

Office of Student Protections and Title IX

2018-2019 Data Summary: 9/4/18 - 3/31/19

Chicago Board of Education
April 2019

Building a Safe, Supportive District Culture: Coalition with Citywide Partners

Mission of the Coalition: Create a cross-institutional response team to support and advocate for students impacted by sexual violence within CPS.

Goals of the Coalition: Developing effective resources and written procedures for referral, electronic materials, and a referral list; group members will also be invited to train OSP staff on their services and expertise.

Membership of the Coalition: This group will consist of representatives from the **Chicago Children's Advocacy Center, Resilience, YWCA, Youth Outreach Services, and Mujeres Latinas en Accion.** The group meets monthly from January- June of 2019, with the possibility of continuation as needed.

Building a Safe, Supportive District Culture: Upcoming, Ongoing, and Completed Trainings

Upcoming Trainings

- **Protecting Chicago Children's 2.0 Training:** Updating webinar to ensure all staff are cognizant of appropriate reporting procedures of allegations of sexual misconduct and remaining compliant with Title IX
- **Illinois Mandated Reporter Training:** Will ensure all staff complete the training.
- **Departments:**
 - **Office of Safety and Security:** Security Staff
 - **Office of Sports Administration:** All athletic coaches and directors

Ongoing & Completed Trainings

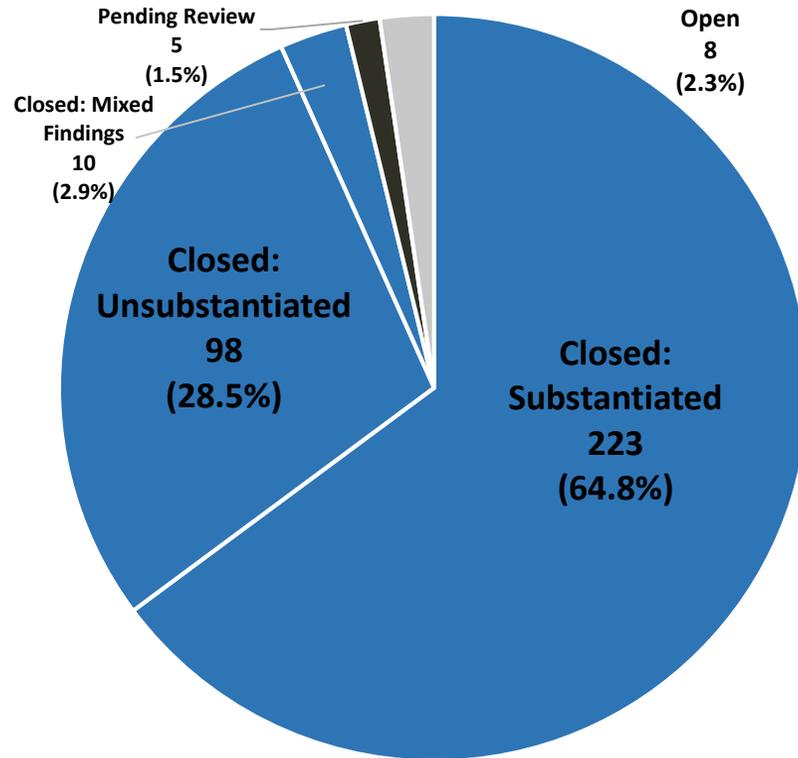

- **Title IX School Representative Trainings for District-Run Schools (12/20/18 - Ongoing)**
- **Parent Support Center (2/14/19):** Trained team on how to support and assist parents regarding allegations of sexual misconduct
- **Office of Social Emotional Learning (3/7/19):** Trained Specialists and other team members on collaboration opportunities, terminology, and appropriate reporting procedures

Working to Pass Legislation to Protect Students Across Illinois

- CPS is working closely with members of the General Assembly to bring forward legislation that will protect students across the state, this includes: calling for more frequent re-checks of backgrounds of employees of school districts; we are asking that licenses of teachers who have been dismissed by school districts for physical or sexual acts with students be suspended pending revocation and immediately upon dismissal; and we are requesting prohibition on releasing disciplinary information that is 4 or more years old be eliminated.

96% of OSP Investigations are Closed

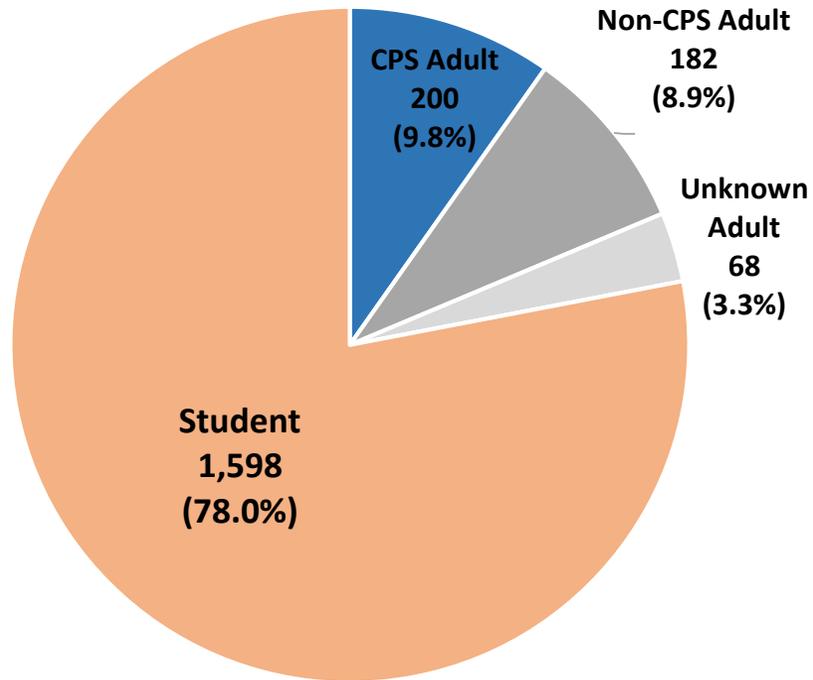

344 Total OSP Investigations

- **331 Investigations Closed**
