tender or purchase price of such Bonds as shall be specified in the Variable Rate Indenture executed and delivered by a Designated Official pursuant to which such Variable Rate Bonds are issued.

The Bonds shall be dated as of a date not earlier than August 1, 2018, as determined by a Designated Official at the time of sale thereof. The final maturity date of any Series of Bonds shall not be later than December 1, 2049. If issued as Current Interest Bonds, Capital Appreciation Bonds or Convertible Bonds, such Bonds shall bear interest (computed upon the basis of a 360-day year of twelve 30-day months) at a rate or rates not to exceed 9 percent per annum for Bonds issued as tax-exempt Bonds or 13.5 percent per annum for Bonds issued as taxable Bonds and shall be payable on such dates as shall be determined by a Designated Official at the time of sale thereof, all as shall be determined by a Designated Official at the time of sale of such Bonds. The Bonds shall be issued in such denominations as permitted under the applicable Indenture securing such Bonds.

The Variable Rate Bonds shall bear interest from time to time at such rates determined (i) by such remarketing or other indexing agent as shall be selected by a Designated Official for that purpose or (ii) pursuant to such index or indices as shall be selected by a Designated Official for that purpose, which interest rate or rates shall not exceed the maximum permitted by law for obligations of the Board, but in no event more than 15 percent per annum, subject to the provisions of **Section 4(d)** of this Resolution. The method of determining the interest rate to be borne from time to time by the Variable Rate Bonds of any Series shall be specified in the applicable Variable Rate Indenture. Each Variable Rate Bond shall bear interest at such rates payable on such dates as shall be determined by a Designated Official at the time of sale of such Bonds and specified in the applicable Variable Rate Indenture.

(f) The Bonds of each Series may be redeemable prior to maturity at the option of the Board, in whole or in part on any date, at such times and at such redemption prices (to be expressed as a percentage of the principal amount of such Bonds being redeemed, plus accrued interest to the date of redemption), as shall be determined by a Designated Official at the time of the sale thereof. In addition, the Bonds of each Series may be redeemable prior to maturity, in whole or in part on any date at such redemption prices as may be based upon a formula designed to compensate the owners of the Bonds based upon prevailing market conditions on the date fixed for redemption, all as shall be determined by a Designated Official at the time of sale thereof. The Bonds of each Series may be made subject to sinking fund redemption, at par and accrued interest to the date fixed for redemption, as determined by a Designated Official at the time of the sale thereof; provided, that such Bonds shall mature not later than the respective date set forth in **Section 2(e)** of this Resolution.

Any Variable Rate Bonds may be made subject to optional or mandatory tender for purchase by the owners thereof at such times and at such prices (to be expressed as a percentage of the principal amount of such Bonds being tendered for purchase) as shall be determined by a Designated Official at the time of sale of such Variable Rate Bonds and specified in the applicable Variable Rate Indenture. In connection with the remarketing of any Variable Rate Bonds so tendered for purchase under the terms and conditions specified in the applicable Variable Rate Indenture, each of the Designated Officials is hereby authorized to execute on behalf of the Board one or more remarketing agreements with such national banking associations, banks, trust companies, investment bankers or other financial institutions as shall be selected by a Designated Official reflecting the terms and provisions of the Variable Rate Bonds and containing such provisions as the Designated Official executing the same shall determine are necessary or desirable in connection with the sale of some or all of the Bonds as Variable Rate Bonds.

(g) The Bonds of each Series may initially be issued in book-entry only form as provided in the applicable Indenture. The Bonds shall be executed by the manual or duly authorized facsimile signature of the President or Vice President and attested by the Secretary of the Board by the manual or duly authorized facsimile signature of the Secretary or her designee and prepared in the respective forms as provided in the applicable Indenture. The applicable Indenture may also require or permit the additional manual or duly authorized facsimile signature of the Chief Executive Officer, the Senior Vice President of Finance or the Chief Financial Officer.

(a) Each Series of the Bonds shall be sold and delivered to the Purchasers, subject to the terms and conditions of the applicable Purchase and Sale Agreement; provided, (i) that the aggregate purchase price of any Current Interest Bonds or Variable Rate Bonds shall be not less than 97 percent of the principal amount thereof to be issued (less any original issue discount used in the marketing thereof) plus accrued interest from their date to the date of delivery thereof, (ii) that the aggregate purchase price of any Capital Appreciation Bonds or Convertible Bonds shall not be less than 97 percent of the aggregate original principal amount thereof and (iii) that the compensation paid to the Purchasers in connection with the sale of any Variable Rate Bonds shall not exceed 3 percent of the principal amount thereof. The Senior Vice President of Finance and the Chief Financial Officer each individually are hereby authorized to execute and deliver on behalf of the Board a Purchase and Sale Agreement with respect to the sale of the Bonds of each Series, which (i) in the case of a Bond Purchase Agreement or a Placement Agreement shall be in substantially the form used in previous and similar financings of the Board and (ii) in the case of a Competitive Sale Agreement shall contain terms and provisions no less favorable to the Board as those contained in a Bond Purchase Agreement or Placement Agreement. Any such Purchase and Sale Agreement shall contain such final terms as shall be approved by the person executing such document, such approval to be evidenced by such person's execution thereof, and the Senior Vice President of Finance and the Chief Financial Officer are each also individually authorized to do all things necessary and essential to effectuate the provisions of such Purchase and Sale Agreement, as executed, including the execution of any documents and certificates incidental thereto or necessary to carry out the provisions thereof. The Senior Vice President of Finance or the Chief Financial Officer shall make a finding in connection with the execution of each Purchase and Sale Agreement that (i) the Bonds sold thereunder have been sold at such price and bear interest at such rate that neither the true interest cost (yield) nor the net interest rate received upon the sale of such Bonds exceeds the maximum rate otherwise authorized by applicable law, and (ii) that no person holding any office of the Board, either by election or appointment, is in any manner interested, either directly or indirectly, in his or her own name, in the name of any other person, association, trust or corporation, in the applicable Indenture, any escrow or similar agreement executed and delivered pursuant to **Section 5** of this Resolution, the applicable Purchase and Sale Agreement or any agreement with a Bond Insurer, Debt Reserve Credit Facility Provider or Credit Provider authorized

by paragraphs (b), (c) and (d) of this Section, or in the issuance and sale of such Bonds, in accordance with the laws of the State of Illinois and the Code of Ethics of the Board (Board Rule No. 11-0525-PO2, as amended).

(b) In connection with any sale of the Bonds of each Series, each of the Designated Officials is hereby authorized to obtain a bond insurance policy from such recognized bond insurer as such Designated Official shall determine (the "**Bond Insurer**") if said Designated Official determines such bond insurance policy to be desirable in connection with the sale of such Series of Bonds. Each Designated Official is also authorized to enter into such agreements and make such covenants with any Bond Insurer that such Designated Official deems necessary and that are not inconsistent with the terms and provisions of this Resolution and to pay upfront or annual fees to the Bond Insurer in connection therewith.

(c) In lieu of, or in addition to, the deposit of proceeds of the Bonds of any Series or other funds into a debt service reserve fund as authorized in paragraph (g) of this Section, each of the Designated Officials is hereby authorized to obtain a debt reserve credit facility from such recognized provider as such Designated Official shall determine (the "**Debt Reserve Credit Facility Provider**") if such Designated Official determines such debt reserve credit facility to be desirable in providing for the funding of any required debt service reserve fund. Each Designated Official is also authorized to enter into such agreements and make such covenants with any Debt Reserve Credit Facility Provider that such Designated Official deems necessary and that are not inconsistent with the terms and provisions of this Resolution, including the payment of reasonable fees to any Debt Reserve Credit Facility Provider.

(d) In connection with the sale of the Bonds of any Series, to provide additional security and liquidity for such Bonds, each of the Designated Officials is hereby authorized to obtain a letter of credit, line of credit or other credit or liquidity facility, including similar agreements with or facilities issued by a Bond Insurer (a "**Credit Facility**"), if determined by such Designated Official to be desirable in connection with such sale of Bonds. Each of the Designated Officials is hereby further authorized to appoint one or more banks, Bond Insurers or other financial institutions to issue such Credit Facility (the "**Credit Provider**") and to execute and deliver on behalf of the Board a credit, reimbursement or similar agreement (the "**Credit Agreement**") providing for the issuance of the Credit Facility and the obligation of the Board to repay funds borrowed under the Credit Facility or advances made by the Credit Provider under the Credit Facility with respect to such Bonds. The Credit Facility may be in a form that provides for the purchase of such Bonds by the Credit Provider (any such Bond so purchased being referred to as a "**Bank Bond**") and the Indenture as executed and delivered shall reflect the terms and provisions of such Bank Bonds. Any Bonds outstanding as Bank Bonds shall be secured as provided in the applicable Indenture. The annual fee paid to any Credit Provider for the provision of a Credit Facility shall not exceed 3 percent of the amount available to be drawn or advanced under such Credit Facility.

The Credit Agreement may provide that alternative interest rates or provisions will apply during such times as the Bonds constitute Bank Bonds or the Board has outstanding repayment obligations to the Credit Provider (the "**Credit Provider Rate**"), which Credit Provider Rate shall not exceed the maximum permitted by law, but in no event more than 15 percent per annum (the "**Maximum Credit Provider Rate**"). The Credit Agreement may further provide that to the extent the Credit Provider Rate determined at any time pursuant to the Credit Agreement exceeds the Maximum Credit Provider Rate, such excess may accrue at the then-applicable Credit Provider Rate (but in no event may such excess accrue at a rate in excess of 25 percent per annum) and be added to the Credit Provider Rate at such time or times thereafter as the Credit Provider Rate shall be less than the Maximum Credit Provider Rate; provided, that at no time shall the Credit Provider Rate per annum exceed the Maximum Credit Provider Rate.

(e) Subsequent to the sale of the Bonds of any Series, any Designated Officials shall file in the Office of the Secretary of the Board a notification of sale directed to the Board setting forth (i) the aggregate original principal amount of, maturity schedule, redemption provisions and interest rates for the Bonds of each Series sold, (ii) a description of the specific Pledged Revenues pledged to the payment of the principal of, redemption price of, interest on and the Compound Accreted Value of the Bonds of such Series, (iii) the principal amounts of the Bonds of each Series sold as Current Interest Bonds, Capital Appreciation Bonds, Convertible Bonds and Variable Rate Bonds, respectively, (iv) in the case of Bonds sold as Capital Appreciation Bonds and Convertible Bonds, (A) the Original Principal Amounts of and Yields to Maturity on the Capital Appreciation Bonds and Convertible Bonds being sold, and (B) a table of Compound Accreted Value per \$5,000 Maturity Amount for any Capital Appreciation Bonds and Convertible Bonds being sold, setting forth the Compound Accreted Value of each such Capital Appreciation Bond and Convertible Bonds on each semiannual compounding date, (v) the interest rates on the Current Interest Bonds sold or, in the case of Variable Rate Bonds, a description of the method of determining the interest rate applicable from time to time to such Variable Rate Bonds, (vi) debt service schedules for the Bonds of each Series, together with determinable investment earnings from the investment of moneys held in the funds and accounts pursuant to the applicable Indenture, demonstrating that the Pledged Revenues and said investment earnings and moneys held in the funds and accounts pursuant to such Indenture, are expected to be in an amount sufficient to provide the debt service coverage described in **Section 2(b)** of this Resolution, (vii) the terms and provisions for the conversion of the Compound Accrued Value of any Convertible Bonds issued hereunder into Current Interest Bonds, (viii) the application of the proceeds of such Bonds for the purposes and within the limitations set forth in paragraph (g) of this Section, (ix) if a bond insurance policy is obtained as authorized herein, the identity of the Bond Insurer issuing the bond insurance policy and the premium and any fees required to be paid thereto, (x) if a debt reserve credit facility is obtained as authorized herein, the identity of the Debt Reserve Credit Facility Provider issuing the debt reserve credit facility, (xi) if a Credit Facility is obtained as authorized herein, the identity of the Credit Provider Issuing the Credit Facility, and a copy of the Credit Agreement between the Board and such Credit Provider shall be attached to said notification of

sale, (xii) the identity of the Trustee designated pursuant to **Section 2** of this Resolution with respect to the Bonds of such Series, (xiii) if an escrow or other similar agreement is to be executed and delivered as authorized in **Section 5** of this Resolution, a copy of such agreement shall be attached to said notification of sale and (xiv) the identity of and the compensation paid to the Purchasers in connection with such sale.

In the event that the Designated Official executing such notification of sale determines that the Bonds have been sold in such principal amount or maturing or bearing interest so as to require the levy of taxes in any year less than the amount specified therefor in **Section 3(a)** of this Resolution, then such Designated Official shall include, in the notification of sale described in this Section, the amount of reduction in the amount levied in **Section 3(a)** of this Resolution for each year resulting from such sale, and in addition, any one or more of the Designated Officials shall file in the respective offices of the County Clerks certificates of tax abatement for such years. In the case of Variable Rate Bonds, such amounts to be abated from taxes levied may be determined by reference to any projections of debt service on such Variable Rate Bonds provided to the Board at the time of sale of such Bonds. No such reduction in the amounts levied in **Section 3(a)** of this Resolution need be made nor must any certificate of tax abatement be filed as described in the preceding sentence until either or both of the Designated Officials have determined that any amount so levied in **Section 3(a)** of this Resolution will not be needed to secure the Bonds being sold at that time or any Series of Bonds to be sold in the future. Any certificate of abatement delivered pursuant to this paragraph shall refer to the amount of taxes levied pursuant to **Section 3(a)** of this Resolution, shall indicate the amount of reduction in the amount of taxes levied by the Board resulting from the sale of such Bonds, which reduced amount is to be abated from such taxes, and shall further indicate the remainder of such taxes which is to be extended for collection by the County Clerks.

(f) The distribution of a Preliminary Official Statement, Private Placement Memorandum or Notice of Public Sale relating to each Series of the Bonds (the "**Disclosure Document**") in substantially the respective forms delivered in connection with previous issues of Fixed Rate Bonds and Variable Rate Bonds and previous issues secured by some or all of the Pledged Revenues, but with such changes as shall be approved by a Designated Official to reflect the terms of the Bonds proposed to be sold and the method of sale of such Bonds, is hereby in all respects, ratified, authorized and approved and shall be "*deemed final*" for purposes of Rule 15c2-12, adopted by the Securities and Exchange Commission under the Securities Exchange Act of 1934 ("**Rule 15c2-12**"), and the proposed use by the Underwriters or the Competitive Purchasers of a final Official Statement (in substantially the form (i) of the Preliminary Official Statement but with appropriate variations, omissions and insertions to reflect the final terms of the Bonds being sold or (ii) authorized herein for a Preliminary Official Statement if none is used in the marketing of the Bonds being sold) is hereby approved. Each Designated Official is hereby authorized and directed to execute the final Official Statement or other Disclosure Document, as appropriate, on behalf of the Board.

In connection with the sale of a Series of the Bonds, the Designated Officials are hereby authorized to provide to prospective Private Purchasers such information regarding the Board's operations and finances as would typically be included in a Disclosure Document and to enter into such discussions and negotiations with such prospective Private Purchasers as such Designated Officials shall

deem appropriate. In addition, the Designated Officials are hereby authorized to prepare a Notice of Sale for distribution to potential bidders in connection with a public, competitive sale of a Series of the Bonds and to take all actions necessary to conduct any such sale.

(g) The proceeds from the sale of each Series of the Bonds shall be applied to (i) the payment of costs of the Project, (ii) capitalize such interest to become due on such Bonds for such period not to exceed the greater of 2 years or a period ending 6 months after the estimated date of completion of the acquisition and construction of the Project as shall be determined by the Senior Vice President of Finance or the Chief Financial Officer, and (iii) the payment of the expenses related to the issuance of such Bonds, including, without limitation, fees to be paid to Bond Insurers or Credit Providers, and such proceeds shall be applied as provided in the applicable Indenture. In addition, proceeds from the sale of a Series of the Bonds in the amount of not to exceed 10% of the principal amount thereof may be deposited into a debt service reserve fund to be held under the applicable Indenture upon the direction of the Senior Vice President of Finance or the Chief Financial Officer if it is determined that the creation of such debt service reserve fund is necessary and required in connection with the sale of such Bonds and such proceeds shall also be applied as provided in the applicable Indenture. All of such proceeds are hereby appropriated for the purposes specified in this paragraph.

(h) The Senior Vice President of Finance and the Chief Financial Officer are hereby each authorized individually to enter into or approve such agreements with investment providers as shall be necessary or advisable in connection with the investment of any funds on deposit under the Indenture, to the extent such investments are authorized under the terms of the Indenture, the Investment Policy of the Board and applicable law, as in effect from time to time.

Section 5. Escrow of Pledged Revenues and Pledged Debt Service Taxes. If deemed necessary and desirable to provide additional security for any Bonds, each of the Designated Officials is hereby authorized to execute and deliver on behalf of the Board, and the Secretary is authorized to attest, a form of escrow or other similar agreement with a bank, trust company or national banking association having the same qualifications as those set forth in **Section 2(a)** of this Resolution for a Trustee, reflecting the issuance of the Bonds and such segregation of Pledged Revenues and the segregation of Pledged Debt Service Taxes as the Designated Official executing such agreement shall deem appropriate.

Section 6. Pledged Taxes Escrow Direction. Each of the Designated Officials is hereby authorized, pursuant to authority contained in Section 20-90 of the Property Tax Code of the State of Illinois, as amended, to execute a written direction to the County Collectors of The Counties of Cook and DuPage, Illinois (the "**County Collectors**"), (i) to deposit the collections of the Pledged Debt Service Taxes as and when extended for collection directly with such escrow agent designated pursuant to **Section 5** of this Resolution in order to secure the payment of the principal of and interest on the Bonds, and (ii) to the extent necessary, advising the County Collectors of the abatement of the Pledged Debt Service Taxes. The Designated Officials are authorized to file a certified copy of this Resolution with each of the County Collectors.

Section 7. Tax-Exemption and Non-Arbitrage. Each of the Designated Officials is hereby authorized to take any other actions and to execute any other documents and certificates necessary to assure that the interest payments with respect to the Bonds of each Series are excludable from gross income for Federal income tax purposes, to assure that the Bonds do not constitute "arbitrage bonds" or "private activity bonds" under the Internal Revenue Code of 1986, as amended, and to effectuate the issuance and delivery of the Bonds, including but not limited to the execution and delivery of a Tax Agreement; *provided*, however, that any of the Bonds may be issued as Bonds the interest on which is includible in the gross income of the owner thereof for federal income tax purposes if determined by a Designated Official to be beneficial to the Board.

Section 8. Continuing Disclosure Undertaking. Each of the Designated Officials is hereby authorized to execute and deliver one or more Continuing Disclosure Undertakings (each, a "**Continuing Disclosure Undertaking**") evidencing the Board's agreement to comply with the requirements of Section (b)(5) of Rule 15c2-12, as applicable to the Bonds of each Series. Notwithstanding any other provision of this Resolution or any Indenture, the sole remedies for any failure by the Board to comply with a Continuing Disclosure Undertaking shall be the ability of the beneficial owner of any Bond of the applicable Series to seek mandamus or specific performance by court order to cause the Board to comply with its obligations under such Continuing Disclosure Undertaking. Each Continuing Disclosure Undertaking shall be in substantially the form used in previous financings of the Board, but with such changes therein as shall be approved by the Designated Official executing the same, with such execution to constitute conclusive evidence of such official's approval and this Board's approval of any changes or revisions therein from such form of Continuing Disclosure Undertaking.

Section 9. Further Acts. Each of the Designated Officials, officials or officers of the Board are hereby authorized to execute and deliver such other documents and agreements and perform such other acts as may be necessary or desirable in connection with the Bonds, including, but not limited to, the exercise following the delivery date of the Bonds of any power or authority delegated to such official under this Resolution with respect to the Bonds upon original issuance, but subject to any limitations on or restrictions of such power or authority as herein set forth.

All actions of the officials or officers of the Board that are in conformity with the purposes and intent of this Resolution are hereby in all respects ratified, approved, and confirmed.

Section 10. Severability. The provisions of this Resolution are hereby declared to be severable; and if any section, phrase, or provision shall for any reason be declared to be invalid, such declaration shall not affect the validity of the remainder of the sections, phrases, or provisions.

Section 11. Repealer and Effective Date. All resolutions or parts of resolutions in conflict herewith are, to the extent of such conflict, hereby repealed. This Resolution is effective immediately upon its adoption.

NOW, THEREFORE, Be It Hereby Resolved by the Chicago Board of Education of the Board of Education of the City of Chicago, as follows:

Section 1. Incorporation of Preambles. The preambles of this Resolution are hereby incorporated into this text as if set out herein in full.

Section 2. Issuance of Bonds. (a) There shall be authorized the borrowing for and on behalf of the Board of the aggregate principal amount of not to exceed \$125,000,000 for the purpose of funding (i) costs of the Approved Projects that are "**Capital Expenditures**" and "**Permitted Expenditures**" each as defined in the Master Trust Indenture, (ii) capitalized interest on the Bonds, (iii) the amount of required reserves and (iv) costs of issuance of the Bonds, including the cost of bond insurance or other credit enhancement. The Bonds are hereby authorized to be issued in an aggregate principal amount not to exceed \$125,000,000. The Bonds may be issued from time to time, in one or more Series, in said aggregate principal amount, or such lesser aggregate principal amounts, as may be determined by either (i) the President of the School Board (the "**President**"), or (ii) the Vice President of the School Board (the "**Vice President**") or any Member of the Board who is authorized to execute documents or take action in lieu of the President, (iii) the Chief Executive Officer, (iv) the Senior Vice President of Finance or (v) the Chief Financial Officer (each, a "**Designated Official**"). The Bonds of each Series shall be distinguished from each other Series by a designation or title, with such Series designation and with such additions, modifications or revisions as shall be determined to be necessary by any Designated Official at the time of the sale of such Bonds to reflect the order of sale of such Bonds, whether such Bonds are Capital Appreciation Bonds, Current Interest Bonds or Capital Appreciation and Income Bonds (each as defined in the Master Trust Indenture) and any other authorized features of such Bonds determined by any Designated Official as desirable to be reflected in the title of the Bonds being issued and sold as part of such Series. The Bonds of each Series shall be Additional Bonds issued and secured pursuant to the terms of the Master Trust Indenture and the Supplemental Indenture authorizing such Series.

Each of the Designated Officials is hereby authorized to execute and deliver, and the Secretary is hereby authorized to attest to a Supplemental Indenture with respect to each Series on behalf of the Board, such Supplemental Indenture to be in substantially the form attached hereto as Exhibit B, but with such changes therein as shall be within the authorizations granted by this Resolution as shall be approved by the Designated Official executing the same, with such execution to constitute conclusive evidence of such Designated Official's approval and this Board's approval of any changes or revisions therein from the form of Supplemental Indenture authorized hereby.

The details of the sale of the Bonds as described in the notification of sale of such Bonds delivered by a Designated Official pursuant to Section 4(e) hereof and all provisions relating to the authorized denomination, registration, transfer and redemption of such Bonds, within the limitations set forth herein, shall be set forth in each Supplemental Indenture executed and delivered by a Designated Official as described herein.

(b) In order to secure the payment of the principal of, redemption price of, interest on and the Accreted Amount (as defined in the Master Trust Indenture) of each Series of the Bonds, the Board has heretofore and does hereby authorize the inclusion in the Master Trust Indenture and each Supplemental Indenture securing Bonds of a pledge of all or a portion of the Capital Improvement Taxes (the "**Pledged Capital Improvement Taxes**" as set forth in Section 3 hereof) to the payment of such Series. The Board covenants and agrees to provide for, collect and apply such Pledged Capital Improvement Taxes to the payment of the Dedicated Tax Bonds of such Series. Each of the Designated Officials is authorized to allocate all or a portion of the Pledged Capital Improvement Taxes to the payment of the principal of, redemption price of, interest on and the Accreted Amount of each Series of the Bonds and the Supplemental Indenture pursuant to which such Series of Bonds is issued shall identify the specific Pledged Capital Improvement Taxes allocated to such Series. Each Bond shall be a limited obligation of the Board payable from the Pledged Capital Improvement Taxes as provided in the Master Trust Indenture and the Supplemental Indenture pursuant to which such Series is issued. Neither the full faith and credit of the Board nor the general taxing power of the Board (other than the Capital Improvement Tax) shall be pledged or otherwise available for the payment of Dedicated Tax Bonds. The payment of Dedicated Tax Bonds shall be secured by a pledge of and security interest in the Capital Improvement Taxes pursuant to Section 34-53.5 of the School Code and Section 13 of the Act.

(c) All or any portion of the Bonds may be issued as bonds payable in one payment on a fixed date (the "**Capital Appreciation Bonds**"). Any Bonds issued as Capital Appreciation Bonds shall be dated the date of issuance thereof and shall also bear the date of authentication, shall be in fully registered form, shall be numbered as determined by the Trustee and shall be in denominations equal to the original principal amounts of such Capital Appreciation Bonds or any integral multiple thereof, each such original principal amount representing Accreted Amount (as hereinafter defined) at maturity (the "**Maturity Amount**").

All or any portion of the Bonds may be issued as Bonds bearing interest at fixed rates and paying interest semiannually (the "**Current Interest Bonds**"). The Current Interest Bonds shall be dated such date as shall be agreed upon by a Designated Official and the purchasers of the Current Interest Bonds, shall be in fully registered form, and shall be numbered as determined by the Trustee.

The Bonds may be initially issued as Capital Appreciation Bonds containing provisions for the conversion of the Accreted Amount of such Bonds into Current Interest Bonds (the "**Capital Appreciation and Income Bonds**") at such time following the initial issuance as shall be approved by a Designated Official and include in the Supplemental Indenture securing the applicable Series.

The Bonds shall be dated as of a date not earlier than August 1, 2018, as determined by a Designated Official at the time of sale thereof. The principal of the Bonds shall become due and payable on any date not earlier than April 1, 2020 and not later than April 1, 2049. The Bonds shall be issued in such denominations as permitted under the applicable Supplemental Indenture securing such Bonds.

Any Bonds issued as Current Interest Bonds, Capital Appreciation Bonds or Capital Appreciation and Income Bonds shall bear interest (computed upon the basis of a 360-day year of twelve 30-day months) payable at a rate or rates not to exceed 9 percent per annum for any Bonds issued as tax-exempt Bonds or 13.5 percent per annum for any Bonds issued as taxable Bonds, all as shall be determined by a Designated Official at the time of sale of such Bonds. The interest on such Bonds shall be payable on such dates as determined in the applicable Indenture.

(d) The Bonds of each Series may be redeemable prior to maturity at the option of the Board, in whole or in part on any date, at such times and at such redemption prices as shall be determined by a Designated Official at the time of the sale thereof. In addition, the Bonds of each Series may be redeemable prior to maturity, in whole or in part on any date at such redemption prices as may be based upon a formula designed to compensate the owners of the Bonds based upon prevailing market conditions on the date fixed for redemption, all as shall be determined by a Designated Official at the time of sale thereof. The Bonds of each Series may be made subject to extraordinary redemption prior to maturity, in whole or in part on any date, at such times and at such redemption prices and upon the occurrence of such conditions, all as shall be determined by a Designated Official at the time of the sale thereof. The Bonds of each Series may also be made subject to sinking fund redemption, at par and accrued interest to the date fixed for redemption, as determined by a Designated Official at the time of the sale thereof; *provided*, that such Bonds shall reach final maturity not later than the date set forth in Section 2(c) hereof.

(e) The Bonds of each Series may initially be issued in book-entry only form as provided in the applicable Supplemental Indenture. The Bonds shall be executed by the manual or duly authorized facsimile signature of the President or Vice President and attested by the manual or duly authorized facsimile signature of the Secretary or her designee and prepared in the respective forms as provided in the applicable Indenture. The applicable Indenture may also require or permit the additional manual or duly authorized facsimile signature of the Chief Executive Officer or the Senior Vice President of Finance.

(a) For the purpose of providing funds to pay the principal of and interest on the Bonds, there is hereby levied upon all of the taxable property within the School District, in the years for which any of the Bonds are outstanding, a direct annual tax for each of the years while the Bonds or any of them are outstanding, in amounts sufficient for those purposes, and there be and there hereby is levied upon all of the taxable property in the School District the following direct annual taxes:

(c) To the extent and in the manner permitted in the Master Trust Indenture and each Supplemental Indenture securing Bonds, the Board may direct the abatement of the Pledged Capital Improvement Taxes in whole or in part.

(d) The notification of sale of any Series of Bonds delivered by the Designated Officials pursuant to Section 4(e) hereof may provide for the allocation of all or a portion of the Pledged Capital Improvement Taxes levied for any year pursuant to this Resolution to the payment of the principal and redemption price of and interest on such Series of the Bonds.

Section 4. Sale of the Bonds, Purchase and Sale Agreements. (a) Each Series of the Bonds shall be sold and delivered to the Purchasers thereof, subject to the terms and conditions of the applicable Purchase and Sale Agreement; *provided*, (i) that the aggregate purchase price of any Current Interest Bonds paid by the Purchaser shall be not less than 97 percent of the principal amount thereof to be issued (less any original issue discount used in the marketing thereof) plus accrued interest from their date to the date of delivery thereof and (ii) that the aggregate purchase price of any Capital Appreciation Bonds or Capital Appreciation and Income Bonds paid by the Purchaser shall not be less than 97 percent of the aggregate original principal amount thereof. Each of the Senior Vice President of Finance and the Chief Financial Officer are hereby authorized to execute and deliver on behalf of the Board a Purchase and Sale Agreement with respect to the sale of the Bonds of each Series, which (i) in the case of a Bond Purchase Agreement shall be in substantially the form used in previous financings of the Board and (ii) in the case of a Placement Agreement or a Competitive Sale Agreement shall contain terms and provisions no less favorable to the Board as those contained in a Bond Purchase Agreement. Any such Purchase and Sale Agreement shall contain such final terms as shall be approved by the Senior Vice President of Finance or the Chief Financial Officer, such approval to be evidenced by such Senior Vice President of Finance’s or Chief Financial Officer’s execution thereof, and the Senior Vice President of Finance or the Chief Financial Officer is also authorized to do all things necessary and essential to effectuate the provisions of such Purchase and Sale Agreement, as executed, including the execution of any documents and certificates incidental thereto or necessary to carry out the provisions thereof. The Senior Vice President of Finance shall make a finding in connection with the execution of each Purchase and Sale Agreement that (i) the Bonds sold thereunder have been sold at such price and bear interest at such rate that neither the true interest cost (yield) nor the net interest rate received upon the sale of such Bonds exceeds the maximum rate otherwise authorized by applicable law, and (ii) that no person holding any office of the Board, either by election or appointment is in any manner interested, either directly or indirectly, in his or her own name, in the name of any other person, association, trust or corporation, in the Master Trust Indenture, any Supplemental Indenture, the applicable Purchase and Sale Agreement or any agreement with a Bond Insurer, Debt Reserve Credit Facility Provider or Credit Provider authorized by paragraphs (b), (c) and (d) of this Section, or in the issuance and sale of such Bonds, in accordance with the laws of the State of Illinois and the Code of Ethics of the Board (Board Rule No. 11-0525-P02, as amended).

(b) In connection with any sale of the Bonds of each Series, each of the Designated Officials is hereby authorized to obtain a bond insurance policy from such recognized bond insurer as such Designated Official shall determine (the “**Bond Insurer**”) if said Designated

Official determines such bond insurance policy to be desirable in connection with the sale of such Series of Bonds, or with respect to specified or designated maturities of such Series of Bonds. Each Designated Official is also authorized to enter into such agreements and make such covenants with any Bond Insurer that such Designated Official deems necessary and that are not inconsistent with the terms and provisions of this Resolution and to pay upfront or annual fees to the Bond Insurer in connection therewith.

(c) In lieu of, or in addition to, the deposit of proceeds of the Bonds of any Series or other funds into the Consolidated Debt Service Reserve Fund maintained under the Master Trust Indenture and any other debt reserve fund as authorized in paragraph (g) of this Section, each of the Designated Officials is hereby authorized to obtain a debt reserve credit facility from such recognized provider as such Designated Official shall determine (the “**Debt Reserve Credit Facility Provider**”) if such Designated Official determines such debt reserve credit facility to be desirable in providing for the funding of any required debt service reserve fund. Each Designated Official is also authorized to enter into such agreements and make such covenants with any Debt Reserve Credit Facility Provider that such Designated Official deems necessary and that are not inconsistent with the terms and provisions of this Resolution and the Master Trust Indenture, including the payment of reasonable fees to any Debt Reserve Credit Facility Provider.

(d) In connection with the sale of the Bonds of any Series, to provide additional security and liquidity for such Bonds, each of the Designated Officials is hereby authorized to obtain a letter of credit, line of credit or other credit or liquidity facility, including similar agreements with or facilities issued by a Bond Insurer (a “**Credit Facility**”), if determined by such Designated Official to be desirable in connection with such sale of Bonds. Each of the Designated Officials is hereby further authorized to appoint one or more banks, Bond Insurers or other financial institutions to issue such Credit Facility (the “**Credit Provider**”) and to execute and deliver on behalf of the Board a credit, reimbursement or similar agreement (the “**Credit Agreement**”) providing for the issuance of the Credit Facility and the obligation of the Board to repay funds borrowed under the Credit Facility or advances made by the Credit Provider under the Credit Facility with respect to such Bonds. The Credit Facility may be in a form that provides for the purchase of such Bonds by the Credit Provider (any such Bond so purchased being referred to as a “**Bank Bond**”) and the Supplemental Indenture as executed and delivered shall reflect the terms and provisions of such Bank Bonds. Any Bonds outstanding as Bank Bonds shall be secured as provided in the applicable Indenture. The annual fee paid to any Credit Provider for the provision of a Credit Facility shall not exceed 3 percent of the amount available to be drawn or advanced under such Credit Facility.

The Credit Agreement may provide that alternative interest rates or provisions will apply during such times as the Bonds constitute Bank Bonds or the Board has outstanding repayment obligations to the Credit Provider (the “**Credit Provider Rate**”), which Credit Provider Rate shall not exceed the maximum permitted by law, but in no event more than 15 percent per annum (the “**Maximum Credit Provider Rate**”). The Credit Agreement may further provide that to the extent the Credit Provider Rate determined at any time pursuant to the Credit Agreement exceeds the Maximum Credit Provider Rate, such excess may accrue at the then-applicable Credit Provider Rate (but in no event may such excess accrue at a rate in excess of 25 percent per annum) and be added to the Credit Provider Rate at such time or times thereafter as the Credit Provider Rate shall be less than the Maximum Credit Provider Rate; *provided*, that at no time shall the Credit Provider Rate per annum exceed the Maximum Credit Provider Rate.

(e) Subsequent to the sale of the Bonds of any Series, any one or more of the Designated Officials shall file in the office of the Secretary a notification of sale directed to the Board setting forth (i) the aggregate original principal amount of, maturity schedule, redemption provisions and interest rates for the Bonds sold, (ii) a description of the specific Pledged Capital Improvement Taxes pledged to the payment of the principal of, redemption price of, interest on and the Accreted Amount of the Bonds of such Series, (iii) the principal amounts of the Bonds sold as Current Interest Bonds, Capital Appreciation Bonds and Capital Appreciation and Income Bonds, respectively, (iv) in the case of Bonds sold as Capital Appreciation Bonds and Capital Appreciation and Income Bonds, (A) the Original Principal Amounts of and Yields to Maturity on the Capital Appreciation Bonds and Capital Appreciation and Income Bonds being sold, and (B) a table of Accreted Amount per \$5,000 Maturity Amount for any Capital Appreciation Bonds and Capital Appreciation and Income Bonds being sold, setting forth the Accreted Amount of each such Capital Appreciation Bond and Capital Appreciation and Income Bonds on each semiannual compounding date, (v) the interest rates on the Current Interest Bonds

sold, (vi) debt service schedules for the Bonds, demonstrating that the Pledged Capital Improvement Taxes are expected to be sufficient to provide for the punctual payment of the debt service on the Series of Bonds, (vii) the terms and provisions for the conversion of the Accrued Amount of any Capital Appreciation and Income Bonds issued hereunder into Current Interest Bonds, (viii) the application of the proceeds of such Bonds for the purposes and within the limitations set forth in paragraph (g) of this Section, (ix) if a bond insurance policy is obtained as authorized herein, the identity of the Bond Insurer issuing the bond insurance policy and the premium and any fees required to be paid thereto, (x) if a debt reserve credit facility is obtained as authorized herein, the identity of the Debt Reserve Credit Facility Provider issuing the debt reserve credit facility, (xi) if a Credit Facility is obtained as authorized herein, the identity of the Credit Provider issuing the Credit Facility, and a copy of the Credit Agreement between the Board and such Credit Provider shall be attached to said notification of sale, and (xii) the identity of and the compensation paid to the Purchasers in connection with such sale.

In the event that the Designated Official executing such notification of sale with respect to Bonds determines that the Bonds have been sold in such principal amount or maturing or bearing interest so as to require the levy of Pledged Capital Improvement Taxes in any year less than the amount specified therefor in Section 3(a) hereof, then such Designated Official shall include, in the notification of sale described in this Section, the amount of reduction in the amount levied in Section 3(a) hereof for each year resulting from such sale, and in addition, either or both of the Designated Officials shall file in the respective offices of the County Clerks certificates of tax abatement for such years. No such reduction in the amounts levied in Section 3(a) hereof need be made nor must any certificate of tax abatement be filed as described in the preceding sentence until any one or more of the Designated Officials have determined that any amount so levied in Section 3(a) hereof will not be needed to secure the Bonds being sold at that time or any Series of Bonds to be sold in the future. Any certificate of abatement delivered pursuant to this paragraph shall refer to the amount of Pledged Capital Improvement Taxes levied pursuant to Section 3(a) hereof, shall indicate the amount of reduction in the amount of Pledged Capital Improvement Taxes levied by the Board resulting from the sale of such Bonds, which reduced amount is to be abated from such Pledged Capital Improvement Taxes, and shall further indicate the remainder of such Pledged Capital Improvement Taxes which is to be extended for collection by the County Clerks. Each of the Designated Officials is also authorized to file in the respective offices of the County Clerks certificates of tax abatement that reflect the refunding of any obligations of the Board. Any abatement or reduction of Pledged Capital Improvement Taxes shall not constitute a reduction in the annual amount of Capital Improvement Tax that the Board is authorized to levy pursuant to Section 34-53.5 of the School Code

(f) The distribution of a Preliminary Official Statement, Private Placement Memorandum, Limited Offering Memorandum or Notice of Public Sale relating to each Series of the Bonds (the "**Disclosure Document**") in substantially the respective forms delivered in connection with previous issues of Bonds, but with such changes as shall be approved by a Designated Official to reflect the terms of the Bonds proposed to be sold and the method of sale of such Bonds, is hereby in all respects, ratified, authorized and approved and shall be "deemed final" for purposes of Rule 15c2-12, adopted by the Securities and Exchange Commission under the Securities Exchange Act of 1934 ("**Rule 15c2-12**"), and the proposed use by the Underwriters or the Competitive Purchasers of a final Official Statement (in substantially the form (i) of the Preliminary Official Statement but with appropriate variations, omissions and insertions to reflect the final terms of the Bonds being sold or (ii) authorized herein for a Preliminary Official Statement if none is used in the marketing of the Bonds being sold) is hereby approved. Each Designated Official is hereby authorized and directed to execute the final Official Statement or other Disclosure Document on behalf of the Board. A Designated Official may also cause the preparation and circulation of a Disclosure Document with respect to short-term borrowings of the Board for secondary market purposes that have been previously authorized by the Board.

The Designated Officials are each hereby authorized to execute and deliver such Disclosure Document on behalf of the Board. The Disclosure Document herein authorized shall contain a description of the terms and provisions of, and security for, such obligations, the use of proceeds of such obligations, financial information relating to the Board, and such other information as any Designated Officer determines to be advisable under the circumstances.

In connection with the sale of a Series of the Bonds, the Designated Officials are hereby authorized to provide to prospective Placement Purchasers such information regarding the Board's operations and finances as would typically be included in a Disclosure Document and to enter into such discussions and negotiations with such prospective Placement Purchasers as such Designated Officials shall deem appropriate. In addition, the Designated Officials are hereby authorized to prepare a Notice of Sale for distribution to potential bidders in connection with a public, competitive sale of a Series of the Bonds and to take all actions necessary to conduct any such sale.

(g) The proceeds from the sale of each Series of the Bonds shall be applied to the payment of (i) costs of Approved Projects that are "Permitted Expenditures" and "Capital Expenditures" as defined in the Master Trust Indenture, (ii) such interest to become due on such Bonds for such period not to exceed the greater of 2 years or a period ending 6 months after the estimated date of completion of the acquisition and construction of the capital improvements as shall be determined by the Senior Vice President of Finance or the Chief Financial Officer, and (iii) the payment of the expenses related to the issuance of such Bonds, including, without limitation, fees to be paid to Bond Insurers or Credit Providers, and such proceeds shall be applied as provided in the applicable Indenture. In addition, proceeds from the sale of a Series of the Bonds in the amount of not to exceed 10% of the principal amount thereof may be (i) deposited into the Consolidated Debt Service Reserve Fund or (ii) any other debt service reserve fund to be held under the applicable Supplemental Indenture upon the direction of the Senior Vice President of Finance or the Chief Financial Officer if it is determined that the creation of such other debt service reserve fund is necessary and required in connection with the sale of such Bonds. All of such proceeds are hereby appropriated for the purposes specified in this paragraph.

(h) Each of the Senior Vice President of Finance and the Chief Financial Officer is hereby authorized to enter into or approve such agreements with investment providers as shall be necessary or advisable in connection with the investment of any funds on deposit under the Master Trust Indenture or any Supplemental Indenture, to the extent such investments are authorized under the terms of the Master Trust Indenture, the Investment Policy of the Board and applicable law, as in effect from time to time.

Section 5. Escrow Directions. Each of the Designated Officials is hereby authorized, pursuant to authority contained in Section 20-90 of the Property Tax Code, 35 Illinois Compiled Statutes 200, to execute a written direction to the County Collectors of The Counties of Cook and DuPage, Illinois (the "**County Collectors**"), (i) to deposit the collections of the Capital Improvement Taxes as and when extended for collection directly with the Trustee in order to secure the payment of the principal of and interest on the Bonds and to provide for the disposition of the Pledged Capital Improvement Taxes and (ii) to the extent necessary, advising the County Collectors of the abatement of Pledged Capital Improvement Taxes. The Designated Officials are directed to file a certified copy of this Resolution with each of the County Collectors.

Section 6. Tax-Exemption and Non-Arbitrage. Each of the Designated Officials is hereby authorized to take any other actions and to execute any other documents and certificates necessary to assure that the interest payments with respect to the Bonds of each Series are excludable from gross income for federal income tax purposes, to assure that the Bonds do not constitute "arbitrage bonds" or "private activity bonds" under the Internal Revenue Code of 1986, as amended, and to effectuate the issuance and delivery of the Bonds; *provided, however*, that any of the Bonds may be issued as Bonds the interest on which is includible in the gross income of the owner thereof for federal income tax purposes if determined by a Designated Official to be beneficial to the Board.

Section 7. Continuing Disclosure Undertaking. Each of the Designated Officials is hereby authorized to execute and deliver one or more Continuing Disclosure Undertakings (each, a "**Continuing Disclosure Undertaking**") evidencing the Board's agreement to comply with the requirements of Section (b)(5) of Rule 15c2-12, as applicable to the Bonds of each Series. Notwithstanding any other provision of this Resolution, the Master Trust Indenture or any Supplemental Indenture, the sole remedies for any failure by the Board to comply with a Continuing Disclosure Undertaking shall be the ability of the beneficial owner of any Bond to seek mandamus or specific performance by court order to cause the Board to comply with its

obligations under the applicable Continuing Disclosure Undertaking. Each Continuing Disclosure Undertaking shall be in substantially the form used in previous financings of the Board, but with such changes therein as shall be approved by the Designated Official executing the same, with such execution to constitute conclusive evidence of such official's approval and this Board's approval of any changes or revisions therein from such form of Continuing Disclosure Undertaking.

Section 8. Further Acts. Each of the Designated Officials, officials or officers of the Board are hereby authorized to execute and deliver such other documents and agreements and perform such other acts as may be necessary or desirable in connection with the Bonds, including, but not limited to, the exercise following the delivery date of the Bonds of any power or authority delegated to such official under this Resolution with respect to the Bonds upon original issuance, but subject to any limitations on or restrictions of such power or authority as herein set forth.

The General Counsel is hereby authorized to select and engage attorneys and other professionals to provide services related to the transactions described in this Resolution. The General Counsel may make such selection of professionals based upon substantial demonstrated prior experience in addition, each of the Designated Officials is hereby authorized to execute and deliver any supplements or amendments deemed necessary in connection with the issuance, sale and delivery of the Bonds and other obligations of the Board which have heretofore been authorized, sold or delivered.

All actions of the officials or officers of the Board that are in conformity with the purposes and intent of this Resolution are hereby in all respects ratified, approved, and confirmed.

Section 9. Severability. The provisions of this Resolution are hereby declared to be severable; and if any section, phrase, or provision shall for any reason be declared to be invalid, such declaration shall not affect the validity of the remainder of the sections, phrases, or provisions.

Section 204. Optional Redemption. The Series 2018 Bonds shall be subject to redemption prior to maturity at the option of the Board, in such principal amounts and from such maturities as the Board shall determine, as a whole, or in part by lot as provided in Section 209, and upon notice as provided in Section 207, on _____ 1, 20__ and on any date thereafter, at a Redemption Price equal to the principal amount of the Series 2018 Bonds to be redeemed; plus accrued interest on the Series 2018 Bonds being redeemed to the date fixed for redemption.

Section 205. Mandatory Sinking Fund Redemption. The Series 2018 Bonds maturing on April 1, 20__ are Term Bonds subject to mandatory redemption at a Redemption Price of par, on April 1 of the following years and in the following principal amounts, each constituting a Sinking Fund Installment for the retirement of the Term Bonds as set forth in the following table, subject to adjustment pursuant to Section 206:

<u>Year</u>	<u>Principal Amount</u>
20__	\$,000
20__	,000
20__	,000
20__	,000

The final maturity amount of the Term Bonds due April 1, 20__ is \$_____.

The Series 2018 Bonds maturing on April 1, 20__ are Term Bonds subject to mandatory redemption at a Redemption Price of par, on April 1 of the following years and in the following principal amounts, each constituting a Sinking Fund Installment for the retirement of the Term Bonds as set forth in the following table, subject to adjustment pursuant to Section 206:

<u>Year</u>	<u>Principal Amount</u>
20__	\$,000
20__	,000
20__	,000

The final maturity amount of the Term Bonds due April 1, 20__ is \$_____.

Section 206. Adjustment of Sinking Fund Installments. In the event of the optional redemption by the Board of less than all of the Term Bonds of the same maturity, the principal amount so redeemed shall be credited against the unsatisfied balance of future Sinking Fund Installments and the final maturity amount established with respect to such Term Bonds as shall be determined by the Board in a Certificate of an Authorized Officer filed with the Trustee or, in the absence of such determination, shall be credited pro-rata against the applicable Sinking Fund Installments and final maturity amount.

Section 207. Redemption at the Election or Direction of the Board. In the case of any redemption of Series 2018 Bonds at the election or direction of the Board, the Board shall give written notice to the Trustee of its election or direction so to redeem, of the date fixed for redemption, and of the principal amounts and interest rates of the Series

2018 Bonds of each maturity to be redeemed. Such notice shall be given at least 35 days prior to the specified redemption date or such shorter period as shall be acceptable to the Trustee. In the event notice of redemption shall have been given as in Section 210 provided, there shall be paid on or prior to the specified redemption date to the Trustee an amount in cash or Government Obligations maturing on or before the specified redemption date which, together with other moneys, if any, available therefor held by the Trustee, will be sufficient to redeem all of the Series 2018 Bonds to be redeemed on the specified redemption date at their Redemption Price plus interest accrued and unpaid to the date fixed for redemption. Such amount and moneys shall be held in a separate, segregated account for the benefit of the Owners of the Series 2018 Bonds so called for redemption.

Section 208. Redemption Otherwise Than at Board's Election or Direction.

Whenever by the terms of this Third Supplemental Indenture the Trustee is required or authorized to redeem Series 2018 Bonds otherwise than at the election or direction of the Board, the Trustee shall select the Series 2018 Bonds to be redeemed in accordance with Section 209, give the notice of redemption and pay the Redemption Price thereof, plus interest accrued and unpaid to the date fixed for redemption.

Section 209. Selection of Series 2018 Bonds to Be Redeemed. If less than all the Series 2018 Bonds of the same maturity are called for redemption, the particular Series 2018 Bonds or portion of Series 2018 Bonds to be redeemed shall be selected at random by the Trustee in such manner as the Trustee in its discretion may deem fair and appropriate; *provided, however*, that the portion of any Series 2018 Bond of a denomination of more than the minimum Authorized Denomination to be redeemed shall be in the principal amount of an Authorized Denomination and that, in selecting portions of such Series 2018 Bonds for redemption, the Trustee shall treat each such Series 2018 Bond as representing that number of Series 2018 Bonds of the minimum Authorized Denomination which is obtained by dividing the principal amount of such Series 2018 Bond to be redeemed in part by said minimum Authorized Denomination. If all Series 2018 Bonds are held in book-entry only form, the particular Series 2018 Bonds or portions thereof to be redeemed shall be selected by DTC in such manner as DTC shall determine, provided, however, that in no event shall any redemption result in unrefunded Series 2018 Bonds of a denomination less than \$100,000.

Section 210. Notice of Redemption. When the Trustee shall receive notice from the Board of its election or direction to redeem Series 2018 Bonds pursuant to Section 207, and when redemption of Series 2018 Bonds is authorized or required pursuant to Section 208, the Trustee shall give notice, in the name of the Board, of the redemption of such Series 2018 Bonds, which notice shall specify the maturities and interest rates of the Series 2018 Bonds to be redeemed, the date fixed for redemption and the place or places where amounts due upon such date fixed for redemption will be payable and, if less than all of the Series 2018 Bonds of any like maturity and interest rate

are to be redeemed, the letters and numbers or other distinguishing marks of such Series 2018 Bonds so to be redeemed, and, in the case of Series 2018 Bonds to be redeemed in part only, such notice shall also specify the respective portions of the principal amount thereof to be redeemed. Such notice shall further state that on such date there shall become due and payable the Redemption Price of each Series 2018 Bond to be redeemed, or the Redemption Price of the specified portions of the principal thereof in the case of Series 2018 Bonds to be redeemed in part only, together with interest accrued to the date fixed for redemption, and that from and after such date interest thereon shall cease to accrue and be payable. The Trustee shall mail copies of such notice by first-class mail, postage prepaid, not more than 60 days nor less than 30 days before the date fixed for redemption, to the Owners of the Series 2018 Bonds to be redeemed at their addresses as shown on the registration books of the Board maintained by the Registrar. If the Trustee mails notices of redemption as herein provided, notice shall be conclusively presumed to have been given to all Owners.

With respect to an optional redemption of any Series 2018 Bonds, unless moneys sufficient to pay the Redemption Price of, and interest on the Series 2018 Bonds to be redeemed shall have been received by the Trustee prior to the giving of such notice of redemption, such notice may, at the option of the Board, state that said redemption shall be conditional upon the receipt of such moneys by the Trustee on or prior to the date fixed for redemption. If such moneys are not received, such notice shall be of no force and effect, the Board shall not redeem such Series 2018 Bonds and the Trustee shall give notice, in the same manner in which the notice of redemption was given, that such moneys were not so received and that such Series 2018 Bonds will not be redeemed.

Section 211. Payment of Redeemed Series 2018 Bonds. Notice having been given in the manner provided in Section 210, the Series 2018 Bonds or portions thereof so called for redemption shall become due and payable on the date fixed for redemption at the Redemption Price, plus interest accrued and unpaid to such date, and, upon presentation and surrender thereof at any place specified in such notice, such Series 2018 Bonds, or portions thereof, shall be paid at the Redemption Price, plus interest accrued and unpaid to such date. If there shall be called for redemption less than all of a Series 2018 Bond, the Board shall execute and the Trustee shall authenticate and the appropriate Fiduciary shall deliver, upon the surrender of such Series 2018 Bond, without charge to the Owner thereof, for the unredeemed balance of the principal amount of the Series 2018 Bond so surrendered, fully registered Series 2018 Bonds of like maturity and interest rate in any Authorized Denominations. If, on the date fixed for redemption, moneys for the redemption of all the Series 2018 Bonds or portions thereof of like maturity and interest rate to be redeemed, together with interest to such date, shall be held by the Trustee so as to be available therefor on said date and if notice of redemption shall have been given as aforesaid, then, from and after the date fixed for redemption, interest on the Series 2018 Bonds or portions thereof of such maturity and interest rate so called for redemption shall cease to accrue and become payable. If said moneys shall not be so available on the date

fixed for redemption, such Series 2018 Bonds or portions thereof shall continue to bear interest until paid at the same rate as they would have borne had they not been called for redemption.

ARTICLE III

(A) Creation of Series 2018 Dedicated Sub-Fund. Section 302. Deposits into Series 2018 Dedicated Sub-Fund and Accounts.

(A) On each Business Day, commencing February 1, 20__ (each such date referred to herein as the "*Deposit Date*") there shall be withdrawn from the Debt Service Fund and deposited into the Series 2018 Dedicated Sub-Fund, until there shall have been deposited into the various Accounts in the Series 2018 Dedicated Sub-Fund an amount equal to the aggregate of the amounts set forth in subsection (B) of this Section (such aggregate amount with respect to any Deposit Date being referred to herein as the "*Series 2018 Deposit Requirement*").

(B) On each Deposit Date that moneys are available for deposit into the Series 2018 Dedicated Sub-Fund, the Trustee shall make the following deposits in the following order of priority and if the moneys deposited into the Series 2018 Dedicated Sub-Fund are insufficient to make any required deposit, the deposit shall be made up on the next Deposit Date after required deposits having a higher priority shall have been made in full:

First: for deposit into the 2018 Interest Account, an amount equal to the amount required so that the sum held in the 2018 Interest Account, when added to the interest payable from the 2018 Capitalized Interest Account on the applicable Interest Payment Dates, will equal the sum of the unpaid interest due on the Series 2018 Bonds on the next ensuing Interest Payment Dates to and including the first day of April of the next calendar year; and

Second: commencing on February 1, 20__, for deposit into the 2018 Principal Account, the amount required so that the sum then held in the 2018 Principal Account will equal the sum of the unpaid Principal due on the Series 2018 Bonds on the first day of April of the next calendar year.

(C) In addition to the Series 2018 Deposit Requirement, there shall be deposited into the Series 2018 Dedicated Sub-Fund any other moneys received by the Trustee under and pursuant to the Indenture or this Third Supplemental Indenture, when accompanied by directions from the person depositing such moneys that such moneys are to be paid into the Series 2018 Dedicated Sub-Fund and to one or more accounts in the Series 2018 Dedicated Sub-Fund.

Section 303. 2018 Interest Account. The Trustee shall withdraw from the 2018 Interest Account, prior to each Interest Payment Date, an amount equal to the interest due on the Series 2018 Bonds and not payable from the 2018 Capitalized Interest Account, and apply the same to the payment of such interest.

Section 304. 2018 Capitalized Interest Account. The Trustee shall withdraw from the 2018 Capitalized Interest Account, prior to each of the following Interest Payment Dates, the amount set forth in the following table, and apply the same to the payment of the interest on the Series 2018 Bonds due on such Interest Payment Date.

<u>Interest Payment Date</u>	<u>Amount</u>
April 1, 2019	
October 1, 2019	
April 1, 2020	

Any amount remaining in the 2018 Capitalized Interest Account on April 2, 2020, shall be withdrawn from the 2018 Capitalized Interest Account and deposited into the 2018 Interest Account.

Section 305. 2018 Principal Account. (A) The Trustee shall withdraw from the 2018 Principal Account, prior to each Principal Payment Date, an amount equal to the Principal of the Series 2018 Bonds maturing or due on that date, and apply the same to the payment of such Principal when due.

(B) The Trustee shall establish and maintain in the 2018 Principal Account a separate Sub-Account for each maturity of the Term Bonds for which Sinking Fund Installments are established pursuant to Section 205. Moneys paid into the 2018 Principal Account in respect of Sinking Fund Installments in any Bond Year shall upon receipt be segregated and set aside in said Sub-Accounts in proportion to the respective amounts of the Sinking Fund Installment on the next ensuing Principal Payment Date with respect to the particular Term Bonds for which each such Sub-Account is maintained.

(C) The Trustee shall apply moneys in any Sub-Account established in the 2018 Principal Account as provided in subsection (B) of this Section to the redemption of the Term Bonds for which such Sub-Account is maintained in the manner provided in this Section and Article II or to the payment of the Principal thereof at maturity. If at any date there shall be moneys in any such Sub-Account and there shall be Outstanding none of the Term Bonds for which such Sub-Account was established, said Sub-Account shall be closed and the moneys therein shall be withdrawn therefrom and be applied by the Trustee as if paid into the 2018 Principal Account on that date.

(D) Amounts deposited to the credit of the 2018 Principal Account to be used in satisfaction of any Sinking Fund Installment may, and if so directed by the Board in a Certificate of an Authorized Officer filed with the Trustee shall, be applied by the Trustee, on or prior to the 60th day next preceding the next Principal Payment Date on which a Sinking Fund Installment is due, to the purchase of Outstanding Term Bonds of the maturity for which such Sinking Fund Installment was established. That portion of the purchase price attributable to accrued interest shall be paid from the 2018 Interest Account. All such purchases of Outstanding Term Bonds shall be made at prices not exceeding the applicable sinking fund Redemption Price of such Term Bonds plus accrued interest, and such purchases shall be made in such manner as the Board shall determine. The principal amount of any Term Bonds so purchased shall be deemed to constitute part of the 2018 Principal Account until the Principal Payment Date on which such Sinking Fund Installment is due, for the purpose of calculating the amount on deposit in such Account.

(E) At any time up to the 60th day next preceding the next Principal Payment Date on which a Sinking Fund Installment is due, the Board may purchase Outstanding Term Bonds for which such Sinking Fund Installment was established and surrender such Term Bonds to the Trustee at any time up to said date.

(F) After giving effect to the Outstanding Term Bonds purchased by the Trustee and Outstanding Term Bonds surrendered by the Board as described in Subsections (C) and (D) of this Section, which shall be credited against the Sinking Fund Installment at the applicable sinking fund Redemption Price thereof, and as soon as practicable after the 60th day next preceding the next Principal Payment Date on which a Sinking Fund Installment is due, the Trustee shall proceed to call for redemption on such Principal Payment Date Outstanding Term Bonds for which such Sinking Fund Installment was established in such amount as shall be necessary to complete the retirement of the unsatisfied portion of such Sinking Fund Installment. The Trustee shall pay out of the 2018 Principal Account to the appropriate Paying Agents, on or before the day preceding such redemption date, the Redemption Price required for the redemption of the Outstanding Term Bonds so called for redemption, and such amount shall be applied by such Paying Agents to such redemption.

(G) If the principal amount of Outstanding Term Bonds retired through application of amounts in satisfaction of any Sinking Fund Installment shall exceed such Sinking Fund Installment, or in the event of the purchase from moneys other than from the 2018 Principal Account of Outstanding Term Bonds for which Sinking Fund Installments have been established, such excess over the principal amount of Outstanding Term Bonds so purchased shall be credited toward future scheduled Sinking Fund Installments either (i) in the order of their due dates or (ii) in such order as the Board establishes in a Certificate signed by an Authorized Officer and delivered to the Trustee not more than 45 days after the payment in excess of such Sinking Fund Installment.

Section 306. Timing of Bond Payment Withdrawals. All withdrawals from the 2018 Interest Account, the 2018 Principal Account and the 2018 Capitalized Interest Account under Section 303, Section 304, Section 305(A) or Section 305(F) shall be made no earlier than three days prior to the Payment Date to which they relate, and the amount so withdrawn shall, for all purposes of this Third Supplemental Indenture, be deemed to remain and be a part of the respective Account until the applicable Payment Date.

Section 307. 2018 Project Account. (A) The Trustee shall apply moneys in the 2018 Project Account for the payment of costs of issuance of the Series 2018 Bonds, as directed in a Certificate filed with the Trustee.

(B) The Trustee shall make payment of the Costs of Construction of the 2018 Project that are both Capital Expenditures and Permitted Expenditures from the 2018 Project Account as provided in subsections (D), (E) and (F) of this Section.

(C) At the direction of the Board expressed in a Certificate filed with the Trustee, moneys in the 2018 Project Account shall be applied to pay such amounts as are required to be paid to the United States of America pursuant to Section 148(f) of the Code.

(D) The Trustee shall, during construction of the 2018 Project, pay from the 2018 Project Account to the Board, upon its requisitions therefor, at one time or from time to time, a sum or sums aggregating not more than \$5,000,000, exclusive of and in addition to reimbursements as hereinafter in this Section authorized, such sums and such reimbursements to be used by the Board as a revolving fund for the payment of Costs of Construction that are both Capital Expenditures and Permitted Expenditures and that cannot conveniently be paid as otherwise provided in this Section. Such revolving fund shall be reimbursed by the Trustee from time to time for such expenses so paid, by payments from the 2018 Project Account upon requisitions of the Board accompanied by its Certificate specifying the payee and the amount and particular purpose of each payment from such revolving fund for which such reimbursement is requested and certifying that each such amount so paid was necessary for the payment of an expense constituting a Cost of Construction that was both a Capital Expenditure and a Permitted Expenditure and that such expense could not conveniently be paid except from such revolving fund. In making such reimbursements the Trustee may rely upon such requisitions and accompanying certificates. The revolving fund maintained by the Board pursuant to this Section 307 shall be held separate and apart from all other funds and accounts of the Board and the amounts held in the revolving fund may only be used for payments to vendors for Capital Expenditures that are Permitted Expenditures or for the reimbursement of the Board for prior payments to vendors of Capital Expenditures that are Permitted Expenditures. Each transfer to the revolving fund maintained by the Board pursuant to this Section 307 may not exceed the aggregate amount of the vendor invoices to be paid or reimbursed with respect to the revolving fund, and may only be made after a careful review by the Board to confirm that all transfers to the revolving fund match invoiced amounts for Capital Expenditures that are Permitted Expenditures.

(E) The Trustee shall, during and upon completion of construction of the 2018 Project, make payments from the 2018 Project Account in addition to those made pursuant to subsection (D) of this Section, in the amounts, at the times, in the manner, and on the other terms and conditions set forth in this Section. Before any such payment shall be made, the Board shall file with the Trustee:

(1) its requisition therefor, stating in respect of each payment to be made: (a) the name of the person, firm or corporation to whom payment is due, (b) the amount to be paid, and (c) in reasonable detail the purpose for which the obligation was incurred; and

(2) its Certificate attached to the requisitions certifying: (a) that obligations in the stated amounts have been incurred by the Board in or about the construction of the 2018 Project, and that each item thereof (i) is a proper charge against the 2018 Project Account, (ii) is a proper Cost of Construction, (iii) is a proper Capital Expenditure; (iv) is a proper Permitted Expenditure and (v) has not been paid or previously reimbursed pursuant to Subsection (D) of this Section or

from the 2016 Project Account of the Series 2016 Dedicated Sub-Fund, the 2017 Project Account of the Series 2017 Dedicated Sub-Fund or from the Permitted Expenditures Account, (b) that there has not been filed with or served upon the Board notice of any lien, right to lien, or attachment upon, or claim affecting the right to receive payment of, any of the moneys payable under such requisition, or if any such lien, attachment or claim has been filed or served upon the Board, that such lien, attachment or claim has been released or discharged, and (c) that such requisition contains no item representing payment on account of any retained percentages which the Board is at the date of such Certificate entitled to retain.

Upon receipt of each such requisition and accompanying Certificates the Trustee shall transfer from the 2018 Project Account to the credit of a special account in the name of the Board, an amount equal to the total of the amounts to be paid as set forth in such requisition, the amounts in such special account to be held solely for the payment of the obligations set forth in such requisition. In making such transfer, the Trustee may rely upon such requisition and accompanying certificates. Each such obligation shall be paid by check or wire transfer drawn on such special account to the order of the Person named in and in accordance with the requisition. Moneys deposited to the credit of such special account shall be deemed to be a part of the 2018 Project Account until paid out as above provided. If for any reason the Board should decide prior to the payment of any item in a requisition to stop payment of such item, an Authorized Officer shall give notice of such decision to the Trustee and thereupon the Trustee shall transfer the amount of such item from such special account to the 2018 Project Account.

(F) The Trustee shall withdraw from the 2018 Project Account and pay to the Board free from the lien of the Indenture any balance in the 2018 Project Account, or any part thereof, in the amounts, at the times, in the manner, and on the other terms and conditions set forth in this Subsection. Before any such withdrawal and payment shall be made, the Board shall file with the Trustee its Certificate certifying: (1) that the 2018 Project has been completed or substantially completed, and (2) that a sum stated in the Certificate is sufficient to pay, and is required to be reserved in the 2018 Project Account to pay, all Costs of Construction then remaining unpaid, including the estimated amount of any such items the amount of which is not finally determined and all claims against the Board arising out of the construction thereof. Upon receipt of such requisition and accompanying Certificates, the Trustee shall withdraw from the 2018 Project Account and pay to, or upon the order of, the Board the amount stated in such requisition, provided that no such withdrawal shall be made if it would reduce the amount in the 2018 Project Account below the amount stated in the respective Certificate of the Board as required to be reserved in the 2018 Project Account. Moneys so withdrawn from the 2018 Project Account (i) may be applied for the payment, purchase or redemption of Series 2018 Bonds or (ii) may be reappropriated by the Board if such appropriation is for a purpose permitted by Section 34-53.5 of the School Code and will not adversely affect the exclusion from gross income under the Code of interest on the Series 2018 Bonds.

Section 308. Moneys to be Held in Trust. All moneys required to be deposited with or paid to the Trustee for the account of any Fund, Sub-Fund, Account or Sub-Account referred to in any provision of this Third Supplemental Indenture, shall be held by the Trustee in trust as provided in Section 1203 of the Indenture, and shall, while held by the Trustee, constitute part of the Trust Estate and be subject to the lien or security interest created hereby.

Section 309. Consolidated Debt Service Reserve Fund. The Board hereby designates the Series 2018 Bonds as Consolidated Reserve Fund Bonds. The Board and the Trustee covenant and agree for the benefit of the Owners of the Series 2018 Bonds that the Consolidated Debt Service Reserve Fund is to be administered in accordance with the Indenture.

The Board shall not permit any of the proceeds of the Series 2018 Bonds, or any facilities financed with such proceeds, to be used in any manner that would cause any Series 2018 Bond to constitute a "private activity bond" within the meaning of Section 141 of the Code. All Series of Bonds issued as 2016 Authorization Bonds shall be issued as Alternate Bonds pursuant to the Debt Reform Act, the 2016 Authorization and this Resolution. All Series of Statutory Refunding Bonds shall be issued as Alternate Bonds pursuant to Section 15(e) of the Debt Reform Act and this Resolution and may be issued for the purpose of refunding any principal of and interest on any one or more of the Outstanding Bonds that are Series 2006B Bonds, Series 2008C Bonds or Series 2009D Bonds. Subject to the foregoing limitations set forth in this Section, the Bonds may be issued from time to time, in one or more Series, in such principal amounts, as may be determined by either (i) the President of the School Board (the "**President**"), or (ii) the Vice President of the School Board (the "**Vice President**") or any member of the Board who is authorized to execute documents or take action in lieu of the President, (iii) the Chief Executive Officer, (iv) the Senior Vice President of Finance or (v) the Chief Financial Officer (each, a "**Designated Official**"). The Bonds of each Series shall be distinguished from each other Series by a designation or title, including the words "**General Obligation Refunding Bonds**" and with such additions, modifications or revisions as shall be determined to be necessary by any Designated Official at the time of the sale of such Bonds to reflect the order of sale of such Bonds, whether such Bonds are Capital Appreciation Bonds, Current Interest Bonds, Convertible Bonds or Variable Rate Bonds (each as defined herein) and any other authorized features of such Bonds determined by any of the Designated Officials as desirable to be reflected in the title of the Bonds being issued and sold as part of such Series. The Designated Officials are each hereby authorized to appoint a Trustee for each Series of the Bonds so issued; provided, that such Trustee shall be a bank, trust company or national banking association doing business and having a corporate trust office in the State of Illinois and having capital and undivided surplus aggregating at least \$15,000,000 or shall be a wholly owned subsidiary of such an entity.

The Bonds of each Series shall be issued and secured pursuant to the terms of an Indenture (i) authorizing Capital Appreciation Bonds, Current Interest Bonds, Convertible Bonds (a "**Fixed Rate Indenture**") or (ii) authorizing Variable Rate Bonds (a "**Variable Rate Indenture**"). Each of the Designated Officials is hereby authorized to execute and deliver, and the Secretary is hereby authorized to attest, each Fixed Rate Indenture or Variable Rate Indenture on behalf of the Board, each such

Indenture to be in substantially the respective form executed and delivered in connection with previous issues of Fixed Rate Bonds and Variable Rate Bonds and previous issues secured by some or all of the Pledged Revenues, but with such changes therein as shall be within the authorizations granted by this Resolution as shall be approved by the Designated Official executing the same, with such execution to constitute conclusive evidence of such Designated Official's approval and this Board's approval of any changes or revisions therein from the respective forms of Fixed Rate Indenture and Variable Rate Indenture authorized hereby.

The details of the sale of each Series of the Bonds as described in the notification of sale of such Bonds delivered by a Designated Official pursuant to **Section 4(e)** of this Resolution and all provisions relating to the authorized denomination, registration, transfer and redemption of such Bonds, within the limitations set forth herein, shall be set forth in the applicable Indenture executed and delivered by a Designated Official as described herein.

Either of the Designated Officials is hereby authorized to determine the redemption date of each Outstanding Bond to be redeemed.

(b) In order to secure the payment of the principal of, redemption price of, interest on and the Compound Accreted Value (as hereinafter defined) of each applicable Series of the Statutory Refunding Bonds, the Board hereby pledges the 2004 Pledged Revenues, 2006 Pledged Revenues and the 2008 Pledged Revenues, as appropriate, to the payment thereof, and the Board covenants and agrees to provide for, collect and apply such Statutory Refunding Pledged Revenues, to the payment of such Series of the Statutory Refunding Bonds and the provision of an additional .10 times annual debt service of such Series of the Statutory Refunding Bonds. Each of the Designated Officials is authorized to allocate all or a portion of the Statutory Refunding Pledged Revenues, as appropriate, to the payment of the principal of, redemption price of, interest on, and the Compound Accreted Value of, the applicable Series of the Statutory Refunding Bonds and the Indenture pursuant to which such Series of Statutory Refunding Bonds is issued and the notification of sale of such Series of the Statutory Refunding Bonds delivered by the Designated Officials pursuant to **Section 4(e)** of this Resolution shall identify the specific Statutory Refunding Pledged Revenues allocated to such Series.

(c) In order to secure the payment of the principal of, redemption price of, interest on and the Compound Accreted Value (as hereinafter defined) of each applicable Series of the Bonds issued as 2016 Authorization Bonds, the Board hereby authorizes the inclusion in each Indenture securing such Bonds of a pledge of all or a portion of the 2016 Pledged Revenues to the payment of such Series. In accordance with Section 15 of the Debt Reform Act, the Board covenants and agrees to provide for, collect and apply such 2016 Pledged Revenues, to the payment of such 2016 Authorization Bonds of such Series and the provision of an additional .10 times annual debt service in the case of 2016 Authorization Bonds to be paid from a governmental revenue source or an additional .25 times annual debt service in the case of 2016 Authorization Bonds to be paid from 2016 Pledged Revenues that do not constitute a governmental revenue source. The determination of the sufficiency of the Pledged Revenues pledged pursuant to this paragraph (c) is supported by the Audit or the Feasibility Report, as applicable, and acceptance of the Audit by the Board or of the Feasibility Report by the Senior Vice President of

Finance or the Chief Financial Officer, on behalf of the Board, if applicable, shall constitute conclusive evidence that the conditions of Section 15 of the Debt Reform Act have been met. Each of the Designated Officials is authorized to allocate all or a portion of the 2016 Pledged Revenues to the payment of the principal of, redemption price of, interest on and the Compound Accreted Value of each Series of the Bonds that are 2016 Authorization Bonds and the Indenture pursuant to which such Series of Bonds is issued and the notification of sale of such Series of the Bonds delivered by the Designated Officials pursuant to **Section 4(e)** hereof shall identify the specific 2016 Pledged Revenues allocated to such Series.

(d) Once issued, the Bonds shall be and forever remain until paid or defeased the general obligation of the Board, for the payment of which its full faith and credit are pledged, and shall be payable, in addition to the applicable Pledged Revenues, from the levy of the Pledged Debt Service Taxes as provided in the Debt Reform Act and as set forth in **Section 3** hereof.

(e) All or any portion of the Bonds may be issued as bonds payable in one payment on a fixed date (the "**Capital Appreciation Bonds**"). Any Bonds issued as Capital Appreciation Bonds shall be dated the date of issuance thereof and shall also bear the date of authentication, shall be in fully registered form, shall be numbered determined by the Trustee and shall be in denominations equal to the original principal amounts of such Capital Appreciation Bonds or any integral multiple thereof, each such original principal amount representing Compound Accreted Value (as hereinafter defined) at maturity (the "**Maturity Amount**") of \$5,000 or any integral multiple thereof. As used herein, the "**Compound Accreted Value**" of a Capital Appreciation Bond on any date of determination shall be an amount equal to the original principal amount plus an investment return accrued to the date of such determination at a semiannual compounding rate which is necessary to produce the yield to maturity borne by such Capital Appreciation Bond.

All or any portion of the Bonds may be issued as Bonds bearing interest at fixed rates and paying interest semiannually (the "**Current Interest Bonds**"). The Current Interest Bonds shall be dated such date as shall be agreed upon by a Designated Official and the purchasers of the Current Interest Bonds, shall be in fully registered form and shall be numbered as determined by the Trustee.

The Bonds may be initially issued as Capital Appreciation Bonds containing provisions for the conversion of the Compound Accreted Value of such Bonds into Current Interest Bonds (the "**Convertible Bonds**") at such time following the initial issuance as shall be approved by a Designated Official. While in the form of Capital Appreciation Bonds, such Convertible Bonds shall be subject to all of the provisions and limitations of this Resolution relating to Capital Appreciation Bonds and while in the form of Current Interest Bonds, such Convertible Bonds shall be subject to all of the provisions and limitations of this Resolution relating to Current Interest Bonds. In connection with the issuance and sale of any Convertible Bonds, the terms and provisions relating to the conversion of the Compound Accreted Value of such Convertible Bonds into Current Interest Bonds shall be contained in the Fixed Rate Indenture executed and delivered by a Designated Official at the time of sale of such Convertible Bonds.

All or any portion of the Bonds may be issued as bonds bearing interest at variable rates adjustable and payable from time to time, including, but not limited to, bonds bearing interest at variable rates that are adjusted and reset from time to time as may be necessary to cause such Bonds to be

remarketable from time to time (the "**Variable Rate Bonds**"). The Variable Rate Bonds shall be dated such date as shall be agreed upon by a Designated Official and shall be numbered as determined by the applicable Trustee. All references herein to the payment of principal of any Variable Rate Bonds shall also include the payment of tender or purchase price of such Bonds as shall be specified in the Variable Rate Indenture executed and delivered by a Designated Official pursuant to which such Variable Rate Bonds are issued.

The Bonds shall be dated as of a date not earlier than August 1, 2018, as determined by a Designated Official at the time of sale thereof. The final maturity date of any Series of Bonds shall not be later than December 1, 2036. If issued as Current Interest Bonds, Capital Appreciation Bonds or Convertible Bonds, such Bonds shall bear interest (computed upon the basis of a 360-day year of twelve 30-day months) at a rate or rates not to exceed 9 percent per annum for Bonds issued as tax-exempt Bonds or 13.5 percent per annum for Bonds issued as taxable Bonds and shall be payable on such dates as shall be determined by a Designated Official at the time of sale thereof, all as shall be determined by a Designated Official at the time of sale of such Bonds. The Bonds shall be issued in such denominations as permitted under the applicable Indenture securing such Bonds.

The Variable Rate Bonds shall bear interest from time to time at such rates determined (i) by such remarketing or other indexing agent as shall be selected by a Designated Official for that purpose or (ii) pursuant to such index or indices as shall be selected by a Designated Official for that purpose, which interest rate or rates shall not exceed the maximum permitted by law for obligations of the Board, but in no event more than 15 percent per annum, subject to the provisions of **Section 4(d)** of this Resolution. The method of determining the interest rate to be borne from time to time by the Variable Rate Bonds of any Series shall be specified in the applicable Variable Rate Indenture. Each Variable Rate Bond shall bear interest at such rates payable on such dates as shall be determined by a Designated Official at the time of sale of such Bonds and specified in the applicable Variable Rate Indenture.

(f) The Bonds of each Series may be redeemable prior to maturity at the option of the Board, in whole or in part on any date, at such times and at such redemption prices (to be expressed as a percentage of the principal amount of such Bonds being redeemed, plus accrued interest to the date of redemption), as shall be determined by a Designated Official at the time of the sale thereof. In addition, the Bonds of each Series may be redeemable prior to maturity, in whole or in part on any date at such redemption prices as may be based upon a formula designed to compensate the owners of the Bonds based upon prevailing market conditions on the date fixed for redemption, all as shall be determined by a Designated Official at the time of sale thereof. The Bonds of each Series may be made subject to sinking fund redemption, at par and accrued interest to the date fixed for redemption, as determined by a Designated Official at the time of the sale thereof; provided, that such Bonds shall mature not later than the respective date set forth in **Section 2(e)** of this Resolution.

Any Variable Rate Bonds may be made subject to optional or mandatory tender for purchase by the owners thereof at such times and at such prices (to be expressed as a percentage of the principal amount of such Bonds being tendered for purchase) as shall be determined by a Designated Official at the time of sale of such Variable Rate Bonds and specified in the applicable Variable Rate Indenture. In

connection with the remarketing of any Variable Rate Bonds so tendered for purchase under the terms and conditions specified in the applicable Variable Rate Indenture, each of the Designated Officials is hereby authorized to execute on behalf of the Board one or more remarketing agreements with such national banking associations, banks, trust companies, investment bankers or other financial institutions as shall be selected by a Designated Official reflecting the terms and provisions of the Variable Rate Bonds and containing such provisions as the Designated Official executing the same shall determine are necessary or desirable in connection with the sale of some or all of the Bonds as Variable Rate Bonds.

(g) The Bonds of each Series may initially be issued in book-entry only form as provided in the applicable Indenture. The Bonds shall be executed by the manual or duly authorized facsimile signature of the President or Vice President and attested by the Secretary of the Board by the manual or duly authorized facsimile signature of the Secretary or her designee and prepared in the respective forms as provided in the applicable Indenture. The applicable Indenture may also require or permit the additional manual or duly authorized facsimile signature of the Chief Executive Officer, the Senior Vice President of Finance or the Chief Financial Officer.

(b) After this Resolution becomes effective and a Series of Bonds is sold, a copy of this Resolution, certified by the Secretary of the Board, shall be filed with each of the County Clerks of The Counties of Cook and DuPage, Illinois (the "**County Clerks**"); and the County Clerks shall in and for each of the years required, ascertain the rate percent required to produce the aggregate Pledged Debt Service Taxes hereinbefore provided to be levied in each of said years; and the County Clerks shall extend the same for collection on the tax books in connection with other taxes levied in said year in and by the Board for general corporate purposes of the Board; and in said year the Pledged Debt Service Taxes shall be levied and collected by and for and on behalf of the Board in like manner as taxes for general corporate purposes of the Board for said years are levied and collected, and in addition to and in excess of all other taxes, and when collected, if required pursuant to any escrow or similar agreement executed and delivered pursuant to **Section 5** of this Resolution, the taxes hereby levied shall be deposited with the designated bank, trust company or national banking association.

(c) At the time and in the manner set forth in each Indenture, the Board shall direct the abatement of the Pledged Debt Service Taxes in whole or in part.

(d) The notification of sale of any Series of the Bonds delivered by the Designated Officials pursuant to **Section 4(e)** of this Resolution may provide for the allocation of all or a portion of the Pledged Debt Service Taxes levied for any year pursuant to this Resolution to the payment of the principal and redemption price of and interest on such Series of the Bonds.

Section 4. Sale of the Bonds, Purchase and Sale Agreements. (a) Each Series of the Bonds shall be sold and delivered to the Purchasers, subject to the terms and conditions of the applicable Purchase and Sale Agreement; provided, (i) that the aggregate purchase price of any Current Interest Bonds or Variable Rate Bonds shall be not less than 97 percent of the principal amount thereof to be issued (less any original issue discount used in the marketing thereof) plus accrued interest from their date to the date of delivery thereof, (ii) that the aggregate purchase price of any Capital Appreciation Bonds or Convertible Bonds shall not be less than 97 percent of the aggregate original principal amount thereof and (iii) that the compensation paid to the Purchasers in connection with the sale of any Variable Rate Bonds shall not exceed 3 percent of the principal amount thereof. The Senior Vice President of Finance and the Chief Financial Officer each individually are hereby authorized to execute and deliver on behalf of the Board a Purchase and Sale Agreement with respect to the sale of the Bonds of each Series, which (i) in the case of a Bond Purchase Agreement or a Placement Agreement shall be in substantially the form used in previous and similar financings of the Board and (ii) in the case of a Competitive Sale Agreement shall contain terms and provisions no less favorable to the Board as those contained in a Bond Purchase Agreement or Placement Agreement. Any such Purchase and Sale Agreement shall contain such final terms as shall be approved by the person executing such document, such approval to be evidenced by such person's execution thereof, and the Senior Vice President of Finance and the Chief Financial Officer are each also individually authorized to do all things necessary and essential to effectuate the provisions of such Purchase and Sale Agreement, as executed, including the execution of

any documents and certificates incidental thereto or necessary to carry out the provisions thereof. The Senior Vice President of Finance or the Chief Financial Officer shall make a finding in connection with the execution of each Purchase and Sale Agreement that (i) the Bonds sold thereunder have been sold at such price and bear interest at such rate that neither the true interest cost (yield) nor the net interest rate received upon the sale of such Bonds exceeds the maximum rate otherwise authorized by applicable law, and (ii) that no person holding any office of the Board, either by election or appointment, is in any manner interested, either directly or indirectly, in his or her own name, in the name of any other person, association, trust or corporation, in the applicable Indenture, any escrow or similar agreement executed and delivered pursuant to **Section 5** of this Resolution, the applicable Purchase and Sale Agreement or any agreement with a Bond Insurer, Debt Reserve Credit Facility Provider or Credit Provider authorized by paragraphs (b), (c) and (d) of this Section, or in the issuance and sale of such Bonds, in accordance with the laws of the State of Illinois and the Code of Ethics of the Board (Board Rule No. 11-0525-PO2, as amended).

(b) In connection with any sale of the Bonds of each Series, each of the Designated Officials is hereby authorized to obtain a bond insurance policy from such recognized bond insurer as such Designated Official shall determine (the "**Bond Insurer**") if said Designated Official determines such bond insurance policy to be desirable in connection with the sale of such Series of Bonds. Each Designated Official is also authorized to enter into such agreements and make such covenants with any Bond Insurer that such Designated Official deems necessary and that are not inconsistent with the terms and provisions of this Resolution and to pay upfront or annual fees to the Bond Insurer in connection therewith.

(c) In lieu of, or in addition to, the deposit of proceeds of the Bonds of any Series or other funds into a debt service reserve fund as authorized in paragraph (g) of this Section, each of the Designated Officials is hereby authorized to obtain a debt reserve credit facility from such recognized provider as such Designated Official shall determine (the "**Debt Reserve Credit Facility Provider**") if such Designated Official determines such debt reserve credit facility to be desirable in providing for the funding of any required debt service reserve fund. Each Designated Official is also authorized to enter into such agreements and make such covenants with any Debt Reserve Credit Facility Provider that such Designated Official deems necessary and that are not inconsistent with the terms and provisions of this Resolution, including the payment of reasonable fees to any Debt Reserve Credit Facility Provider.

(d) In connection with the sale of the Bonds of any Series, to provide additional security and liquidity for such Bonds, each of the Designated Officials is hereby authorized to obtain a letter of credit, line of credit or other credit or liquidity facility, including similar agreements with or facilities issued by a Bond Insurer (a "**Credit Facility**"), if determined by such Designated Official to be desirable in connection with such sale of Bonds. Each of the Designated Officials is hereby further authorized to appoint one or more banks, Bond Insurers or other financial institutions to issue such Credit Facility (the "**Credit Provider**") and to execute and deliver on behalf of the Board a credit, reimbursement or similar agreement (the "**Credit Agreement**") providing for the issuance of the Credit Facility and the obligation of the Board to repay funds borrowed under the Credit Facility or advances made by the Credit Provider

under the Credit Facility with respect to such Bonds. The Credit Facility may be in a form that provides for the purchase of such Bonds by the Credit Provider (any such Bond so purchased being referred to as a "**Bank Bond**") and the indenture as executed and delivered shall reflect the terms and provisions of such Bank Bonds. Any Bonds outstanding as Bank Bonds shall be secured as provided in the applicable Indenture. The annual fee paid to any Credit Provider for the provision of a Credit Facility shall not exceed 3 percent of the amount available to be drawn or advanced under such Credit Facility.

The Credit Agreement may provide that alternative interest rates or provisions will apply during such times as the Bonds constitute Bank Bonds or the Board has outstanding repayment obligations to the Credit Provider (the "**Credit Provider Rate**"), which Credit Provider Rate shall not exceed the maximum permitted by law, but in no event more than 15 percent per annum (the "**Maximum Credit Provider Rate**"). The Credit Agreement may further provide that to the extent the Credit Provider Rate determined at any time pursuant to the Credit Agreement exceeds the Maximum Credit Provider Rate, such excess may accrue at the then-applicable Credit Provider Rate (but in no event may such excess accrue at a rate in excess of 25 percent per annum) and be added to the Credit Provider Rate at such time or times thereafter as the Credit Provider Rate shall be less than the Maximum Credit Provider Rate; provided, that at no time shall the Credit Provider Rate per annum exceed the Maximum Credit Provider Rate.

(e) Subsequent to the sale of the Bonds of any Series, any Designated Officials shall file in the Office of the Secretary of the Board a notification of sale directed to the Board setting forth (i) the type of Bonds (Statutory Refunding Bonds or 2016 Authorization Bonds), the aggregate original principal amount of, maturity schedule, redemption provisions and interest rates for the Bonds of each Series sold, (ii) a description of the specific Pledged Revenues pledged to the payment of the principal of, redemption price of, interest on and the Compound Accreted Value of the Bonds of such Series, (iii) the principal amounts of the Bonds of each Series sold as Current Interest Bonds, Capital Appreciation Bonds, Convertible Bonds and Variable Rate Bonds, respectively, (iv) in the case of Bonds sold as Capital Appreciation Bonds and Convertible Bonds, (A) the Original Principal Amounts of and Yields to Maturity on the Capital Appreciation Bonds and Convertible Bonds being sold, and (B) a table of Compound Accreted Value per \$5,000 Maturity Amount for any Capital Appreciation Bonds and Convertible Bonds being sold, setting forth the Compound Accreted Value of each such Capital Appreciation Bond and Convertible Bonds on each semiannual compounding date, (v) the interest rates on the Current Interest Bonds sold or, in the case of Variable Rate Bonds, a description of the method of determining the interest rate applicable from time to time to such Variable Rate Bonds, (vi) debt service schedules for the Bonds of each Series, together with determinable investment earnings from the investment of moneys held in the funds and accounts pursuant to the applicable Indenture, demonstrating that the Pledged Revenues and said investment earnings and moneys held in the funds and accounts pursuant to such Indenture, are expected to be in an amount sufficient to provide the debt service coverage described in **Section 2(b)** or **Section 2(c)** of this Resolution, (vii) the terms and provisions for the conversion of the Compound Accrued Value of any Convertible Bonds issued hereunder into Current Interest Bonds, (viii) the

application of the proceeds of such Bonds for the purposes and within the limitations set forth in paragraph (g) of this Section, (ix) if a bond insurance policy is obtained as authorized herein, the identity of the Bond Insurer issuing the bond insurance policy and the premium and any fees required to be paid thereto, (x) if a debt reserve credit facility is obtained as authorized herein, the identity of the Debt Reserve Credit Facility Provider issuing the debt reserve credit facility, (xi) if a Credit Facility is obtained as authorized herein, the identity of the Credit Provider Issuing the Credit Facility, and a copy of the Credit Agreement between the Board and such Credit Provider shall be attached to said notification of sale, (xii) the identity of the Trustee designated pursuant to **Section 2** of this Resolution with respect to the Bonds of such Series, (xiii) the applicable redemption date or dates of the Outstanding Bonds being refunded, (xiv) the identity of any bank or trust company selected by a Designated Official to serve as Refunding Escrow Agent pursuant to the authorization granted in paragraph (i) of this Section, (xv) if an escrow or other similar agreement is to be executed and delivered as authorized in **Section 5** of this Resolution, a copy of such agreement shall be attached to said notification of sale and (xvi) the identity of and the compensation paid to the Purchasers in connection with such sale.

In the event that the Designated Official executing such notification of sale determines that the Bonds have been sold in such principal amount or maturing or bearing interest so as to require the levy of taxes in any year less than the amount specified therefor in **Section 3(a)** of this Resolution, then such Designated Official shall include, in the notification of sale described in this Section, the amount of reduction in the amount levied in **Section 3(a)** of this Resolution for each year resulting from such sale, and in addition, any one or more of the Designated Officials shall file in the respective offices of the County Clerks certificates of tax abatement for such years. In the case of Variable Rate Bonds, such amounts to be abated from taxes levied may be determined by reference to any projections of debt service on such Variable Rate Bonds provided to the Board at the time of sale of such Bonds. No such reduction in the amounts levied in **Section 3(a)** of this Resolution need be made nor must any certificate of tax abatement be filed as described in the preceding sentence until either or both of the Designated Officials have determined that any amount so levied in **Section 3(a)** of this Resolution will not be needed to secure the Bonds being sold at that time or any Series of Bonds to be sold in the future. Any certificate of abatement delivered pursuant to this paragraph shall refer to the amount of taxes levied pursuant to **Section 3(a)** of this Resolution, shall indicate the amount of reduction in the amount of taxes levied by the Board resulting from the sale of such Bonds, which reduced amount is to be abated from such taxes, and shall further indicate the remainder of such taxes which is to be extended for collection by the County Clerks.

(f) The distribution of a Preliminary Official Statement, Private Placement Memorandum or Notice of Public Sale relating to each Series of the Bonds (the "**Disclosure Document**") in substantially the respective forms delivered in connection with previous issues of Fixed Rate Bonds and Variable Rate Bonds and previous issues secured by some or all of the Pledged Revenues, but with such changes as shall be approved by a Designated Official to reflect the terms of the Bonds proposed to be sold and the method of sale of such Bonds, is hereby in all respects, ratified, authorized and approved and shall be "*deemed final*" for purposes of Rule 15c2-12, adopted by the Securities and Exchange Commission under

the Securities Exchange Act of 1934 ("Rule 15c2-12"), and the proposed use by the Underwriters or the Competitive Purchasers of a final Official Statement (in substantially the form (i) of the Preliminary Official Statement but with appropriate variations, omissions and insertions to reflect the final terms of the Bonds being sold or (ii) authorized herein for a Preliminary Official Statement if none is used in the marketing of the Bonds being sold) is hereby approved. Each Designated Official is hereby authorized and directed to execute the final Official Statement or other Disclosure Document, as appropriate, on behalf of the Board.

In connection with the sale of a Series of the Bonds, the Designated Officials are hereby authorized to provide to prospective Private Purchasers such information regarding the Board's operations and finances as would typically be included in a Disclosure Document and to enter into such discussions and negotiations with such prospective Private Purchasers as such Designated Officials shall deem appropriate. In addition, the Designated Officials are hereby authorized to prepare a Notice of Sale for distribution to potential bidders in connection with a public, competitive sale of a Series of the Bonds and to take all actions necessary to conduct any such sale.

(g) The proceeds from the sale of each Series of the Bonds shall be applied to (i) the payment of costs of the Refunding, (ii) capitalize such interest to become due on such Bonds for such period not to exceed 2 years as shall be determined by the Senior Vice President of Finance or the Chief Financial Officer, and (iii) the payment of the expenses related to the issuance of such Bonds, including, without limitation, fees to be paid to Bond Insurers or Credit Providers, and such proceeds shall be applied as provided in the applicable Indenture. In addition, proceeds from the sale of a Series of the Bonds in the amount of not to exceed 10% of the principal amount thereof may be deposited into a debt service reserve fund to be held under the applicable Indenture upon the direction of the Senior Vice President of Finance or the Chief Financial Officer if it is determined that the creation of such debt service reserve fund is necessary and required in connection with the sale of such Bonds and such proceeds shall also be applied as provided in the applicable Indenture. All of such proceeds are hereby appropriated for the purposes specified in this paragraph.

(h) The Senior Vice President of Finance and the Chief Financial Officer are hereby each authorized individually to enter into or approve such agreements with investment providers as shall be necessary or advisable in connection with the investment of any funds on deposit under the Indenture, to the extent such investments are authorized under the terms of the Indenture, the Investment Policy of the Board and applicable law, as in effect from time to time.

(i) For the purpose of providing for the Refunding, each of the Designated Officials is hereby authorized to execute and deliver one or more refunding escrow agreements (each, a "**Refunding Escrow Agreement**") on behalf of the Board. Such Refunding Escrow Agreements to be in substantially the form executed and delivered in connection with previous refundings of obligations issued by or on behalf of the Board, but with such changes therein as shall be approved by the Designated Official executing the same, with such execution to constitute conclusive evidence of such official's approval and this Board's approval of any changes or revisions therein from such form of Refunding Escrow Agreement. Each of the Designated Officials is hereby authorized to designate a bank or trust company to act as Refunding Escrow Agent under each Refunding Escrow Agreement. Each Refunding Escrow

Agreement may include, to the extent permitted by law, agreements entered into between the Board and providers of securities under which agreements providers agree to purchase from or sell to the Board specified securities on specific dates at predetermined prices, all as established at the time of execution of any such agreement.

Section 5. Escrow of Pledged Revenues and Pledged Debt Service Taxes. If deemed necessary and desirable to provide additional security for any Bonds, each of the Designated Officials is hereby authorized to execute and deliver on behalf of the Board, and the Secretary is authorized to attest, a form of escrow or other similar agreement with a bank, trust company or national banking association having the same qualifications as those set forth in **Section 2(a)** of this Resolution for a Trustee, reflecting the issuance of the Bonds and such segregation of Pledged Revenues and the segregation of Pledged Debt Service Taxes as the Designated Official executing such agreement shall deem appropriate.

Section 6. Pledged Taxes Escrow Direction. Each of the Designated Officials is hereby authorized, pursuant to authority contained in Section 20-90 of the Property Tax Code of the State of Illinois, as amended, to execute a written direction to the County Collectors of The Counties of Cook and DuPage, Illinois (the "**County Collectors**"), (i) to deposit the collections of the Pledged Debt Service Taxes as and when extended for collection directly with such escrow agent designated pursuant to **Section 5** of this Resolution in order to secure the payment of the principal of and interest on the Bonds, and (ii) to the extent necessary, advising the County Collectors of the abatement of the Pledged Debt Service Taxes. The Designated Officials are authorized to file a certified copy of this Resolution with each of the County Collectors.

Section 7. Tax-Exemption and Non-Arbitrage. Each of the Designated Officials is hereby authorized to take any other actions and to execute any other documents and certificates necessary to assure that the interest payments with respect to the Bonds of each Series are excludable from gross income for Federal income tax purposes, to assure that the Bonds do not constitute "*arbitrage bonds*" or "*private activity bonds*" under the Internal Revenue Code of 1986, as amended, and to effectuate the issuance and delivery of the Bonds, including but not limited to the execution and delivery of a Tax Agreement; *provided*, however, that any of the Bonds may be issued as Bonds the interest on which is includible in the gross income of the owner thereof for federal income tax purposes if determined by a Designated Official to be beneficial to the Board.

Section 8. Continuing Disclosure Undertaking. Each of the Designated Officials is hereby authorized to execute and deliver one or more Continuing Disclosure Undertakings (each, a "**Continuing Disclosure Undertaking**") evidencing the Board's agreement to comply with the requirements of Section (b)(5) of Rule 15c2-12, as applicable to the Bonds of each Series. Each Continuing Disclosure Undertaking shall be in substantially the form used in previous financings of the Board, but with such changes therein as shall be approved by the Designated Official executing the same, with such execution to constitute conclusive evidence of such official's approval and this Board's approval of any changes or revisions therein from such form of Continuing Disclosure Undertaking.

Section 9. Further Acts. Each of the Designated Officials, officials or officers of the Board are hereby authorized to execute and deliver such other documents and agreements and perform such other acts as may be necessary or desirable in connection with the Bonds, including, but not limited to, the exercise following the delivery date of the Bonds of any power or authority delegated to such official under this Resolution with respect to the Bonds upon original issuance, but subject to any limitations on or restrictions of such power or authority as herein set forth.

All actions of the officials or officers of the Board that are in conformity with the purposes and intent of this Resolution are hereby in all respects ratified, approved, and confirmed.

**ADOPT ANNUAL REVISIONS TO THE STUDENT CODE OF CONDUCT
EFFECTIVE SEPTEMBER 4, 2018**

THE CHIEF EXECUTIVE OFFICER RECOMMENDS:

That the Board adopt the annual revisions to the Student Code of Conduct ("SCC") including the CPS Anti-Bullying Policy, effective September 4, 2018, which is attached hereto.

DESCRIPTION: Modifications from the previous year's Student Code of Conduct are summarized below:

1. **No Zero Tolerance Policy:** Added for clarification an explicit statement that suspension and expulsion consequences are determined on an individual basis rather than on a zero tolerance basis and that no consequence is mandated unless required by state law.

2. **Out-of-School Suspensions:**

(A) Added new requirement for the school's Network chief or designee to approve any proposed out-of-school suspensions for Sections 3-6 and 4-9 infractions (catch-all codes) to ensure that the suspension consequence is appropriate.

- (B) Added clarifying language to reflect current practice and state law regarding when suspension days are used:
 - Out-of-school suspensions of 3 days or less may be used only if the student's continuing presence in school would pose a threat to school safety or a disruption to other students' learning opportunities.
 - Out-of-school suspensions more than 3 days may be used only if other appropriate and available behavioral and disciplinary interventions have been exhausted and the student's continuing presence in school would either (i) pose a threat to the safety of other students, staff, or members of the school community or (ii) substantially disrupt, impede, or interfere with the operation of the school.
- (C) Clarified that for ISP schools with no Network assignment, the Office of Network Support or designee will provide the Network approval when required by the SCC.
- (D) Clarified that a parent/guardian may submit a suspension appeal to the Network office for out-of-school suspension. Appeals for in-school suspensions are handled at the school level.

3. Trauma Informed Response: Included language for schools to consider when applying SCC interventions and consequences that a root cause of a student's behavior may be related to trauma.

4. Non-Discrimination: Added "immigration status" to the Section 3-4 infraction non-discrimination list as well as in the Anti-Bullying Policy.

5. Interventions and Consequences:

- (A) For Group 6 violations, updated the terminology to reflect current practice that Group 6 violations are "automatically referred for Student Adjudication Review" and that as part of that referral process the principal may request a student expulsion.
- (B) Removed the repeated violation of section 5-17 (use or possession of illegal drugs) from being considered a 6-6 violation in order to encourage a therapeutic interventions rather than a referral for possible expulsion.
- (C) Re-ordered the list of Group 5 and Group 6 interventions and consequences from least intense to most intense to clarify application emphasis.

6. Anti-Bullying Policy:

- (A) Expanded and clarified the definition of bullying to align with federal and state guidelines.
- (B) Added definition of prejudice or bias as a form of bullying.
- (C) Clarified the definition of Peer Conflict to include conflict amongst students with no perceived power differences.
- (D) Clarified the requirements and steps to investigate and respond to bullying allegations by re-ordering various sections.
- (E) Replaced Perpetrator and Victim terminology with references to the "student who engaged in bullying" and the "targeted student."
- (F) Updated the Hotline number for reporting bullying to reference the Parent Support Center phone number.

7. Student Information System Transition: Replaced references the IMPACT system with "the District student information system" to account for the planned transition to the new ASPEN system occurring during the 2018-19 school year.

8. Office of Student Protections & Title IX: Provided guidance on involving the new Office of Student Protections and Title IX (OSP) to assist in responding to allegations of student-on-student harassment, bullying, assault, or abuse related to sex, gender, sexual orientation or gender expression, or an inappropriate consensual sexual activity.

- (A) The general requirements section of the SCC is updated with guidance on when OSP should be notified and involved in the investigation.
- (B) The following infraction codes will have a footnote signaling that a call to the OSP will be required when the allegation involves behavior based on sex, gender, sexual orientation or gender expression: 3-4 (profane/seriously offensive language/behavior/harassment based on protected statuses), 3-10 (bullying behaviors), 3-11 (use of cell phones or technology to harass), 5-4 (intimidation, credible threats of violence, coercion, or persistent severe bullying), 5-7 (inappropriate sexual conduct/transmitting sexually suggestive images), 5-9 (persistent or severe acts of sexual harassment), 5-14 (cyberbullying), 5-16 (inappropriate consensual sexual activity, or 6-7 (sex acts with use of force).

STUDENT CODE OF CONDUCT
Effective September 4, 2018

PURPOSE

The Chicago Public Schools (CPS) Student Code of Conduct (SCC) supports our schools in maintaining safe, nurturing, participatory and productive learning environments. In order to maximize learning time and promote positive behaviors, every school must establish multi-tiered systems of support for students' social, emotional and behavioral needs. This includes developing clear expectations, teaching social-emotional competencies, and fostering positive relationships among all members of the school community. Chicago Public Schools is committed to an instructive, corrective, and restorative approach to behavior. If behavior incidents arise that threaten student and staff safety or severely disrupt the educational process, the response should minimize the impact of the incident, repair harm, and address the underlying needs behind student behaviors. In accordance with the SCC, all disciplinary responses must be applied respectfully, fairly, consistently, and protect students' rights to instructional time whenever possible.

GENERAL REQUIREMENTS

The SCC applies to students at all times during the school day, while on school property, while traveling to and from school, at any school-related event, on any vehicle funded by CPS (such as a school bus), and while using the CPS network.¹

The SCC also applies to student behavior outside of school if: (1) a student engages in a Group 5 or 6 behavior, and (2) the behavior disrupts or may disrupt the educational process or orderly operation of the school. This includes seriously inappropriate behavior on social networking websites that disrupts or may disrupt the educational process or orderly operation of the school.

To address inappropriate behavior, school administrators must comply with the *Guidelines for Effective Discipline* which shall be issued by the Office of Social & Emotional Learning. At a minimum, a principal or his/her designee must:

- 1) **Redirect to correct behavior.** All adults should redirect students to correct inappropriate behavior and minimize the likelihood of the behavior escalating or recurring.
- 2) **Intervene** to minimize escalation, disruption, resolve conflict, and as necessary to keep students and staff safe. If a student has been injured, make every reasonable effort to immediately notify the parents/guardians.
- 3) **Gather information** by talking to all involved students, teachers, school staff, or others who witnesses to the incident. When student misbehavior is reported to the school principal or designee, an investigation must begin no later than the next school day; however, if student safety is at risk, investigations must begin immediately.
 - a) If there is an allegation of harassment, bullying, assault, or abuse related to sex, sexual orientation, gender, or gender expression or an inappropriate consensual sexual activity, contact the Office of Student Protections and Title IX immediately for support and assistance in following the remaining steps listed here.
 - b) If a search of the student, his/her locker, desk, or personal belongings needs to be conducted, follow the Board's Search and Seizure Policy (<http://policy.cps.edu/download.aspx?ID=190>). Identify factors that may have contributed to the incident and seek to understand the full context.
- 4) **Analyze** whether the student's alleged behavior falls within the SCC using the information gathered. If so, determine the Group level of disruption caused by the inappropriate behavior, identify the inappropriate behavior listed, and consider the range of possible interventions and consequences.
- 5) **Discuss** with the student and **provide the opportunity to explain** his/her perspective.
 - a) Inform the student of the inappropriate behavior s/he may have exhibited, the applicable SCC behavior category, and the range of possible interventions and consequences.
 - b) Allow the student to respond and explain his/her actions. Ask the student to explain what happened from his/her perspective and reflect on his/her actions.
 - c) Seek to understand the root cause of the behavior, including trauma or unmet social, emotional or behavioral health needs.
 - d) Make reasonable efforts to contact the parents/guardians and discuss the incident with them before assigning interventions and consequences.
 - e) No student shall be sent home before the end of the school day unless the school has established contact with the student's parent/guardian and provided written notice of a suspension.
- 6) **Make a determination and consider the needs of all parties involved.**
 - a) Determine whether it is more likely than not that the student engaged in the identified SCC inappropriate behavior and the intervention or consequence most likely to address the cause of the behavior.
 - b) Identify the social, emotional, and/or safety needs of the affected student(s) and provide appropriate supports and follow up.

¹ The CPS network means systems, computer resources, and infrastructure used to transmit, store, and review data or communicate over an electronic medium and includes, but is not limited to, the E-mail system(s), collaboration systems, databases, hardware, telecommunication devices, information systems, internet service, distance learning tools, the CPS intranet system or CPS mainframe systems, whether owned or contracted by the Board or otherwise used for school purposes. Students are subject to the requirements in the Policy on Student Acceptable Use of the CPS Network (<http://policy.cps.edu/download.aspx?ID=203>).

- 7) **Assign interventions or consequences** according to the SCC.
 - a) Identify the intervention(s) or consequence(s) most likely to address the cause of the behavior including social, emotional or trauma-related needs, repair harm, and prevent repeat behaviors.
 - b) The principal or designee has the final authority to assign interventions and consequences based on the best interest of the school community, including available school resources, and the needs and rights of any all involved students or staff harmed, and the rights of the student engaged in inappropriate behavior, in alignment with the SCC.
 - c) Follow the special procedures contained in the Procedural Safeguards section for students with disabilities and students with Section 504 Plans.
 - d) Avoid consequences that will remove the student from class or school, if possible. **Use out-of-school suspensions only as a last resort in accordance with the suspension guidelines on page 7.**
 - e) Note that CPS does not support the use of zero tolerance policies that require school staff to suspend or expel students for certain behaviors except if required by law. This means out-of-school suspensions cannot be a minimum or required consequence unless required by law.
 - f) If a student is suspended, the principal or his/her designee may choose to give the student a combination of out-of-school and skill-building in-school suspension days. The out-of-school suspension must be served first and the combined total of out-of-school and in-school suspension days must not exceed the limits available for each Group level.
 - g) School staff members must not use public disciplinary techniques and must respond to inappropriate student behavior as confidentially as possible.
 - h) No restrictions may be placed on food options or recess activities as a behavior consequence. Silent group lunches are expressly prohibited.
- 8) **Complete report** in the District student information system for all inappropriate behaviors under the SCC. Hand-deliver to the parents/guardians or mail a copy of the misconduct report to the student's home address.
- 9) **Inform parents/guardians of their right to appeal** if they believe that the consequence is unwarranted or excessive.
 - a) The parents/guardians have the right to ask the principal to review the consequence assigned and to reconsider the decision.
 - b) If a student has received an out-of-school suspension or referred for an expulsion hearing, the parents/guardians may appeal by contacting the Department of Student Adjudication at 773/553-2249, studentadjudication@cps.edu, or the Network Chief of Schools ("Network Chief") or his/her designee (contact information available at www.cps.edu/Networks). For District schools that do not have Network oversight, appeals may be made to the Office of Network Support or designee. The Network Chief or designee will review the appeal and determine:
 - whether any factual errors were made in the principal's investigation,
 - whether the documentation of the student's behavior aligns to the recorded SCC behavior category,
 - whether prior interventions were attempted when appropriate,
 - whether the length of the suspension was commensurate with the student's inappropriate behavior, and
 - in the case of a request for an expulsion hearing, whether the request was appropriate.

The Network Chief or designee's decision shall be final. The term of a student's suspension or request for an expulsion hearing is not halted by the parents/guardians' appeal.

 - c) If a student has been expelled and referred to a SAFE Schools Alternative Program, the parents/guardians may appeal the final determination in writing and send additional evidence not available at the time of the expulsion hearing to the Chief Education Officer's designee. The decision of the CEEdO or designee regarding the appeal shall be final. The start of a student's expulsion is not delayed by the parents/guardians' appeal.
- 10) **Restore** the student's participation in the school community.

- a) If the student received an out-of-school suspension for three (3) or more days, the principal or designee must develop a plan to support the student's transition back into the school community, including strategies for preventing future behavior incidents, restoring relationships, and addressing the student's ongoing social, emotional, and academic needs, with input from the student and parents/guardians. For more information, see *Guidelines for Effective Discipline*.
- b) When a student is set to return from an expulsion and has been attending the Safe Schools Alternative Program, school administrators must attend a transition meeting, which should include the student, parents/guardians, and alternative school staff members, to discuss the student's return and prepare for a successful transition.

SUSPENSION GUIDELINES

Students in grades pre-kindergarten through second may NOT be assigned in-school or out-of-school suspensions. If a student in pre-kindergarten through second grade exhibits behavior that presents an imminent endangerment to the physical, emotional, or mental safety of specific students/staff, the Network Chief or designee may grant an exception and assign an emergency one-day in-school or out-of-school suspension after the student's parent/guardian has been notified. During the suspension, the principal or designee must develop a plan addressing the safety of students/staff and including strategies for preventing future behavior incidents, restoring relationships, and addressing the student's ongoing social, emotional, and academic needs.

Skill-Building In-School Suspension

A skill-building in-school suspension is the removal of a student from his/her regular educational schedule for more than 60 minutes of the school day to an alternative supervised setting inside the school building to engage in structured activities that develop academic, social, emotional, and/or behavioral skills.

A student in grades third through twelfth may be assigned a skill-building in-school suspension if:

1. Skill-building in-school suspension is listed as an available consequence for the SCC behavior category, and
2. The student was informed of his/her reported misbehavior, provided an opportunity to respond, and reasonable efforts were made to contact the parents/guardians, and
3. A copy of the misconduct report (generated in the District student information system) was provided to the student's parents/guardians.

Out-of-School Suspension

An out-of-school suspension is the removal of the student from class attendance or school attendance. When a student is removed from school in response to an inappropriate behavior, the removal counts as the first day of an out-of-school suspension.

A student in grades third through twelfth may be assigned an out-of-school suspension if:

1. Out-of-school suspension is listed as an available consequence for the SCC behavior category, and
2. The principal or designee determines that the student's attendance at school presents an imminent endangerment to the physical, emotional, or mental safety of specific students/staff and this threat is documented in the District student information system, or
3. The principal or designee determines that the student's behavior has caused chronic or extreme interruption to other students' participation in school activities and prior interventions have been utilized and documented in the District student information system, and
4. The student was informed of his/her reported misbehavior, provided an opportunity to respond, and reasonable efforts were made to contact the parents/guardians, and
5. A copy of the misconduct report (generated in the District student information system) was provided to the student's parents/guardians.

A student serving out-of-school suspension is not allowed to come onto school property, participate in extracurricular activities, or attend school-sponsored events. A student may be considered trespassing if he or she comes onto school grounds while suspended out of school.

Out-of-school suspensions are excused absences. The principal must ensure that a student serving suspension is able to obtain homework, and upon the student's return, provided with the opportunity to make up any quizzes, tests, special projects, or final exams given during the period of suspension.

A student serving suspension must be allowed to take state assessments at school and may participate in test preparation activities with Network Chief approval. The student's attendance will still be marked as suspended. The Network Chief must approve any other exception to the out-of-school suspension guidelines. If approved by the CEO's designee, a student suspended for more than three (3) days may be required to attend a District-sponsored program during the term of suspension.

POLICE NOTIFICATION GUIDELINES

School administrators contact the Chicago Police Department (CPD) in two situations: (1) to seek assistance with an emergency situation, or (2) to notify law enforcement of a criminal act.

When an allegation of harassment, bullying, assault, or abuse related to sex, sexual orientation, gender, or gender expression or inappropriate consensual sexual activity arises, the Office of Student Protections and Title IX can assist with assessing whether police notification is needed.

Emergency

School administrators have the responsibility to call 9-1-1 in situations they determine to be emergencies.

In an emergency situation, administrators must make reasonable efforts to notify parents/guardians immediately after contacting CPD.

Criminal Acts

When a student engages in illegal activity, it may be necessary for school staff to report the act to CPD. In this situation, school officials contact CPD to report violations of the law. School officials must not contact CPD merely to request removal of a disruptive student from the school in a non-emergency situation.

In a non-emergency situation, administrators must make reasonable efforts to contact parents/guardians prior to contacting CPD.

The inappropriate behaviors that are clear violations of criminal law are identified in the next section with an asterisk (*) before the specific inappropriate behavior. The inappropriate behaviors that may be violations of criminal law are identified in the next section with a double asterisk (**) before the specific inappropriate behavior.

School officials must assess the situation before determining whether or not to contact CPD to report a criminal act. School officials should consider factors including:

- Whether the student distributed or was in possession of illegal drugs, narcotics, controlled substances, or "look-alikes" of such substances. If so, CPD must be notified.
- Whether the student was in possession of a firearm.² If so, CPD must be notified.
- The severity of the criminal violation and the degree of harm to the school community,
- Whether a person was physically injured as a result of the student's conduct,
- Whether the student presents an imminent danger to the health, safety, or welfare of others, and
- The student's age. For a student in fifth (5th) grade or below, school staff must consult with the Law Department (773/553-1700) prior to reporting the act to CPD.

Once school staff members contact CPD, the responding police officers ultimately will determine whether or not to investigate, arrest, and/or take any other steps in response. School principals and staff do not have the authority to decide whether a student will be arrested. Moreover, responding police officers do not have the authority to decide whether a student will receive interventions or consequences at school. The school principal will use the SCC to determine the appropriate intervention(s) and/or consequence(s) to address a student's behavior.

² See Reference Guide for definition.

STUDENT BEHAVIORS COVERED BY THE SCC

This section identifies the specific inappropriate behaviors for which students will receive interventions and/or consequences. The behaviors are listed in six different groups, according to the degree of disruption to the learning environment.

- Group 1 lists behaviors that are *inappropriate*.
- Group 2 lists behaviors that *disrupt*.
- Group 3 lists behaviors that *seriously disrupt*.
- Group 4 lists behaviors that *very seriously disrupt*.
- Group 5 lists behaviors that *most seriously disrupt*.
- Group 6 lists behaviors that are *illegal and most seriously disrupt*.

Special Notes:

Individual School Rules and Academic Progress

Individual schools may develop school rules that are consistent with this SCC and may address inappropriate student behaviors not specifically included in this SCC. However, poor academic achievement is not an inappropriate behavior. The SCC and school rules may *not* be used to discipline students for poor academic progress or failure to complete in-class and homework assignments. Instead, struggling students should be considered for academic or behavioral interventions to help them improve. Also, students must not be disciplined for the parents/guardians' refusal to consent to the administration of medication.

Cellular Phones and Other Information Technology Devices³

A principal may allow students to possess cellular phones or other information technology devices by creating a school policy identifying when the items may be authorized, used, and how they must be kept. A principal may also prohibit cellular phones and other information technology devices but allow individual students to possess them for any good cause after considering a written request from a parent/guardian. If a principal denies a parent/guardian's request, the parent may appeal to the Network Chief or his/her designee. Unless approved by the principal, cellular phones and other information technology devices are not allowed at school.

School Dress Codes and Uniform Policies

Local School Councils may adopt a dress code policy that forbids students from wearing certain items or a uniform policy that requires students to wear a specific uniform. Dress codes and uniform policies should be gender-neutral. Students who fail to follow a school's dress code or uniform policy may be given detentions or excluded from extracurricular activities, but may not be barred from attending class. A student may receive additional consequences for violating a school's dress code or uniform policy if the student's dress disrupts or may disrupt the educational process. For example, a student may receive a consequence for wearing clothing or accessories that display gang affiliation. This paragraph does not apply to students enrolled in Military Academies or JROTC Programs.

Military and JROTC Programs

Board-designated military academies and other JROTC programs may enforce standards of conduct and intervention or consequences that are consistent with the military nature of those schools and programs, in addition to the standards of conduct and intervention or consequences described in this SCC. Students enrolled in a military academy who repeatedly engage in acts of gross misconduct or insubordination (student act that defies a lawful and appropriate direct order of a superior ranked officer, staff member or another student), or who repeatedly fail or refuse to wear the required military uniform, may be subject to administrative transfer by the military academy principal to another school (or in the case of a JROTC program, dismissal from the program). Prior to an administrative transfer, a conference must be held with

³ These include, but are not limited to: computers, cellular phones used to exchange or access information, pagers, and personal digital assistants or handheld devices, that are used to access the internet, electronic mail or other information sites and that may or may not be physically connected to the network infrastructure.

the parents/guardians, student, military academy principal, and a designee of the Chief Executive Officer. Students who have been transferred for administrative reasons from any military academy must be accepted by their attendance area school. Students who have been given an administrative transfer to another Chicago public school or expelled from the Chicago Public Schools lose all rank and privileges at the JROTC military academies and must reapply to the JROTC program and the military academies for enrollment. Upon their child's enrollment at a military academy, parents/guardians shall be informed of the uniform policy, expectations of the military academy, and the administrative transfer policy, and shall indicate by signature their agreement to adhere to the terms of these policies.

Dating Violence Statement

Any school employee who is notified by a parent, guardian or student, or who reasonably suspects, that a student has been the victim of dating violence shall immediately report that information to the principal/designee. Dating violence includes violent and controlling behavior that an individual uses against a girlfriend or boyfriend, such as physical, emotional, or sexual abuse, yelling, threats, name-calling, threats of suicide, obsessive phone calling or text messaging, extreme jealousy, possessiveness, and stalking. These allegations or suspicions should be reported to the Office of Student Protections and Title IX immediately. The principal shall ensure that the student victim of dating violence receives appropriate support services in accordance with the Board's Policy on Domestic Violence, Dating Violence and Court Orders of Protection, Restraint or No Contact (<http://policy.cps.edu/download.aspx?ID=43>).

SCC and Other Laws, Policies, Rules, and Contracts

The inappropriate behaviors and range of possible consequences and interventions listed in this policy are consistent with the Illinois School Code, Board Rules and Policies, negotiated agreements, and all other applicable state and federal laws.

The SCC applies to CPS contract and performance schools.

CPS charter schools are exempt from local school board policies under Illinois law (105 ILCS 5/27A). Charter schools may choose to adopt the SCC or establish their own discipline policies. Charter schools are not exempt from federal and most state laws, the Individuals with Disabilities Education Act (IDEA) or from federal and state regulations as they pertain to discipline of students with disabilities/impairments. If a charter school establishes its own discipline policy, it must incorporate language from and comply with the guidelines for suspension and expulsion of students with disabilities/impairments outlined in this policy. Charter schools must also comply with policies and procedures established by the Office of Diverse Learner Supports and Services for the discipline of students with disabilities. Students expelled from charter schools should contact the Department of Student Adjudication at 773/553-2249 for assistance.

Corporal punishment is expressly prohibited. Chicago Board of Education Rule 6-21 states: "No employee of the Board of Education may inflict corporal punishment of any kind upon persons attending the public schools of the City of Chicago."

An overt display of gang affiliation means any act (e.g., wearing clothing or paraphernalia, displaying gang signs, symbols, and signals) that signifies or exhibits affiliation with a gang. Gang activity and overt displays of gang affiliation can be implied from the character of the acts and the circumstances surrounding the misconduct. ANTI-BULLYING POLICY

Purpose

The Illinois General Assembly has found that a safe and civil school environment is necessary for students to learn and achieve and that bullying causes physical, psychological, and emotional harm to students and interferes with their ability to learn and participate in school activities. Bullying has been linked to other forms of antisocial behavior, such as vandalism, shoplifting, skipping and dropping out of school, fighting, using drugs and alcohol, sexual harassment, and violence. It is the goal of the Chicago Board of Education ("Board") to create a learning environment in all its school communities where all students feel safe and supported, are protected from bullying, and are able to succeed academically and develop socially and emotionally into responsible, caring individuals.

The Board asks every Chicago Public School ("CPS") student, with the support of his/her parent(s), guardian(s) and the adults at school, to commit to the following principles, which will apply to everyone on school property and at school-related activities:

- I will not bully others.
- I will try to help anyone I suspect is being bullied.
- I will work to include students who are left out.
- If someone is being bullied, I will tell an adult at school and an adult at home.

Scope

Bullying is contrary to Illinois law and this Policy is consistent with the Illinois School Code. This Policy protects CPS students against bullying and harassment on the basis of actual or perceived race, color, religion, sex, national origin or immigration status, ancestry, age, marital status, physical or mental disability, military status, sexual orientation, gender-related identity or expression, unfavorable discharge from military service, association with a person or group with one or more of the aforementioned actual or perceived characteristics, or any other distinguishing characteristic. The Board recognizes the particular vulnerability of students with actual or perceived disabilities and those who identify as or are perceived to be lesbian, gay, bisexual or transgender. Nothing in this Policy is intended to infringe upon any expression protected by the First Amendment to the United States Constitution or Section 3 of Article I of the Illinois Constitution.

This Policy is based on the engagement of a range of school stakeholders, including students and parents/guardians. The Board or its designee will re-evaluate this Policy every two (2) years based on an assessment of its outcomes and effectiveness, including, but not limited to, factors such as the frequency of victimization; student, staff and family observations of safety at school; identification of areas of a school where bullying occurs; the types of bullying utilized; and bystander intervention or participation. The information developed will be made available on the District's website.

Bullying and harassment are prohibited:

- (1) during any school-sponsored or school-sanctioned program or activity;
- (2) in school, on school property, on school buses or other Board-provided transportation, and at designated locations for students to wait for buses and other Board-provided transportation ("bus stops");
- (3) through the transmission of information from a CPS computer or computer network, or other electronic school equipment;
- (4) when communicated through any electronic technology or personal electronic device while on school property, on school buses or other Board-provided transportation, at bus stops, and at school-sponsored or school-sanctioned events or activities;
- (5) when it is conveyed that a threat will be carried out in a school setting, including threats made outside school hours with intent to carry them out during any school-related or sponsored program or activity or on Board-provided transportation;
- (6) when it is a Student Code of Conduct ("SCC") Group 5 or 6 behavior that occurs off campus but most seriously disrupts any student's education.

Definitions

"Bullying" means any physical or verbal act or conduct, including communications made in writing or electronically, directed toward a student or students, and meets all of the following criteria:

- (1) An observed or perceived imbalance of power exists between the person(s) engaging in the bullying behavior(s) and the targeted student(s); and/or student(s) were targeted based on prejudice or bias (as defined below).
- (2) The behaviors are severe or pervasive (repeated over time), or there is a high likelihood that behaviors will be repeated. While bullying is often characterized by repeated acts, sometimes a single incident constitutes bullying depending on the severity and if other elements of bullying are present.
- (3) The intent of the person(s) engaging in the behavior is to cause physical or emotional harm to the targeted student(s)
- (4) The behavior has or can be reasonably predicted to have one or more of the following effects:
 - (a) placing the student in reasonable fear of harm to the student's person or property;
 - (b) causing a substantially detrimental effect on the student's physical or mental health;
 - (c) substantially interfering with the student's academic performance; or
 - (d) substantially interfering with the student's ability to participate in or benefit from the services, activities, or privileges provided by a school.

Bullying may take various forms, including without limitation, one or more of the following: harassment, threats, intimidation, stalking, physical violence, sexual harassment, sexual violence, theft, public humiliation, destruction of property, or retaliation for asserting or alleging an act of bullying. This list is meant to be illustrative and non-exhaustive.

"Cyberbullying" means using information and communication technologies to bully. This definition includes cyberbullying by means of technology that is not owned, leased, or used by the school district when an administrator or teacher receives a report that bullying through this means has occurred. This Policy does not require a district or school to staff or monitor any nonschool-related activity, function, or program.

"Retaliation" means any form of intimidation, reprisal including but not limited to the submission of knowingly false bullying allegations, or harassment directed against a student who reports bullying, provides information during an investigation, or witnesses or has reliable information about bullying. Retaliation is prohibited and will result in the imposition of appropriate interventions/consequences according to this Policy and the SCC.

"Peer Conflict" means disagreements and oppositional interactions that are situational, immediate and developmentally appropriate. Conflicts arise when two or more students with relatively similar observed or perceived power have differences in opinion or perspectives. When school employees are aware of peer conflict, they are expected to guide students in developing new skills in social competency, learning personal boundaries and peaceably resolving conflict, and to model appropriate social interactions.

"Prejudice or bias" means motivation for bullying or harassment based in part or in whole by actual or perceived race, color, religion, sex, national origin or immigration status, ancestry, age, marital status, physical or mental disability, military status, sexual orientation, gender-related identity or expression, unfavorable discharge from military service, association with a person or group with one or more of the aforementioned actual or perceived characteristics, or any other distinguishing characteristic.

"Restorative Measures" means a continuum of school-based alternatives to exclusionary discipline that are adapted to the particular needs of the school and community, contribute to maintaining school safety, protect the integrity of a positive and productive learning climate, teach students the personal and interpersonal skills they will need to be successful in school and society, serve to build and restore relationships among students, families, schools, and communities, and reduce the likelihood of future disruption by balancing accountability with an understanding of students' behavioral health needs.

Preventing Bullying

All CPS principals and staff shall work to develop safe, supportive school environments that prevent bullying through:

- **Developing supportive school climate strategies**, including clear expectations and share agreements to guide interactions between students, and between staff and students.
- **Teaching all students social and emotional skills** and establish classroom and school-wide practices that promote relationship-building, including teaching all school stakeholders to speak out when they see or hear bullying, degrading language, and bias or prejudice.
- Establish predictable responses and **effective disciplinary practices** that address root cause, teach skills, build empathy, and repair harm. Ensure all students, staff, and stakeholders know how your school plan to respond to bullying and harassment.

Intervening to Address Bullying

A. Responsibilities of CPS Employees and Contractors

All CPS employees and contractors, including security officers, lunchroom staff and bus drivers, who witness incidents of bullying or school violence or who possess reliable information that would lead a reasonable person to suspect that a person is a target of bullying, must:

- (1) intervene immediately in a manner that is appropriate to the context and ensures the safety of all people involved;
- (2) report the incident of bullying or retaliation to the Principal/Designee as soon as practicable, but within 24 hours, on the CPS Bullying Complaint Form (Attachment A); and
- (3) cooperate fully in any investigation of the incident and in implementing any safety plan established by the Principal/Designee.

B. Responsibilities of Students, Parents and Guardians

No student who witnesses bullying may stand by or participate in the bullying, but must notify an adult at school and an adult at home as quickly as practicable. Any parent or guardian who witnesses or is notified of bullying has an obligation to advise the Principal/Designee as quickly as practicable. Reports can be made to any CPS employee or contractor in person, by completing Attachment A and submitting it to the Principal/Designee, by calling the CPS Parent Support Center at (773) 553-3772, or by emailing BullyingReport@cps.edu. Anonymous reports will be accepted by the Principal/Designee. No disciplinary action will be taken on the sole basis of an anonymous report.

C. Steps for Investigating Bullying Reports

- (1) **Ensure safety.** The Principal or his/her designee will provide immediate support to any targeted student(s) to ensure safety. If there are overt or implied risks of safety, follow the steps in the CPS Crisis Manual, including immediately notifying the CPS Student Safety Center and the school's Network office. Alleged behaviors targeted at sex, gender, sexual orientation, gender identity, or gender expression should be reported immediately to the Office of Student Protections and Title IX for assistance and support.
- (2) **Notify parents/guardians of all involved students.** Within one school day of receipt of a bullying report, the Principal/Designee shall report to the parent/legal guardian of all involved students, via telephone, personal conference and/or in writing, the occurrence of any alleged incident of bullying, and shall document these notifications in the District student information system.
 - a. Notifications should be made privately to students directly involved and their parent/legal guardians.
 - b. Additionally, when incidents have a larger impact on the school community, the Principal/Designee shall provide clear communication to students, staff and parents to re-inforce school-wide expectations and a climate of respect and inclusion.
- (3) **Document all allegations of bullying.** Within two school days of receiving a report of bullying, the Principal/Designee will document the allegation in the District student information system as a general incident report and document all notifications made.
- (4) **Conduct an investigation.** The Principal and/or a designee, who is knowledgeable about bullying prevention and intervention, shall perform the investigation. For guidance, contact the Law Department at (773)553-1700.
Investigation of reported bullying shall be initiated within 5 school days of receipt of a report, documented within the incident report in the District student information system, and completed within

10 school days, unless the Principal grants in writing an additional 5-day extension due to extenuating circumstances. The Principal/Designee shall document the extension in the investigation report and shall notify the parties involved.

The investigation shall include:

- a. Identifying all involved parties, including the student(s) alleged to have engaged in the bullying behaviors, alleged target(s) and bystander(s), as well as any adult who witnessed the incident or may have reliable information about it.
- b. Conducting an individual interview in a private setting with all involved parties. The alleged target should never be interviewed in public or with the student(s) alleged to have engaged in bullying.
- c. Determining how often the conduct occurred, any past incident or continuing pattern of behavior, and the District student information system of the behaviors on the targeted student's education.
- d. Assessing the individual and school-wide effects of the incident relating to safety.

- (5) **Make a determination whether allegations of bullying are substantiated or not and document determination.** The Principal/Designee shall consider whether the four elements of the bullying definition are met, or if all four elements of bullying are not present, whether the behavior qualifies as another inappropriate behavior listed in the SCC. When the investigation is complete, the Principal/Designee shall ensure the investigation and findings (whether the report of bullying is substantiated or not substantiated) are documented in the District student information system. If the investigation determines a student engaged in bullying behaviors and/or other inappropriate behaviors listed in the SCC, the Principal/Designee shall prepare a Misconduct Report.

- (6) **Notify all involved parties of the outcome of the investigation.** Within one day of making a determination, the Principal/Designee shall notify, in writing, the parents/legal guardians of all students involved of the outcome of the investigation. Parents/legal guardians of the students who are parties to the investigation may request a personal conference with the Principal/Designee to discuss the investigation, the findings of the investigation, the actions taken to address the reported incident of bullying, and any resources available in or outside the school to help the students address the underlying reasons for the bullying.

When communicating incidents of bullying to the targeted student's parent/guardian, the Principal/Designee should consider whether the student may want to keep certain information confidential. For example, if a student is bullied after coming out as gay, the Principal/Designee shall not disclose the student's sexual orientation to the parent/guardian without the student's permission, unless there is a legitimate, school-related reason for doing so.

If the investigation determines a student engaged in bullying behaviors, the Principal/Designee shall provide the Misconduct Report to the parent/legal guardians of the student who engaged in the behaviors. The Principal/Designee may advise the parent/legal guardian of other involved students that the Student Code of Conduct was followed. S/he may not advise them of specific consequences imposed, as that would violate the confidentiality of school-record information required by law.

D. Determining an Appropriate Response

The goal of the response is to ensure the targeted student feels safe and welcome, and the student engaging in bullying behaviors understands the harm s/he caused and changes his/her behavior. For guidance in determining an appropriate response, contact the Office of Social & Emotional Learning at (773) 553-1830, or see cps.edu/SEL.

- (1) **Identify school risk factors and ensure a universal strategy for school climate improvement and social and emotional development.** Assess and address any issues in supervision, expectations, relationship-building, and emotional learning.

- (2) **Support the targeted student.** Assign school staff to create and implement a plan that will restore a sense of safety for the targeted student and other students who have been impacted. Determine any other interventions that may be appropriate.

If the targeted student has a disability, the school shall convene the IEP Team to determine whether additional or different special education or related services are needed to address the student's individual needs and revise the IEP accordingly. For example, if the student's disability affects social skill development or makes the student vulnerable to bullying, the Principal/Designee shall ask the student's IEP Team to consider whether the IEP should include provisions to reduce vulnerability to bullying.

- (3) **Determine interventions and/or consequences that address the root cause of the students' bullying behaviors.** Consider the nature of the behavior, the developmental age of the student, and the student's history of problem behaviors and performance. Follow the Student Code of Conduct and the *Guidelines for Effective Discipline*, and identify opportunities to teach, build empathy, and repair harm. While suspensions may be necessary in some cases to ensure the safety of the targeted student, keep in mind that suspending or expelling students who bully does not reduce bullying behavior.

If the student who engaged in bullying behavior is a student with a disability, the school shall convene the IEP Team to determine if additional supports and services are needed to address the inappropriate behavior and develop the student's social and emotional skills. The team may also consider examining the environment in which the bullying occurred to determine if changes to the environment are warranted. For example, the IEP Team should consider a behavior intervention plan for the student or review a current behavior intervention plan and revise if necessary. The Principal/Designee shall comply with the Procedural Safeguards for Discipline of Students with Disabilities/Impairments when considering interventions and consequences for students with disabilities.

Contact the Office of Social & Emotional Learning for school-wide climate and skill-building practices that prevent bullying, and the CPS Law Department for more information about the appropriate and legal consequences for student misconduct.

- (4) **For incidents that impact the larger school community, provide opportunities in safe, structured environments for affected students, staff, and/or parents to speak about the incident, its impact, and what is needed to repair the harm.**

E. What Not To Do:

- Solicit an apology from the student who engaged in bullying to the targeted student or mandate a public apology, use peace circles, victim/offender conferences, or any form of mediation that puts the student who engaged in bullying in contact with the targeted student in an immediate attempt to resolve the bullying. Restorative measures may be helpful to repair relationships between the student who engaged in bullying and targeted student, but only if used after other interventions have balanced the power differential between the perpetrator and target.
- Dismiss bullying as typical student behavior or assume it is not serious.

Appeal

Any party who is not satisfied with the outcome of the investigation may appeal to the CPS Equal Opportunity Compliance Office, or EOCO (telephone: 773/553-1013), within 15 calendar days of notification of the Principal's decision. The EOCO Administrator shall render a final determination in accordance with the timeline and procedures set out in the anti-bullying appeal guidelines established by the EOCO. The EOCO may return the incident to the Network Chief, Principal or their designees for further investigation or reconsideration of the consequence(s), direct the imposition of other consequence(s), or deny the appeal. The EOCO shall notify the party requesting the appeal and the Principal that its decision is final and shall document that notification in the Incident Report in the District student information system.

Consequences for CPS Employees and Contractors

When it is determined that an employee or contractor was aware that bullying was taking place but failed to report it, the employee/contractor will be considered to have violated this Policy. The Principal shall consider employee discipline for such violations, making reference to any applicable collective bargaining agreement. Remedies for offending contractors should be imposed according to their Board contracts.

Notice and Dissemination of Requirements

Principals shall follow the requirements established by the Office of Social & Emotional Learning for posting this Anti-Bullying Policy on the school's website, in the school building as well as disseminating and presenting this Policy to school staff as part of pre-school-year professional development.

Training and Professional Development

Staff

Professional development will be offered to build the skills of all CPS employees, contractors and volunteers to implement this Policy. The content of such professional development shall include, but not be limited to:

- (1) Developmentally appropriate strategies to prevent incidents of bullying and to intervene immediately and effectively to stop them;
- (2) Information about the complex interaction and power differential that can take place between and among a perpetrator, target, and witness to the bullying;
- (3) Research findings on bullying, including information about specific categories of students who have been shown to be particularly at risk, and any specific interventions that may be particularly effective for addressing bias-based bullying; and
- (4) Information about Internet safety issues as they relate to cyberbullying.

Student Internet Safety Education

In accordance with the Board's Internet Safety Policy (<http://policy.cps.edu/download.aspx?ID=261>), each school shall incorporate into the school curriculum a component on Internet safety to be taught at least once each school year to all students. The Chief Officer of Teaching and Learning or designee, shall determine the scope and duration of this unit of instruction and topics covered. At a minimum, the unit of instruction shall address: (a) safety on the Internet; (b) appropriate behavior while online, on social networking Web sites, and in chat rooms; and (c) cyberbullying awareness and response. The age-appropriate unit of instruction may be incorporated into the current courses of study regularly taught. Schools shall satisfy the documentation requirements established by the Chief Officer of Teaching and Learning or designee to ensure compliance with this curricular requirement.

**PROCEDURAL SAFEGUARDS FOR DISCIPLINE OF STUDENTS WITH
DISABILITIES/IMPAIRMENTS⁴²**

School officials may suspend students with disabilities/impairments and cease educational services for a total of up to 10 consecutive or 10 cumulative school days in one school year without providing procedural safeguards. Saturday, and before- and after-school detentions do not count toward the 10-day limit. Additionally, if students with disabilities continue to participate in the general education curriculum, continue to receive their IEP services, and continue to participate with non-disabled peers to the same extent as specified in the IEPs, in-school suspensions and lunch detentions do not count toward the 10-day limit. Administrators are not required to suspend students with disabilities for the recommended periods set forth in this Code for a single incident. Specifically, the Principal or his/her designee has discretion to suspend students with disabilities fewer days than set forth for a single incident. Federal regulations offer some flexibility in suspending students with disabilities in excess of 10 school days in the school year in certain circumstances. In order to determine whether the circumstances permit a suspension in excess of 10 days per school year, consultation by the school with the Department of Procedural Safeguards and Parental Supports (773/553-1905) is absolutely necessary. **Without such consultation and approval from the Department of Procedural Safeguards and Parental Supports, the 10 school day limit on out of school suspensions will continue to apply.**

When school officials anticipate a referral for expulsion, including referrals requesting emergency assignment pursuant to the CPS SCC, the following apply:

1. School must provide written notice to the parent/guardian or surrogate parent of the request for an expulsion hearing and the date of an Individualized Education Program (IEP) Manifestation Determination Review (MDR) meeting, which must be held within 10 school days of the date of the decision to request the expulsion hearing. School must also provide parent/guardian/surrogate with a written copy of the Notice of Procedural Safeguards.
2. The IEP team must:
 - A. Determine whether the misconduct is related to the student's disability by reviewing all current and relevant information, including evaluation and diagnostic results, information from the parent/guardian, observations of the student, and the student's IEP. The behavior is a manifestation of the student's disability if:
 - 1) the conduct in question was caused by the student's disability or has a direct and substantial relationship to the student's disability; and/or
 - 2) the conduct in question was the direct result of the school's failure to implement the student's IEP.
 - B. Review, and revise if necessary, the student's existing behavior intervention plan or develop a functional behavior assessment and behavior intervention plan (FBA/BIP) to address the misconduct. The behavior intervention plan must address the misconduct for which the student is being disciplined.

If the student's behavior is not a manifestation of the disability, school officials may apply the SCC, taking into consideration the student's special education and disciplinary records. In no event, however, may the student be suspended for more than 10 consecutive or cumulative school days in a school year without providing appropriate educational services.

If the student's behavior is a manifestation of the disability, a disciplinary change in placement (expulsion) cannot occur. Students with disabilities, even if expelled, must be provided with an appropriate education in an alternative educational setting.

All MDRs are subject to legal review by the Department of Procedural Safeguards and Parental Supports.

⁴² All procedural safeguards contained in the SCC and this Appendix are equally applicable to those students with §504 plans.

EXPULSION HEARING AND EMERGENCY ASSIGNMENT GUIDELINES

Request for Expulsion Hearing

- Expulsion is the removal of a student from school for 11 or more consecutive days, up to a maximum of two calendar years.⁴³
- If a student's inappropriate behavior falls within Group 5 of the SCC, a school principal *may* request an expulsion hearing for the student. A school principal may also request assignment to an intervention program.
- If a student's inappropriate behavior falls within Group 6 of the SCC, the incident will be automatically referred for Student Adjudication review for a student in 6th through 12th grade or for any student violating section 6-1; a school principal *may* request an expulsion hearing for a student committing any other Group 6 behavior.
- The CEO's designee will review the expulsion hearing request and determine whether to refer the student to the Law Department for an expulsion hearing, assign the student to an intervention program, or refer the student back to the school for intervention/support.

Emergency Assignment to Interim Alternative Education Setting

- Students who commit Groups 5 or 6 misconducts may be assigned to an interim alternative education setting on an emergency basis ("emergency assignment") while a request for an expulsion hearing is pending without being given the opportunity for a hearing before an independent hearing officer.
- Requests for emergency assignment must be approved, facilitated, and implemented by the CEO's designee. The CEO's designee may request additional information when considering requests for emergency assignment.
- General education students may be placed in an interim alternative education setting if their presence at the home school poses a continuing danger to people or property, or an ongoing threat of disruption to the academic process. The student will be assigned to the Safe Schools Alternative Program until the expulsion final determination is issued.
- Students with disabilities may be placed in an interim alternative educational setting for a maximum of 45 school days, even in instances where the student's misconduct is ultimately determined to be a manifestation of his or her disability. Students with disabilities may be referred for emergency assignment when in possession of weapons or drugs, or for inflicting serious bodily injury on another person while on school grounds or at a school-sponsored event. The parent or legal guardian may request a due process hearing to challenge the emergency assignment.

Expulsion Hearing Procedures

- The Law Department will schedule expulsion hearings and send parents/guardians a notice letter. The notice will provide a description of the incident, the date of the incident, the SCC inappropriate behavior code(s), and the place, time and date for the expulsion hearing. The notice will be sent by registered or certified mail, or by personal delivery.
- Before the hearing, school principals are responsible for assisting the Law Department with case preparation by identifying witnesses and relevant documents, and reviewing all documentation regarding the incident to ensure it is complete, accurate, and properly written.
- The hearing will be conducted before an independent hearing officer. The Chief Executive Officer's representatives will call witnesses to testify and introduce documents regarding the incident. The student may also call witnesses to testify and introduce documents regarding the incident.

Expulsion Final Determination

- After the hearing, the hearing officer will make a recommendation for intervention or discipline, up to expulsion for a set term of two calendar years.
- The hearing officer's recommendation may be modified on a case-by-case basis by the Chief Executive Officer or designee.

⁴³ This definition does not apply to exclusion of a student from school for failure to comply with immunization requirements or temporary emergency placement.

- If a student is expelled, alternative program placement may be offered for the period of the expulsion.
- The hearing officer may recommend that the student attend an intervention program in lieu of expulsion. A recommendation to intervention is subject to approval by the Chief Executive Officer or designee. A student who is recommended for participation in the intervention program in lieu of expulsion but who fails to successfully complete the program shall be expelled.
- During a term of expulsion, students may not participate in extracurricular activities or school-sponsored events, with the exception of activities or events sponsored by the student's alternative program.

Transition when Expulsion Complete

- When a term of expulsion is completed, the student will be transferred to his/her home school.
- For students attending the Safe Schools Alternative Program, a transition meeting, including the student, parents/guardians, alternative school staff members, and home school staff members, will be scheduled to discuss the student's transition back into the home school environment.

AMEND BOARD REPORT 17-0726-EX3

AUTHORIZE HIGH SCHOOL APPLICATION REDESIGN PARTICIPATION BY VARIOUS CHARTER AND CONTRACT SCHOOLS AND CORRESPONDING MEMORANDUM OF UNDERSTANDING WITH VARIOUS CHARTER SCHOOLS

THE CHIEF EXECUTIVE OFFICER RECOMMENDS THE FOLLOWING DECISION:

Authorize (i) participation of various charter and contract high schools listed in Exhibit A in the High School Application Redesign to allow the district to develop 9th grade offer numbers at their schools based on procedures that are comparable to non-selective enrollment high schools in the district; and (b) corresponding Memorandum of Understanding ("MOU") with the charter high schools to delegate authority to the Board to conduct the High School Application Redesign on behalf of the charter schools listed in Exhibit A and to allow for extending offers as set forth above. Additional charter schools may elect to participate and execute the MOU without further Board approval. This Board Report authorizes the amendment of the existing agreements for the charter schools and contract schools listed in Exhibit A, however written amendments are not required. Information pertinent to these agreements is stated below.

This July 2018 amendment is necessary to authorize the following extensions in order to add the 9th grade students entering high schools in the Fall of 2019: (i) extension of the participation of various charter and contract high schools listed in Exhibit A in the High School Application Redesign to allow the district to develop 9th grade offer numbers at their schools based on procedures that are comparable to non-selective enrollment high schools in the district; and (ii) extension of the term of the corresponding MOU with the charter high schools listed in Exhibit A until June 30, 2020. A written amendment to the MOU is currently being negotiated. This Board Report authorizes the amendment of the existing agreements for the charter schools and contract schools listed in Exhibit A, however written amendments are not required.

PARTICIPATING CHARTER AND CONTRACT SCHOOLS: See attached Exhibit A.

BACKGROUND INFORMATION:

The Board of Education of the City of Chicago ("Board") desires to develop a common online, mobile-friendly application platform for all public high schools and CPS programs throughout Chicago including charter schools and contract schools ("High School Application Redesign" or "HS Application Redesign"). The key benefits to having a single, common high school application would be to (a) simplify the process for families and increase equality of access; (b) provide more transparent admissions decisions and offers; (c) know students' school decisions earlier which enables having the right resources in the right schools on day one; and (d) provide additional data on students' preferences to inform strategy and planning for the district. The application and transfer processes for the HS Application Redesign shall be centralized at the CPS Office of Access and Enrollment for all district operated schools, contract schools, and charter schools that opt-in to the HS Application Redesign.

The Board desires to enter into a MOU for the HS Application Redesign with the charter high schools that have opted into the CPS launch phase and application period of the HS Application Redesign for 9th grade students entering high schools in the Fall of 2018 and the Fall of 2019 by amending their existing school agreements to delegate authority to the Board to conduct the application process and the lottery, if necessary, on behalf of the charter schools.

To achieve the objectives of (i) giving applicants their highest possible choice in light of applicant movement between the time when offers are extended and the start of the new school year and (ii) ensuring accurate

school financial management in light of annual student attrition, the district shall be allowed to develop 9th grade offer numbers at contract and charter high schools listed in Exhibit A based on procedures that are comparable to non-selective enrollment high schools in the district.

When there are more 9th grade students accepted through the HS Application Redesign and enrolled in the high schools listed in Exhibit A by the 20th day of the CPS semester up to a maximum of 10% above and beyond the maximum student enrollment number in such schools' agreements ("Additional 9th Grade Students"), the Board desires to make payments to those schools for such Additional 9th Grade Students.

MEMORANDUM OF UNDERSTANDING WITH CHARTER SCHOOLS: Under the MOU, the district shall be allowed to develop 9th grade offer numbers at the charter schools listed in Exhibit A based on procedures that are comparable to non-selective enrollment high schools in the district. This authorization is contingent on charter high schools each opting into the High School Application Redesign.

Charter high schools that have signed on to High School Application Redesign are agreeing to comply with the updated CPS enrollment and transfer processes as documented in the Board's Policy on Enrollment and Transfer of Students in the Chicago Public Schools adopted April 26, 2017 (17-0426-PO1), as may be amended, and the Board's Admissions Policy for Magnet, Selective Enrollment and other Options for Knowledge Schools and Programs adopted April 26, 2017 (17-0426-PO1), as may be amended.

TERM OF MOU: The MOU shall commence on July 27, 2017 and shall end on ~~December 31, 2018~~ June 30, 2020.

EXISTING CHARTER AND CONTRACT SCHOOLS' AGREEMENTS: This Board Report authorizes the amendment of the existing agreements for the charter schools and contract schools listed in Exhibit A as set forth below, effective as of July 27, 2017; however, written amendments are not required:

a. Amend Section 4.d. or 5.d., in particular the Enrollment and Application Process/Lottery subsections, of their existing Charter School Agreements to delegate authority to the Board to conduct the high school application process and the high school lottery, if necessary, on behalf of the charter schools and to allow the district to develop 9th grade offer numbers at the charter high schools listed in Exhibit A based on procedures that are comparable to non-selective enrollment high schools in the district.

b. Amend Section 4.d, Enrollment, and Exhibit A-II.B., Student Population, of their existing Contract School Agreements to allow the district to develop 9th grade offer numbers at the contract high schools listed in Exhibit A based on procedures that are comparable to non-selective enrollment high schools in the district.

COMPENSATION: Payments are authorized (per-pupil funding and all other necessary local, state and federal government funding) for Additional 9th Grade Students under those schools' existing Charter School Agreements and Contract School Agreements in the event there are more 9th grade students accepted through the HS Application Redesign and enrolled in the schools listed in Exhibit A by the 20th day of the CPS semester up to a maximum of 10% above and beyond the maximum student enrollment number in such schools' agreement ("Additional 9th Grade Students"). In the event the Board provides district-run high schools with additional funds to offset 9th grade enrollment declines attributable solely to the availability and performance of the HS Application Redesign, the Board shall provide additional funds in the same manner to charter and contract high schools listed in Exhibit A that experience 9th grade enrollment declines that can be attributed solely to the availability and performance of the HS Application Redesign.

AUTHORIZATION: The Board's President and Secretary are authorized to execute the written Memorandum of Understanding for the High School Application Redesign and amendment with the charter high schools listed in Exhibit A. Additional charter schools may participate in the HS Application Redesign and execute the Memorandum of Understanding and amendment without amending ~~ment~~ of this Resolution.

The Board's General Counsel is authorized to include other relevant terms and conditions in the Memorandum of Understanding and amendment, including any indemnities to be provided to the charter high schools. The Board's President and Secretary are authorized to sign any amendments to the charter and contract school agreements in connection with the HS Application Redesign, subject to approval as to legal form by the Board's General Counsel. The Executive Director of the Office of Innovation and Incubation is authorized to sign any ancillary documents required to administer or effectuate the HS Application Redesign, including those required by the Illinois State Board of Education.

LSC REVIEW: Approval of Local School Councils is not applicable to this report.

FINANCIAL: The financial implications will be addressed during the development of the 2018-2019 ~~20~~ fiscal year budget. Since the School Code of Illinois prohibits the incurring of any liability unless an appropriation has been previously made, expenditures beyond FY19 are deemed to be contingent liabilities only, subject to appropriation in subsequent fiscal year budgets.
