RESOLUTION
REQUEST THE PUBLIC BUILDING COMMISSION OF CHICAGO TO UNDERTAKE THE
EDWARDS ANNEX AND RENOVATION

WHEREAS, on July 12, 1956, the Board of Education of the City of Chicago (the “Board”) joined
in the organization of the Public Building Commission of Chicago (the “PBC”); and

WHEREAS, the PBC provides a means of facilitating the acquisition, construction and
improvement of public improvements, buildings and facilities for use by various governmental agencies in
the furnishing of essential governmental, educational, health, safety and welfare services; and

WHEREAS, the Board has heretofore participated in the acquisition and construction of public
schools and other facilities to provide essential governmental services in cooperation with the PBC and
various other governmental agencies; and

WHEREAS, the Board has determined that it is necessary, desirable, advantageous, and in the
public interest to undertake various capital projects in conjunction with the City of Chicago and other
governmental agencies; and

WHEREAS, the projects would maximize the utilization of educational facilities operated and
maintained by the Board by providing new school educational options and enhanced recreational and
other facilities and improving the community areas located in the vicinity of school property; and

WHEREAS, the estimated total cost of construction for the project is anticipated not-to-exceed
$13,974,828 ($10,250,000 previously approved by Board Resolution 15-0225-RS3) of which the Board
has or will incur approximately $528,000 of Project-related costs directly. The Project to be undertaken by
the PBC is anticipated to be $13,446,828.

NOW, THEREFORE, BE IT HEREBY RESOLVED BY THE CHICAGO BOARD OF
EDUCATION:

1. The PBC is hereby requested to complete the construction of the Edwards annex and renovation
project on behalf of the Board. The Chief Financial Officer and the Chief Operating Officer are hereby
authorized to deliver a Project Notification to the PBC, as defined in the Intergovernmental Agreement
between the Board and the PBC, dated February 1, 2007 (the “IGA”).

2. The Project is not part of the Modern Schools Across Chicago Program. The Project will be funded
with capital funds generated in Fiscal Year 2015 or subsequent years. To the extent that other capital
funds become available, the Board reserves the right to supplant Board Capital funds with other
funding sources. The total cost of the Project to be undertaken by the PBC shall not exceed $13,446,828.
This dollar amount is necessary to cover project costs, including environmental, site
preparation, contingency, management fees, implementation and construction. The project costs are
appropriated in the FY15 and FY16 Capital Budget and miscellaneous capital funds.

3. The Board’s General Counsel is hereby authorized to execute an assignment to the PBC of any and
all contracts entered into by the Board in connection with this Project and to execute any and all other
documents necessary to effectuate this transfer. Any such contract may include a requirement that
all construction work is subject to the terms contained in Board’s existing Project Labor Agreement.

4. No cost may be incurred in excess of the level set forth in paragraph 2 above without prior Board
approval.

5. This resolution is effective immediately upon its adoption.
RESOLUTION REGARDING SCHOOL QUALITY RATING POLICY

WHEREAS, the Board adopted a School Quality Rating Policy on August 28, 2013 under Board Report 13-0828-PO5 which was later amended on August 27, 2014 under Board Report 14-0827-PO2 and on November 19, 2014 under Board Report Number 14-1119-PO1 (the “SQRP Policy”);

WHEREAS, the SQRP Policy establishes the multiple performance standards and growth indicators used to annually evaluate each District elementary and high school in order to issue a School Quality Rating and an Accountability Status annually to each school;

WHEREAS, during the 2014-2015 school year the District experienced problems with the test forms utilized for the high school EXPLORE and PLAN assessments resulting in a determination that the spring 2015 EXPLORE and PLAN assessment results were unreliable;

WHEREAS, the SQRP Policy identifies twelve (12) high school performance indicators and three (3) of these performance indicators, listed below, are related to student results on the EXPLORE and PLAN Assessments:

(1) National School Attainment Percentile Based on the EXPLORE, PLAN and ACT Assessments,
(2) National School Growth Percentile Based on the EXPLORE, PLAN and ACT Assessments, and
(3) Priority Group National Growth Percentile Based on the EXPLORE, PLAN and ACT Assessments (evaluated separately for African-American, Hispanic, English Language Learners (ELLs) and Diverse Learners);

WHEREAS, due to the unreliability of results of the spring 2015 EXPLORE and PLAN assessments, SQRP Policy modifications are necessary to remove the spring 2015 EXPLORE and PLAN results from the calculation that determines 2015-2016 School Quality Ratings and Accountability Status designations for each high school;

WHEREAS, further modifications are also necessary to the weighting of high school performance indicators identified in the SQRP Policy in order to reduce by 15% the weight assigned to those performance indicators that will now exclude student results from the spring 2015 EXPLORE and PLAN Assessments and then re-distribute this 15% weight across the other nine (9) high school performance indicators;

WHEREAS, the terms of this Resolution shall be in effect and implemented for School Quality Ratings and Accountability Status designations issued in fall 2015 for the 2015-2016 school year;

WHEREAS, for annual School Quality Ratings and Accountability Status designations issued beyond fall 2015, the Chief Executive Officer shall undertake a review and evaluation of SQRP performance indicators and recommend to the Board any further SQRP Policy modifications based on (a) the continued elimination of EXPLORE and PLAN assessments from the SQRP scoring rubric, (b) implementation of the new state assessment and accountability measure for Illinois students, Partnership for Assessment of Readiness for College and Careers (PARCC), (c) other factors deemed relevant by Chief Executive Officer.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD, as follows:

A. For purposes of determining 2015-2016 School Quality Rating and Accountability Status designations as described in section III of the SQRP Policy, the spring 2015 EXPLORE and PLAN scores shall be excluded from three high school Performance Indicators as follows:
(i) The “National School Attainment Percentile Based on EXPLORE, PLAN and ACT Assessments” Performance Indicator shall consider 2015 ACT Assessment results only and this Performance Indicator shall be re-named “National School Attainment Percentile Based on the ACT Assessment”; 

(ii) The “National School Growth Percentile Based on EXPLORE, PLAN and ACT Assessments” Performance Indicator shall consider growth results from the 2014 PLAN to the 2015 ACT Assessment only and this Performance Indicator shall be re-named “National School Growth Percentile Based on the ACT Assessment”;

(iii) The “Priority Group National Growth Percentile Based on EXPLORE, PLAN and ACT Assessments (evaluated separately for African-American, Hispanic, English Language Learners (ELLs) and Diverse Learners)” Performance Indicator shall consider growth results from the 2014 PLAN to the 2015 ACT Assessment only and this Performance Indicator shall be re-named “Priority Group National Growth Percentile Based on the ACT Assessment (evaluated separately for African-American, Hispanic, English Language Learners (ELLs) and Diverse Learners)”.

B. For purposes of weighting a high school’s results on each of the twelve (12) performance indicators as set out in Section III.E.2. of the SQRP Policy, the revised weighting, listed below, shall be used to calculate the 2015-2016 School Quality Rating and Accountability Status designations for high schools:

That the Board approve the establishment of the new Walter Henri Dyett High School "Dyett" for the Arts, located at 555 East 51st Street, its academic focus as an arts school with a technology lab and training center, and attendance area boundaries, effective July 1, 2016.

A public hearing will be held on Friday, September 25, 2015 from 6:00 pm to 7:30 pm in the Board Room located at CPS Loop Office, 42 W. Madison Street, Garden Level, Chicago, IL 60602 to discuss the new high school and proposed boundary changes.

DESCRIPTION: On July 1, 2016, Dyett will open at 555 East 51st Street as an open enrollment neighborhood high school with an arts program and a technology lab and training center.

ENROLLMENT: Beginning in the fall of 2016, Dyett will welcome an incoming 9th grade class. Dyett will then welcome one grade per year until it serves approximately 550 students in grades 9-12.

Students residing within the school attendance boundary are entitled to enrollment at Dyett. Students residing outside the attendance boundary may apply for any available seats through the guidelines set forth in the Office of Access and Enrollment's High School Guide.

ATTENDANCE BOUNDARIES:
Beginning at Dr. Martin Luther King Jr. Drive and 41st Street
East to Lake Michigan
South along the Lake to 47th Street
West to Cottage Grove Avenue
South to 60th Street
West to Dr. Martin Luther King Jr. Drive
North to the starting point.

CURRICULUM: Dyett will provide every child in the school with an education that is rich in the arts, while instilling an environment that fosters academic, social, and personal growth to cultivate academic and artistic excellence. By engaging students through the arts, Dyett will emphasize exploration, interaction, innovation, and creation. Moreover, Dyett's coursework will provide the infrastructure necessary to promote open exchange and critical analysis in the classroom. Students who enroll at Dyett will be offered initial opportunities in the following art academies: Visual Art, Dance, and Digital Media, with Theatre and Music (choral and instrumental programs) academies offered in subsequent years. The academic curriculum will also provide students with a rigorous college preparatory education. Within each discipline, Dyett will use a research-based multi-year curriculum that provides instructional sequencing across grade levels.

Using the practices outlined in the CPS Arts Education Plan, the school will also maintain an Arts Liaison, offer a diverse mix of visual and performing arts courses toward high school graduation requirements, and participate in the district's Creative Schools Certification as a means to communicate the school's investment in arts education to both the community and broader public. And, in an effort to extend arts teaching by art educators, arts partnerships will be leveraged during in- and out-of-school time.
ACADEMIC CALENDAR: At inception, Dyett will follow Chicago Public Schools' academic school calendar. Teachers may be required to commit to training and other activities outside of the academic calendar.

SCHOOL DAY: At inception, Dyett will employ an open campus model with a minimum teacher school day based on an agreed timeline to be determined by all stakeholders. Teachers will commit to after-school training and activities with students, staff and community. After-school programming will be established to provide tutoring, instructional activities, enrichment activities and/or social center activities to students.

TECHNOLOGY LAB AND TRAINING CENTER: Dyett will offer a technology lab and training center that will leverage Chicago's rapidly growing technology and innovation sectors and align those resources with the District's burgeoning STEM and IB program offerings, as well as help support the ongoing expansion of personalized learning opportunities in the District. Students will be able to use the technology lab and training center both during school and after-school hours to engage in real-world educational experiences that will help them learn to think critically, work collaboratively, and prepare them for success in the 21st century global economy. Dyett will partner with colleges, nonprofits, and business partners in a cooperative effort to provide a much-needed link between South Side students and the city's growing innovation network. Finally, the technology lab and training center will also provide professional development and learning opportunities for teachers, principals, parents and staff from community organizations.

GOVERNANCE: Initially, Dyett will establish a transitional advisory body. A Local School Council will be established in a timely manner.

PERSONNEL IMPLICATIONS: Dyett will be staffed in accordance with Board staffing formulas for all positions under the school based budgeting model. Unique teacher training, professional development, skills, abilities, proficiencies, experience and qualifications will apply to all teacher positions and may be additionally required for all educational support personnel.

FINANCIAL IMPLICATIONS: Dyett will receive incubation funding not to exceed $152,000 and start-up funding not to exceed $244,000 in FY 16. The financial implications of the school's budget will be addressed during the development of the 2016-2017 fiscal year budget. Since the School Code of Illinois prohibits the incurring of any liability unless an appropriation has been previously made, expenditures beyond FY16 are deemed to be contingent liabilities only, subject to appropriation in subsequent fiscal year budgets.

A public hearing was held on May 20, 2015 for all charter schools going through renewals to receive public comments, including Youth Connection Charter School. The Office of Innovation and Incubation recommends that, based on the school’s performance on these and other accountability criteria, Youth Connection Charter School be authorized to continue operating as a charter school.

**RENEWAL TERM:** The term of Youth Connection Charter School's charter and agreement is being extended for a five (5) year term commencing July 1, 2015 and ending June 30, 2020. The YCCS Virtual High School Campus has been suspended for the 2015-2016 school year.

**LSC REVIEW:** Approval of Local School Council is not applicable to this report.

**FINANCIAL:** The financial implications will be addressed during the development of the 2015-2016 fiscal year budget. Since the School Code of Illinois prohibits the incurring of any liability unless an appropriation has been previously made, expenditures beyond FY15 are deemed to be contingent liabilities only, subject to appropriation in subsequent fiscal year budgets.
Also, as a result of the proposed increase in enrollment, YCCS will receive an estimated net funding increase of $2,172,888 in Tuition, SGSA, and facility supplement. DEBARMENT OF JM POLCURR, INC. AND JOHN MARQUEZ

THE CHIEF ADMINISTRATIVE OFFICE REPORTS THE FOLLOWING RECOMMENDATION:

That the Board of Education of the City of Chicago ("Board") permanently debar JM Polcurr, Inc. and John Marquez (hereinafter "Respondents") from doing any business with the Board.

On June 21, 2014 the Board’s Chief Procurement Officer served on Respondents a Notice of Proposed Debarment ("Notice"), initiating a debarment proceeding against them, based on the Office of the Inspector General’s finding in Report 13-00545, that Respondents submitted a forged construction performance bond to the Board in violation of Board Rule 7-6, sections 2(b), 2(c), 2(h), 2(l)(2, 3, 6, 7, 9) and 2(k) of the Board’s Debarment Policy ("Policy"). Respondents submitted a written response pursuant to section 4.5(d) of the Policy, primarily addressing the mitigation factors set out in section 3 of the Policy. The Chief Administrative Officer has reviewed the record (as defined in section 4.5(10) of the Policy), and after consideration finds that that Respondents have not met their burden of demonstrating that debarment is not warranted due to alleged mitigating factors they advanced.

Based on the facts set forth in the record (as defined in section 4.5(10) of the Policy), the Chief Administrative Officer recommends that the Board adopt the findings of the Inspector General and permanently debar Respondents from doing any business with the Board effective immediately. Furthermore, all existing contracts between the Board and Respondents are terminated. Respondents are also ineligible to act as a subcontractor or supplier on any existing or future Board contracts.
