**RESOLUTION REGARDING INSPECTOR GENERAL SELVYN WILLIAM FLETCHER**

**WHEREAS**, Section 34-13.1 of the Illinois School Code provides for the appointment of the Inspector General of the Board of Education of the City of Chicago (the “Board”) by the Mayor of the City of Chicago;

**WHEREAS**, the Honorable Brandon Johnson, Mayor of the City of Chicago, appointed Selvyn William Fletcher to serve as the Board’s Inspector General for a term commencing on July 1, 2022 and ending on June 30, 2026;

**WHEREAS**, Section 34-13.1 of the Illinois School Code provides that the Board’s Inspector General shall be under the Board’s jurisdiction;

**WHEREAS**, the Board hereby acknowledges the appointment of Selvyn William Fletcher as the Board’s Inspector General;

**WHEREAS**, Section 34-13.1 of the Illinois School Code provides that the Inspector General shall have “authority to conduct investigations into allegations of or incidents of waste, fraud, and financial mismanagement in public education within the jurisdiction of the Board by a local school council member or an employee, contractor, or member of the Board or involving school projects managed or handled by the Public Building Commission”;

**WHEREAS**, Section 34-13.1 of the Illinois School Code provides that, in addition to the Inspector General’s express authority to conduct the specific investigations outlined in the statute, the Inspector General shall perform other duties requested by and at the direction of the Board;

**WHEREAS**, Board Rule 3-8 specifies that the Board may acknowledge by Board Resolution the Mayor’s appointment of an individual to serve as Inspector General and specify in such Resolution any additional duties and requirements in effect during the tenure of such appointment;

**WHEREAS**, Board Rule 3-8 provides that the Inspector General “shall investigate allegations of fraud, waste and financial mismanagement in the District by a Local School Council member or an employee, contractor or member of the Board or involving school projects managed or handled by the Public Building Commission and shall perform other duties requested by the Board including, but not limited to, investigations into employee misconduct, including allegations of criminal activity by employees;”

**WHEREAS**, Section 34-13.1 of the Illinois School Code provides that the Inspector General shall be independent of the operations of the Board and “shall have access to all information and personnel necessary to perform the duties of the office” but does not provide for the retention of legal counsel to provide advice to the Inspector General;

**WHEREAS**, Section 34-13.1 of the Illinois School Code provides that the Inspector General “shall have the power to subpoena witnesses and compel the production of books and papers pertinent to an investigation authorized by this Code” but does not outline the mechanism for enforcement of a subpoena issued by the Inspector General; and

**WHEREAS**, Section 34-11 of the Illinois School Code provides that the Board “by a majority vote of its full membership shall appoint a general counsel (the “General Counsel”) who shall have charge and control, subject to the approval of the Board, of the law department and of all litigation, legal questions and such other legal matters as may be referred to the department” by the Board.

**NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF EDUCATION OF THE CITY OF CHICAGO THAT:**

1. In addition to those duties conferred upon the Inspector General by the Illinois School Code and Board Rules, the Inspector General is hereby empowered to investigate reports of sexual misconduct by employees, vendors, or volunteers where a CPS student may be the victim. The Inspector General shall carry out these duties in accordance with the following guidelines:
  - (a) The Inspector General shall report to the Board on a monthly basis, including the number of reports received, the number of claims under investigation, the employees and schools involved, the nature of the allegations, and the status of any person subject of an investigation;
  - (b) The Inspector General shall have sole responsibility within the Chicago Public Schools and the Board of Education for the investigation of all reported incidents described in Section 1 of this Resolution, however, the Inspector General shall reasonably and appropriately cooperate with CPS staff and attorneys to ensure that employee discipline is not delayed and that information regarding the status of abuse reports and investigations are shared on a timely basis; and
  - (c) Decisions regarding discipline, including termination, shall remain solely under the purview of the Chief Executive Officer of the Chicago Public Schools ("CEO") and the Board. The Board and the CEO, however, shall reasonably and appropriately cooperate with the OIG to ensure that criminal investigations are not unduly jeopardized by the timing of discipline or termination.
2. The Board further directs the Inspector General to conduct a review of sexual misconduct cases dating back to at least the year 2000, and further if determined necessary by the Inspector General or the Board President.
3. The Board commits to providing the additional funding and resources necessary so that the Inspector General can perform the tasks detailed in Sections 1 and 2.
4. In performing the duties outlined in the Illinois School Code, this Resolution, and Board Rules, the Inspector General shall report directly to the Board and shall provide reports to the CEO and the Title IX Officer with respect to investigations of alleged Title IX violations, except in the following circumstances:
  - (a) If the Inspector General believes, in connection with a specific investigation, that the duties of the Inspector General as outlined in the Illinois School Code, this Resolution, and Board Rules are in conflict with the requirement that the Inspector General shall provide reports to the CEO, the Inspector General shall report this matter to the Board immediately upon identifying the potential conflict. Based upon the Inspector General's initial report of such a matter, the Board will then provide additional direction regarding subsequent reporting in connection with the matter.
  - (b) If the Inspector General believes, in connection with a specific investigation, that the duties of the Inspector General as outlined in the Illinois School Code, this Resolution, and Board Rules are in conflict with the requirement that the Inspector General shall report to the Board, the Inspector General shall report this matter to outside legal counsel immediately upon identifying the potential conflict and shall request that outside legal counsel prepare a legal opinion regarding whether there exists a conflict that precludes the Inspector General from reporting the matter to the Board. To the extent that the legal opinion indicates that there is such a conflict, the Inspector General's outside counsel shall also advise the Inspector General

regarding the legal requirements of reporting the matter at issue. If the legal opinion does not indicate the existence of such a conflict, the Inspector General shall report the matter to the Board as outlined above.

5. The Board also requests that the General Counsel provide legal counsel to the Inspector General as required to assist the Inspector General in performing the duties outlined in the Illinois School Code, this Resolution, and Board Rules, except in the following circumstances:
  - (a) If the Inspector General believes, in connection with a specific investigation, that the duties of the Inspector General as outlined in the Illinois School Code, this Resolution, and Board Rules are in conflict with the requirement that the General Counsel shall provide legal counsel to the Inspector General as outlined herein, the Inspector General shall report this matter to the Board immediately upon identifying the potential conflict. Based upon the Inspector General's initial report of such a matter, the Board will then provide additional direction regarding subsequent retention of legal counsel regarding reporting of the matter.
  - (b) If the Inspector General believes, in connection with a specific investigation, that the duties of the Inspector General as outlined in the Illinois School Code, this Resolution, and Board Rules are in conflict with (1) the requirement that the General Counsel shall provide legal counsel to the Inspector General and (2) with reporting the matter to the Board as outlined in the preceding paragraph, the Inspector General shall report this matter to outside legal counsel immediately upon identifying the potential conflict and shall request that outside legal counsel prepare a legal opinion regarding whether there exists a conflict that precludes the Inspector General from reporting the matter to the Board. To the extent that the legal opinion indicates that there is such a conflict, the Inspector General's outside counsel shall also advise the Inspector General regarding the legal requirements of reporting the matter at issue. If the legal opinion does not indicate the existence of such a conflict, the Inspector General shall report the matter to the Board as outlined above.
6. The Board further requests that the General Counsel represent the Inspector General in all instances in which the enforcement of a subpoena issued by the Inspector General is necessary. If the Inspector General believes there is conflict with the Board and/or the Chicago Public Schools, including the Law Department, outside counsel may be appointed to represent the Inspector General in such enforcement issues according to the conflict provisions above.
7. The Board shall retain counsel acceptable to the Inspector General to provide legal counsel in those circumstances where this Resolution authorizes the Inspector General to seek the advice of outside legal counsel rather than the General Counsel.
8. This Resolution shall take effect upon adoption and shall remain in effect until amended or rescinded by further Board action for the tenure of the Inspector General's appointment including any renewals thereof.

1. Why is this policy/Board rule being amended, created, or rescinded now? (e.g., state legislation, compliance change, policy was out of date, biennial policy review, CEO/CEdO recommendation, etc.)

Biennial policy review – this policy was passed and has not been updated since 1987.

2. Please provide a high level summary of what policy/Board rule changes are being made, or created, and why.

Rescinding this policy **will not** have any effect on the rights and responsibilities of parents and students in Chicago Public Schools; this policy is being rescinded because it is out of date (over 25 years old) and the contents of this policy are already listed in a variety of other Chicago Public Schools policies. Over 50% of this policy is in the [Student Rights and Responsibilities Handbook](#), which is distributed to families at the beginning of the school year to review and sign. The [Student Rights and Responsibilities Handbook](#) is the more commonly referenced document.

3. Please provide any notable feedback from internal or external stakeholders, and how you addressed it or planned to address it in your policy/Board rule draft.

While planning to amend this policy, the Policy team consulted with ONS, FACE, Law, Teaching and Learning, OSEL, and the Board Office. We found that over 50% of this policy exists in the SCC, and almost all of the rest of it lives within other CPS policies. Thus, these departments approved a rescission.

4. Please provide any additional notes/considerations in the box below.

Please review this [chart](#) that shows where every point of the Rights and Responsibilities Policy exists in other CPS policies/guidances/websites/

### Policy/Board Rule Summary Form

Policy/Board Rule Being Amended/Created	Policy Manager(s)
Determining Accountability Statuses in Compliance with State Law	Jeff Broom
<b>Link to Current Policy/Board Rule (if applicable)</b>	<b>Link to Draft of Policy/Board Rule (Title should include “Rescind and Adopt New”, “Amend”, or “Adopt New” based on what action you are taking)</b>
<a href="#">23-0125-PO2</a> <a href="#">23-0426-PO3</a> <a href="#">23-0726-PO2</a>	Draft <a href="#">here</a>

1. Why is this policy/Board rule being amended, created, or rescinded now? (e.g., state legislation, compliance change, policy was out of date, biennial policy review, CEO/CEdO recommendation, etc.)

The federal Department of Education approved changes to state policy that have knock-on effects for 23-0426-PO3, necessitating a change to that policy. Since we are required to change that policy anyway, we are also taking the opportunity to consolidate and streamline three different policies into one for the sake of simplicity and transparency.

2. Please provide a high level summary of what policy/Board rule changes are being made, or created, and why.

The District currently has three different policies articulating the rules by which District-managed schools receive their accountability status, as required by state law. This policy consolidates them into a single policy, as well as making required changes to accommodate changes in state policy, as noted above.

3. Please provide any notable feedback from internal or external stakeholders, and how you addressed it or planned to address it in your policy/Board rule draft.

The vast majority of the language in the new policy is pulled word for word from existing policies, all of which went through the stakeholder feedback processes to one degree or another. Where there is novel policy being made (i.e., in how to apply state summative designations to District accountability statuses), the District has multiple stakeholder touchpoints planned to consult on those options during the public comment process. Feedback will be reported to the Board during the final briefing cadence and applied to the final draft of the policy as appropriate.

4. Please provide any additional notes/considerations in the box below.

## **ADOPT NEW POLICY IDENTIFYING SCHOOLS IN GOOD STANDING, REMEDIATION AND PROBATION IN COMPLIANCE WITH STATE LAW**

### **THE CHIEF EXECUTIVE OFFICER RECOMMENDS:**

105 ILCS 5/34-8.3 requires the CEO to monitor the performance of schools within the district and to identify schools on remediation or probation. This policy sets forth the process through which district-managed schools at Chicago Public Schools (“CPS” or “District”) are identified as such for the purpose of ensuring the Board is in compliance with State law. In 22-0727-RS1, the Board resolved to identify elementary and high schools in Good Standing, Remediation, and Probation for the 2023-2024 school year based on 2022-2023 performance. In 23-0426-PO3, the Board resolved to apply a similar framework to District elementary and high schools.

In 23-0726-PO2, the Board articulated the policy by which accountability statuses would be defined for Specialty High Schools and Detention Center Schools.

In 23-0125-PO2, the Board articulated the policy by which Options schools performance would be evaluated both for contracting purposes (for charter and contract Options schools) and to establish accountability statuses (for District-managed Options schools).

The CEO recommends that the Board rescind 22-0727-RS1, 23-0426-PO3, 23-0726-PO2, and adopt this new consolidated Policy Identifying Schools in Good Standing, Remediation and Probation in Compliance with State Law.

### **POLICY TEXT:**

#### **I. Accountability Status Determination (Elementary and Traditional High School)**

The Illinois State Board of Education (ISBE) releases annual school summative designations for every school in Illinois in accordance with the federal Every Student Succeeds Act (ESSA). For all years until 2023, ISBE’s ESSA plan designated each school as either Exemplary, Commendable, Targeted, or Comprehensive. Schools designated by the state as Targeted or Comprehensive shall, per federal law, receive supplemental state and federal funds to access additional support to improve in the areas that placed them under these designations. In addition, the CEO or Board has the authority to address performance as outlined in State Law.

In May 2023, the U.S. Department of Education approved ISBE’s revised ESSA plan, necessitating a corresponding revision of District policy. Namely, ISBE added a fifth designation (i.e., Intensive) that will apply to schools who have not improved their performance after a four-year improvement cycle.

Beginning in Fall 2023, the District will report for compliance using state Annual Summative Designations for each CPS school eligible for a designation under State law.

- A. Schools newly established by the Board will remain in Good Standing status until they serve a majority of grade levels and thereafter will receive an updated designation based on state designations once such data becomes available.
- B. All schools designated as “Intensive” by ISBE shall receive a Probation status, which indicates the need for Intensive Support for the duration of the status.

- C. All schools designated as “Comprehensive” for two consecutive years by ISBE shall receive a Probation status, which indicates the need for Intensive Support for the duration of the status.
- D. Schools with a current Probation status that are designated as “Targeted” or “Comprehensive” by ISBE shall retain Probation status, which indicates the need for Intensive Support for the duration of the status.
- E. All schools with no current Probation status and designated as “Targeted” by ISBE shall receive a Remediation status, which indicates the need for Targeted Support for the duration of the status. Remediation status shall also apply to schools with no current Probation status and only one year of “Comprehensive” designation from ISBE.
- F. All schools designated as “Exemplary” or “Commendable” by ISBE shall receive a designation of Good Standing.

The state summative designations are only designed to accurately reflect student performance in traditional elementary and high schools and are not appropriate for Options Schools, Specialty High Schools (i.e., Southside Occupational Academy, Vaughn Occupational, Northside Learning Center, and Graham Training Center), or Detention Center Schools. The criteria for defining accountability statuses for these schools are outlined in the sections below.

## **II. Accountability Status Determination (District-Managed Options Schools)**

Beginning with the 2024-2025 school year (using data from the 2023-2024 school year), the District will assign school accountability statuses to District-managed Options schools in accordance with Illinois state law using the points system described in Sections II.A and II.B below. The three categories that will be used for district-managed options schools are Good Standing, Remediation, and Probation. Using the weighted total scores, schools will be assigned to these categories as follows:

<b>Summative Score</b>	<b>Accountability Status</b>
≥3.0	Good Standing
2.0-2.9	Remediation/Provisional Support
< 2.0	Probation/Intensive Support

### **II.A. Definitions:**

#### **Weighting and Weighted Points**

Points	For each indicator in the model, schools can earn between 1 and 5 points for reaching progressive benchmarks of performance.
Weighting	Each indicator has a specific weight in the model. Weights may be different based on the number and type of indicators that are available to a particular school, but the sum of the weights for the school will always be 100%.
Weighted Score	The points received for each indicator are multiplied by their weight and then added together. The resulting weighted score will be between 1 and 5. Indicators with larger weights will play a bigger role in determining the school's overall weighted score.

**Average Student Growth Percentile on STAR Assessment**

Definition	Average fall-to-spring, fall-to-winter, or winter-to-spring growth percentile of students on the STAR reading and math assessments.
How it is calculated	For each school, an average student growth percentile will be calculated from available individual growth percentiles from fall-to-spring, fall-to-winter, or winter-to-spring windows.
Included Students	Yearly, students are counted once per subject. For example, if a student has fall-to-spring growth, the student's fall-to-winter and winter-to-spring percentiles are not used.

**Percent of Students Making Growth Targets on STAR Reading and Math**

Definition	Percentage of students with a growth percentile of 40 or higher on the STAR reading and math assessments.
How it is calculated	<b>Numerator:</b> Number of students with a growth percentile of 40 or higher on the STAR assessment. <b>Denominator:</b> Number of students with valid pretest and posttest scores on the STAR assessment.
Included Students	Yearly, students are counted once per subject. For example, if a student has fall-to-spring growth, the student's fall-to-winter and winter-to-spring percentiles are not used.
Notes	This indicator is calculated separately for reading and math.

**1-Year Graduation Rate**

Definition	Percent of graduation-eligible students who graduate by the end of the school year.
How it is calculated	<b>Numerator:</b> Number of students who graduate at any point during the school year <b>Denominator:</b> Number of students who, at the beginning of the school year or at the time of enrollment, have sufficient credits such that they could graduate by the end of the school year if they took a full course load.
Student Population	<b>Included:</b> graduation-eligible students; students who graduated, including summer graduates. <b>Excluded:</b> Verified transfers are excluded from the calculation.
Notes	The definition of "full course load" will be individualized per the program model. Transcripts must be updated in SIM by a date to be communicated by the Office of Accountability for students to be considered as graduates.

**Credit Attainment Rate**

Definition	Percent of students who earn the total credits possible while they are enrolled at the school.
How it is calculated	<b>Numerator:</b> The sum of both the number of traditional and self-paced students with a 100% pass-rate who are also included in the denominator. <b>Denominator:</b> The sum of the number of traditional students who receive one or more credits while they are enrolled at the school and the number of self-paced students who are enrolled at the school for at least 45 days.

Included Students	Students who have not been enrolled long enough to earn credits are excluded.
Notes	<p>The total credits possible are individualized per the program model. Final grades must be entered within 30 days after the last CPS student attendance day to be included in the calculation. Grade changes submitted past this deadline will not be included in the credit attainment rate. Missing grades or grades entered as slashes will be defaulted to course failures (Fs).</p> <p>Credits earned during the summer are not included in the calculation of this metric.</p>

### Stabilization Rate

Definition	Percent of stable students who are enrolled at the end of the school year, completed the program, or successfully transitioned to another CPS school.
How it is calculated	<p><b>Numerator:</b> Number of stable students who enrolled at any time during the year and are enrolled at the end of the year, complete the program, exit the system due to age requirements, or successfully transition to another CPS school.</p> <p><b>Denominator:</b> Number of stable students enrolled at any time during the year, excluding students with a non-dropout leave code or a verified out-of-district transfer.</p>
Included Students	<p>Stable refers to students who have accumulated at least 45 membership days.</p> <p>Unverified out-of-district transfers whose transfer took place in the last 150 calendar days of the school year are not counted as dropouts in this rate.</p>

### Average Daily (Adjusted) Attendance Rate

Definition	Percentage of the total number of days in which students during the school year were marked present at a school, divided by the total number of days that those students were expected to be in attendance.
How it is calculated	<p><b>Numerator:</b> The sum of days in which students were marked present.</p> <p><b>Denominator:</b> The sum of days that students were “in membership” at the school. Students are considered to be in membership if the student is enrolled in the school and school is in session that day.</p>
Included Students	For Option Schools, only one attendance rate will be calculated that will include all students. Students are attributed to each school in which they were enrolled, but only for the days in which they were enrolled in that school.
Notes	<p>This metric uses an adjusted attendance rate. This adjustment includes removing students from the calculation if they qualify for the medically fragile adjustment, or are in 8th or 12th grade subsequent to the first date on which CPS permits graduation. The latter adjustment only applies to the attendance days after the first permitted graduation date; these students are not removed from the entire calculation. These adjustments will only be made if they improve the school's attendance rate.</p> <p>The adjusted attendance rates do not result in any changes to student records, nor to the official, unadjusted attendance rate which is reported to the State of Illinois and on most CPS reports.</p>

**Growth in Attendance Rate**

Definition	Percent of stable students who show an improvement of at least three percentage points in their individual daily attendance rates at an option school compared to their daily attendance rate in the previous school year.
How it is calculated	<p><b>Numerator:</b> Number of stable students whose current year attendance rate at their school of enrollment is at least three percentage points greater than their average year-end attendance rate during the previous school year, or who have maintained a 90% attendance rate in the current year.</p> <p><b>Denominator:</b> Number of stable students with documented current year attendance.</p>
Included Students	Stable refers to students who have accumulated at least 45 membership days.
Notes	<p>Students without documented attendance from the previous school year who have at least 45 days of membership are assumed to have a 0% prior-year attendance rate.</p> <p>Students with at least 45 days of membership are included in the calculation of the rate even if they subsequently transfer out. The rate calculated for the students will only include membership days accumulated at the option school, though a student may be counted in the rate for more than one option school if they have 45 membership days or more at each. The 45 days required for inclusion do not have to be consecutive.</p> <p>Attendance rates will be adjusted for students with medically fragile conditions and early graduation for 8th and 12th grade graduation consistent with Average Daily Attendance Rate. These adjustments will only be made if they improve the school's Growth in Attendance Rate. Attendance days in the prior year that are accumulated at correctional facility schools (i.e., Jefferson or York) are not included in the prior year attendance rate for this comparison.</p> <p>For Simpson HS, this comparison is only made if the student was at Simpson in both the prior year and current year.</p>

**Percentage of Graduates Earning Early College & Career Credentials**

Definition	Percent of graduates in the school year who have earned at least one credit from an approved early college course, a 3+ on an AP exam, a 4+ on an IB exam, an approved career credential, or the State Seal of Biliteracy.
How it is calculated	<b>Numerator:</b> Number of students graduating from the school to which they are annualized during their graduation year with one of the credentials listed above <b>Denominator:</b> Number of students who graduated in the school year and whose enrollment was annualized to the school during the school year.
Included Students	Includes all graduates in the most recent year, regardless of their freshman cohort. In the case where a graduate is reactivated and re-graduated, that student is NOT counted in their second graduating class; they are only accounted for in their first graduating class.  Students earning multiple credentials are only counted once in the measure.
Notes	Early college courses and career certifications will need to be pre-approved to count in the indicator. Schools will have the opportunity to view pre-approved courses and certification or apply for approval for additional offerings. All the early college and career credentials a student earns during their high school career count, regardless of which school they attended when they earned it.  Final grades must be entered within 30 days after the last CPS student attendance day to be included in the calculation. Grade changes submitted past this deadline will not be included. Missing grades or grades entered as slashes will be defaulted to course failures (Fs).  JROTC qualifies as a career credential. In order to count positively in a school's metric, a JROTC cadet must complete both semesters of JROTC III and JROTC IV with an average JROTC GPA of 2.0 in these four courses. Any F's that are not retaken will disqualify the student from earning the JROTC career credential.

### College Enrollment Rate

Definition	Percent of students graduating from CPS in the previous year who enrolled in a 2-year or 4-year college in the fall or spring after graduation from high school.
How it is calculated	<b>Numerator:</b> Number of students in the denominator who enrolled in college in the fall or spring after graduating from high school. To be considered enrolled in college in the fall or spring, the student must be active at the college any time between September 15 and April 30, inclusive. <b>Denominator:</b> Number of students who graduated in the prior school year. Students are attributed to the school to which they were annualized in their graduating year.
Included Students	Students are included in the calculation based on the year they graduated, regardless of their freshman cohort. In the case where a graduate is reactivated and re-graduated, that student is NOT counted in their second graduating class; they are only accounted for in their first graduating class.  Students who have a DLM/IAA indicator are not included.
Notes	College enrollment is determined based on data received from the National Student Clearinghouse, as well as enrollments confirmed through the Office of College and Career Success (OCCS) appeals process.

### Percentage of Students Completing a Concrete Post Secondary Plan Via Learn.Plan.Succeed

Definition	Percentage of students who have submitted evidence of a concrete postsecondary plan during their senior year.
How it is calculated	<p><b>Numerator:</b> Number of annualized seniors who provided evidence of a concrete postsecondary plan by the date of current year summer school graduation.</p> <p><b>Denominator:</b> The number of students who met the following conditions:</p> <ul style="list-style-type: none"> <li>• Annualized to a CPS school</li> <li>• Minimum 45 membership days</li> <li>• Annualized to 12th grade <b>OR</b> Has a leave code of 55 by the end of the most recent summer school session</li> </ul>
Included Students	<p>All seniors annualized to district-managed schools, including early graduates, with the following exceptions:</p> <ul style="list-style-type: none"> <li>• Students that are approved for an LPS waiver are excluded from the metric.</li> <li>• Students with verified out-of-district transfer or non-dropout leave codes are excluded from the metric.</li> <li>• Students who had unverified transfers or dropout leave codes, regardless of the number of membership days, are excluded from the metric.</li> <li>• Retained for transition students will only be included for the year in which they met graduation requirements.</li> </ul>
Notes	<p>The following are examples of concrete plans:</p> <ul style="list-style-type: none"> <li>• 2- or 4-year College - Financial Aid Notice or Acceptance Letter</li> <li>• Military - Enlistment Contract or Confirmation of Application to Military Branch</li> <li>• Apprenticeship Program - Acceptance Letter or Confirmation from Apprenticeship Program Indicating Receipt of Complete Application</li> <li>• Job Training Program - Acceptance Letter or Confirmation from Job Training Program Indicating Receipt of Complete Application</li> <li>• Work - Offer Letter OR Employer Letter Stating Continuation of Employment OR Confirmation from an Employer Indicating Receipt of Employment Application</li> <li>• Service Learning or Gap Year Program - Acceptance Letter or Confirmation Indicating Receipt of Complete Application</li> </ul>

### My Voice, My School 5 Essentials Survey

Definition	Overall rating of the school on the 5 Essentials survey administered in the spring to students and teachers.
How it is calculated	<p>Ratings are calculated by the Consortium on Chicago School Research at the University of Chicago (CCSR). The overall rating of the school is determined using data from all 5 Essentials, or from whatever combination of essentials for which the school has sufficient data. For more information on the 5 Essentials survey, visit <a href="http://ccsr.uchicago.edu/surveys">http://ccsr.uchicago.edu/surveys</a>.</p>
Included Students	Students in grades 6-12 and all teachers are given the opportunity to complete the survey.
Notes	A school must have a 50% response rate to receive a rating. If the school has a 50% response rate among teachers but not students, the school will only have sufficient data for three of the five Essentials. If the school has a 50% response rate among

	students but not teachers, the school will only have sufficient data for two of the five Essentials and will only be eligible for a rating of “Partially Organized,” “Moderately Organized,” or “Organized.”

### III. Accountability Status Determination (Specialty High Schools and Detention Center Schools)

Beginning with the 2024-2025 school year (using data from the 2023-2024 school year), the District will assign school accountability statuses to District-managed Specialty High Schools and Detention Center Schools in accordance with Illinois state law using the points system described in Sections III.A and III.B below. The three categories that will be used for district-managed Specialty High Schools and Detention Center Schools are Good Standing, Remediation, and Probation. Using the weighted total scores, schools will be assigned to these categories as follows:

Summative Score	Accountability Status
≥3.0	Good Standing
2.0-2.9	Remediation/Targeted Support
< 2.0	Probation/Comprehensive Support

#### III.A. Definitions:

Accountability Status	Status of the school established by this policy. A school may receive an Accountability Status of "Probation" (denoting the need for Comprehensive Support), "Remediation" (denoting the need for Targeted Support), or "Good Standing".
Average Daily Attendance Rate	Shall mean the total number of actual student attendance days divided by the number of total student membership days.
Career Credential	Shall mean a credential received for the successful completion of a specific course sequence approved by CPS that qualifies a student/graduate for employment in a specific career. The courses eligible for Career Credential credit under this policy are subject to approval by CPS.
Career Credentialed Status	A designation denoting when a student has engaged in and completed a sufficient number of activities supporting a successful transition to the workplace to be considered ready to engage in a career outside of school.
Data Quality Index ("DQI")	The percentage of data quality indicators that measure whether a school has recorded correct, complete, and compliant data in CPS data systems. The DQI

	score considered under this policy includes the “Attendance”, “Registration and Enrollment”, “Student Contact Information”, and “Student Health” sections of the DQI reported on the CPS Dashboard.
Detention Center School	<p>CPS detention center schools serve students who have been detained in the justice system. These schools include:</p> <ul style="list-style-type: none"> <li>● Jefferson High School <ul style="list-style-type: none"> <li>○ Housed inside of the Juvenile Temporary Detention Center</li> </ul> </li> <li>● York High School <ul style="list-style-type: none"> <li>○ Housed inside the Cook County Department of Corrections</li> </ul> </li> </ul>
Freshman On-Track Rate	The percentage of first-time freshman students who earn five credits in their freshman year and fail no more than one semester core course (English, Mathematics, Science, and Social Science).
Good Standing	An accountability designation assigned to schools where the CEO determines, based on the criteria set out in this policy, that student performance and improvement meets or exceeds district standards.
IEP and Annual Review Compliance	Measures the extent to which student Individual Education Plans (IEPs) are in compliance with state and federal law.
My Voice, My school 5 Essentials Survey	Annual school climate and culture survey administered by the Consortium on Chicago School Research at the University of Chicago to teachers and students, the results of which are aggregated and determine the school’s overall foundation rating.
One-Year Dropout Rate	The percentage of students in grades 9 through 12 enrolled in the school at any time between July 1 and June 30 of the school year who drop out at any time during the year. The calculation used in this Accountability Policy will exclude students who had previously dropped out of school during the past two years.
One-Year Graduation Rate	Percentage of students with sufficient credits to be able to graduate within one year who graduate by the end of the school year.
Points	For each indicator in the model, schools can earn between 1 and 5 points for reaching progressive benchmarks of performance.
Probation	An accountability designation assigned to non-performing schools where the CEO determines, utilizing the criteria set out in this policy, that a school requires remedial measures beyond what is otherwise available under Remediation to address the school’s performance defined by this policy. This Accountability Rating indicates the need for comprehensive support and in implementing this policy the CEO or designee may also refer to this accountability designation as “Comprehensive Support”.
Remediation	An accountability designation assigned to non-performing schools where the CEO determines, utilizing the criteria set out in this policy, that a school requires remedial measures as described in this policy, including increased support, to address performance deficiencies. This accountability rating indicates the need for targeted support and in implementing this policy the CEO or designee may also refer to this accountability designation as “Targeted Support”.
Specialty High	CPS specialty high schools and transition learning centers provide specialized

School	<p>education for high school students with mild to moderate cognitive disabilities. Programs capitalize on student interest and strength while preparing them to become members of the community.</p> <ul style="list-style-type: none"> <li>• Southside Occupational School (Grade 12 until age 22)</li> <li>• Ray Graham Training Center (Grade 12 until age 22)</li> <li>• Vaughn High School (Grade 9 until age 22)</li> <li>• Northside Learning Center (Grade 9 until age 22)</li> </ul>
Summary of Performance Compliance	The percentage of graduates with a valid summary of performance document, per guidelines from the Office of Diverse Learners Support Services.
Transition Plan Compliance	The percentage of students with a transition plan that meets state requirements.
Weighting	Each indicator has a specific weight in the model. Weights may be different based on the number and type of indicators that are available to a particular school, but the sum of the weights for the school will always be 100%.
Weighted Score	The points received for each indicator are multiplied by their weight and then added together. The resulting weighted score will be between 1 and 5. Indicators with larger weights will play a bigger role in determining the school's overall weighted score.

## ADOPT A NEW SPECIALTY AND DETENTION CENTER SCHOOL ACCOUNTABILITY POLICY

### THE CHIEF EXECUTIVE OFFICER RECOMMENDS:

That the Board adopt a new Specialty School and Detention Center School Accountability Policy effective for the 2023-2024 school year. Current district policies regarding accountability (Board resolution 22-0223-RS3 and Board resolution 22-0727-RS1) do not describe accountability for Specialty or Detention Center schools. This policy addresses that gap. This policy was posted for public comment from June 2, 2023 to July 3, 2023.

### POLICY TEXT:

#### I. Purpose and Goals

This policy shall establish the standards and criteria for issuing Specialty School and Detention Center School Accountability scores and statuses for each specialty school. Each specialty and detention center school will be assigned an accountability status beginning with the 2023-2024 school year based on school performance data gathered during school year 2022-2023. The system of using ISBE summative designations to determine district-managed school's accountability status does not apply to the schools in this policy as they are identified as programs and therefore are not assigned an ISBE summative designation. This policy will apply to subsequent school years unless amended or rescinded by the Board. A school's Accountability Status from the prior school year shall remain in effect until such time as the school is notified of its new status for the then-current school year that is issued in accordance with this policy.

This policy sets out a systematic means for measuring a school's performance and identifying schools in need of support due to insufficient levels of achievement and growth based on the key indicators as defined by the Board herein. In addition, the CEO or Board has the authority to address performance as outlined in the state statute. The CPS Equity Framework will be a focus in the implementation of this policy by centering targeting universalism and mitigating opportunity differences to address achievement differences including challenging limiting beliefs about our most impacted students and communities.

#### II. Scope of the Policy

All CPS Specialty High Schools (Southside Occupational School, Ray Graham Training Center, Vaughn High School, and Northside Learning Center) are subject to this policy. Detention Center Schools (Nancy B. Jefferson Alternative High School and Consuella B. York Alternative High School) are subject to this policy. The performance indicators used to determine summative scores for Specialty and Detention Center Schools differ and are provided below.

#### III. Definitions:

Accountability Status	Status of the school established by this policy. A school may receive an Accountability Status of "Probation" (denoting the need for Comprehensive Support), "Remediation" (denoting the need for Targeted Support), or "Good Standing".
-----------------------	--

Average Daily Attendance Rate	Shall mean the total number of actual student attendance days divided by the number of total student membership days.
Career Credential	Shall mean a credential received for the successful completion of a specific course sequence approved by CPS that qualifies a student/graduate for employment in a specific career. The courses eligible for Career Credential credit under this policy are subject to approval by CPS.
Career Credentialed Status	A designation denoting when a student has engaged in and completed a sufficient number of activities supporting a successful transition to the workplace to be considered ready to engage in a career outside of school.
Data Quality Index ("DQI")	The percentage of data quality indicators that measure whether a school has recorded correct, complete, and compliant data in CPS data systems. The DQI score considered under this policy includes the "Attendance", "Registration and Enrollment", "Student Contact Information", and "Student Health" sections of the DQI reported on the CPS Dashboard.
Detention Center School	CPS detention center schools serve students who have been detained in the justice system. These schools include: <ul style="list-style-type: none"> <li>• Jefferson High School <ul style="list-style-type: none"> <li>◦ Housed inside of the Juvenile Temporary Detention Center</li> </ul> </li> <li>• York High School <ul style="list-style-type: none"> <li>◦ Housed inside the Cook County Department of Corrections</li> </ul> </li> </ul>
Freshman On-Track Rate	The percentage of first-time freshman students who earn five credits in their freshman year and fail no more than one semester core course (English, Mathematics, Science, and Social Science).
Good Standing	An accountability designation assigned to schools where the CEO determines, based on the criteria set out in this policy, that student performance and improvement meets or exceeds district standards.
IEP and Annual Review Compliance	Measures the extent to which student Individual Education Plans (IEPs) are in compliance with state and federal law.
My Voice, My school 5 Essentials Survey	Annual school climate and culture survey administered by the Consortium on Chicago School Research at the University of Chicago to teachers and students, the results of which are aggregated and determine the school's overall foundation rating.
One-Year Dropout Rate	The percentage of students in grades 9 through 12 enrolled in the school at any time between July 1 and June 30 of the school year who drop out at any time during the year. The calculation used in this Accountability Policy will exclude students who had previously dropped out of school during the past two years.
One-Year Graduation Rate	Percentage of students with sufficient credits to be able to graduate within one year who graduate by the end of the school year.
Points	For each indicator in the model, schools can earn between 1 and 5 points for reaching progressive benchmarks of performance.
Probation	An accountability designation assigned to non-performing schools where the CEO determines, utilizing the criteria set out in this policy, that a school requires

	remedial measures beyond what is otherwise available under Remediation to address the school's performance defined by this policy. This Accountability Rating indicates the need for comprehensive support and in implementing this policy the CEO or designee may also refer to this accountability designation as "Comprehensive Support".
Remediation	An accountability designation assigned to non-performing schools where the CEO determines, utilizing the criteria set out in this policy, that a school requires remedial measures as described in this policy, including increased support, to address performance deficiencies. This accountability rating indicates the need for targeted support and in implementing this policy the CEO or designee may also refer to this accountability designation as "Targeted Support".
Specialty High School	CPS specialty high schools and transition learning centers provide specialized education for high school students with mild to moderate cognitive disabilities. Programs capitalize on student interest and strength while preparing them to become members of the community. <ul style="list-style-type: none"> <li>• Southside Occupational School (Grade 12 until age 22)</li> <li>• Ray Graham Training Center (Grade 12 until age 22)</li> <li>• Vaughn High School (Grade 9 until age 22)</li> <li>• Northside Learning Center (Grade 9 until age 22)</li> </ul>
Summary of Performance Compliance	The percentage of graduates with a valid summary of performance document, per guidelines from the Office of Diverse Learners Support Services.
Transition Plan Compliance	The percentage of students with a transition plan that meets state requirements.
Weighting	Each indicator has a specific weight in the model. Weights may be different based on the number and type of indicators that are available to a particular school, but the sum of the weights for the school will always be 100%.
Weighted Score	The points received for each indicator are multiplied by their weight and then added together. The resulting weighted score will be between 1 and 5. Indicators with larger weights will play a bigger role in determining the school's overall weighted score.

#### IV. Accountability Status

##### Accountability Status Determination

For the 2023-2024 school year, the district will assign school accountability statuses in accordance with Illinois state law using the points system described in Section IV below. The three categories are Good Standing, Remediation, and Probation. Using the weighted total scores, schools will be assigned to these categories as follows:

Summative Score	Accountability Status
≥3.0	Good Standing

2.0-2.9	Remediation/Targeted Support
< 2.0	Probation/Comprehensive Support

**ADOPT NEW POLICY IDENTIFYING SCHOOLS IN GOOD STANDING, REMEDIATION AND  
PROBATION IN COMPLIANCE WITH STATE LAW**

**THE CHIEF EXECUTIVE OFFICER RECOMMENDS:**

105 ILCS 5/34-8.3 requires the CEO to monitor the performance of schools within the district and to identify schools that should be placed on remediation or on probation. This policy sets forth the process through which schools at Chicago Public Schools ("CPS" or "District") are identified as such for the sole purpose of ensuring the Board is in compliance with State law. In 22-0727-RS1, the Board resolved to identify schools in Good Standing, Remediation, and Probation for the 2023-2024 school year based on 2022-2023 performance. The CEO recommends that the Board allow 22-0727-RS1 to sunset for the 2024-2025 school year and adopt this new Policy Identifying Schools in Good Standing, Remediation and Probation with State Law.

**SUMMATIVE DESIGNATION DETERMINATION**

The Illinois State Board of Education (ISBE) releases annual school summative designations for every school in Illinois in accordance with the federal Every Student Succeeds Act (ESSA). ISBE's ESSA plan designates each school as either Exemplary, Commendable, Targeted Support, or Comprehensive Support. Schools designated by the state as "Targeted Support" or "Comprehensive Support" shall, per federal law, receive supplemental state and federal funds to access additional support to improve in the areas that placed them under these designations. In addition, the CEO or Board has the authority to address performance as outlined in the state statute.

Beginning in Fall 2024, the District will report for compliance using state Annual Summative Designations for each CPS school eligible for a designation under state law.

- A. Schools newly established by the Board will remain in Good Standing designation until they serve a majority of grade levels and thereafter will receive an updated designation based on state designations once such data becomes available.
- B. All schools designated as "Comprehensive Support" by ISBE shall receive a Probation designation, which indicates the need for Comprehensive Support for the duration of the designation.
- C. All schools designated as "Targeted Support" by ISBE shall receive a Remediation designation, which indicates the need for Targeted Support for the duration of the designation.
- D. All schools designated as "Exemplary" or "Commendable" by ISBE shall receive a designation of Good Standing.

**AMEND BOARD REPORT 23-0125-PO2**  
**OPTIONS SCHOOL ACCOUNTABILITY POLICY**

**THE CHIEF EXECUTIVE OFFICER RECOMMENDS:**

That the Board amend the current Options School Accountability Policy beginning in the 2023-2024 school year. The policy was previously approved by the Board in January 2023 and was effective for the 2021-2022 and 2022-2023 school years. Charter, contract and Alternative Learning Opportunity Program (ALOP) options school accountability as outlined in this policy will be effective until a new framework has been developed. The Updated and Consolidated Policy for Determining Accountability Statuses in Compliance with State Law will now govern district-managed options schools.

**PURPOSE:** This policy is intended to ~~establish a system~~ ensure the continuation of transparent academic accountability performance standards for district-authorized charter, contract and Alternative Learning Opportunity Program (ALOP) and ~~district-managed~~ options schools, while the District redesigns a long-term accountability system in line with the values and priorities enumerated by Board resolution on April 27, 2022 (Board Report 22-0427-RS1) and Board policy on April 26, 2023 (Board Report 23-0426-PO4). ~~This policy will fill a gap in accountability for district-authorized charter and district-managed options schools as the District works to redesign its accountability system for the 2024-2025 school year.~~

Each district-authorized charter, contract and Alternative Learning Opportunity Program (ALOP) options school will be assigned an accountability designation ~~beginning with the 2022-2023 school year~~ based on school performance data gathered during the prior school year. ~~Each options school will be denoted as "Inability to Rate" for the 2022-2023 school year. This policy will be used to assign school accountability statuses to district-managed options schools for school year 2023-2024.~~ The accountability designation/status for each options school from the prior school year will remain in effect until such time as the school is notified of its new designation/status that is issued in accordance with this policy.

**POLICY TEXT:**

**I. SCOPE OF POLICY:** This policy sets out broad charter, contract and Alternative Learning Opportunity Program (ALOP) and ~~district-managed~~ options school academic performance standards to ensure that (1) there is transparency regarding the expectations and standards for charter, contract and Alternative Learning Opportunity Program (ALOP) and ~~district-managed~~ options school academic performance; and (2) the portfolio of charter, contract and ALOP and ~~district-managed~~ options schools available to Chicago families and students contains academically high-quality schools.

**II. ACCOUNTABILITY FOR CHARTER, CONTRACT AND ALTERNATIVE LEARNING OPPORTUNITY PROGRAM (ALOP) OPTIONS SCHOOLS**

**A. Charter Options Schools**

**ACADEMIC ACCOUNTABILITY STANDARDS:**

Charter, contract and Alternative Learning Opportunity Program (ALOP) options schools will receive an accountability designation based on a summative score as described in Section III.

1. All schools with a summative score of 3.0 or above will be deemed to have met or be making reasonable progress toward student academic achievement standards in accordance with Section 27A-9(c)(2) of the Illinois School Code.

2. All schools with a summative score of 2.9 or below are subject to contract revocation or non-renewal for failure to meet or make reasonable progress toward student academic achievement in accordance with Section 27A-9(c)(2) of the Illinois School Code and will be placed on the Intensive Academic Support List.

#### **STANDARDS FOR RENEWAL AND NON-RENEWAL:**

School renewal recommendations will be based on the academic, financial, and operational performance during the entirety of a school's contract term, or the last three years, whichever is longer. If a charter, contract and Alternative Learning Opportunity Program (ALOP) options school seeks to renew its contract, the CEO will make recommendations concerning the school's ability to meet or make reasonable progress toward student academic achievement standards to the Board. A charter, contract and Alternative Learning Opportunity Program (ALOP) options school campus will be considered to be meeting or making reasonable progress toward achievement of the content standards or pupil performance standards if the school receives a summative score of 3.0 or above."

Charter, contract and Alternative Learning Opportunity Program (ALOP) options school operators who operate two or more ~~charter~~ options schools or campuses will have each school or campus evaluated individually for renewal or non-renewal.

#### **STANDARDS AND PROCESS FOR REVOCATION:**

When a charter, contract and Alternative Learning Opportunity Program (ALOP) options school or campus is placed on the Intensive Academic Support List, the CEO or designee will send notice that the school or campus is in revocation status and subject to possible closure pursuant to Section 27A(9)(c) of the Illinois School Code. Upon receipt of such notice, the charter, contract and Alternative Learning Opportunity Program (ALOP) options school or campus must submit a written school improvement plan to the CEO or designee to rectify the problems that resulted in the charter, contract and Alternative Learning Opportunity Program (ALOP) school or campus being placed on the Intensive Academic Support List. The written school improvement plan must include a timeline for implementation, and the CEO or designee must monitor the implementation and adherence to the school improvement plan requirements. The CEO will recommend the revocation of a charter, contract and Alternative Learning Opportunity Program (ALOP) options school or campus to the Board if the CEO determines that the school or campus failed to implement the school improvement plan and adhere to the timeline.

No school's charter or contract will be revoked solely based on its academic accountability designation. The District will also use an equity lens as set forth in the CPS Equity Framework when reviewing a school's overall performance.

#### **OTHER CONSIDERATIONS:**

Nothing in this policy prohibits the CEO from making individual recommendations regarding charter, contract and Alternative Learning Opportunity Program (ALOP) options school expansion or replication, non-renewal, or revocation based on the totality of factors the CEO deems relevant, particularly including equity considerations. Nothing in this policy prohibits the Board from revoking or not renewing a charter, contract and Alternative Learning Opportunity Program (ALOP) for failure to meet generally accepted standards of fiscal management, for failure to comply with applicable law, or for committing a material violation of any of the conditions, standards, or procedures set forth in their charter school agreement or contract.

### **~~B. District-Managed Options Schools~~**

#### **~~Ratings Standards~~**

~~District-managed options schools (includes Peace and Education HS, Simpson HS) will be denoted as “Inability to Rate” for the 2022-2023 school year. Per Board resolution 22-0223-RS3, each school that received Good Standing status, Remediation status (which indicates the need for provisional support) or Probation status (which indicates the need for Intensive Support) per Section 5/34-8.3 of the Illinois School Code during the 2019-2020 school year shall maintain that same status for the 2022-2023 school year. However, for any school that is scheduled to complete its five-year probation period during the 2022-2023 school year and whose ratings from the 2019-2020 school year would identify the school with an accountability status of Good Standing or Remediation, that school will be deemed removed from probation.~~

~~For the 2023-2024 school year, the District will assign school accountability statuses in accordance with Illinois state law using the points system described in Section III below. The three categories that will be used for district-managed options schools are Good Standing, Remediation, and Probation. Using the weighted total scores, schools will be assigned to these categories as follows:~~

<b>Summative Score</b>	<b>Accountability Status</b>
<del>≥3.0</del>	<del>Good Standing</del>
<del>2.0-2.9</del>	<del>Remediation/Provisional Support</del>
<del>&lt;2.0</del>	<del>Probation/Intensive Support</del>

### **SCHOOLS PLACED ON REMEDIATION**

~~Any school that receives a remediation status as described above shall participate in a remedial program in which a remediation plan is developed by the CEO and/or the CEO's designees. A Remediation Plan may include one or more of the following components:~~

- ~~1. Drafting a new school improvement plan (currently known as the Continuous Improvement Work Plan, or CIWP);~~
- ~~2. Additional training for the local school council (if applicable);~~
- ~~3. Directing the implementation of the school improvement plan; and~~
- ~~4. Mediating disputes or other obstacles to reform or improvement at the school.~~

~~A remediation plan is intended to provide the support and oversight necessary to prevent schools with declining or flat performance from entering probation status, and to help schools who have received a probation status achieve good standing. In creating a remediation plan, the CEO or designee shall give assistance to the school to ensure that all aspects of the plan, including the school budget, address the educational deficiencies at these schools.~~

~~Any updates to such school improvement plan to address new data on the deficiencies at remediation schools with a school improvement status shall be approved by the Board in accordance with the Illinois State Board of Education's (ISBE's) timeline for Board approval of school improvement plans. The CEO or designee shall monitor each remediation school's implementation of the final plan and the progress the school makes toward implementation of the plan and the correction of its educational deficiencies.~~

### **SCHOOLS PLACED ON PROBATION**

**School Improvement Plan and Budget:**

Each school placed on probation shall have a school improvement plan and a school budget for correcting deficiencies identified by the Board. The CEO or designee shall develop a CIWP that shall contain specific steps that the local school council and the school staff must take to correct identified deficiencies. The school's CIWP may serve as the school's probation plan. The school budget shall include specific expenditures that support the implementation of this plan and that are directly calculated to correct educational and operational deficiencies identified at the school.

In creating or updating the required plan, the CEO or designee shall give assistance to probation schools to ensure that all aspects of the plan, including the school budget, reflect and are tailored to the individual needs of the school and that the plan addresses the educational deficiencies at these schools. The Board shall approve school improvement plans for schools placed on probation. Any updates to such school improvement plan or school budget to address new data on the deficiencies at probation schools and schools with a state or federal school improvement status shall be approved by the Board in accordance with ISBE's timeline for Board approval of school improvement plans.

The Law Department shall develop and disseminate hearing procedures for hearings required before taking any of the corrective actions specified above.

**III. TERMS:****Weighting and Weighted Points**

Points	For each indicator in the model, schools can earn between 1 and 5 points for reaching progressive benchmarks of performance.
Weighting	Each indicator has a specific weight in the model. Weights may be different based on the number and type of indicators that are available to a particular school, but the sum of the weights for the school will always be 100%.
Weighted Score	The points <del>received</del> <u>assigned</u> for each indicator are multiplied by their weight and then added together. The resulting weighted score will be between 1 and 5. Indicators with larger weights will play a <del>bigger</del> <u>greater</u> role in determining the school's overall weighted score.
Intensive Academic Support List	<p>A list maintained by the Chief Executive Officer (CEO) or designee that identifies charter, <u>contract</u> and <u>Alternative Learning Opportunity Program (ALOP)</u> schools or campuses failing to meet or make reasonable progress towards student academic achievement. A charter, <u>contract</u> and <u>Alternative Learning Opportunity Program (ALOP)</u> options school or campus will be placed on the Intensive Academic Support List if the <del>charter</del> school or campus:</p> <ul style="list-style-type: none"> <li>• In the 2022-2023 school year or in the 2023-2024 school year, has a summative rating of 2.9 or lower; or</li> <li>• In the 2023-2024 school year, has a two-year overall score average of 2.9 or lower</li> </ul>

#### Average Student Growth Percentile on STAR Assessment

Definition	Average fall-to-spring, fall-to-winter, or winter-to-spring growth percentile of students on the STAR reading and math assessments.
How it is calculated	For each school, an average student growth percentile will be calculated from available individual growth percentiles from fall-to-spring, fall-to-winter, or winter-to-spring windows.
Included Students	<del>Yearly</del> <u>Each school year</u> , students are counted once per subject. For example, if a student has fall-to-spring growth, the student's fall-to-winter and winter-to-spring percentiles are not used.

#### Percent of Students Making Growth Targets on STAR Reading and Math

------------	---

How it is calculated	<b>Numerator:</b> Number of students with a growth percentile of 40 or higher on the STAR assessment. <b>Denominator:</b> Number of students with valid pretest and posttest scores on the STAR assessment.
Included Students	<del>Yearly</del> Each school year, students are counted once per subject. For example, if a student has fall-to-spring growth, the student's fall-to-winter and winter-to-spring percentiles are not used.
Notes	This indicator is calculated separately for reading and math.

### 1-Year Graduation Rate

Definition	Percent of graduation-eligible students who graduate by the end of the school year.
How it is calculated	<b>Numerator:</b> Number of students who graduate at any point during the school year. <b>Denominator:</b> Number of students who, at the beginning of the school year or at the time of enrollment, have sufficient credits such that they could graduate by the end of the school year if they took a full course load.
Student Population	<b>Included:</b> Graduation-eligible students; students who graduated, including summer graduates. <b>Excluded:</b> Verified transfers are excluded from the calculation.
Notes	The definition of "full course load" will be individualized per the program model. Transcripts must be updated in <del>SIM</del> <u>the student information system</u> by a date to be communicated by the Office of Accountability for students to be considered as graduates.

### Credit Attainment Rate

Definition	Percent of students who earn the total credits possible while they are enrolled at the school.
How it is calculated	<b>Numerator:</b> The sum of both the number of traditional and self-paced students with a 100% pass-rate who are also included in the denominator. <b>Denominator:</b> The sum of the number of traditional students who receive one or more credits while they are enrolled at the school and the number of self-paced students who are enrolled at the school for at least 45 days.
Included Students	Students who have not been enrolled long enough to earn credits are excluded. All other students are included.

Notes	<p>The total credits possible are individualized per the program model. Final grades must be entered within 30 days after the last CPS student attendance day to be included in the calculation. Grade changes submitted past this deadline will not be included in the credit attainment rate. Missing grades or grades entered as slashes will be defaulted to course failures (Fs).</p> <p>Credits earned during the summer are not included in the calculation of this metric.</p>

### Stabilization Rate

Definition	Percent of stable students who are enrolled at the end of the school year, completed the program, or successfully transitioned to another CPS school.
How it is calculated	<p><b>Numerator:</b> Number of stable students who enrolled at any time during the year and are enrolled at the end of the year, complete the program, exit the system due to age requirements, or successfully transition to another CPS school.</p> <p><b>Denominator:</b> Number of stable students enrolled at any time during the year, excluding students with a non-dropout leave code or a verified out-of-district transfer.</p>
Included Students	<p>Stable refers to students who have accumulated at least 45 membership days. Unverified out-of-district transfers whose transfer took place in the last 150 calendar days of the school year. <del>are not counted as dropouts in this rate.</del></p>

### Average Daily (Adjusted) Attendance Rate

<u>Definition</u>	<u>Percentage of the total number of days in which students during the school year were marked present at a school, divided by the total number of days that those students were expected to be in attendance.</u>
<u>How it is calculated</u>	<b>Numerator:</b> The sum of days in which students were marked present. <b>Denominator:</b> The sum of days that students were “in membership” at the school. Students are considered to be in membership if the student is enrolled in the school and school is in session that day.
<u>Included Students</u>	<u>For Option Schools, only one attendance rate will be calculated that will include all students. Students are attributed to each school in which they were enrolled, but only for the days in which they were enrolled in that school.</u>
<u>Notes</u>	<p><u>This metric uses an adjusted attendance rate. This adjustment includes removing students from the calculation if they qualify for the medically fragile adjustment, or are in 8th or 12th grade subsequent to the first date on which CPS permits graduation. The latter adjustment only applies to the attendance days after the first permitted graduation date; these students are not removed from the entire calculation. These adjustments will only be made if they improve the school’s attendance rate.</u></p> <p><u>The adjusted attendance rates do not result in any changes to student records, nor to the official, unadjusted attendance rate which is reported to the State of Illinois and on most CPS reports.</u></p>

### Growth in Attendance Rate

Definition	Percent of stable students who show an improvement of at least three percentage points in their individual daily attendance rates at an options school compared to their daily attendance rate in the previous school year.
How it is calculated	<p><b>Numerator:</b> Number of stable students whose current year attendance rate at their school of enrollment is at least three percentage points greater than their average year-end attendance rate during the previous school year, or who have maintained a 90% attendance rate in the current year.</p> <p><b>Denominator:</b> Number of stable students with documented current year attendance.</p>
Included Students	Stable refers to students who have accumulated at least 45 membership days.
Notes	<p>Students without documented attendance from the previous school year, but <del>who</del> have at least 45 days of membership <u>in the current school year</u> are assumed to have a 0% prior-year attendance rate.</p> <p>Students with at least 45 days of membership are included in the calculation of the rate even if they subsequently transfer out. The rate calculated for the students will only include membership days accumulated at the options school, though a student may be counted in the rate for more than one options school if they have 45 membership days or more at each. The 45 days required for inclusion do not have to be consecutive.</p>

	<p>Attendance rates will be adjusted for students with medically fragile conditions and early graduation for 8th and 12th grade graduation consistent with Average Daily Attendance Rate. These adjustments will only be made if they improve the school's Growth in Attendance Rate. Attendance days in the prior year that are accumulated at correctional facility schools (i.e., Jefferson or York) are not included in the prior year attendance rate for this comparison.</p> <p><del>For Simpson HS, this comparison is only made if the student was at Simpson in both the prior year and current year.</del></p>

<u>Included Students</u>	<p>Includes all graduates in the most recent year, regardless of their freshman cohort. In the case where a graduate is reactivated and re-graduated, that student is NOT counted in their second graduating class; they are only accounted for in their first graduating class.</p> <p>Students earning multiple credentials are only counted once in the measure.</p>
<u>Notes</u>	<p>Early college courses and career certifications will need to be pre-approved to count in the indicator. Schools will have the opportunity to view pre-approved courses and certification or apply for approval for additional offerings. All the early college and career credentials a student earns during their high school career count, regardless of which school they attended when they earned it.</p> <p>Final grades must be entered within 30 days after the last CPS student attendance day to be included in the calculation. Grade changes submitted past this deadline will not be included. Missing grades or grades entered as slashes will be defaulted to course failures (Fs).</p> <p>JROTC qualifies as a career credential. In order to count positively in a school's metric, a JROTC cadet must complete both semesters of JROTC III and JROTC IV with an average JROTC GPA of 2.0 in these four courses. Any F's that are not retaken will disqualify the student from earning the JROTC career credential.</p>

**My Voice, My School 5 Essentials Survey**

<u>Definition</u>	<u>Overall rating of the school on the 5 Essentials survey administered in the spring to students and teachers.</u>
<u>How it is calculated</u>	<u>Ratings are calculated by the Consortium on Chicago School Research at the University of Chicago (CCSR). The overall rating of the school is determined using data from all 5 Essentials, or from whatever combination of essentials for which the school has sufficient data. For more information on the 5 Essentials survey, visit <a href="http://ccsr.uchicago.edu/surveys">http://ccsr.uchicago.edu/surveys</a>.</u>
<u>Included Students</u>	<u>Students in grades 6-12 and all teachers are given the opportunity to complete the survey.</u>
<u>Notes</u>	<u>A school must have a 50% response rate to receive a rating. If the school has a 50% response rate among teachers but not students, the school will only have sufficient data for three of the five Essentials. If the school has a 50% response rate among students but not teachers, the school will only have sufficient data for two of the five Essentials and will only be eligible for a rating of “Partially Organized,” “Moderately Organized,” or “Organized.”</u>

1. Why is this policy/Board rule being amended, created, or rescinded now? (e.g., state legislation, compliance change, policy was out of date, biennial policy review, CEO/CEdO recommendation, etc.)

This Policy must be revised to become effective 1/1/24 per updated school statute revisions. We plan on bringing the procurement rule changes to the Board for approval in December.

2. Please provide a high level summary of what policy/Board rule changes are being made, or created, and why.

We are updating our bidding thresholds listed in sections 7-2, 7-3 and 7-6, plus cleaning up some language in section 7-13. These changes are required to make sure we are aligned with the Illinois School Code.

3. Please provide any notable feedback from internal or external stakeholders, and how you addressed it or planned to address it in your policy/Board rule draft.

We amended our Procurement Rules back in April 2023, prior to that we posted the proposed edits for public comment and received only 1 comment that was not related to our proposed changes. IN ACCORDANCE WITH BOARD RULE 2-6 AND AUTHORIZE PUBLIC COMMENT PERIOD**

**THE CHIEF EXECUTIVE OFFICER RECOMMENDS:**

That the Board amend Board Rule 4-3 as set forth below on an interim basis and determine any permanent changes after the period for public comment expires. The rule will be posted for public comment from September 29, 2023 to October 30, 2023.

**Sec. 4-3. Categories of Board Employees**

Board employees shall be categorized as Teachers, Principals, Assistant Principals, Certificated Administrators, Educational Support Personnel, or Part-time/Seasonal Employees, as defined below. The Chief Executive Officer or his/her designee may create additional categories of employees, as he/she deems necessary. The Chief Executive Officer or his/her designee may create a classification system and job titles within employee categories for purposes of assignment, pay and benefits.

a. *Teachers.* Teachers are employees with teaching certificates issued by the Illinois State Teacher Certification Board, who are hired to perform instructional or related administrative services. Teachers shall be further categorized as follows:

1. *Appointed Teachers.* Appointed teachers are full-time teachers who are hired and assigned to vacant teaching positions. Appointed teachers shall be further classified as either tenured or probationary, as follows:

a. *Tenured Teachers.* Tenured teachers are either: 1) teachers who have been appointed to a teacher position, completed the statutory probationary period of continuous service as an appointed teacher necessary to attain tenure, and have not had a break in service or, 2) appointed teachers who lost their tenure but who meet the requirements to be reappointed with tenure set forth in subparagraph (a) (1) (a) (ii) of this Rule. For purposes of this Rule, a "teacher position" includes classroom teacher positions, city-wide teachers, lead teachers, librarians, guidance specialists, counselors, social workers, speech pathologists, school-based nurses, and psychologists. The Board may dismiss tenured teachers from Board employment only for just cause, in accordance with the Illinois School Code, and the Chief Executive Officer or his/her designee may lay off or otherwise remove tenured teachers from their positions in accordance with the Board's Rules and Policies.

i. *Loss of tenure.* A tenured teacher's right to contractual continued service or tenure is lost upon the occurrence of any of the following:

1. the tenured teacher's dismissal for cause;
2. the tenured teacher's resignation from his/her teacher position, which includes the tenured teacher's voluntary transfer from his/her teacher position to an educational support personnel employee, a certificated administrator, an assistant principal or an interim or contract principal position; and,
3. the tenured teacher's honorable dismissal from his/her teacher position.

ii. *Reappointment with Tenure.* Formerly tenured teachers who lost tenure under subparagraph (a)(1)(a)(i)(2) or (a)(1)(a)(i)(3) of this Rule shall be granted tenure upon reappointment to a teacher position under the following circumstances:

1. when the former tenured teacher is reappointed to a teacher position within one (1) calendar year from the effective date of his/her resignation;
2. when the former tenured teacher lost tenure by accepting a position as an educational support personnel, a certificated administrator, an assistant principal or an interim or contract principal and he/she is reappointed to a teacher position without a break in service to the Board of Education; and,
3. when the former tenured teacher is reappointed to a teacher position within two (2) calendar years of his/her honorable dismissal. Nothing in this Section shall be construed to guarantee reappointment to a teacher position or to alter the status of employees, including formerly tenured teachers, employed as an educational support personnel employee, a certificated administrator, an assistant principal or an interim or contract principal.

b. *Probationary Appointed Teachers.* Probationary appointed teachers are either: (1) newly appointed teachers who have not completed the statutory probationary period of continuous service necessary to attain tenure; or, (2) formerly tenured teachers who have had a break in service, been reappointed and have not completed the statutory probationary period of continuous service necessary to attain tenure since their reappointment. Probationary appointed teachers are appointed on an annual basis and their continued employment is conditioned on the Chief Executive Officer's recommendation to reappoint them each year in accordance with Board Rules. Probationary appointed teachers may be dismissed from Board employment, or may be laid off or not reappointed in accordance with the Illinois School Code and Board Rules and Policies. Probationary appointed teachers become tenured teachers after serving the statutory period of continuous service necessary to attain tenure in accordance with collective bargaining agreements.

2. *Temporarily Assigned Teachers.* Temporarily assigned teachers are certified teachers who are not appointed to a full-time, permanent position, but are employed on a temporary, provisional or conditional basis, as follows:

- a. Regularly certified teachers assigned to fill a full-time teaching position, which is encumbered by an appointed teacher, but which has become temporarily vacant as a result of a leave taken by the appointed teacher; or
- b. Teachers with provisional or conditional teaching certificates who are assigned to fill a full-time, vacant teaching position pending receipt of full teaching certification.

3. *Substitute Teachers.* Substitute teachers are teachers who are not appointed but are, at a minimum, certified by the Illinois State Board of Education to substitute teach and serve on a temporary basis, as follows:

- a. *Day-to-Day Substitute Teachers.* Day-to-day substitute teachers are employed on a day-to-day basis to fill temporary, day-to-day vacancies, as needed, with no guarantee of daily assignments. Day-to-day substitute teachers may not be assigned to fill the same position on a day-to-day basis for more than twenty (20) consecutive student attendance days. Day-to-day

substitutes may be classified as regular day-to-day substitutes or provisional day-to-day substitutes, based upon their type of certification.

b. **CADRE Substitute Teachers.** CADRE substitute teachers are employed on a full-time and year-to-year basis. They are entitled to receive daily assignments for each student attendance day throughout a school year in which they are employed. CADRE substitutes may only be assigned to fill the same position for up to twenty (20) consecutive student attendance days. The employment of a CADRE substitute teacher terminates at the end of each school year and must be renewed by assignment annually, except that the employment of a CADRE substitute teacher who: 1) is a displaced temporarily assigned teacher due to a position closing; and 2) has been a CADRE substitute teacher for less than twelve (12) continuous months since his/her displacement as a temporarily assigned teacher will terminate at the end of the school year following twelve (12) continuous calendar months from his/her assignment as a CADRE substitute teacher.

c. For the 2023-2024 school year, to support the staffing and class coverage needs connected to expanded parental leave rights, the priority will be to fill positions available with a licensed teacher. However, in the absence of an available teacher, substitute teachers described in 4-3(a)(3)(a) and 4-3(a)(3)(b) who work 5 days-per-week may be assigned to fill the same vacant position for more than twenty (20) consecutive student attendance days. If so assigned, the substitute teacher will be paid at the same rate as a temporary assigned teacher on day 21 and shall be so notified in writing. Those assigned as described in this section shall be displaced once an endorsed candidate is hired for the temporary assigned teacher vacancy.

4. **Half-Time Teachers.** Half-time teachers are regularly certified to teach by the Illinois State Board of Education, and are employed on a half-time basis.

b. **Principals.** Principals are full-time employees with administrative certificates/licenses issued by the Illinois State Board of Education who are hired to act as the instructional and administrative leader of one or more student attendance centers. Principals are classified as follows:

1. **Contract Principals.** A contract principal is appointed from an eligibility list maintained by the Board. A contract principal shall be hired under a contract with a duration of four (4) years, which shall be terminable for various causes, including removal of the contract principal under section 5/34-8.3 of the Illinois School Code. A contract principal has the powers and authority of a principal provided in the Illinois School Code. A contract principal may be removed and replaced and/or dismissed from employment and his/her contract terminated, as provided by the principal's contract and/or Board Rules and Policies, and the Illinois School Code.

2. **Interim Principals.** An interim principal is a temporary principal whom the Chief Executive Officer or his/her designee may assign to a student attendance center for either up to one (1) year or until a student attendance center's Local School Council selects a contract principal, whichever comes first; or, in the case of a student attendance center on probation, where the Local School Council does not possess the authority to select a contract principal, for an indeterminate period until the student attendance center is removed from probation status under the Board's policy on probationary schools, or in the case of a newly established school, for an indeterminate period until the school has a duly constituted Local School Council or an Appointed Local School Council. An interim principal may exercise all of the powers and authority of a contract principal. The Chief Executive Officer or his/her designee may remove an interim principal at his/her discretion.

3. *Acting Principals.* An acting principal is a temporary principal who does not have a contract and is assigned to a student attendance center by the Chief Executive Officer or his/her designee for a period of up to one hundred (100) school days to fill a temporary vacancy in a student attendance center's principalship. Where a tenured teacher is made acting principal, the tenured teacher shall be returned to his/her former position upon removal from the acting principalship. An acting principal may not dismiss or seek the dismissal of an assistant principal, teacher or any educational support personnel employee assigned to the school to which they are appointed without the prior approval of the Chief Executive Officer or his/her designee. The Chief Executive Officer or his/her designee may remove an acting principal at his/her discretion.

c. *Assistant Principals.* Assistant principals are full-time employees with administrative certificates/licenses issued by the Illinois State Board of Education who are recommended for hire by a contract principal, interim principal or, where there is no contract or interim principal, assigned by the Chief Executive Officer or his/her designee, to assist contract, interim or acting principals in the performance of their duties as the instructional and administrative leader of a student attendance center. Assistant principals may be assigned direct instructional responsibilities. Assistant principals may be displaced (i) annually at the end of a fiscal year, (ii) at the expiration of the principal's contract, (iii) upon the resignation or retirement of the contract principal, (iv) upon the removal or dismissal of the contract principal, or (v) upon the termination of the interim principal's assignment to the attendance center. The displacement notice and benefits afforded to assistant principals shall be established by the Chief Executive Officer or his/her designee. Assistant principals may further be dismissed at any time pursuant to Board Rules or Policies. The Chief Executive Officer or his/her designee shall establish transition rules for former quota assistant principals.

d. *Certificated Administrators.* Certificated administrators are full-time employees who hold administrative certificates/licenses issued by the Illinois State Board of Education, other than principals and assistant principals, who are assigned to administrative positions without direct instructional duties. Certificated administrators are "members of the teaching force" for purposes of the Illinois Pension Code. Certificated administrators are employed at-will.

e. *Educational Support Personnel or Paraprofessional and School-Related Personnel.* Educational support personnel or paraprofessional and school-related personnel are full or part-time employees who are not required to have teaching or administrative certificates/licenses issued by the Illinois State Board of Education to perform the duties of their position. Educational support personnel and paraprofessional and school-related personnel are employed at-will, unless the Board has entered into a specific agreement granting a particular class of educational support personnel a property interest in their employment by the Board.

f. *Part-Time/Seasonal Employees.* Part-Time/Seasonal Employees are employed at will on a seasonal, casual, short-term and/or temporary basis and are ineligible for employee benefits, including but not limited to paid sick, personal and vacation benefit days and any Board-sponsored employee health, dental, life or other benefit program. Part-Time/Seasonal Employees shall not work more than twelve hundred (1200) hours in a calendar year. Part-Time/Seasonal Employees shall be members of the Municipal Employees', Officers' and Officials' Annuity and Benefit Fund of Chicago except for the following groups of Part-Time/Seasonal Employees:

5. Individuals receiving a pension or annuity, other than widow's or child's annuity, from the Chicago Teachers Pension Fund, who are employed in a capacity for which the Board requires certification from the Illinois State Board of Education.

In accordance with P.A. 97-0912, the Board shall not re-employ an individual receiving a pension or annuity from the Chicago Teachers Pension Fund as a teacher (as defined the Illinois Pension Code) on a temporary and non-annual basis or on an hourly basis unless the person: (1) does not work as a teacher for compensation on more than 100 days in a school year, and (2) does not accept gross compensation for the re-employment in a school year in excess of (i) \$30,000, or (ii) in the case of a person who retires with at least 5 years of service as a principal, an amount that is equal to the daily rate normally paid to retired principals multiplied by 100. **PERMANENT DEBARMENT OF ALEJANDRO "ALEX" GONZALEZ****THE CHIEF OPERATING OFFICER REPORTS THE  
FOLLOWING RECOMMENDATION:**

That the Board of Education of the City of Chicago (Board) permanently debar Alejandro "Alex" Gonzalez (Respondent) from doing any business with the Board.

The Board's Chief Procurement Officer mailed a Notice of Proposed Debarment to Respondent on January 13, 2023 initiating debarment proceedings against Respondent based on Section 2(k) of the Board's Debarment Policy, CPS's Comprehensive Non-Discrimination Title IX and Sexual Harassment Policy, and the Guidelines Regarding Maintaining Professional Staff/Student Boundaries. Respondent was an employee of Board vendor Gear Up and he performed services associated with that employment at Wells Community Academy High School. While at Wells, Respondent engaged in inappropriate behavior, which included Respondent sending nude images of himself to a student, contacting some students via personal social media accounts, and Respondent hugging students for an extended period of time.

Respondent failed to submit a written response to the Notice as required by Section 4(d) of the Board's Debarment Policy. All allegations in the Notice are therefore admitted. See Debarment Policy, §4(d). The Chief Operating Officer has reviewed the record (as defined in Section 4.5(10) of the Debarment Policy), including Investigative Report No. OIG 19-02099, and recommends permanent debarment.

Based on the facts in the record as defined in Section 4.5(10) of the Board's Debarment Policy, the Chief Operating Officer recommends that (1) all existing contracts between the Board and Respondent be terminated; (2) that Respondent be barred from doing business with CPS or otherwise working on CPS property; (3) that Respondent be barred from participating as a subcontractor, vendor, or supplier under any Board contract; (4) that Respondent be barred from being hired or employed by CPS; and (5) that Respondent be declared ineligible for the award of any new Board business.

The Board adopts and approves the recommendation of the Chief Operating Officer.

**PERMANENT DEBARMENT OF DEBORAH HARRIS****THE CHIEF OPERATING OFFICER REPORTS THE  
FOLLOWING RECOMMENDATION:**

That the Board of Education of the City of Chicago (Board) permanently debar Deborah Harris (Respondent) from doing any business with the Board.

The Board's Chief Procurement Officer mailed and e-mailed a Notice of Proposed Debarment to Respondent on January 18, 2023 initiating debarment proceedings against Respondent based on Section 2(k) of the Board's Debarment Policy, Guidelines Regarding Maintaining Professional Staff/Student Boundaries, Student Travel Policy, and Acceptable Use Policy. During the 2018-19 school year, Respondent was working at Crane High School as an employee for Board vendor, Youth Guidance. While working at Crane, Respondent transported a student in her personal vehicle without parental consent. Respondent also sent numerous text messages to the student and talked to the student on the phone with one call lasting approximately two hours.

Respondent failed to submit a written response to the Notice as required by Section 4(d) of the Board's Debarment Policy. All allegations in the Notice are therefore admitted. See Debarment Policy, §4(d). The Chief Operating Officer has reviewed the record (as defined in Section 4.5(10) of the Debarment Policy), including Investigative Report No. OIG 19-01077, and recommends permanent debarment.

Based on the facts in the record as defined in Section 4.5(10) of the Board's Debarment Policy, the Chief Operating Officer recommends that (1) all existing contracts between the Board and Respondent be terminated; (2) that Respondent be barred from doing business with CPS or otherwise working on CPS property; (3) that Respondent be barred from participating as a subcontractor, vendor, or supplier under any Board contract; (4) that Respondent be barred from being hired or employed by CPS; and (5) that Respondent be declared ineligible for the award of any new Board business.

**PERMANENT DEBARMENT OF TYRONE HINES AND BOARD VENDOR NO. 94491****THE CHIEF OPERATING OFFICER REPORTS THE FOLLOWING RECOMMENDATION:**

That the Board of Education of the City of Chicago (Board) permanently debar Respondents Tyrone Hines and his music instrument selling business operating as Board vendor 94491. The Board's Chief Procurement Officer mailed a notice of proposed debarment to Respondents on November 2, 2022, initiating debarment proceedings against Respondents based on Section 2(k) of the Board's debarment policy and the Board's former policy against sexual harassment. Respondent Hines was employed by the Board for over three decades. He retired from the Board in December 2006 in lieu of termination.

The Board's Chief Operating Officer (COO) recommends that Respondents be debarred because Hines engaged in sexual abuse and inappropriate behavior with a CPS student and he personally drove CPS students' home in his car after school without parental permission.

Respondents' attorney submitted a written response to the Board's notice. In the response, Hines denied any inappropriate sexual conduct with a CPS student. But Hines admitted that he "may have" driven CPS students' home from school in his car. The COO has reviewed the record (as defined in Section 4.5(10) of the debarment policy) and recommends permanent debarment.

Based on the facts in the record as defined in Section 4.5(10) of the Board's debarment policy, the COO recommends that (1) all existing contracts between the Board and Respondents be terminated; (2) Respondents be barred from doing business with CPS or otherwise working on CPS property; (3) Respondents be barred from participating as a subcontractor, vendor or supplier under any Board contract; (4) Respondents be barred from being hired or employed by CPS; and 5) Respondents be declared ineligible for the award of any new Board business.

The Board adopts and approves the recommendation of the COO.

**PERMANENT DEBARMENT OF S2N SECURITY SOLUTIONS****THE CHIEF OPERATING OFFICER REPORTS THE  
FOLLOWING RECOMMENDATION:**

That the Board of Education of the City of Chicago (Board) permanently debar Respondent S2N Security Solutions from doing any business with the Board.

The Board's Chief Procurement Officer mailed a notice of proposed debarment to Respondent on January 31, 2023 initiating debarment proceedings against Respondent based on Section 2(k) of the Board's debarment policy. Respondent is a limited liability company providing on-site security services for Noble Schools, which is a charter school operating under CPS. Respondent failed to perform background checks on some of its employees, including individuals who have criminal backgrounds. The failure to perform background checks is a violation of the Board's background check procedures and the charter school's adjudication process agreements with the Board.

Respondent failed to submit a written response to the notice as required by Section 4(d) of the Board's debarment policy. All allegations in the notice are therefore admitted. See Debarment Policy, §4(d). The Chief Operating Officer has reviewed the record (as defined in Section 4.5(10) of the debarment policy) and recommends permanent debarment.

Based on the facts in the record as defined in Section 4.5(10) of the Board's debarment policy, the Chief Operating Officer recommends that (1) all existing contracts between the Board and Respondent be terminated; (2) that Respondent be barred from doing business with CPS or otherwise working on CPS property; (3) that Respondent be barred from participating as a subcontractor, vendor, or supplier under any Board contract; (4) that Respondent be barred from being hired or employed by CPS; and (5) that Respondent be declared ineligible for the award of any new Board business.

**AMEND BOARD REPORT 22-0126-PR13**  
**AMEND BOARD REPORT 21-0428-PR8 AUTHORIZE THE PRE-QUALIFICATION STATUS OF AND**  
**ENTERING INTO AGREEMENTS WITH VARIOUS VENDORS TO PROVIDE CUSTOM PRINT**  
**SERVICES**

**THE CHIEF EXECUTIVE OFFICER REPORTS THE FOLLOWING DECISION:**

Authorize the pre-qualification status of various vendors to provide custom print services to District offices and Schools and authorize entering into a written master agreement with each vendor. Vendors were selected on a competitive basis pursuant to Board Rule 7-3. A written master agreement for each Vendor is currently being negotiated. No services shall be provided by any Vendor and no payment shall be made to any Vendor prior to execution of their written master agreement. The pre-qualification status approved herein for each Vendor shall automatically rescind in the event such Vendor fails to execute the Board's master agreement within 90 days of the date of this Board Report. Information pertinent to this master agreement is stated below.

This January 2022 amendment is necessary to add one (1) Vendor #30 Jostens, Inc. to the list of pre-qualified vendors pursuant to a supplemental Request for Qualifications (21-288). A written agreement is currently being negotiated. No services shall be provided by and no payment shall be made to the new Vendor prior to the execution of their master services agreement. We are also removing Vendor #7 FedEx Office and Print Services, Inc. who did not agree to sign our master services agreement. The authority granted herein shall automatically rescind for the new Vendor in the event such Vendor fails to execute the Board's master agreement within 90 days of the date of this Board Report.

This September 2023 amendment is necessary to add \$5,550,000 in funds available for use on this project. This increase is required for printing needs required by the Department of Literacy and Math to print curriculum materials. These materials are being used to enhance the Skyline ELA curriculum, particularly with respect to Foundational Skills instruction in grades K-3. This will also reduce the costs at the school level by providing the K-3 classrooms with pre-printed materials. A written amendment is not required.
