January 10, 2020

Thank you for your participation at the Chicago Board of Education Workforce Development and Equity Committee Meeting on December 16, 2019. Your feedback and ideas are invaluable as we reimagine a diverse teacher pipeline and reach our goal of hiring more Black and Latinx teachers.

As we promised at the Committee Meeting, your group comments and notes have been posted on the Board of Education website, along with the presentation that was shared with the group and a transcript of the meeting. You can find the notes, presentation, transcript and other materials under "News and Announcements" on our website at www.cpsboe.org. Please share this information with interested people in your networks who were unable to attend the meeting.

The CPS Talent Office is currently analyzing your feedback and will use this to inform how we build a teacher workforce that reflects the diversity of our communities. Over the next few weeks and months, they will share a written summary of that analysis, use the key themes and questions from your comments to drive additional stakeholder engagement, and use that insight to draft a set of program and policy proposals.

If you have any questions, please call the Chicago Board of Education at (773)-553-1600 or email BOEWDEC@cps.edu. On behalf of the Chicago Board of Education, thank you again for sharing your ideas and contributing to this important work for the district.

Sincerely,

A handwritten signature in black ink that reads "Elizabeth S. Todd-Breland".

Elizabeth S. Todd-Breland
Workforce Development and Equity Committee Chair
Chicago Board of Education
