NOW, THEREFORE, Be It Hereby Resolved by the Chicago Board of Education of the Board of Education of the City of Chicago, as follows:

*Section 1. Incorporation of Preambles.* The preambles of this Resolution are hereby incorporated into this text as if set out herein in full.

*Section 2. Issuance of Bonds.* (a) There shall be authorized the borrowing on the credit of and for and on behalf of the Board the aggregate principal amount of not to exceed \$600,000,000 for the purpose of paying (i) costs of the Project, (ii) capitalized interest on the Bonds, and (iii) costs of issuance of the Bonds, including the cost of bond insurance or other credit enhancement, and the Bonds may be issued from time to time, in one or more Series, in said aggregate principal amount, or such lesser aggregate principal amounts, as may be determined by either the President of the School Board (the "*President*") or the Chief Financial Officer (each, a "*Designated Official*"). The Bonds of each Series shall be designated "*Unlimited Tax General Obligation Bonds (Dedicated Revenues), Series 2012\_*," with such additions, modifications or revisions as shall be determined to be necessary by either of the Designated Officials at the time of the sale of such Bonds to reflect the order of sale of such Bonds, whether such Bonds are Capital Appreciation Bonds, Current Interest Bonds, Convertible Bonds or Variable Rate Bonds (each as defined herein) and any other authorized features of such Bonds determined by either of the Designated Officials as desirable to be reflected in the title of the Bonds being issued and sold as part of such Series. The Designated Officials are each hereby authorized to appoint a Trustee for each Series of the Bonds so issued; *provided*, that such Trustee shall be a bank, trust company or national banking association doing business and having a corporate trust office in the State of Illinois and having capital and undivided surplus aggregating at least \$15,000,000 or shall be a wholly-owned subsidiary of such an entity. The Bonds of each Series shall be issued and secured pursuant to the terms of an Indenture (i) authorizing Capital Appreciation Bonds, Current Interest Bonds, Convertible Bonds (a "*Fixed Rate Indenture*") or (ii) authorizing Variable Rate Bonds (a "*Variable Rate Indenture*"). Each of the Designated Officials is hereby authorized to execute and deliver, and the Secretary is hereby authorized to attest, each Fixed Rate Indenture or Variable Rate Indenture on behalf of the Board, each such Indenture to be in substantially the respective form executed and delivered in connection with previous issues of Fixed Rate Bonds and Variable Rate Bonds and previous issues of Alternate Bonds secured by some or all of the Pledged Revenues, but with such changes therein as shall be within the authorizations granted by this Resolution as shall be approved by the Designated Official executing the same, with such execution to constitute conclusive evidence of such Designated Official's approval and this Board's approval of any changes or revisions therein from the respective forms of Fixed Rate Indenture and Variable Rate Indenture authorized hereby.

The details of the sale of the Bonds as described in the notification of sale of such Bonds delivered by a Designated Official pursuant to Section 4(e) hereof and all provisions relating to the authorized denomination, registration, transfer and redemption of such Bonds, within the limitations set forth herein, shall be set forth in each Indenture executed and delivered by a Designated Official as described herein.

(b) In order to secure the payment of the principal of, redemption price of, interest on and the Compound Accreted Value (as hereinafter defined) of each Series of the Bonds, the Board hereby pledges the Pledged Revenues to the payment thereof, and the Board covenants and agrees to provide for, collect and apply such Pledged Revenues, together with investment earnings thereon and moneys held in the funds and accounts pursuant to each Indenture, to the payment of the Bonds and the Prior 2009 Authorization Bonds and the provision of an additional .10 times annual debt service in the case of Bonds to be paid from a governmental revenue source or an additional .25 times annual debt service in the case of Bonds to be paid from rental income derived from Board property or from certain grants and other payments to be paid to the Board by the United States of America or any department, agency or instrumentality thereof that do not constitute a governmental revenue source. The determination of the sufficiency of the Pledged Revenues and estimated investment earnings pursuant to this paragraph (b) is supported by the Audit or the Feasibility Report, as applicable, and acceptance of the Audit by the Board and of the Feasibility Report by the Chief Financial Officer, on behalf of the Board, if applicable, shall constitute conclusive evidence that the conditions of Section 15 of the Act have been met. Each of the Designated Officials is authorized to allocate all or a portion of the Pledged Revenues to the payment of the principal of, redemption price of, interest on and the Compound Accreted Value of each Series of the Bonds and the Indenture pursuant to which such Series of Bonds is issued and the notification of sale of such Series of the Bonds delivered by the Designated Officials pursuant to Section 4(e) hereof shall identify the specific Pledged Revenues allocated to such Series. Once issued, the Bonds shall be and forever remain until paid or defeased the general obligation of the Board, for the payment of which its full faith and credit are pledged, and shall be payable, in addition to the Pledged Revenues and investment earnings as described herein, from the levy of the Pledged Taxes as provided in the Act and as set forth below.

(c) All or any portion of the Bonds may be issued as bonds payable in one payment on a fixed date (the "*Capital Appreciation Bonds*"). Any Bonds issued as Capital Appreciation Bonds shall be dated the date of issuance thereof and shall also bear the date of authentication, shall be in fully registered form, shall be numbered as determined by the Trustee and shall be in

denominations equal to the original principal amounts of such Capital Appreciation Bonds or any integral multiple thereof, each such original principal amount representing Compound Accreted Value (as hereinafter defined) at maturity (the "*Maturity Amount*") of \$5,000 or any integral multiple thereof. As used herein, the "*Compound Accreted Value*" of a Capital Appreciation Bond on any date of determination shall be an amount equal to the original principal amount plus an investment return accrued to the date of such determination at a semiannual compounding rate which is necessary to produce the yield to maturity borne by such Capital Appreciation Bond.

All or any portion of the Bonds may be issued as Bonds bearing interest at fixed rates and paying interest semiannually (the "*Current Interest Bonds*"). The Current Interest Bonds shall be dated such date as shall be agreed upon by a Designated Official and the purchasers of the Current Interest Bonds, shall be in fully registered form, shall be in denominations of \$5,000 each and any integral multiple thereof, and shall be numbered as determined by the Trustee.

The Bonds may be initially issued as Capital Appreciation Bonds containing provisions for the conversion of the Compound Accreted Value of such Bonds into Current Interest Bonds (the "*Convertible Bonds*") at such time following the initial issuance as shall be approved by a Designated Official. While in the form of Capital Appreciation Bonds, such Convertible Bonds shall be subject to all of the provisions and limitations of this Resolution relating to Capital Appreciation Bonds and while in the form of Current Interest Bonds, such Convertible Bonds shall be subject to all of the provisions and limitations of this Resolution relating to Current Interest Bonds. In connection with the issuance and sale of any Convertible Bonds, the terms and provisions relating to the conversion of the Compound Accreted Value of such Convertible Bonds into Current Interest Bonds shall be contained in the Fixed Rate Indenture executed and delivered by a Designated Official at the time of sale of such Convertible Bonds.

All or any portion of the Bonds may be issued as bonds bearing interest at variable rates adjustable and payable from time to time, including, but not limited to, bonds bearing interest at variable rates that are adjusted and reset from time to time as may be necessary to cause such Bonds to be remarketable from time to time at a price equal to their principal amount (collectively, the "*Variable Rate Bonds*"). The Variable Rate Bonds shall be dated such date as shall be agreed upon by a Designated Official and shall be numbered as determined by the applicable Trustee. All references herein to the payment of principal of any Variable Rate Bonds shall also include the payment of tender or purchase price of such Bonds as shall be specified in the Variable Rate Indenture executed and delivered by a Designated Official pursuant to which such Variable Rate Bonds are issued.

The Bonds shall be dated as of a date not earlier than August 1, 2012, as determined by a Designated Official at the time of sale thereof. The principal of the Bonds shall become due and payable on any date not earlier than December 1, 2012 and not later than December 1, 2042.

Any Bonds issued as Current Interest Bonds, Capital Appreciation Bonds or Convertible Bonds shall bear interest (computed upon the basis of a 360-day year of twelve 30-day months) payable either (i) semiannually on each June 1 and December 1, commencing on or after December 1, 2012, or (ii) only at the maturity thereof, at a rate or rates not to exceed 9 percent per annum, all as shall be determined by a Designated Official at the time of sale of such Bonds.

The Variable Rate Bonds shall bear interest from time to time at such rates determined (i) by such remarketing or other indexing agent as shall be selected by a Designated Official for that purpose or (ii) pursuant to such index or indices as shall be selected by a Designated Official for that purpose, which interest rate or rates shall not exceed the maximum permitted by law for obligations of the Board, but in no event more than 15 percent per annum, subject to the provisions of Section 4(d) hereof. The method of determining the interest rate to be borne from time to time by the Variable Rate Bonds of any Series shall be specified in the applicable Variable Rate Indenture. Each Variable Rate Bond shall bear interest at such rates payable on such dates as shall be determined by a Designated Official at the time of sale of such Bonds and specified in the applicable Variable Rate Indenture.

(d) The Bonds of each Series may be redeemable prior to maturity at the option of the Board, in whole or in part on any date, at such times and at such redemption prices as shall be determined by a Designated Official at the time of the sale thereof. The Bonds of each Series may be made subject to extraordinary redemption prior to maturity, in whole or in part on any date, at such times and at such redemption prices and upon the occurrence of such conditions, all as shall be determined by a Designated Official at the time of the sale thereof. In the case of optional or extraordinary redemption, redemption prices are to be expressed as a percentage of the principal amount of such Bonds being redeemed, plus accrued interest to the date of redemption. The Bonds of each Series may also be made subject to sinking fund redemption, at par and accrued interest to the date fixed for redemption, as determined by a Designated Official at the time of the sale thereof; *provided*, that such Bonds shall reach final maturity not later than the date set forth in Section 2(c) hereof.

Any Variable Rate Bonds may be made subject to optional or mandatory tender for purchase by the owners thereof at such times and at such prices (to be expressed as a percentage of the principal amount of such Bonds being tendered for purchase) as shall be determined by a Designated Official at the time of sale of such Variable Rate Bonds and specified in the

applicable Variable Rate Indenture. In connection with the remarketing of any Variable Rate Bonds so tendered for purchase under the terms and conditions specified in the applicable Variable Rate Indenture, each of the Designated Officials is hereby authorized to execute on behalf of the Board one or more remarketing agreements with such national banking associations, banks, trust companies, investment bankers or other financial institutions as shall be selected by a Designated Official reflecting the terms and provisions of the Variable Rate Bonds and containing such provisions as the Designated Official executing the same shall determine are necessary or desirable in connection with the sale of some or all of the Bonds as Variable Rate Bonds.

(e) The Bonds of each Series shall initially be issued in book-entry only form as provided in the applicable Indenture. The Bonds shall be executed by the manual or duly authorized facsimile signature of the President and attested by the Secretary by the manual or duly authorized facsimile signature of the Secretary and prepared in the respective forms as provided in the applicable Indenture.

The Chief Financial Officer is hereby authorized to execute and deliver on behalf of the Board a Purchase and Sale Agreement with respect to the sale of the Bonds of each Series, which (i) in the case of a Bond Purchase Agreement shall be in substantially the form used in previous financings of the Board and (ii) in the case of a Placement Agreement or a Competitive Sale Agreement shall contain terms and provisions no less favorable to the Board as those contained in a Bond Purchase Agreement. Any such Purchase and Sale Agreement shall contain such final terms as shall be approved by the Chief Financial Officer, such approval to be evidenced by such Chief Financial Officer's execution thereof, and the Chief Financial Officer is also authorized to do all things necessary and essential to effectuate the provisions of such Purchase and Sale Agreement, as executed, including the execution of any documents and certificates incidental thereto or necessary to carry out the provisions thereof. The Chief Financial Officer shall make a finding in connection with the execution of each Purchase and Sale Agreement that (i) the Bonds sold thereunder have been sold at such price and bear interest at such rate that neither the true interest cost (yield) nor the net interest rate received upon the sale of such Bonds exceeds the maximum rate otherwise authorized by applicable law, and (ii) that no person holding any office of the Board, either by election or appointment, is in any manner interested, either directly or indirectly, in his or her own name, in the name of any other person, association, trust or corporation, in the Indenture, any escrow or similar agreement executed and delivered pursuant to Section 5 hereof, the applicable Purchase and Sale Agreement or any agreement with a Bond Insurer, Debt Reserve Credit Facility Provider or Credit Provider authorized by paragraphs (b), (c) and (d) of this Section, or in the issuance and sale of such Bonds, in accordance with the laws of the State of Illinois and the Code of Ethics of the Board (Board Rule No. 11-0525-P02, as amended).

(b) In connection with any sale of the Bonds of each Series, each of the Designated Officials is hereby authorized to obtain a bond insurance policy from such recognized bond insurer as such Designated Official shall determine (the "*Bond Insurer*") if said Designated Official determines such bond insurance policy to be desirable in connection with the sale of such Series of Bonds, or with respect to specified or designated maturities of such Series of Bonds. Each Designated Official is also authorized to enter into such agreements and make such covenants with any Bond Insurer that such Designated Official deems necessary and that are not inconsistent with the terms and provisions of this Resolution and to pay upfront or annual fees to the Bond Insurer in connection therewith.

(c) In lieu of, or in addition to, the deposit of proceeds of the Bonds of any Series or other funds into a debt service reserve fund as authorized in paragraph (g) of this Section, each of the Designated Officials is hereby authorized to obtain a debt reserve credit facility from such recognized provider as such Designated Official shall determine (the "*Debt Reserve Credit Facility Provider*") if such Designated Official determines such debt reserve credit facility to be desirable in providing for the funding of any required debt service reserve fund. Each Designated Official is also authorized to enter into such agreements and make such covenants with any Debt Reserve Credit Facility Provider that such Designated Official deems necessary and that are not inconsistent with the terms and provisions of this Resolution, including the payment of reasonable fees to any Debt Reserve Credit Facility Provider.

(d) In connection with the sale of the Bonds of any Series, to provide additional security and liquidity for such Bonds, each of the Designated Officials is hereby authorized to obtain a letter of credit, line of credit or other credit or liquidity facility, including similar agreements with or facilities issued by a Bond Insurer (a "*Credit Facility*"), if determined by such Designated Official to be desirable in connection with such sale of Bonds. Each of the Designated Officials is hereby further authorized to appoint one or more banks, Bond Insurers or other financial institutions to issue such Credit Facility (the "*Credit Provider*") and to execute and deliver on behalf of the Board a credit, reimbursement or similar agreement (the "*Credit Agreement*") providing for the issuance of the Credit Facility and the obligation of the Board to repay funds borrowed under the Credit Facility or advances made by the Credit Provider under the Credit Facility with respect to such Bonds. The Credit Facility may be in a form that provides for the purchase of such Bonds by the Credit Provider (any such Bond so purchased being referred to as a "*Bank Bond*") and the Indenture as executed and delivered shall reflect the terms and provisions of such Bank Bonds. Any Bonds outstanding as Bank Bonds shall be secured as provided in the applicable Indenture. The annual fee paid to any Credit Provider for the provision of a Credit Facility shall not exceed 3 percent of the amount available to be drawn or advanced under such Credit Facility.

The Credit Agreement may provide that alternative interest rates or provisions will apply during such times as the Bonds constitute Bank Bonds or the Board has outstanding repayment obligations to the Credit Provider (the "*Credit Provider Rate*"), which Credit Provider Rate shall not exceed the maximum permitted by law, but in no event more than 15 percent per annum (the "*Maximum Credit Provider Rate*"). The Credit Agreement may further provide that to the extent the Credit Provider Rate determined at any time pursuant to the Credit Agreement exceeds the Maximum Credit Provider Rate, such excess may accrue at the then-applicable Credit Provider Rate (but in no event may such excess accrue at a rate in excess of 25 percent per

annum) and be added to the Credit Provider Rate at such time or times thereafter as the Credit Provider Rate shall be less than the Maximum Credit Provider Rate; *provided*, that at no time shall the Credit Provider Rate per annum exceed the Maximum Credit Provider Rate.

Any Credit Facility obtained as provided herein shall cause the Bonds secured thereby to bear an investment grade rating from at least two nationally recognized rating services.

(e) Subsequent to the sale of the Bonds of any Series, either or both of the Designated Officials shall file in the office of the Secretary a notification of sale directed to the Board setting forth (i) the aggregate original principal amount of, maturity schedule, redemption provisions and interest rates for the Bonds sold, (ii) a description of the specific Pledged Revenues pledged to the payment of the principal of, redemption price of, interest on and the Compound Accreted Value of the Bonds of such Series, (iii) the principal amounts of the Bonds sold as Current Interest Bonds, Capital Appreciation Bonds, Convertible Bonds and Variable Rate Bonds, respectively, (iv) in the case of Bonds sold as Capital Appreciation Bonds and Convertible Bonds, (A) the Original Principal Amounts of and Yields to Maturity on the Capital Appreciation Bonds and Convertible Bonds being sold, and (B) a table of Compound Accreted Value per \$5,000 Maturity Amount for any Capital Appreciation Bonds and Convertible Bonds being sold, setting forth the Compound Accreted Value of each such Capital Appreciation Bond and Convertible Bonds on each semiannual compounding date, (v) the interest rates on the Current Interest Bonds sold or, in the case of Variable Rate Bonds, a description of the method of determining the interest rate applicable from time to time to such Variable Rate Bonds, (vi) debt service schedules for the Bonds, together with determinable investment earnings from the investment of moneys held in the funds and accounts pursuant to the Indenture, demonstrating that the Pledged Revenues and said investment earnings and moneys held in the funds and accounts pursuant to the Indenture, are expected to be in an amount sufficient to provide the debt service coverage described in Section 2(b) hereof, (vii) the terms and provisions for the conversion of the Compound Accrued Value of any Convertible Bonds issued hereunder into Current Interest Bonds, (viii) the application of the proceeds of such Bonds for the purposes and within the limitations set forth in paragraph (g) of this Section, (ix) if a bond insurance policy is obtained as authorized herein, the identity of the Bond Insurer issuing the bond insurance policy and the premium and any fees required to be paid thereto, (x) if a debt reserve credit facility is obtained as authorized herein, the identity of the Debt Reserve Credit Facility Provider issuing the debt reserve credit facility, (xi) if a Credit Facility is obtained as authorized herein, the identity of the Credit Provider issuing the Credit Facility, and a copy of the Credit Agreement between the Board and such Credit Provider shall be attached to said notification of

sale, (xii) the identity of the Trustee designated pursuant to Section 2 hereof with respect to the Bonds, (xiii) if an escrow or other similar agreement is to be executed and delivered as authorized in Section 5 hereof, the identity of any bank, trust company or national banking association selected by a Designated Official to serve as escrow agent thereunder pursuant to the authorization granted in said Section 5, and a copy of such agreement shall be attached to said notification of sale and (xiv) the identity of and the compensation paid to the Purchasers in connection with such sale.

In the event that the Designated Official executing such notification of sale determines that the Bonds have been sold in such principal amount or maturing or bearing interest so as to require the levy of taxes in any year less than the amount specified therefor in Section 3(a) hereof, then such Designated Official shall include, in the notification of sale described in this Section, the amount of reduction in the amount levied in Section 3(a) hereof for each year resulting from such sale, and in addition, either or both of the Designated Officials shall file in the respective offices of the County Clerks certificates of tax abatement for such years. In the case of Variable Rate Bonds, such amounts to be abated from taxes levied may be determined by reference to any projections of debt service on such Variable Rate Bonds provided to the Board at the time of sale of such Bonds. No such reduction in the amounts levied in Section 3(a) hereof need be made nor must any certificate of tax abatement be filed as described in the preceding sentence until either or both of the Designated Officials have determined that any amount so levied in Section 3(a) hereof will not be needed to secure the Bonds being sold at that time or any Series of Bonds to be sold in the future. Any certificate of abatement delivered pursuant to this paragraph shall refer to the amount of taxes levied pursuant to Section 3(a) hereof, shall indicate the amount of reduction in the amount of taxes levied by the Board resulting from the sale of such Bonds, which reduced amount is to be abated from such taxes, and shall further indicate the remainder of such taxes which is to be extended for collection by the County Clerks. Each of the Designated Officials is also authorized to file in the respective offices of the County Clerks certificates of tax abatement that reflect the refunding of any obligations of the Board.

(f) The distribution of a Preliminary Official Statement, Private Placement Memorandum or Notice of Public Sale relating to each Series of the Bonds (the "*Disclosure Document*") in substantially the respective forms delivered in connection with previous issues of Fixed Rate Bonds and Variable Rate Bonds and previous issues secured by some or all of the Pledged Revenues, but with such changes as shall be approved by a Designated Official to reflect the terms of the Bonds proposed to be sold and the method of sale of such Bonds, is hereby in all respects, ratified, authorized and approved and shall be "*deemed final*" for purposes of Rule 15c2-12, adopted by the Securities and Exchange Commission under the Securities

Exchange Act of 1934 (*"Rule 15c2-12"*), and the proposed use by the Underwriters or the Competitive Purchasers of a final Official Statement (in substantially the form (i) of the Preliminary Official Statement but with appropriate variations, omissions and insertions to reflect the final terms of the Bonds being sold or (ii) authorized herein for a Preliminary Official Statement if none is used in the marketing of the Bonds being sold) is hereby approved. Each Designated Official is hereby authorized and directed to execute the final Official Statement or other Disclosure Document on behalf of the Board.

In connection with the sale of a Series of the Bonds, the Designated Officials are hereby authorized to provide to prospective Placement Purchasers such information regarding the Board's operations and finances as would typically be included in a Disclosure Document and to enter into such discussions and negotiations with such prospective Placement Purchasers as such Designated Officials shall deem appropriate. In addition, the Designated Officials are hereby authorized to prepare a Notice of Sale for distribution to potential bidders in connection with a public, competitive sale of a Series of the Bonds and to take all actions necessary to conduct any such sale.

(g) The proceeds from the sale of each Series of the Bonds shall be applied to the payment of (i) costs of the Project, (ii) such interest to become due on such Bonds for such period not to exceed the greater of 2 years or a period ending 6 months after the estimated date of completion of the acquisition and construction of the Project as shall be determined by the Chief Financial Officer, and (iii) the payment of the expenses related to the issuance of such Bonds, including, without limitation, fees to be paid to Bond Insurers, Credit Providers or remarketing or other agents retained in connection with the issuance of Variable Rate Bonds, and such proceeds shall be applied as provided in the applicable Indenture. In addition, proceeds from the sale of a Series of the Bonds in the amount of not to exceed 10% of the principal amount thereof may be deposited into a debt service reserve fund to be held under the applicable Indenture upon the direction of the Chief Financial Officer if it is determined that the creation of such debt service reserve fund is necessary and required in connection with the sale of such Bonds. All of such proceeds are hereby appropriated for the purposes specified in this paragraph.

(h) The Chief Financial Officer of the Board is hereby authorized to enter into or approve such agreements with investment providers as shall be necessary or advisable in connection with the investment of any funds on deposit under the Indenture, to the extent such investments are authorized under the terms of the Indenture, the Investment Policy of the Board and applicable law, as in effect from time to time.

(i) Either of the Designated Officials is hereby authorized to execute and deliver from time to time one or more agreements with counterparties selected by either of the Designated Officials, the purpose of which is to provide to the Board an interest rate basis, cash flow basis or other basis from that provided in the Bonds for the payment of interest. The stated aggregate notional amount under all such agreements authorized hereunder shall not exceed the principal amount of the Bonds issued hereunder (net of offsetting transactions entered into by the Board). For purposes of the immediately preceding sentence, "offsetting transactions" shall include any transaction which is intended to hedge, modify or otherwise affect another outstanding transaction or its economic results. The offsetting transaction need not be based on the same index or rate option as the related Bonds or the transaction being offset and need not be with the same counterparty as the transaction being offset. Examples of offsetting transactions include, without limitation, a floating-to-fixed rate interest rate swap being offset by a fixed-to-floating rate interest rate swap, and a fixed-to-floating rate interest rate swap being offset by a floating-to-fixed rate interest rate swap or an interest rate cap or floor or a floating-to-floating interest rate swap.

Any such agreement to the extent practicable shall be in substantially the form of either the Local Currency-Single Jurisdiction version or the Multicurrency-Cross Border version of the current ISDA Master Agreement accompanied by the U.S. Municipal Counterparty Schedule published by the International Swap Dealers Association (the "ISDA") or any successor form to either published by the ISDA, and in the appropriate confirmations of transactions governed by that agreement, with such insertions, completions and modifications thereof as shall be approved by the appropriate Designated Official executing the same, such execution to constitute conclusive evidence of Board's approval of such insertions, completions and modifications thereof. Amounts payable by the Board under any such agreement shall (i) be payable solely and only from the sources actually pledged to the payment of the Bonds as described in Section 2(b) of this Resolution, or (ii) constitute operating expenses of the Board payable from any moneys, revenues, receipts, income, assets or funds of the Board available for such purpose, as shall be determined by the Designated Official executing the same. Nothing contained in this Section 4(i) shall limit or restrict the authority of any officer of the Board to enter into such agreements pursuant to prior or subsequent authorization of the Board.

*Section 5. Escrow of Pledged Revenues.* If deemed necessary and desirable to provide additional security for any Bonds, each of the Designated Officials is hereby authorized to execute and deliver on behalf of the Board, and the Secretary is authorized to attest, a form of escrow or other similar agreement with a bank, trust company or national banking association having the same qualifications as those set forth in Section 2(a) for a Trustee, reflecting the

issuance of the Bonds and such segregation of Pledged Revenues and Pledged Taxes as the Designated Official executing such agreement shall deem appropriate.

*Section 6. Pledged Taxes Escrow Direction.* Each of the Designated Officials is hereby authorized, pursuant to authority contained in Section 20-90 of the Property Tax Code of the State of Illinois, as amended, to execute a written direction to the County Collectors of The Counties of Cook and DuPage, Illinois (the "*County Collectors*"), (i) to deposit the collections of the Pledged Taxes as and when extended for collection directly with such escrow agent designated pursuant to Section 5 in order to secure the payment of the principal of and interest on the Bonds, and (ii) to the extent necessary, advising the County Collectors of the abatement of the Pledged Taxes. The Designated Officials are directed to file a certified copy of this Resolution with each of the County Collectors within ten (10) days of the passage hereof.

*Section 7. Tax-Exemption and Non-Arbitrage.* Each of the Designated Officials is hereby authorized to take any other actions and to execute any other documents and certificates necessary to assure that the interest payments with respect to the Bonds of each Series are excludable from gross income for federal income tax purposes, to assure that the Bonds do not constitute "*arbitrage bonds*" or "*private activity bonds*" under the Internal Revenue Code of 1986, as amended, and to effectuate the issuance and delivery of the Bonds, including but not limited to the execution and delivery of a Tax Agreement; *provided, however*, that any of the Bonds may be issued as Bonds the interest on which is includible in the gross income of the owner thereof for federal income tax purposes if determined by a Designated Official to be beneficial to the Board.

*Section 8. Continuing Disclosure Undertaking.* Each of the Designated Officials is hereby authorized to execute and deliver one or more Continuing Disclosure Undertakings (each, a "*Continuing Disclosure Undertaking*") evidencing the Board's agreement to comply with the requirements of Section (b)(5) of Rule 15c2-12, as applicable to the Bonds of each Series. Notwithstanding any other provision of this Resolution or any Indenture, the sole remedies for any failure by the Board to comply with a Continuing Disclosure Undertaking shall be the ability of the beneficial owner of any Bond to seek mandamus or specific performance by court order to cause the Board to comply with its obligations under the applicable Continuing Disclosure Undertaking. Each Continuing Disclosure Undertaking shall be in substantially the form used in previous financings of the Board, but with such changes therein as shall be approved by the Designated Official executing the same, with such execution to constitute conclusive evidence of such official's approval and this Board's approval of any changes or revisions therein from such form of Continuing Disclosure Undertaking.

*Section 9. Further Acts.* Each of the Designated Officials, officials or officers of the Board are hereby authorized to execute and deliver such other documents and agreements and perform such other acts as may be necessary or desirable in connection with the Bonds, including, but not limited to, the exercise following the delivery date of the Bonds of any power or authority delegated to such official under this Resolution with respect to the Bonds upon original issuance, but subject to any limitations on or restrictions of such power or authority as herein set forth.

The President is hereby authorized to approve the selection of legal counsel and financial or other professional services providers to be engaged by the Board in connection with the issuance and sale of the Bonds.

All actions of the officials or officers of the Board that are in conformity with the purposes and intent of this Resolution are hereby in all respects ratified, approved, and confirmed.

*Section 10. Expiration of Authority.* The Bonds authorized by this Resolution may not be issued after August 31, 2012. The authorization to issue the Bonds shall expire after said date as provided in Section 17.5(a) of the Act.

*Section 11. Severability.* The provisions of this Resolution are hereby declared to be severable; and if any section, phrase, or provision shall for any reason be declared to be invalid, such declaration shall not affect the validity of the remainder of the sections, phrases, or provisions.

*Section 12. Repealer and Effective Date.* All resolutions or parts of resolutions in conflict herewith are, to the extent of such conflict, hereby repealed. This Resolution is effective immediately upon its adoption.

**AMEND BOARD REPORT 04-0728-PO3**  
**THE POLICY ON NCLB TITLE I PARENTAL INVOLVEMENT**

**THE CHIEF EXECUTIVE OFFICER RECOMMENDS:**

That the Board amend Board Report 04-0728-PO3, the Policy on NCLB Title I Parental Involvement, following the annual review and evaluation of this policy's content and effectiveness with Title I parents.

**POLICY TEXT:**

**PURPOSE:** This policy is being adopted in order to: 1) support and secure an effective partnership among Title I parents, legal guardians, schools, and the community, 2) provide Chicago Public School ("CPS") students with a school environment that encourages high student academic achievement, and 3) comply with the No Child Left Behind Act ("NCLB") Title I, Part A requirements regarding the establishment of a parental involvement policy.

**I. Definitions**

"Parental Involvement" – The term parental involvement means the participation of parents in regular, two-way, and meaningful communication involving student academic learning and other school activities, including ensuring that (a) parents play an integral role in assisting their child's learning, (b) that parents are encouraged to be actively involved in their child's education, (c) that parents are full partners in their child's education and are included, as appropriate, in decision-making and on advisory committees to assist in the education of their child, and (d) the carrying out of other activities such as those described in section 1118 of the Elementary and Secondary Education Act (ESEA).

**II. General Expectations**

The Board believes that parental involvement is important to the establishment of an educational environment that encourages high student academic achievement. Parents of CPS students have a unique opportunity for parental involvement through active participation in and support of Parent Advisory Councils ("PAC") and Local School Councils ("LSC"), including LSCs in schools on probation. CPS currently provides various services and support of parents through its efforts with PACs, LSCs and other parent organizations. CPS, through the Department of External Affairs, will continue to offer these ~~these~~ services and support and agrees to implement the following statutory requirements with quarterly reports submitted to the Title I Parent Involvement Advisory Board ("PIAB"):

- A. CPS will put into operation programs, activities and procedures for the involvement of parents in all of its schools with Title I, Part A programs, consistent with section 1118 of the ESEA. These These programs, activities and procedures will be planned operated with meaningful consultation with parents of participating children.

- B. Consistent with section 1118, CPS, through its Office of Local School Council Relations, will work with its schools to ensure that local Parent Advisory Councils ("PACs") are established in a timely manner each school year and that the required school-level parental involvement policies meet the requirements of section 1118(b) of the ESEA and each include, as a component, a school-parent compact consistent with section 1118(d) of the ESEA. If a functioning Parent Advisory Council is not established in a school receiving Title I funds in a timely manner, the school principal shall involve parents in decisions related to its Title I Program and Title I parental involvement activities through means other than the Parent Advisory Council in accordance with in the CEO's Parental Involvement Guidelines.
- C. CPS will incorporate this district-wide Title I parental involvement policy into its educational plan developed under section 1112 of the ESEA.
- D. In carrying out the Title I, Part A parental involvement requirements, to the extent practicable, CPS and its schools will provide full opportunities for the participation of parents with limited English proficiency, parents with disabilities and parents of migratory children, including providing information and school reports required under section 1111 of the ESEA in an understandable and uniform format and including alternative formats upon request and, to the extent practicable, in language parents understand.
- E. If the District plan for Title I, Part A, developed under section 1112 of the ESEA, is not satisfactory to the parents of participating children, CPS will submit any parent comments along with the plan when the school district submits the plan to the State Department of Education and forward a duplicate copy to the PIAB.
- F. CPS will involve the parents of children served in Title I, Part A schools in decisions about how the one percent of Title I, Part A funds reserved for parental involvement is spent, and will ensure that not less than 95 percent of the one percent reserved goes directly to the schools. Any funds received by the schools must be utilized in a manner that facilitates and maximizes parental involvement at the schools. The use of parental involvement funds shall be in accordance with ~~Board and~~ NCLB guidelines and regulations and the parental involvement guidelines issued by the Chief Executive Officer or designee.
- G. CPS will inform parents and parental organizations that the state maintains a Parental Information and Resource Center to support parents in the education of their children. The Illinois Parent Information Resource Center is located at 600 South Michigan Avenue, Chicago, Illinois 60605. The Academic Development Institute is the Parent Information Resource Center for the State of Illinois. It is located at the Illinois Family Education Center, 121 North Kickaboo, Lincoln, IL 62656.
- H. CPS will provide such other reasonable support for parental involuntary activities under section 1118 of the ESEA as parents may request.

### III. Implementation Activities

- A. ~~District-Wide~~ CPS Title I Parent Involvement Plan: CPS will jointly develop a district-wide parental involvement plan under section 1112 of the ESEA with parents by meeting regularly with a cross-section of parents, including, but not limited to, representatives of NCLB Title I parents, by and through the PIAB, Parent Advisory Councils, PTA organizations, Local School Council Advisory Board, Friends of Special Education, bilingual education, early childhood education and other parent groups. The representatives will be encouraged to take information back to their respective members for input.
- B. School Review and Improvement: CPS will continue to encourage and provide trainings as needed to LSCs (although not limited to LSCs), which consist of parents, community members, teachers, principals and high school students, to closely follow their state-mandated responsibility of: (1) approving school improvement plans; (2) monitoring school improvement plans; and (3) ~~sharing and~~ informing other parents and community members of the progress or lack of progress of the school improvement plans. Specifically, the Illinois School Code 5/34-2.3(7) requires each LSC to convene at least two well-publicized meetings annually to present to the school and its community the proposed local school improvement plan; the school expenditure plan; the annual school report; and the school progress reports. One of those meetings is to introduce the school improvement plan and the budget; the purpose of the other meeting is to report on the progress of the plan and the budget that supports it. For any existing or new school with an alternate local school governing body to whom this policy may apply, CPS will encourage such body to design and implement policies and procedures for the creation and review of a school improvement plan and the regular communication with parents regarding the progress or lack of progress of the school improvement plans. Under Illinois law, a school's LSC will consider and approve appropriate and/or reasonable and

necessary budgetary requests of the school PAC to use the Section 1118 parent involvement funds to support Title I parents in participating in Title I. Approval requirements of such budgetary requests shall be further delineated in the CEO's Parental Involvement Guidelines.

- C. *School Parent Involvement Activities to Increase Student Achievement:* CPS will ~~continue~~ to provide the necessary coordination, technical assistance and other support to assist Title I, Part A schools in planning and implementing effective parental involvement activities to improve student academic achievement and school performance. by helping schools to complete (1) an inventory of present practice; (2) a ~~three-year~~ two-year outline of ~~broad~~ goals that show how the school's partnership programs with parents and the community will grow overtime.; and (3) a one-year action plan specifying how parents can help support the school improvement plan and increase student achievement.
  - D. *Integration of Parent Involvement Strategies:* CPS will ~~continue to~~ coordinate and integrate parental involvement strategies in Title I, Part A schools with parental involvement strategies from other parental involvement programs such as: NCLB program, Head Start, State-operated preschool programs, bilingual programs, PACs and LSCs. Nothing in this policy shall ~~be read to conflict with the Board Policy Establishing a Formal Governance Structure for the Chicago Public Schools Head Start Program, 03-0225-P001,~~ and both the Head Start and Parental Involvement policies will be implemented in conjunction with the other to the extent ~~possible feasible and appropriate.~~
  - E. *Evaluation:* CPS will take the following actions to ~~ensure that~~ conduct, with the involvement of Title I parents, an annual evaluation of the content and effectiveness of this parental involvement policy in improving the quality of its Title I, Part A schools, ~~with the involvement of parents, is conducted.~~ CPS will ~~ensure that~~ conduct, with the involvement of Title I parents, an inventory of centralized present practices of parent involvement ~~is conducted,~~ with the input of parents; in addition, CPS will encourage Title I, Part A schools to conduct an inventory of present practices. Title I, Part A schools will also be given evaluation tools to self-evaluate, with the input of parents, the effectiveness of their parental involvement programs and Title I, Part A schools, with the input of parents, will also be given an evaluation tool to self-evaluate the effectiveness of their school-family-community partnership programs. The evaluation will include identifying barriers to ~~that prevent~~ greater participation by parents in parental involvement activities (with particular attention to parents who are economically disadvantaged, are homeless, are disabled, have limited English proficiency, have limited literacy, or are of any racial or ethnic minority background).
- CPS will use the findings of the evaluation about its parental involvement policy and activities to design strategies for more effective parental involvement, and to revise its parental involvement policy (with the involvement of parents), if necessary.
- F. *Building Capacity for Parental Involvement:* CPS will continue its ~~current~~ efforts to build the schools' and parents' capacity for strong parental involvement, in order to ensure effective involvement of parents and to support a partnership among the Title I, Part A schools, parents, and the community to improve student academic achievement, through the following activities specifically described below:

**ADOPT A SCHOOL PERFORMANCE, REMEDIATION AND PROBATION POLICY  
FOR THE 2012-2013 SCHOOL YEAR**

**THE CHIEF EXECUTIVE OFFICER RECOMMENDS:**

That the Chicago Board of Education adopt a School Performance, Remediation and Probation Policy for the 2012-2013 School Year.

**POLICY TEXT:****I. Purpose and Goals**

This policy shall establish the standards and criteria for placing a school on Remediation or Probation for the 2012-2013 school year based on assessments administered in Spring 2012 and other performance data from prior school years. A school's accountability status from the 2011-2012 school year shall remain in effect until such time as the school is notified of their new status issued in accordance with this policy.

This policy sets out a systematic means for identifying schools in need of remedial assistance and increased oversight due to insufficient levels of achievement. Section 5/34-8.3 of the Illinois School Code provides for the remediation and probation of attendance centers and requires the Chief Executive Officer ("CEO") to monitor the performance of each school using the criteria and rating system established by the Board to identify those schools in which: (1) there is a failure to develop, implement, or comply with the school improvement plan; (2) there is a pervasive breakdown in the educational program as indicated by various factors such as the absence of improvement in reading and math achievement scores, an increased drop-out rate, a decreased graduation rate, or a decrease in the rate of student attendance; or (3) there is a failure or refusal to comply with the provisions of the School Code, other applicable laws, collective bargaining agreements, court orders, or with applicable Board rules and policies.

The Board recognizes that an effective and fair school remediation and probation system considers student test score performance, student growth and progress trends. Therefore, this policy establishes a comprehensive system to assess school performance in order to identify, monitor and assist schools with low student test scores as well as schools with stagnant or insufficient rates of student improvement.

**II. Scope of the Policy**

All Chicago Public Schools ("CPS") shall be subject to this policy, except charter schools under contract with the Board. A charter school shall receive an accountability designation using the criteria hereunder for purposes of comparison to other CPS schools and public reporting. A decision to renew or revoke a school's charter is governed by the terms of a school's applicable performance agreement and accountability plan with the Board.

Schools newly established by the Board shall receive an accountability designation after the third year of operation or at such time as adequate measures of student achievement become available.

**III. Definitions**

**Remediation:** An accountability designation assigned to schools where the CEO determines that a school's budget or any amendment thereto may compromise the implementation of the school's No Child Left Behind Act (NCLB) Corrective Action measures or Restructuring Plan.

**Probation:** An accountability designation assigned to non-performing schools where the CEO determines, utilizing the criteria set out in this policy, that a school requires remedial probation measures as described in this policy, including increased oversight, to address performance deficiencies.

**Good Standing:** An accountability designation assigned to schools where the CEO determines, based on the criteria set out in this policy, that student performance and improvement meets or exceeds district standards.

**Adequate Yearly Progress:** School rating issued by the Illinois State Board of Education that identifies if students are improving their performance based on the established annual targets.

**Achievement Level 1:** Shall mean the rating for:

- an elementary school that obtains a total performance score of thirty (30) or above or with at least 71% of the available performance points; or
- a high school that obtains a total performance score of twenty-eight (28) or above or with at least 66.7% of the available performance points.

**Achievement Level 2:** Shall mean the rating for:

- an elementary school that obtains a total performance score of twenty-one (21) to twenty-nine (29) or with 50%-70.9% of the available performance points; or

**Achievement Level 3:** Shall mean the rating for:

- an elementary school that obtains a total performance score of twenty (20) or below or with less than 50% of the available performance points; or
- a high school that obtains a total performance score of eighteen and one-third (18.33) or below or with less than 44% of the available performance points.

**Value-Added:** Shall mean the metric that assesses school effects on students' academic growth, controlling for student characteristics (including, but not limited to, student mobility rates, poverty rates, special education status and bilingual education status) grade level, and prior performance through a regression methodology. Academic growth is measured by the change in scale score points on the ISAT from one year to the next.

**ISAT:** means the Illinois Standards Achievement Test.

**ISAT Composite:** means the composite score from ISAT Reading, Mathematics and Science test results.

**PSAE:** means the Prairie State Achievement Examination.

**PSAE Composite:** means the composite score from PSAE Reading, Mathematics and Science test results.

**EPAS:** means the series of three assessments (EXPLORE, PLAN and ACT) that are administered to high school students in the following order: (1) EXPLORE – administered to high school freshmen, (2) PLAN – administered to high school sophomores, and (3) ACT – administered to high school juniors.

**Freshmen On-Track:** Shall mean the percentage of first-time freshmen students who earn five credits in their freshman year and fail no more than one semester core course (English, Mathematics, Science and Social Science).

**One-Year Drop-out Rate:** Shall mean the percentage of students who drop-out in a given year who have not previously dropped out.

**Membership Days:** Shall mean the number of days that the students on a school's enrollment register should be in attendance. Membership days will end for 8<sup>th</sup> and 12<sup>th</sup> graders on the date of graduation authorized by the Board and shall be adjusted for students with medically fragile conditions.

**Attendance Rate:** Shall mean the total number of actual student attendance days divided by the number of total student membership days.

**IB Exam:** Shall mean the end of course exam established by the International Baccalaureate Organization that is administered upon completion of an IB class.

#### **IV. PERFORMANCE EVALUATION SYSTEM**

##### **A. Calculation of Score**

Every school shall receive a performance score based upon its level of current performance, trend over time and student growth as described in Section V below. A school will be evaluated on each of the accountability indicators identified in Section V using best available data and will receive a score for each indicator as well as a total performance score that accounts for the school's overall performance on all accountability indicators. The total performance score will be used to determine whether a school qualifies for an Achievement Level 1, 2 or 3 rating. A school shall receive an accountability status hereunder whereby the school shall be identified as either on Probation, in Good Standing or in Remediation, as further described herein.

##### **B. Determinations**

**1. Scoring Exceptions:** Schools that do not qualify for all points hereunder due to the following circumstances shall have their Achievement Level determinations based on the percentage of available points earned rather than the actual points earned: (a) if data for two previous years is not available for a particular metric measuring change over time, the school will not get a score for that metric; (b) if data is available but not reliable due to no fault of the school, the CEO may remove the affected metric from consideration and the school will not get a score for that metric. ISAT and PSAE scores of students who are English Language Learners in program years 0-5 will not be factored into current status or trend scores hereunder.

**2. Accountability Status Determination:** A school with an Achievement Level 3 score hereunder shall receive Probation status. A school with an Achievement Level 1 score or an Achievement Level 2 score hereunder shall receive Good Standing status, except for the following which shall receive Probation status hereunder:

- a. A school that has not satisfied the following minimum ISAT or PSAE composite score requirement:
  - i. Elementary school minimum 2012 ISAT Composite score - 50% meeting or exceeding state standards
  - ii. High school minimum 2012 PSAE Composite score - 10% meeting or exceeding state standards.

- b. A school that has not satisfied all applicable sustained academic improvement requirements set out in Section VII as follows:
  - i. A school that has been on Probation status for 2 or more consecutive years must receive a Level 1 or Level 2 rating for 2 consecutive years to be removed from Probation; or
  - ii. A school where the Board has taken an action under 105 ILCS 5/34-8.3(d)(2) or (4) must remain on Probation for a minimum of 5 years or until the school has made Adequate Yearly Progress for 2 consecutive years, whichever occurs later.
- c. There is a failure or refusal to comply with the provisions of the School Code, other applicable laws, collective bargaining agreements, court orders, or with applicable Board rules and policies.

Notwithstanding the foregoing, a school with Good Standing status may be placed in Remediation in accordance with Section IV.B.3.

**3. NCLB School Improvement Status:** For schools not on Probation but that have either "Corrective Action", "Restructuring Planning" or "Restructuring Implementation" status under NCLB, the CEO reserves the right to place the school in Remediation status at any time if the CEO determines that the school's budget or any amendment thereto may compromise the implementation of the school's NCLB Corrective Action or Restructuring Plan.

**PUBLIC HEARING AND NOTICE:** A public hearing on the waiver will be held on July 25, 2012, before the Board, in accordance with Section 2-3.25g of the Illinois School Code. The waiver application shall request a five year waiver period, beginning the second semester of the 2012-2013 school year and end during the 2016-2017.

**AUTHORIZATION:** Authorize the Chief Executive Officer or designee to execute the waiver application described above and submit it to ISBE in accordance with Section 2-3.25g of the School Code.

Once the new Gage Park and Academy High Campuses anticipated to open in the fall of 2010 and the fall of 2011 respectively are ready for occupancy, the Office of New Schools will propose amended Board Reports providing the full address for each of those campuses. The Charter School Agreement will be amended consistent with those amended Board Reports.

**CONTINGENT APPROVAL:** Approval to open two new elementary school campuses in the fall of 2011, two new elementary school campuses and one middle/high school campus in the fall of 2012, three new elementary school campuses in the fall of 2013, and the execution of the amendments to the Charter School Agreement are contingent upon a final review and approval of the new elementary school and high school campus proposals, an assessment of the District's need for these charter school campuses based upon demographics and student demands, any required subsequent public hearings, and Board approval of the proposed school sites. These benchmarks will be communicated to the school operator in a formal Letter of Conditions with all deadlines to be met by March 15, 2011 for 2011 campuses, March 15, 2012 for 2012 campuses, and March 15, 2013 for 2013 campuses. The Portfolio Office will oversee the enforcement of these deadlines; failure to meet these deadlines may, at the option of the Board, result in the rescission of the authority granted herein and the denial of the approval to open these new campuses. A final review of these new campus proposals will be conducted by the Chief Executive Officer on or before April 15, 2011 for 2011 campuses, April 15, 2012 for 2012 campuses, and April 15, 2013 for 2013 campuses to determine final approval or denial of the new campus proposals and satisfactory resolution of all material issues related to the opening of the new elementary and middle/high school campuses. The CEO's recommendation to approve the new elementary and middle/high school campuses for 2011 and 2012 will be subject to Board approval as indicated by subsequent amendments to this Board Report.

The addition of the three new elementary school campuses to open in the fall of 2013 and the corresponding changes to enrollment are contingent upon the renewal of the Charter School Agreement with the UNO Charter School Network upon expiration of this renewal term ending June 30, 2013. A final review of the proposal to open these new campuses will be conducted as part of the charter renewal process.

The obligation to secure and prepare independent facilities for two elementary school campuses opening in the fall of 2011, two new elementary school campuses and one high school campus in the fall of 2012, and three new elementary school campuses in the fall of 2013 is the responsibility of the charter school. The Board is not undertaking any responsibility for securing any Board-owned facilities in the event the charter school is unable to do so. All school sites for the 2011, 2012 campuses, and 2013 campuses must be located in high need or overcrowded communities.

**CHARTER EVALUATION:** After receiving the charter renewal proposal, the Office of New Schools conducted a comprehensive evaluation of UNO's performance and operations. This evaluation included a review of the proposal, facilities surveys, financial analysis, and academic site visits of the three campuses in which teaching and learning, leadership and governance, and the learning communities were assessed. Public hearings were conducted on January 9, 2008 and May 13, 2008 to receive public comment on the application to renew the Charter School Agreement with UNO Charter School Network for an additional five years. There was no public testimony, oral or written, from anyone in opposition of the renewal of UNO Charter School. In addition, the Office of New Schools evaluated the school's student performance. From 2003-2004 to 2006-2007, UNO received 22 out of 38 high ratings and 16 out of 38 middle ratings on their absolute student indicators found in the framework put forth by the district for assessing charter school pupil performance. Since 2003-2004, the charter schools attendance rate has averaged 94%. From 2003-2004 to 2006-2007, the percentage of students meeting/exceeding state standards on the ISAT Composite has increased by 10.3 percentage points (61.3% of students meeting/exceeding state standards to 71.6%). The charter school also met Adequate Yearly Progress targets for four consecutive years (2003-04 to 2006-07). Looking across all of the school performance indicators, UNO Charter School can be categorized as "Meeting Standards" for achieving pupil performance standards using the framework put forth by the district for assessing charter school pupil performance. The Office of New Schools recommends that, based on the school's performance on these and other accountability criteria, UNO Charter School be authorized to continue operating as a charter school.

**RENEWAL TERM:** The term of UNO Charter School Network's charter agreement is being extended for a five (5) year term commencing July 1, 2008 and ending June 30, 2013.

**AUTHORIZATION:** Authorize the General Counsel to include relevant terms and conditions, including any indemnities to be provided to the charter school, in the written Charter School Agreement and amendment, which shall reflect resolution of any and all outstanding issues between the Board and the governing body of the charter school including, but not limited to: site location, enrollment, funding, educational program, financial controls and practices, academic accountability and evaluations. Authorize the President and Secretary to execute the Charter School Agreement and amendment. Authorize the Acting Executive Officer of the Office of New Schools to issue a letter notifying the Illinois State Board of Education of the action (s) approved hereunder and to submit the approved proposal and signed Charter School Agreement to the Illinois State Board of Education for certification.

**LSC REVIEW:** Approval of Local School Councils is not applicable to this report.

**FINANCIAL:** The financial implications will be addressed during the development of the - 2013-2014 fiscal year budgets. Since the School Code of Illinois prohibits the incurring of any liability unless an appropriation has been previously made, expenditures beyond FY12 are deemed to be contingent liabilities only, subject to appropriation in subsequent fiscal year budgets. If UNO Charter School does not receive funding from the Renaissance Schools Fund for two new elementary school campuses opening in the fall of 2011, the Board shall provide a one-time payment to each campus for planning positions in an amount not to exceed \$170,000.00.

**GENERAL CONDITIONS:**

Inspector General - Each Party to the agreement shall acknowledge that, in accordance with 105 ILCS 5/34-13.1, the Inspector General of the Board of Education has the authority to conduct certain investigations and that the Inspector General shall have access to all information and personnel necessary to conduct those investigations.

Conflicts - The agreement shall not be legally binding on the Board if entered into in violation of the Provisions of 105 ILCS 5/34-21.3, which restricts the employment of, or the letting of contracts to, former Board members during the one-year period following expiration or other termination of their terms of office.

Indebtedness - The Board's indebtedness Policy adopted June 26, 1996 (96-0626-PO3), as amended from time to time, shall be incorporated into and made a part of the agreement.

Ethics - The Board's Ethics Code adopted May 25, 2011 (11-0525-PO2), as amended from time to time, shall be incorporated into and made a part of the agreement.

**CHARTER EVALUATION:** After receiving the charter renewal proposal, the Portfolio Office conducted a comprehensive evaluation of Youth Connection Charter School's performance and operations. This evaluation included a review of the proposal, facilities surveys, financial analysis, and academic site visits of the Westside Holistic Leadership Academy, Innovations High School of Arts Integration, Association House-El Cuarto Año, ASPIRA-Antonia Pantoja, Latino Youth Alternative High School, YCCS Virtual High School, Community Services West-Community Christian Academy, Sullivan House Alternative High School, Jane Addams, Dr. Pedro Albizu Campos Puerto Rican High School, and the Paul Simon Academy-Job Corps campuses in which teaching and learning, leadership and governance, and learning communities were assessed. A public hearing was conducted on Tuesday, March 20, 2012 to receive public comments on the application to renew the Charter School Agreement with Youth Connection Charter School for an additional three years. In addition, the Portfolio Office evaluated the school's student performance. From 2007-2008 to 2010-2011, Youth Connection Charter School received 10 out of 43 high ratings and 19 out of 43 middle ratings on their absolute student indicators found in the framework put forth by the district for assessing alternative school charter school pupil performance. From 2007-2008 to 2010-2011, Youth Connection Charter School's attendance averaged approximately 77%. The committee recommends that, based on the school's performance on these and other accountability criteria, Youth Connection Charter School be authorized to continue operating as a charter school.

**LSC REVIEW:** Approval of Local School Councils is not applicable to this report.

### TERM:

The term of each agreement shall commence on the date the agreement is signed and shall end on July 31, 2014. The agreements shall have two (2) options to renew for periods of one (1) year each.

### EARLY TERMINATION RIGHT:

The Board shall have the right to terminate each agreement with 30 days written notice.

### SCOPE OF SERVICES:

Vendors shall provide to the Board high-quality Out-of-School Time (OST) Program Services and Recess Facilitation Services referred to herein as "Program". OST programming engages diverse students in academic acceleration/intervention; arts and cultural enrichment; and health and wellness programs that extend learning beyond the school day. OST may include time before and after school, weekends, summer and intercession programming and may serve students from grades K-12.

Vendors that are awarded in the Recess Facilitation Category shall provide recess facilitation services that promote students social, emotional, and physical development. According to the Board's "Principal's Guide to Incorporating Recess into the Full School Day", recess is defined as "an activity during the school day that provides students (K-8) the opportunity to take a break from their class work, engage with their peers and participate in unstructured activities". The duration and scheduling of Programs may vary from several weeks to a full school year, depending on the needs of the school.

Vendors will provide OST programming with a multi-faceted approach: students will receive a positive, well managed experience as evidenced by effective classroom management practices; caring, consistent and positive relationships with adults; intentional focus on youth voice and choice; dedicated organizational focus on high-quality program implementation; and the creation of instructional environments and activities that build students' skills across academic, enrichment, and life skill domains.

All Programs shall develop and reinforce social-emotional, academic, and employability skills across academic/enrichment domains for students in grades K-12.

Vendors will provide the services in the categories awarded; the category awarded to each vendor is indicated below.

Note: This category excludes homework clubs, individual tutoring, and other unstructured academic supports (e.g., study hall).

**Category 2 - Arts and Cultural Enrichment:** Refers to direct instruction and supports to students across a broad range of subjects, (e.g. fine and performing arts, language instruction). Direct instruction of students includes a broad array of experiences (e.g., communications and technology, dance, digital photography, spoken word clubs, regional/traditional art forms, theater performance, visual arts, and world language book clubs). These experiences should be of long enough duration for students to develop knowledge, understanding and skills related to the topic of focus.

**Category 3 - OST Health and Wellness:** Refers to direct instruction and supports to students in the domains for health and wellness (e.g., physical fitness classes, structured physical activities, club sports, health and nutrition classes and culinary skills). Nutrition programming must include research-based materials that, at a minimum, meet or exceed USDA dietary guidelines and, if raw or cooked foods are served to students, Services shall be delivered by individuals with a certified Chicago or Illinois State Food Handling Permit. All programming should align with CPS district policies including Food Allergy, Family Life and Comprehensive Sexual Health Education and School Wellness Policies. Providers of physical activities must be CPR/AED certified and programming should align with National Association of Sport and Physical Education (NASPE) standards to the greatest extent possible.

**Category 4 - Recess Facilitation:** Refers to the facilitation of structured or unstructured physical activities for students (K-8). Direct service providers shall be CPR/AED certified and programming should align with National Association of Sport and Physical Education (NASPE) standards to the greatest extent possible.

It is estimated that approximately 2,500 routes for about 1,500 school buses, of various sizes and configurations will be awarded pursuant to these agreements. The number of buses actually required to provide services to students will not be known until the school year is underway. Because the number of buses required is estimated, the total cost of the agreement is also estimated. The Chicago Public Schools reserves the right, during the agreement period, to order the services of more or fewer vehicles than originally awarded through this agreement as the needs of students and/or programs change. The Board is only obligated for costs of buses actually operating CPS routes.
